"Rohwerites Make Good"

"Local family makes good" from relocation can be seen in a pictorial proof now decorating Ad. building 2:

The family is former Rohwer residents, Mr. and Mrs. Bill Okazaki and their six-year old twins, Sazami and Tshiko, and their one year old baby, Akinobu. They relocated to A.J. Kreker's farm in McHenry, Ill. six months ago.

Since then, they have

done "all right" for themselves. Okazaki is the foreman of the ranch and they have their own car. Working on a 185-acre farm, near a summer resort, they find the place a haven for outdoor lovers. Their children is attending a nearby kindergarten.

The pictures at the Ad. building depict the home life, nearby town, community church, modern highways and schools.

ROHWER HIGH TO PLAY DENSON

Page 4 March 11, 1944

AVE. TROTTERS TO PLAY MUTES

Though the youthful Avenue Trotters are credited with one win by drubbing the powerful Yanks last Saturday in a closely matched encounter, they are riding the hardwood against the Mutineers on even odds.

The Mutineers with such stellar players as, Mas Shibata, Haj Kayano, Ken Ige, and Tak Kakita, will take on the Trotters with one setback which they suffered last week when they were upset by the "Ghosts", however, with the height advantage and aggressiveness they should prove dangerous to the Trotters. Nevertheless with both teams in top condition the fans will definitely see fire on the "hard wood."

YOUNG TERMITES MEET YANKS SUN.

In one of the most outstanding game of the weekend, the vengeful Yanks meet the inspired Termites considering the past performances of the two teams, this game should be one of the thrillers of this season.

Although once beaten by the surprising Trotters, Yanks are a slight favorite to come out on the long end of the score. Hampered greatly by the loss of their two mainstays, Miskoy Takeuchi and Hosen Oshita, Yanks however will try to turn the table with superior height advantage and experience. Leading the yet dangerous Yank five will be Hank Oga and Don Hisaka.

On the other side, presenting a formidable five is speedy Sat Ouno and Tosh Ike. In these two the Termites have a great scoring combination. The time of game, tomorrow, 4 p.m.

TIGERS TO DOWN BARRACADERS

With all the arrangements completed, the local high school varsity basketball team, co-coached by Henry Hayeshino and Vic Matsui, (P.E. instructors) will see action against the Densoneers today on the high school field on court 2 at exactly 2 p.m.

Though as yet the strength and ability of the visitors are not known, they are favorites over our local

Starting from next week the lowdowns and the highlights of the local sports news will be brought to the centerites through "Rebounds" by genial Eugene Sakasegawa. Hailing from the land of the pineapples, Eugene will hope to bring to the Center a clear resume' of all the athletic events and personalities (which is the aim of all the sports column!) But he adds, in his own unique way.

Athlete himself (not only on his feet) he has donned colors for teams in Hawaii. Outstanding baseball player in Stockton Assembly Center he won many admirers during his brief stay there. Continuing his crack at the sportsdom he has given many a thrill to the spectators with his colorful playing. Chosen on the lightweight "dream" football team he is now lending his invaluable services to the Royal Duke basketball team.

Starting off with a bang Eugene makes the following predictions for the coming event filled weekend.

Jerome over Rohwer high
Dukes over Yellow Ghosts
Termites over Yanks
Mutineers over Trotters

YWCA SKILLS CONTEST TO START SUN MORN

The national Volleyball and Basketball Skills rating test for those girls who have signed up will be in full swing tomorrow morning, 9:30 a.m., at the baseball field.

The 30 junior girls who are participating to get the national ratings are asked to meet at PS hall 27, at said time.

five. Thether the invaders can maintain a perfect record which they established last year when they took both games played here and at home remains to be seen.

Meanwhile the ambitious Rohwer high varsity are going through a steep training nightly to meet the foe in top condition. With speed their main goal, the local boys are determined in making this a must see game for you fans.

As released by coaches, the probable starting line up will either see Don Hisaka or Tak Kakita with Mas Shibata as forwards, Lanky Hank Oga as center. With tricky Tada "Quichi" Endo of the Dukes and rugged Kon Ige of the Mutineers as guards, this combination should prove dangerous for the Densoneers. Others on the rosters include Sat Ouno, Nobu Tanimoto, Peter Shimada, Tosh Ige, Tosh Matsuo, Roy Yonemura, Sam Mureki, Sho Kajimoto, and Harry Ishii.

"SPOOKS" PLAY R. DUKES SUN.

Sunday at 2 p.m., will find the tangle between the once beaten Dukes and the victorious Yellow Ghosts. The Yellow Ghosts will try to make it two straight, while the Dukes will try to break into the win column. With the strength of both teams in top conditions, this should be an interesting tussle. Having never met before and with the upsets, this season's specialty anything can happen. The slant of the "Spooks" offensive machine will be relied on high scoring Ich Horimoto, while the "Royalties," will depend upon Tada "Quincy" Endo, Minoru Takai and Pete Shimada who are the mainstays.
