

"Life Begins"

As part of Better Children's Day during "Festival Week," "Life Begins," a movie produced under the direction of Dr. Gesell of Yale University will be shown at 10 a.m. tomorrow at PS hall 10.

This film is the photographed action of babies from birth to 18 months.

POULTRY FARM HITS RECORD, CALLS FOR MORE MANPOWER

Under the masterful supervision of Jimmie Hatanaka, formerly of Norwalk, Calif., the Center's Chicken project has flourished.

Starting with 4,000 chicks, the sum total at present amounts to 12,000 chicks purchased during the span of four months. Of those, 1150 have been killed to satisfy the Center gourmets, and 2000 are layers.

But if the epicures and the gluttons wish to continue the delightful and delectable orgy of chicken a 12 Rohwer more workers for the project must soon be found.

The poultry project is suffering from a serious shortage of workers and offers an excellent chance for some one to gain valuable experience under an expert. Those interested please apply at the employment office.

**CORONATION BALL
V. NAKAGUCHI CROWNED
QUEEN OF FESTIVAL WEEK**

Glamorous Virginia Nakaguchi took the limelight Monday night when she was crowned Queen of Rohwer's Festival Week at the Coronation Ball.

Accompanied by her beautiful attendants, Margaret Kikuchi and Margaret Kobayashi, she graciously accepted the honor accorded her before the couples who crowded the Auditorium. Project Director Ray D. Johnston placed the royal crown on Rohwer's second ruler. All three clad in blue formals received special awards.

100th Battalion Cited For Valor

According to an United Press dispatch, the 100th Battalion was cited in a special statement from a 5th Army communique. The text of the statement reads:

"The 100th Battalion has been fighting brilliantly with the First United States Infantry Division and has played a major role in the campaign's fighting, having landed in Italy shortly after the invasion last September."

Master of Ceremonies, Allan Hagio, introduced the guests of honor. Court performers Sanji Fukuyama, Hisa Hananouchi, and Allan Hagio sang solo numbers and Jennie Ando did a tap dance.

Queen Virginia Nakaguchi and her ladies-in-waiting then started off the first official dance of the evening.

Alton Cole and his now renowned Rohwer Serenaders rendered many popular dance melodies for the throng of social lovers who attended the Coronation Ball.

Train travel used to be a comfort and a luxury once upon a time. Now it's no longer a luxury, it's a necessity. And it's far from a comfort.

The trains are generally jamcramped, even on weekdays, when we are told to travel. Traveling on weekdays may be good advice, but it seems everybody has the same idea. Result is crowded conditions and inadequate service.

It's a good man--and a brave one--who is successful in getting a seat these days. You have to be a ten-second sprinter, an all-American blocking half, and slipperier than a greased pig.

SCRAMBLE...

Even the code of etiquette is being trampled in the dust. The polite, courteous man is left out cold these days. Either you disregard the rights of women (whatever they are) and operate on the "every man for himself" theory, or you will probably stand where ever you are going. Result is that some of our nicest men turn into veritable demons in that mad scramble for seats.

METAMORPHOSIS...

One of my best friends is kind to children, good to his mother, doesn't beat his wife, and considerate of his in-laws. But once he has a grip in his hand and has made up his mind to secure a seat on the 9:20, he is the worst scoundrel friend. For train travel today is bad enough without having to stand on the trip. Many a time have I had the same urge to forget courtesy for the sake of obtaining a seat. Many a time have I had the same urge, embarrassed to relate.

MONOLOGUE...

Nor is the lack of seats the only bad feature about modern day train travel. Take the type of passengers, for instance. Last week a bewildered old gent boarded the train loaded down with

Good News From Seabrook Farms

Encouraging news has come from Seabrook Farms, New Jersey, where many Rohwer and Jerome residents have relocated.

Though at first conditions were not too satisfactory, accommodations are being improved. Furniture for 100 family apartments is now on hand. These apartments should be ready by July 5 for occupancy.

It is hoped that within the next month or two there will be enough evacuees at Seabrook so they can have their own community activities and co-operative store. Space will be provided for these enterprises.

Anyone seeking further information concerning relocation to Seabrook should see E. B. Moulton at the Relocation office.

L. S. Forrest, New Project Attorney, Takes Over Duties

"I liked it," stated the new Project attorney, Leland S. Forrest, in answer to the query on his first impression of the Center.

