KAZ IKEBASU'S Art Exhibit VIEWPOINTS ON For Amateurs OUTSIDE LIFE

Kaz Ikebasu, assistant supervisor of CA, recently returned from a five-day trip to Fayetteville, Ark., after attending the annual conference of the Student Christian Association of Arkansas. His resume of the trip follows:

MORNING ARKANSANS

With the blind prejudices towards many minorities prevailing throughout the nation and many unfavorable as well as favorable reports on the attitude toward the Japanese people having been heard, I have had the opportunity to attend a Student Christian Association Conference at Fayetteville, Arkansas and also was able to stay four extra days to meet the people of the community to find out how true the unfavorable atmosphere may be.

This trip has given me much more of a clearer picture of the people's sentiments toward us and I would like to take this opportunity to share with you this experience and observations I have made on my way to and from Fayetteville.

As I entrained from McGehee, I have mingled in with the soldiers who were on their furlough. I have also stood next to a mother who had two sons in the armed forces and never a moment during the ride to Little Rock have I encountered an unpleasant atmosphere toward me. From Little Rock to Ft. Smith I have again mixed in with the soldiers and shared pops and candies and cigarettos with them. They were really a grand group of boys. From Ft. Smith to Fayetteville I have made acquaintance with a soldier who had just returned after staying sixteen months in the Alaskan front. He was very much interested in our lives in the center and has asked me to correspond with him and that he is hoping he may be able to visit us one of these days.

On my pleasant return

Seeking paintings and drawings by amateur artists, a three-day Art exhibit will be held on June 2, 3 and 4.

Entries may be of pen, pencil, charcoal, pastel, water color or oil. They may be in any style and on any subject, but preferably sketches of Roh-wor camp life or views. Each entrant may contribute as many as seven entries.

All entries must be in CA office, PS hall 32, by May 29, before noon.

To set off the coming art exhibit from previous exhibits, attempts are being made to have a display of paintings and drawings by contemporary artists and old masters.

CA would like to borrow for the exhibit such creations, if not too valuable, it was reported.

REGISTRATION ON FOR ACTIVITIES

With summer vacation just around the corner, all registration for summer activities program for informal and competitive sports for school students between fifth grade to high school, inclusive, now is being taken at PS hall 32, PS hall 27 and by physical education instructors of Junior and Senior high schools.

For further information on sign-ups, contacts may be made with Shago Muraoka, Vic Matsui, George Suzuki, May Kidaka, Kimi Miyao and Grace Haglo.

The Well baby clinic hour is on Tuesdays at 2 p.m., sharp.

trip I had the opportunity to ride with some ETA representatives who were attending the annual conference at Little Rock. It was a very pleasant ride. Never had I felt that I was an evacuee and they have expressed, as we parted, that may we soon be enjoying a free life again.

OUTPOST LOSES AGAIN

ROHWER OUTPOST's top worker, conscientious, efficient, diligent, capable typist Kay Nagai left for Kansas City, Mo., yesterday. She relocated to work; the OUTPOST's loss is same employer's gain.

ROHWER TRIMS DENSON

PITCHER T. KAMIBAYASHI SMILES THROUGH

Amid a pitiless glare of a blazing sun of an Arkansas heatwave, once again the Rohwer All-Star hardball team came through with high flying colors, to make it a double straight win against the Denson nine.

In a temperature about 120°, approximately 1200 Densoneers witnessed a cool, but an exciting, game under a torrid sun, when the local nine scored 5 runs to Denson's 4, in a very close game.

Pitcher "Ted" Kamibayashi displayed a magnificent piece of hurling throughout the 9 innings, while Teo Saisho of the losers pitched for 7½ innings to give quite a competition to the victors.

Playing forever brilliantly were Shibo and Sambo Kamibayashi who had the infield in control throughout the game, making themselves quite indispensable.

The most breath-taking moment of the game was in the 8th inning when the score was 4-2, in favor of Denson, when Ray Miyamoto hit a two baser, knocking in "Ted" Kamibayashi and Sammie Ichiba, and then coming in on the pitcher's error, thus making the score in favor of Rohwer, to the tune of 5-4.

Upholding the game to the finish were outstanding players such as Sammie Ichiba, catcher N. Tanimoto and outfielders, T. Matsumoto and J. Nama.

Once again the Double C All-Star softball team gave in to the Denson nine, in a close game last Sunday morning at the Denson diamond.

This game marks the second straight win for the Densoneers.

Pitching through a fine exhibition were F. Akaba of the locals and T. Seno of the winners. Displaying splendid fielding were Shigo Muraoka, aided by R. Miyamishi and P. Kosaka.

The scoring hits were made by T. Shironaka and T. Iwata.
