CENTER CLEAN-UP

UNFAVORABLE SANITARY CONDITIONS PREVAIL

Because of the unfavorable sanitary conditions prevailing throughout the Project, a Center-wide clean-up campaign will be held from tomorrow through June 7. Under the supervision of the Community council and the Block managers, the one-week drive will involve all available labor to eliminate unhealthful conditions.

"The danger from unsanitary conditions will increase within the next month because of the additional 2,000 persons coming in from Jerome, which will crowd the living quarters. With the utmost co-operation of all evacuee and Caucasian residents, every precaution will be taken immediately to lessen this danger," reported Chester Fujino, council chairman.

Lt. Shiel of the United States Public Health Services, in his most recent

investigation, found a number of malaria carrying mosquitoes in the Center.

According to the plans drawn up by the Community council, the Center will be divided into five districts. Residents will clean-up their blocks according to the following district schedule: tomorrow, district 1 (Blocks 1 to 7); Friday, district 2 (Blocks 8 to 14); Monday, district 3 (Blocks 15 to 24); Tuesday, district 4 (Blocks 25 to 32); Wednesday, district 5 (Blocks 33 to 41).

All block manpower will report for clean-up duties on the block clean-up day, in place of their assigned jobs. Exceptions will be key workers as those in the agricultural, hospital and mess sections. Agricultural workers will work only in their own block when the weather condition prevents them from going

to the farm.

Mr. Fairly is in charge of the following areas: Auditorium, south of the Fire station, Block 36, north of Block 38, Block 42, Administration buildings, warehouse, Block 31, and Junior high school field. Assisting Fairly will be the lumberjacks, when they are not working in their blocks.

The equipment committee is under the supervision of Messrs. S. Ito, K. Shiraiishi, Koizumi and J. Masooka.

One truck will be provided every afternoon for the district that is cleaning-up. It will be used to do general work, such as distributing equipment, and picking up rubbish.

Project Director Ray D. Johnston, the Community council and the Block managers will determine the key workers and notify them.

If the weather condition is unfavorable on the day of the clean-up, the schedule will be advanced.

The following health regulations were given:

1. Take great care that rubbish pits contain nothing which cannot be burned. Orange peels, egg shells and empty cans and bottles are dangerous.
2. Do away with all small shacks and woodpiles. These shelters rats, fleas, flies and mosquitoes. Each block make a central woodpile.
3. Do not leave water standing in barrels, bottles, or in pools near the blocks.
4. Anyone who finds a pond of water containing mosquito larvae (wigglers) is asked to report to the hospital and give the location.
5. Clean-up empty units thoroughly.
6. Spray oil or lime under the barracks.

NEW CABLEGRAM RATE GIVEN FOR FAR EAST, EFFECTIVE NOW

Effective June 1, cablegrams may be sent to the Far East for a flat sum of six dollars, plus ten percent tax, making a total cost of \$6.60.

The cable may include ten words of text, excluding the names of the addressee and sender and other identifying data.

One non-emergency cablegram may be sent to any

individual in Japan or Japanese held territory during the year 1944; additional cablegrams may be sent only in emergencies.

Cablegrams may be sent to officially reported prisoners of war by the next of kin, to United States civilians and to nationals of countries other than the United States.

HOLLAND; AGRICULTURAL SPECIALIST, VISITS CAMP

Mr. Holland, WRA agricultural specialist for the Kansas City area, will arrive at the Center today. He will bring with him soil samples, pictures of farming operations and other detailed information on farming propositions which will be of unusual interest to farmers.

The Kansas City area is composed of Nebraska, Iowa, Kansas, Missouri and part of South Dakota. Holland is especially familiar with Nebraska and South Dakota.

Holland will be here for 10 days and can be reached at the Leave office in Block 42.

Summer ACTIVITIES

The various summer activities follow:

Sewing and Dollmaking: For girls above the fifth grade through high school. Handwork for the young girls. Use of machines for older girls. Each girl can make what she likes. Those wishing to enroll report at 31-9-B at 8 or 10 a.m. any morning.