Over his desk piled high with letters and forms, the genial attorney revealed that he was born in North Platte, Neb. His preliminary schooling was obtained at Saloem Spring, Ark. He then graduated from the University of Arkansas and the University of Michigan Law School.

He started his law career at Fayetteville, Arkansas, and later taught there for a few years at the University of Arkansas. His next job was at Drake University, first, as the Assistant Professor and then as the Dean of law school.

At present he is on leave from Drake University to replace Jack S. Curtis, the former attorney, who has been commissioned Lt. (jg) in the US Navy.

SAY, NOW...

But there are pleasant aspects to train travel, too. Such as the time a pretty, redheaded girl spotted me on the train, asked if I were going to the Lakeside conference, then sat beside me and talked with me the rest of the way. But such instances are all too few and far between.

ROHWER PICK-UP VICTORIOUS 8-1

OLD-TIMERS DOWN GIRL ALL STARS

In the feature game of the gigantic 4th of July Sports Field Day activities, a star-studded Rohwer Pick-Up nine subdued the erstwhile undefeated Jerome All-Stars by an 8-1 count, in a softball tilt played on the high school diamond.

The victors grabbed the lead in the opening inning, scoring on Ted Kamibayashi's walk, Perry Miyako's double, and an error hit by George Matsui. Both teams scored in the second inning, the Rohwerites collecting two, while the losers tallied once.

Playoff of the tie game between the Bombers and the Bumpers for the Independent League title has been cancelled, announced the CA athletic department. With several players leaving the Center, including pitcher Sho Kajimoto, the Bomber team has disbanded.

MAGATO REGISTER THIRD STRAIGHT

The tail-end Kongos came within an ace of upsetting the league-leading Nagatos, as they went down a 7-6 defeat, Wednesday evening. The two teams battled on even terms throughout the game with a Kongo rally in the final frame falling one short of tying Kamigano. Pitcher Frank Tanaka of the Nagato and firstbaseman Tachibana of the Kongos gathered two hits at three times at bat.

ROHWER CC TRIUMPHS

The Rohwer CC won their second game of the week, Saturday evening, rolling over the hapless Goombas, Jerome CC by a score of 5-1. Rohwer shortcenter Logen Miyanishi, who starred for the powerful Stockton Yamatos during the 'twenties, hit a home run down the right field line in the first inning with one on to give the Rohwerites a 2-0 lead. The Goombas were held scoreless for six innings by diminutive Nobu Tanimoto, but combined two singles in the seventh with a long fly for their only score of the game.

From there on the ball game was controlled by the victors as they slammed Norman Ishimoto for 8 hits, which coupled with errors and walks produced the winning margin.

James Harada of the winners had a perfect day at bat with two hits, while George Tbyama, Denson's flashy shortstop, batted 2 for three. Jeronimo Yas Chono staged a long distance hitting show by pounding a half dozen flies down the left field line. Yuk Kimura, Rohwer hurler, struck out eight men.

DENSON TROUNCE BOMBER SPARTANS

The Jerome All-Stars overwhelmed the Bomber Spartans, 10-0, as Denson hurlers Norman Ishimoto and Hy Ikeda combined to pitch a scintillating two hitter, Wednesday evening. The losers, lacking the drive that carried them to a tie for the Independent League title, committed eight errors.

ROHWER ALL STARS WALLOP VISITING GOULD

Turning 12 hits, 12 errors, and 13 walks into 27 runs, the powerful Rohwer All-Stars pounded their way to a one-sided 27-0 win over the visiting Gould nine; in a hardball game played Wednesday evening. The All-Star rampage started in the opening inning with a nine run outburst, aided by 7 walks by Gould pitcher Knight and some timely hits by Frank Kamibayashi, Y. Chono, and Butch Hayashi. The game was a walk-away from then on.

Youthful Jams Tsukamoto started out for the Rohwerites, holding the visitors

The Girl All-Stars, out-hitting the Federal League Old-Timers, 12-7, failed to convert the hits into runs, as they went down to a 7-5 defeat in the opening game of the July Fourth Sports Field Day program. In the third inning the losers tallied three times when Amy Sasaki led off with a single, advanced to second on an infield out, and came home on hits by Kazuko Nomura and Rose Tsukamoto. Two Federal errors allowed the latter two to score. Their other runs came in the fifth and seventh innings.

The Old-Timers practically sewed up the ball game in the first inning with a 5-run outburst on 2 walks, 2 errors and three hits.
