J.C. MOODY TO WASHINGTON

Senior Procurement Officer J. C. Moody was detailed last weekend to Washington, D. C., for about five weeks, to help clear up leave clearance dockets. At the request of the Washington office, each relocation center will send up a man to help review leave clearance hearing reports.

During the absence of Moody, C. B. McGowan, assistant project procurement officer, will be in charge of the department.

DRAFTEES

54 TO REPORT ON FRIDAY

The following 54 men have been called by the Desha County Selective Service Board to take their pre-induction physical examinations at Little Rock on Friday.

DRAFTEES FROM ROHWER HIGH

Inductees from Rohwer Center who have graduated from Rohwer high school, or who have been students there or who are attending Rohwer high, may obtain the "Educational Experience Summary" cards from Opal Albright at 35-12-C.

FAREWELL SOCIAL 22 INDUCTEES TO BE HONORED

Twenty-two Rohwer boys will have their last fling in Rohwer at a "Farewell" social to be held in their honor by the Community council, with a full cooperation by the Rohwer USO on Saturday. Locale for this gigantic "adios" party is at the USO building in Block 42, starting from 7:30 p.m. Delicious refreshments and top flight entertainment will be shown for the future servicemen.

The boys leaving the Center on Tuesday at 5 a.m., for induction at Camp Robinson, are as follows:

Shigeo Hayashi, Kazuo Kamita, Masashi Jackson Kenmotsu, Richard Kimura, George Kiyota, Fred Yoshiteru Koyama, Akira Kume, Masami Matsuo, Tsuneo Johnny Muraoka, Shiro Nagaoka, Sumio Nakamoto, Yukio Shimizu, Ryoki Tamura, Takeshi Bob Tanaka, Yoshio Bill Tomura, Hiroshi Watanabe, Kaoru Watanabe, Eddie Mitsuo Watanuki, Tatsuo Yoshizaki, and Gion Yoshii.

Inductees Yoshiaki Chuck Fujikawa and Kaoru Karl Fujimoto are out on indefinite leave and Richard Kimura is out on short-term leave.

TOPPERS TO PRESENT MOVIES; PROCEEDS FOR ANNUAL FUND

As another treat for the residents of the Center, the 38 Toppers will sponsor a movie with the proceeds to go to the annual fund. The benefit show will be held this coming Sunday in Mess hall 35. Matinee and evening showings will be made and bids or tickets for this show may be bought at 25¢ at Block 38 office or from the club members.

The two features include:

"Paradise Isle" with Movita and Warren Hull, an

enchancing love story of a blind artist and a simple native girl.

"They Meet Again" starring Jean Hersholt and Dorothy Lovett. This is another of Dr. Christian series and is a heart-warming story. Two shorts include "Hawaii the Beautiful" and "Japanese Zero vs. P-40."

The Toppers announced that only half of the floor will be for benches so the public was asked to bring his own blankets or cushions.

With Spring making its initial appearance a day earlier than the usual time—this being leap year, it is about time baseball went in to training. Of course coming out of its winter-long hibernation with hardly a spark of development no doubt it will be a slow season.

And whether there will be enough manpower left after Uncle Sam gives a good Spring Cleaning here, is not a question out of the ordinary but it will definitely affect the sporting field in Rohwer. And with many outstanding ball players already gone and many more leaving for the big cities brings up another major problem as far as players are concerned. Then again with the third segregation group movement just around the corner, what will be left here will be either too young, too old or too green.

Of course not only is baseball effected by draft, relocation and segregation but take into consideration the center "A" basketball teams, the change in calibre of players can definitely be seen, as a matter of fact, the boys participating in the league are mostly high school boys and hardly any of the last years veteran are showing their colors. But on the contrary to Baseball there seem to be a good future for both the basketball players and fans, especially with the big auditorium near completion (at least the teams won't have to worry about the weather cause it will be played on hardwood.)

Perhaps we wouldn't be at all surprised to see many of these stars perform here again, this time only in uniform but anyway with a dim future ahead toward baseball here in Rohwer, let's hope basketball will boom higher in the future and that the lost of Rohwer stars will shine out again somewhere, someday.

REBELS MANGLE MPS RAIN CALLS OFF TILT AT 5TH

opposition in a vicious attack. In a contest that was never close, the spectators viewed the full potency of their furious batting attack and their scintillating defensive game displayed by the retiring champions.

Completely mastering the opposition, Akira Kume went out in a blaze of glory, as he choked the opposing batters to a scratch single. His effectiveness can be shown in the fact that not one ball passed the inner defense and only two batters reached second.

Meanwhile enlightening the helpless struggle of their cause were left fielder, third baseman and the catcher who put on a colorful exhibition. The expected batting attack was held to a nil while their pitching efforts were lambasted by the rebellions led by the Kambayashi Bros. Frank, Ted and Sam as they pounded 2 hits apiece.

ALL TIME NISEI GREAT LEAVES

Among the latest to leave this fair center is Frank Kambayashi. Distinguishing himself as the No. 1 shortstop of the center, Frank more than helped the Rebels to the softball pennant. Starting from early stages "Shibo" turned out to be one of the greatest nisei shortstop in California. Playing for the Yamato team he was unanimously chosen on the All-Star berth several times. Adding to his deft fielding ability Frank is a tremendous hitter and was one of Yamatos "Big Gun." His leave for Chicago, today will be greatly missed.

CASABA NOTICE

Due to rainy weather, all the Block league games and the "A" league games were postponed. The same games or any other games postponed will be played later in the season. Otherwise, the games will follow the schedule, as it was announced by the Athletic Department.
