VOLUNTEERS:

CAMP SAVAGE CALLS FOR MEN

Voluntary induction for Camp Savage will be held in the Center on Dec. 20 and 21 by an official recruiting team of Captain Faul F. Rusch, director of personnel, and Technical Sergeants Ronald T. Chagami and Morio Nishta, who will arrive here Sunday.

During the two days, they will interview misei and kibel between the ages of 18 and 38 who wish to volunteer for Camp Savage.

"As this may prove to be the final chance at voluntary induction for Camp Savage, it is hoped every effort will be made to really have Rohwer show well in the result," stated Captain Rusch in a letter to Project Director Ray D. Johnston.

Captain Rusch was a teacher at Rikkyo University in Tokyo for 17 years, and was one of the founders of American football in Japanese universities. Following Dec. 8, 1941, he was interned in Tokyo for seven months and returned to the United States in the first Gripsholm exchange.

"It has been a surprise to find some 20 former Tokyo univer sity players at Camp Savage. (Continued on Page 6)

THREE CARLOADS OFFSET CRISIS

REPATRIATION NEWS GIVEN

The Secretary of the Spanish Consul, Alfonso Sabadie, substituting for the Spanish Consul, visited this Center last Sunday, accompanied by H. M. Beninghoff of the State Due to the Department. shortness of notice and the briefness of his visit, a committee of seven men (C. Sumida, chaziman, S. Murada, S. Tamaki, F. Date, Mr. Onizuka, Mr. Shiraishi, and Mr. Hayashino) represented the Issei of this Center in confering with Sabadie.

The primary reason for his visit was to clear up the business concerning repatriation. He stated that: (1) Those who have signed up for repatriation and wishing to retain their repatriation will be asked to sign up once again; (2) Those who have signed up, and who wish to cancel their repatriation may do so now, The matter of re-signing

The Centers coal shortage, which had reached a critical stage the early part of this week, was temporarily offset when 3 carloads of coal arrived vesterday morning. Several more carloads are now on the way.

"From now, Rohwer will. receive coal from two different sources. According to the new shipping schedule, the Center Will be assured of 22 carloads per day. This quota should be sufficient for the Center consumption, and the residents and appointed personnel are urged to conserve coal and use only what is necessary," said James F. Rains, assistant project director.

A careful survey of the coal supply in the Center revealed that several blocks had been already short on coal. The offidistribute the coal fairly and evenly to the blocks.

"The shortage of coal was brought about by the coal mine strikes in the Eastern sections of the country," Rains said.

DRAFT AGE EVACUEES WARNED TO COMPLY WITH REGULATION

Evacuees of draft age who are subject to Selective Service laws were reminded today of their responsibility for keeping in touch with their draft boards, according to special. instructions received from Washington. Male residents of Rohwer center were warned that failure to comply with draft regulations them draft delinquents and subject them to possible criminal prosecution.

Under the Selective Service and Training Act of 1940, as amended, all porsons botween the ages of 18 and 45 who are required to register with a local draft board must inform

local boards at all times of any change of address, dependency, or marital status.

The regulation with respect to change of address applies especially to evacuees who relocate and settle elsewhere. As soon as relocation has been effected, evacuees must write to their draft boards, indicating their new address, the type of job, and current marital and dependency status. Each time an evacuee moves, the same procedure must be followed.

Young men reaching their 18th birthday are required by law to register at once with the nearest Selective (Continued on Page 6)

Ichiba Paints Huge Picture

Recently completed is large oil painting, 5' x 5', on canvas, by Jr. high school art instructor. Sam Ichiba.

The pisture has been sent to Little Rock, and is being exhibited at the spacious home of Mr. and Mrs. Don Leveck in Normandy.

The painting is of a western desert scene with huge barren of castlelike mountains in the middle ground. A mere distant line of blue-purple hills gives depth to the picture. Colors are handled in an offective mannor; the sky a colorful blending from chartruose to deep blues hightoned by a pattern of clouds. In the foreground, a group of cactus forms a colorful center of interest.

TRAVEL REGULATIONS FOR RELOCATED ALIENS GIVEN

The importance of abiding by all Department of Justice travel regulations was forcibly brought home to alien residents of Rohwer center by news of the recent arrest of four seasonal workers from Heart Mountain. The alien evacuees apprehended were taken into custody in Spokane, Wash, for traveling without the required permits and were detained at an Immigration and Naturalization Service detention station at Missoula, Mont. for severel weeks, After being given hearings before an Alien Enemy Hearing Board, they were released by order of Attorney General of the the United States.

