NISEI JOIN SEGREGATION TRAINS ACTIVE DUTY NO CAMERAS, NO TRESSPASS

A number of young men who have been sworn in to the Enlisted Reserve Corps received notices today to report for active duty at Camp Robinson, Little Rock, Ark., Wednesday. Those men are urged to contact the Relocation division office as soon as possible in order to arrange for their departure.

The unofficial list of Nisei reporting for active duty include: Shiro Awano, Asami Sammy Fujioka, Kanoo Koi Imazumi, Frank Masaji Inafuka, Sam Osami Kataoka, Kazuo Kubota, Yoshiji Kunita, Toshiwo DveMatsuo, Makoto Mae Mimaki, Frank Shunto Mirikitani, Mike Michio Mitani, Shigeo Morisato, Hiroshi Morita, George Nakashima, Floyd Hiraoka Ouye, Shigeru Shimada, Choyo Sugita, Robert Nobuo Toragawa, Tod Yoshio Tanaka, John Takao Tsurumoto, Ben Hiroshi Ujihara, Hiroshi Yakura, Edward Geichi Yamada, Satoru Frank Yamagaki, George Masao Yamasaki.

50 EVACUEES GO OUT ON SEASONAL LEAVE

Under contract with the War Food Administration, 50 Center evacuees left on seasonal leave for Naperville, Ill., Sunday.

During the train loading operations on May 17, when the second group in the third segregation movement departs, no pictures may be taken of the segre-

RELOCATION DIV. CLOSES

Due to the limited staff and the extra work connected with induction, the Relocation division will be closed for general business Tuesday, Wednesday and Thursday. It will not be possible to accept any types of leave applications on those days, reported W. B. Moulton, relocation program officer.

Attention is invited also to the following instructions: 1. Applications for short-term leave must be filed at least three working days in advance of the anticipated date of departure. 2. Applications for seasonal leave, indefinite leave (trial period), or indefinite leave must be filed at least five working days in advance of the anticipated date of departure. Applicants must have a photograph on file before the applications will be processed.

gation train and no spectators will be allowed outside the camp area, announced Project Director Kay D. Johnston.

NO CAMERAS

"Army regulations do not permit spectators taking pictures of segregation trains. It was noted during the loading operations of the train on May 9 that several spectators had cameras. Those with cameras are cautioned not to bring them to the train on May 17. If any cameras are displayed by spectators, the camera and the person in possession of will be taken into custody by the police authorities," Johnston warned.

KEEP WITHIN GATES

"On May 17 no one will be permitted to go inside the loading area adjacent to the train during loading operations unless they have a special pass signed by the Project Director. The spectators did not comply with the request to remain outside this area on May 9 which resulted in the loading operations being severely hampered by crowds around the cars. This request must be complied with on May 17 and anyone violating it will be subject to penalty," Johnston cautioned.

FOURTH MOVEMENT TO GO MAY 17

About 200 segregees will board the segregation train for Tule Lake Wednesday, according to schedule.

F. R. Mangham, assistant project director, announced that all freight and checkable baggage will be inspected here by the Army before shipment to Tule Lake. Freight will be inspected and picked up on Monday; checkable baggage will be inspected and picked up on Tuesday.

Crating and packing should be completed before inspection dates except that covers should not be

nailed on boxes and crates and cartons and bundles should be left open. Immediately after the inspection, all containers will be securely closed. The freight will be moved directly to warehouse and the checkable baggage to the baggage cars that will accompany the train. There is no limit on weight of complete freight shipment but on checkable baggage there is a limit of 150 pounds per full fare and 75 pounds per half fare, according to Mangham.

The following items are contrabands at Tule Lake

and cannot be transferred: firearms, weapons or any implements of war or any vital part of those, short wave radio receiving sets having a frequency of over 1750 kilocycles and under 540 kilocycles, any radio transmitting sets, signal devices, codes ciphers, cameras, hunting knives, blackjacks or "saps."

No other knives except hunting knives will be picked up. No other radios except those having a frequency of over 1750 and under 540 kilocycles will be picked up, Mangham reported.

NOW..... AND THEN

BY V.K.

The prediction is the new Auditorium will be the nucleus of coming local activities--educational, recreational, athletic and issei programs, the long awaited mecca for Centonites who desire and need release from a huddled existence, Rohwer's proudest, and rightfully so, possession to show to visitors. To see it, to be inside of it, is a soul-satisfying privilege, an awe-inspiring pleasure. It is the builders' joy; its creditable use is the residents' privilege.

There is spacious beauty in the hall; beauty which might go unnoticed outside but which is so welcomed here where constructions are simple, rugged, uniform and drab.

And, standing out against the ostensive white background of the hall are eight huge murals, artistic magnets, each painted by a Rohwer high school student. These pictures outline the history of evacuation, portraying through the evacuees' various activities the underlying emotions, and showing the progress of time.

