"Victory Week" For Schools

At the Rohwer schools, the week of Nov. 7 to 13 will be American Education Week. With "Education for Victory" as their general theme, all departments and classes will participate in this education program to be carried out by schools throughout the nation.

The schools will be open to parents and those interested throughout the week. All regular class schedules will be maintained so that visitors may see the schools in actual normal operation. This will be the first "Open House" for this semester.

VACANCIES IN CENTER JOB

"A few employment vacancies are now opened in all division and sections of the Center. No one should experience difficulties in securing employment in his special field," reported Joseph Coleman, placement, yesterday.

Arriving last week to join the Center hospital staff were Dr. Ronald L. Loeb, Dr. Thomas B. Crocroft and Dr. Richard S. O'Connell. They were engaged in private practice of medicine before coming here.

Dr. Loeb, who received his M.D. degree from the University of Genoa in 1936, is from New York City. Dr. Crocroft, who received his M.D. from Tulane University in New Orleans in 1907, is from Ashville, N. C. Dr. O'Connell, who received his M.D. from the University of Vermont in 1926, is from Vermont.

"On the basis of the present population, Rohwer Center is entitled to five doctors," said Dr. Wayne Ramsey, chief medical officer.

On Friday and Saturday, Dr. G. D. Carlyle Thompson, chief WRA medical officer from Washington, visited the Center for the second time. Dr. Thompson met with the Community Council's Board of Health members Saturday afternoon and discussed the various aspects of Center health conditions.

RELOCATION

mittee for Relocation of Japanese Americans, and her husband Raymond Booth, relocation officer at Cincinnati, were both with the American Friends Service Committee in Pasadena, Calif., during the evacuation period. They also fostered student relocation.

The following is a message from her to the Center people:

"I come to many of you as a friend of pre-evacuation days; to many more of you as one drawn closer by the sharing of your evacuation experiences, both my husband and I, on the West Coast. From him I also bring loving greetings and the sincere hope that you may soon be resettled and happy in jobs and homes of your own again as when we knew you first. Those from among you who are now relocated in our Cincinnati community are doing very well and are highly respected by their Caucasian friends and neighbors. There are not words to convey to you here in camp the great depth of good-will and spirit of friendly co-operation awaiting you on the outside."

RELOCATED STUDENTS ENJOY CAMPUS LIFE IN MILWAUKEE

Appearing in a recent issue of the "Echo Weekly," student publication at the Milwaukee State Teachers college, was the following article on four former Rohwer residents.--

"Helpful," "friendly," "fine," and "sweet!" exclaimed the four nisei Coeds on the campus as they talked about Milwaukee State Teachers college faculty and students. Haruko Nishikawa, June Kimura, Emiko Yashimoto and Ruth Asawa happily agreed that they like Milwaukee and are eager to participate in college activities.

Three of the nisei students plan to teach. The exception is Miss Asawa, a freshman in the Art division, who hopes to paint. Born in Norwalk, Calif., she spent a year in the relocation camp in Arkansas before she was advised to enrol in the Art division of MSTC. She wants to continue her art studies after finishing her course here.

Miss Yashimoto, also from California, is interested in teaching history. A freshman in the Elementary division, she attended summer school.

A junior in the Kindergarten Primary division, Miss Nishikawa previously attended UCLA. She plans to continue her major in German. She was also asked to work in the Kinder-

SHELBY JA NINE WINS COVETED CHAMPIONSHIP

CAMP SHELBY, Miss. In a "Frank Merriwell" finish, the Nisei infantry regiment team won the final game of a play-off series with a last inning home run and therefore became the undisputed baseball champions of Camp Shelby. The three-game play-off was with an infantry regiment which had won the pennant in the Camp's Divisional League. There are two leagues in Camp, one Divisional and one made up of non-Divisional units, including two Nisei teams, Field Artillery and infantry.

The championship play-off was the most exciting and probably the best game of the season. With the score tied at two all, pinch-hitter Wataya singled for the Nisei, then slender hard-hitting Goro Kashiwaoda, Hawaiian-born right fielder, connected with a solid blow that sent the horsehide far over the right-fielder's head that he didn't even bother to chase it. And so the final game of the season was recorded a 4-to-2 victory for the Japanese Americans.

It was a fitting climax to the seasonal pitching record of Lefty Higuchi, mainstay of the Infantry nine. Higuchi allowed only five hits and struck out eight opponents. Similarly it was his masterful twirling that won the pennant in the first half of a split season.

Now three imposing athletic trophies rest on the desk of the Commanding Officer of the Combat Team, Col. C. W. Ponco. The first came from the swimming team's swooping victory in the Southern AAU tournament in New Orleans last August. The second was a belated statuette representing the baseball victory in the

RULES FOR LIGHTWEIGHTS

The games will be played in Round Robin schedule. All coaches must hand in their team roster with the weight and age of each players; the roster will be unlimited.

The team average must be 135 pounds and age limit is 20 inclusive. All players turned 21 since the first meeting, October 12, 1943, are allowed to play.

All players once signed up for Rohwer heavyweights can not play for the lightweights. In cases where a player cannot make the heavyweight team and wishes to join a lightweight team afterwards, the coaches of the respective teams will decide on that by consulting with the Football Commissioner.

All games will be played on Sr. High school field on Saturdays at 2:00 p.m.

The officials for the games will be furnished by the Athletic Department. The rules will be strictly enforced by the officials.

At the conclusion of the schedule, the winning team will be awarded the Athletic Award by the Community Activities.

Ted Shironaka
Athletic Commissioner.

BLUE DEVILS TO USE TRICKY "T" FORMATION

Employing the now-famous model "T" formation, the unknown Blue Devils, who are the dark-horse of the lightweight league are gradually rounding into top form to get set for the first league tilt with the Jokers.

Making the "T" work to perfection will be Roy Kasuyama, formerly of Jefferson High school in Los Angeles, who will operate from the important quarterback position. He will handle the ball on every play and do most of the passing.

In left halfback, Sat Oono, they have one of the fastest backfield men in the league, once he gets into the open he is a hard man to catch. His speed will be used to a great extent on those quick passing plays that are run off of the "T".

The Fullback duties will be taken care by Gabriel Ohata and Jocy Noma.

Coach George Furukawa's line will be built around Yo Fujimoto, George Tomota and Its Ryuto. All three of them saw action against the Denson high school.

The Blue Devils roster's ENDS: Art Toimoto, Harry Wakai, Warren Nitta, Tokuo Nitta and Tak Tashara; TACKLES: Yo Fujimoto, Jim Oyo, Jim Matsumoto, Tom Maruda, Buster Takechi, Sam Muraki; GUARDS: Its Ryuto, George Tomota, Bert Sato, Sotcho Abo; CENTERS: Henry Shiota, George Sugimoto; BACKS: Sat Oono, Miyoto Ohta, Roy Kasuyama, Kenji Ichiki, Jocy Noma, Shig Ohta, Sunnie Ichiba, Toruo Nonura, H. Nishioka.

Watch-charm emblems were given to each player by the Post athletic authorities in commemoration of the dramatic victory.