Rohwer Players. Drama production including costuming, make up, and stage sets. Especially planned for those in Senior high school and those young adults who have finished high school. One act plays as well as longer plays will be presented to the public.

Those wishing to join report at new auditorium stage 8 or 10 a.m. any morning or get in touch with Mrs. Wanda Abbott through the high school.

Discussion of Current Affairs. A group interpretation in English of current news in the United States and the world. An absolutely uncensored free discussion of explosive issues.

Those interested report to the meeting on Thursday night at 8 p.m. (The time and place of meeting will be announced later.)

Informal Sports: For boys and girls above the fifth grade through high school who wish to play team games and individual sports for fun, everything from marbles to basketball. Games will be played morning and afternoons.

Those interested report at PS hall 27 in morning.

Playground and story telling. Boys and girls in the first four grades at school. (6 to 9 years old). There will be directed games each morning from 8:30 to 10 and quiet games and story telling in PS. hall from 2:00 to 4:00 p.m. everyday.

Children wishing to play should report to the block nearest their home: Block 34, 17 11, 3, 24. (Activities in block 17 and 3 will be only in the afternoons.)

"SUMMER BREEZE" TO BE EDITED

In order to familiarize and inform the Center of the progress and development of the Summer activities program, a weekly newspaper, the Summer Breeze, will be published by the Community activities department.

The paper under the editorship of Douglas Kimura, will make its debut Friday and will continue to be published during the entire Summer activities program. The advisor of this weekly is Mrs. M. Ballard.

The paper will be delivered to families that have children participating in the program, and will also be posted on block bulletin boards.

Hostel Opens In Des Moines; Relocation Advantages Given

One of the latest hostels to open its doors to the relocated Japanese Americans is Friends Hostel of Des Moines, 12, Iowa.

The Friends Hostel, located at 2150 Grand Avenue, is about four minutes ride on the street car from the downtown business district.

Des Moines has a population of 190,000 and is located in center of the nation's greatest food-producing state. It is the railroad center for the state, is the insurance center of the west, is a publishing center and has many manufacturing plants. The public sentiment of Des Moines is good. There are many farm and industrial jobs available. There are opening for service trades and for skilled and professional jobs.

The housing situation is not bad, although modern homes are scarce.

Applications for reservations at Friends hostel may be secured from the hostel representatives here or by writing directly to the Directors Ross T. and

Elizabeth R. Wilbur or Assistant Director Lester E. Suzuki, former nisei pastor of Granada center.

The representatives here are Dr. Joseph B. Hunter and Rev. K. Harper Sakoue.

ADULT CLASSES TO BE FORMED

Two types of classes, cooking and English, are being organized this week, announced Helen Frazier, supervisor of Adult education.

The cooking class will be taught by Mrs. Mildred Howell at 10 each morning in the home economics cottage at the high school. The students will do some cooking, as well as study meal planning, nutrition, food rationing.

For adults who speak Japanese only, several English classes are being organized. The emphasis will be placed upon functional English, with help in conversation, reading and handwriting.

Anyone wishing to enroll for either classes may do so at 31-1-D.

LIBRARY FORMS READING CLUB, HOLDS STORY HOURS

Special services for the summer months, will be offered residents by the Center library in PS hall 19.

NEW COUNSELOR JOINS SOCIAL WELFARE STAFF

Eudora Aikens, newly added counselor on the social welfare staff, will assist interview center residents to make their future plans.

She was formerly working at the Arkansas Department of public Welfare.

A vacation reading club will be opened to anyone from grades three to nine. Clubmembers will read 15 books about children of other lands and receive certificates at the end of the summer.

Story hours will be held on Monday through Friday from 1:30 to 2:30 p.m. in PS halls 26, 17 and 34 and from 2:30 to 3:30 p.m. in PS halls 7 and 3. All children residing nearby are invited to attend.

A special exhibit of foreign dolls, made and dressed by Girl Scout Troop 2, is on display at the library along with the reading club charts.