Project Director Ray D. Johnston today warned alien evacueus planning to leave Center on seasonal indefinite laave to or be absolutely certain they understand and comply with all Department of Justice regulations governing enemy aliens. These regulations require that enemy aliens apply to the U.S. District Attorney in the State in which they are living at the time for permission to travel from one city or town to another. Application for permission must be made at least 7 days before any trips can

Department al expenses included a total of \$41.87 for CA Director's office; \$11.97 for the athletic department; and \$150 for community entertainment.

Balance left in the CA sub-departments was reported as follows; athletic department, \$56.79; clubs and organizations, none; CA reserve, \$27.56; Commumity entertainment, \$107.10. be made.

Alien evacuees planning to relocate may see Project Attorney Jack Curtis for further explanation of these regulations.

Firms Prohibit Discrimination

Terming racial discrimination against workers
as "detrimental to the
prosecution of the war",
President Roosevelt has
ordered that all Government contracts rade with
private manufacturing or
service firms shall carry
a clause barring racial
discrimination in hiring
omployees,

Under the terms of this order, all persons contracting with the "overnment will be required to adhere to this clause which prohibits discrimination against any employee or applicant for employment on account of race, creed, color, or national origin. Sub-contractors as well as principal contractors, must comply with this clause.

The President issued such an Executive Order some time ago; this order was interpreted by Comptroller General Lindsay Warren as being a directive and therefore not mandadressed to Attorney General Prancis Biddle, however, the President made it clear that the order was mandatory and must be incorporated in all Government contracts.

EVACUEE GOODS AT HAWAII TRANSPORTED

Arrangements were reported as completed for
the transportation of household goods and personal
effects of evacuees who
formerly resided in the
Hawaiian Islands, whereby
they can obtain the same
service now offered to
other evacuees.

Evacues desiring shipment of household goods from the Islands may see I.B. Conner, evacuee property officer, in Ad. building 2, and execute Form WRA-156.

THE LIGHT....

From the nightmare at Tule Lake comes a name femiliar and distasteful to many of us. A name as sensational as the "riot" itself. A name which has meant heartbreak, grief, and one great discrimination against us. That name, that man, is Mr. Martin Dies.

To some of the American public, his name has meant the exposing of "un-American" activities. To some he has been looked up on as the "savior" of Democracy. But we know and feel differently.

For this man has created sensation by uncovering many "ene my" espiona ge activities and systems prior to evacuation. "Exposed" was the "Secret Army" of Japan, the Black Dragon Society, and numerous other organizations. At the same time, there were collected "dangerous contrabands," including "secret ma ps", "bomb s" (oversize firecrackers) and "wireless sets". (My goodness, did we have all these). Undoubtedly, some may be true to a small extent, but if we were General MacArthur or Secretary of Navy Knox, we would term most of these charges "preposterous," or "unheard of". By these things, our lives had been dragtically changed. This had much to do with our evacuation.

Then now, Tule Lake. Once again Mr. Dies pounced Tule Lake. upon the helpless evacuees (internees) and once again came out with "startling" and "amazing" discoveries. This time from a military guarded place, they "found" bombs and scores of knives (1s this an insult to the vigilance of the soldiers watching the camp?). Perhaps the "scores of knives" happened to be just mess knives?....(did they outlaw the use of knives to cut meats, or doesn't Emily Post exist anymore?) (Continued on Page 6)

The CA holiday committee will present a Centerwide Christmas program on Dec. 23 from 7:30 p.m. in Moss hall 35.

The program will feature a variety of talents. During the program, token gifts or some other form of recognition of the Block managers part in the distribution of gifts will be given.

On 24th, each block will be asked to put on some form of program of their own. The gift distribution to the children of the block will be done then.

On 25th, churches' and Sunday schools' programs will be hald.

HUNTER ATTENDS DENVER CONFAB

Dr. J. B. Hunter, assistant project director, left Monday for Denver, Colo. to represent the WRA at the National conference of Japanese Christian leaders, to be held Dec. 16-17.

He will be one of the principal speakers.

BETWEENT

A Bronco team which for two s is a half quartershad been battered by an inspired Blue Devil team, rose to its greatest height to triumph, 6-0, thanks to an ailing halfback.

The hero was Junji Sasaki, who begged Coach Eingo Kitagawa to let him play and who upon entering broke away for gair of 26 and 34 yards to almost set up the winning touchdown single handed. This 17 yard per try attests for his value as well as inspiration.

As for the Blue Devils, it was a tough loss. They outplayed the victors for mearly three quarters and had four possible scoring chances misfired because of the lack of scoring punch.

Playing a standout game for the winners were, Hank Okura, Eugene Sakasegawa, Frank Sato in the line while, Junji Sasaki, Nobi Tanimoto, Ray Kurikara and Joe Intsuo carriodthe heavy lond of the attack.

Ailing Junji Sasaki Leads Attack; Sat Oune Standout for Losers

The bost game of the season played to date was witnessed when the revived Brences came fighting back in the second half to everpower a gallant band of Blue Devils, 6-0, last Sunday afternoon before 2000 local pigskin followers.