The 16' x 4' murals, painted with paster tempera paint on wall boards, were produced in eight weeks as follows: "December 7th" by Mas Kinoshita; "Evacuation" by Toruyo Kishi; "Assembly Centers" by Mary Ihara; "To Rohwer" by Nobu Tanimoto; "The Now Home" by Keyozo Toyofuku; "Community Life" by Michi Tanaka; "Center Occupations" by Motohiko Hori; "Relocation" by Arthur Okusu.

Kinoshita, 19, grade 11A, plans to go to summer school this year. Miss Kishi, 17, 10A, lives in Block 33. Miss Ihara, 17, 12A, hopes to relocate after graduation. Tanimoto, 20, 12E, also plans to attend summer school. Toyofuku, 19, 12A, plans to enter an art school after graduation, if not inducted. Miss Tanaka, 17, 12A, also wishes to relocate. Hori, 18,

MOVIE PREVUES..

"AROUND THE WORLD" starring Kay Kyser, Misha Auer, Joan Davis. The plot is concerned with a globe-trotting tour of American bases on which Kyser takes his band and a bevy of beauties.

"MOON IS DOWN" starring Henry Travers, Doris Bowden. A dramatization of Steinbeck's outstanding story of the efforts of a cruel invading army to conquer a free people.

"SEVEN SINNERS" starring John Wayne, Marlene Dietrich. An imposing cast is offered in this South Seas romance. Dietrich is a lovely romantic trouble in her wake, until she meets a young American naval officer.

All hostesses are urged to attend. Refreshments will be served.

Registration for the Summer activities program for both Boys and Girls is taking place now at PS hall 27. All interested persons are urged to register by Wednesday. However, those wishing may enter the different classes anytime thereafter.

Taking charge of the Girls' program this year are the following: Grace Hattori, Mary Hideka, Kimi Miyao, Akimi Terashita, Betty Kak'hashi and Mrs. Ikebasu.

Heading the Boys' activities will be Vic Matsui and George Suzuki.

Anyone having any suggestions or problems to discuss are asked to contact anyone of the above mentioned instructors at PS hall 27 or 32.

Message from Editor of 'Giho'

The agronomy class under the instruction of Mr. Koh Murai of Lincoln, Nebraska over the period of the last two months in this center under the combined sponsorship of the Agriculture Division of the Community Council and the Adult Education Department concluded with fine results.

The benefit the residents gained from his series of lectures on American agriculture has been reported in this paper from time to time. Credit for this success is due solely to Mr. Murai. He is not only an authority in agricultural science but also a rare philosopher on whom Japanese people in America can depend as their leader. His clear thinking, his tremendous knowledge in many fields of science, and his wisdom will enable him to do the greater work which remains to be done for all the Japanese people in America. We, the 100,000 Japanese people, are now suffering under distressing circumstances. We sincerely hope that Mr. Murai enjoys good health and that he, like Moses of olden days, can contribute to us his crowning service of leading us out of this most confusing wilderness in which we now wander.

ROHWER VS. DENSON Local All Stars Seeks Second Straight Win

SUMMER LEISURE PROGRAM SET

The Summer activities program is sponsored jointly by the Community activities and the Education department and will continue for 12 weeks, starting one week after the close of school. This general summer program activities are coordinated by Dr. Nat R. Griswold, supervisor of Community activities.

The competitive sports with Shago Muraoka in charge will be organized into leagues and will be mainly for those who are advanced in sports.

Informal sports under the chairmanship of George Suzuki and Vic Matsui, include such activities as marbles, badmington, croquet, table tennis and volleyball.

Girls sports will be under the co-chairmanship of Mary Hidaka and Kami Miyao and will include both the informal and competitive sports.

Those wishing to secure further information concerning any of the above-mentioned sports are asked to contact Shago Muraoka, George Suzuki or Vic Matsui at either the CA or at the PS hall 27.

Registration is now underway, and will be till the 17th of this month, at the CA or at the Senior high school, for those wishing to sign up.

CC ALL STARS TO INVADE JEROME SUN

Out to avenge them selves for their loss to Jerome in their previous game against them, the Double C All-Star softball team will try to make a comeback to even the score.

The following players representing the Rohwer CC softball team are as follows: T. Shironaka, H. Fukuyama, T. Iwata, F. Akaba, H. Okamoto, S. Kosaka, I. Miyanishi, G. Morino, M. Oshita, Y. Oshita, R. Yonamoto and K. Yamashita.

Treking down to the neighborhood center, Jerome, will be the Rohwer All-Star Baseball team for a return game with the Jerome All-Star team tomorrow at their diamond, in the earlier part of the afternoon.

With Rohwer having the better start over Jerome at present, this game will mark the second inter-center fray between the two Arkansas centers for this season.

Tak Abo will be mounding the plate for the hosts, while 'smiling' Ted Kamibayashi will pitch for the locals, with Nobu Tanimoto donning the mask, both hoping for a second straight.

The smooth infield of the home team will be lead by Frank Kamibayashi, who recently returned from Chicago, with Sam Kamibayashi, Mickey Takouchi and Ray Miyamoto, making the colorful combination.

The local fans will depend on the over reliable outfielders of Tets Matsumoto, Sammie Ichiba and Joey Noma to bring home the victory.

Probable Starting Line-up