ANALYST VISITS

Katharine Luomala of the Community analysis section at the Washington WRA headquarters arrived here Saturday.

She will stay a month to study Center life.

A Note Of Gratitude

To the members of the Internal Security, the Block managers, and residents of the Rohwer Center, the residents of Block 38 wish to extend their sincerest expression of appreciation and gratitude for rendering your most valuable time and effort for the late Mr. Henry Shuzo Fukuzawa.

BEHIND THE PRESS BOX

Rohwer is gradually losing some of its top-notch athletes, all of whom blazed a trail of glory along the local athletic fields. We are losing them both to the armed forces and through relocation. But they are leaving behind an immutable record which we can be proud of and which furnished us with much needed entertainment, recreation and relief.

They are venturing out into a new world, to blaze a new trail of glory and to preserve the high standards of the Japanese-Americans. They are the pioneers of today. But wherever they go, they will carry with them the true spirit of sportsmanship which they diligently displayed on the fields of competition.

Among the famous quotations is the following by General Douglas MacArthur: "Upon the field of friendly strife, are sown the seeds, that, upon other fields, on other days, will bear the fruits of victory." Yes, out of these many will come a few that will be the cream of the crop and the nucleus of community.

Some of them are already on the outside. Dave Komatsu, Ihara Bros, Choo Choo Tsujimoto, Kagawa Bros., Shiro Morimoto, Hank Yonemoto, Fred Masai to name a few. We have also lost some of them through segregation. Sat Oune, Gengo Miyahara, Ken Ige, and Mas Shibata are now performing for Tule Lake. All of them are blazing a new trail, a new trail for the younger generations to come.

Now the youngsters, mostly high school graduates are following this trail. Familiar names such as Buck Sakurai, Tenu Tsujimoto, Rey Kurihara, Tada Endo, Mas Kadokura, Ed Wakimoto, Roy Tanak, Utah Matsumoto, Shinya Honda, Genbo Kamibayashi will be missing from the local fields. They too are going out to blaze a new trail and to make things easier for the next generation to come.

Appointment

Miss Mary Hidaka has been appointed Women's Athletic head succeeding Grace Hattori who relocate to Kansas City, Mo. recently.

DENSON SUMOISTS WIN

CA-JIHO TRIPS NAGATO, 5-4

In a thrill packed Federal League game, the hard fighting C.A.-Jiho team downed a stubborn Nagato squad, 5-4, to chalk up its first win of the season. The C.A.-Jiho made a magnificent last inning rally to erase an early Nagato lead and give hurler, Jack Fukuyama, a hard earned victory.

C.A.-Jiho jumped out into a one run lead in the first inning, but the Nagatos scored a pair in the third to take an short lived 2-1 lead. C.A.-Jiho tied the count in the first half of the 4th but again the Nagatos went ahead by shoving across two runs in their half of the sixth.

With the score 4-2, C.A. Jiho loaded the bags in their half of the 7th. With two outs, might George Matsui banged out a triple to clean the bags and give his mates an 5-4 win.

Kaz Ikebasu, short stop for the C.A.-Jiho had an perfect day at the plate pounding out 4 for 4 while Matsui's blow was the most damaging. Ogawa led the Nagato attack with 3 for 4.

Vic Matsui Downs Seven Opponents

Before a packed crowd, the invading Rohwer sumo squad suffered a heart breaking defeat at the hands of the Denson team by the score of 5-4. The contest was a farewell gesture toward the neighboring center whose doors are scheduled to close at the end of next month.

In the regular match contest, the locals were defeated although many matches were close and furious. The local squad showed definite lack of practice but nevertheless thrilled the crowd with its determined effort.

The feature of the day was the nonchalant way in which Rohwer's pride and joy, Vic Matsui, nudged seven opponents to win the 'hichi-nin nuki' while Ozaki of Denson won the 'san-nin nuki.'

Twelve Rohwer strong men made the long journey and included the following players: Matsui, Iida, Hayashino, Baishiki, Watanabe, Hojo, Ishii Brothers, Yonezawa, Okusu, Arao, and Saga.