This thrill-packed battle for the first time produced an offensive machine which overshadowed the de-

fonsive play, as both too as opened up their power plays to roll up a total net gain of 316 yards on ground and air.

The game's lone score came in the third quarter, when the Broncos' powerful running attack went into high gear as they marched 90 yards to a touchdown on 11 plays. Fullback No.bi Tanimoto plunged his way over the final chalk stripe from the one yard Junji Sasaki's attempted conversion was low. This goulward drive was engineered by rambling Junji Sasaki, who only performed on this march because of a wrocked ankle. He reeled off two long runs of 34 and 26 yards respectively. The entrance of Sasaki into the game gave the Broncos a new lease of life as they were on to another touchdown, but the final gun halted the drive after 54 yards.

The ontire first half of the game was all Blue Devils as lightning Ound single handedly tore through the Broncos' fonse for consistent gains. With any kind of downfield blocking on the part of his team-mate might have meant a touchdown for the Blue Dovils as Oune broke into the Broncos! socondary many timos. Ouno personally accounted for 81 out of the Blue Devils' 109 yards gain from

the sorimma go. Tho Blug Dovils drove inside the winner's 10 yard line three times, but they 3 were denied of a score by O, the hard charging Broncos O line. They missed their best chance, when they had the ball on the Broncos' one, yard line and four tries to go over. Here the Broncos' forward wall stiffened and put on a magnificient goal line stand as they turned book four

Minneapolis Paper Defends Loyal Japanese Americans

Commenting on Ambassa-dor Joseph Grew's speech last month before the Holland society of New York, in which he defended loyal Americans of Japanese descent, the MINNEAPOLIS STAR JOURNAL of Nov. 23 stated in part that:

"Undoubtedly, Mr. Grew's vigorous words were evoked in part by public reaction to the trouble early this month at the Tule Lake, 11fornia camp where disloyal Japanese are segregated. The careful, facthal job which most newspapers did in reporting what actually happened there was tarnished by the colored accounts published by a few newscapers on the Pacific coast and by the Hoarst prossielsewhere, and by inflammatory treatment of the episode on the radio.

"The disorders occurred was at a camp where are concentrated Japanese citizons, or Americans of Japanese origin, who are known or believed to be disloyal, and that those are fewer than one-sixth of our Japanese population.

"The happenings at Tule Lake ought not to be allowed to reflect upon the more than 100,000 loyal persons of Japanese origin among us; most of whom are citizens, all of whom are as cager as the rest of us to see a United Nations victory and to have part in it.

"The Japanese-Americans have a higher," percentage of men in our armed forces (10,000) then any other racial group. Before the war they had a smaller crime percentage than any other

Stormy Weather (Continued from Page 1)

You, Mr. Ples, and your kind throughout the U.S., (not many, thank God for that!) have promoted and encouraged racial discrimination in every way possible. In this way you are against the very principle for what our boys are fighting for....

group. They had a higher per cent of their young people in college. Almost none ever were on relief. Secretary Stimson is authority for the statement that there has been no known case of sabotage by Japanese in Hawaii, either on Dec. 7, 1941, or since. The FBI says there has been no known case of sabotage by the Japanese on the Pacific coast.

"Surely this is proof to any intelligent American that suspicion and distrust of these of impunese origin among us simply because they are of Japanese descent is as unwerrented as distrust of all persons among us who are of German, Italian or Finnish stock."

It was also disclosed today that some evacuous have as yet failed to notify their local boards of their project address. Residents who have so far neglected to comply with any of the above regulations are urged to contact Project Attorney Jack Gurtis in order that their records can be brought up to date immediately.

MORE NEWS ON REPATRIATION

(Continued from Page 1) and cancelling will be taken care by the respective block managers of the Center.

The reason for his bringing up this matter was, the present time in Washington, a negotiation for the third exchange of American Nationals and Japanese Nationals is being initiated by the United States government. Whether this offer will be accepted by the Japanese government is a question. In order to do this a list of Japanese nationals secking repatriation must be sent to the Japanese government. The necessity of a new list was brought about by the defectiveness and the irregularity of the former list. Within this new list, those who may be eligible for exchange is entiroly in the hands of the Japanese government.

If this negotiation is carried out successfully, the 3rd exchange may take place sometime in February, 1944. He also added that those desiring repatriation, who haven't signed up yet, may do so through the Spenish Embessy in Washington.

The various issues usually presented to the Consul from the Issei residents were not presented this time, due to the insufficiency of time. However, the issues brought up in the recent block meetings of the Issel will be checked up by the committee of seven and those problems judged to be of importance will be written out end passed out to the Issel residents for approval. When completed, the issues will be mailed to the Spanish Embassy in Washington.
