Paper Drive

The Boy Scout paper drive will be held as usual this coming Tuesday. Evacuee contributions will be picked up at the block offices. Administrative personnel are asked to place their paper in front of their porches.

OVERTIME CLAIM Covers Period Jan-July

In order to receive compensatory leave, any overtime claimed by an evacuee employee for the period from January 1st to July 1st should be reported to the cost accounting unit prior to July 31st on WRA Form-112, announced the Reports office.

All claims must be supported by a memorandum from the unit head addressed to the Project Director showing why such overtime work was necessary for each specific date worked, and why the employee has not been allowed to take time off for the such compensatory time prior to July 1st. In addition to the memorandum, and attached thereto, the employee should secure a statement from his immediate supervisor to the effect that the employee has taken no time off from his job, with pay, during the six months period involved without such time off being duly charged to compensatory leave or to other official leave.

At present, Umeda is assigned to a hospital in Tuscaloosa, Ala., from which he obtained furlough to visit his uncle and aunt, Mr. and Mrs. Awaya of 4-2-F.

His parents are back in the Islands, where he hopes to return, eventually.

Umeda described Italy as being hot, the inhabitants friendly and very hospitable and crazy about chocolates.

No claim for compensatory leave earned prior to July 1st will be allowed unless turned in as above and approved by the Project Director.

WAR VETERAN VISITS CENTER; SAYS INHABITANTS FRIENDLY

Private Everett Umeda, 100th Infantry, is back in the States after having been in the front lines in Italy for three months. He is recognized in Rohwer as the first soldier back from the European front to visit this center.

A native of Hawaii, he was sworn into the U. S. Army in June, 1941, and after training at Camp McCoy, Wis. and Camp Shelby, Miss. He was sent to North Africa, then to Italy where he fought side by side with his buddies as a bazooka gunner for three months until he acquired a shrapnel wound in his right shoulder.

He was decorated with the Purple Heart and two

LATEST DRAFT STATISTICS

According to the latest tabulation up to June 30, 258 residents of this Center have been called for pre-induction physical examination. Of these, 147 have been accepted, 87 rejected, and 3 were holdouts.

So far 10 have been sworn into the Enlisted Reserve Corps, they were called into active duty within a short while following their induction.

There have also been two volunteers called into active service with one placed in the Enlisted Reserves.

At the present rate, the Rohwer Center Roll of Honor is being lengthened by leaps and bounds.

4000 RESIDENTS VIEW ARTS AND CRAFTS EXHIBIT IN HALL

With one of the largest crowds to attend a Center-wide affair in Rohwer, approximately 4,000 spectators passed through the portals of the Auditorium to view the masterpieces of Rohwer's artistic-minded handicrafters, disclosed Paul Yakura, who was in charge of the Arts and Crafts exhibit which opened on Friday, and lasted through Sunday.

Among the 500 pieces of artwork on display were a number of impressive scenes carved in wood, and painstakingly polished and tinted cypress knees, of which some of the best were fashioned by instructors Harry Koizumi and T. Iwase. Art teachers Ogura, Sugimoto, and Uno depicted some interesting scenes on canvas, while Mr. Usui,

Mr. Okawa, and Mr. Kunitzuba had on display samples of Japanese permanship.

A great variety of artwork done by Miss Mabel Jarison's arts and crafts students were also exhibited. Attractively arranged flowers and shrubs were prepared by Mrs. Yakura and her pupils.

A center of interest was a miniature, a model of Block 11, ingeniously prepared by Mr. Tojima, who, entered every detail found in the messhalls, laundry and barracks.

Besides those and many others were dolls made of crespaper, by Mrs. Nakagawa, and Mrs. Sagawa, and "tsunami" by Mrs. Tsubouchi.

This exhibit was sponsored by CA as another Festival Week attraction. E.U.

ONCE OVERS by BEAN TAKEDA

Before the war, Cleveland had a population of 800,000. Today it numbers a million. And if you include all of Greater Cleveland (which takes in Lakewood, Shaker Heights, and other adjoining municipalities) the figures run around a million and a half.

Cleveland ranks sixth nationally, behind New York, Chicago, Los Angeles, Philadelphia, and Detroit, in that order.

RELOCATION...

When I first came to Cleveland 15 months ago, there were only about three evacuees resettled here. Now there are about 1200, including a liberal sprinkling of issai. And they are sold on the city as an area for permanent resettlement.

PEOPLE FRIENDLY...

There are many reasons for this. But the principal one is the genuine friendliness of the people here. There are exceptions, of course. But on the whole, the attitude of residents toward evacuees has been splendid.

COST OF LIVING...

Living costs are generally higher in Cleveland than they are in Chicago, New York, Philadelphia, but so is the wage level that prevails here. As far as high wages are concerned, Cleveland is one of the white spots in the country.

Housing... Cleveland and Detroit are two of the top war production centers in the land. And because of the tremendous influx of workers needed to maintain that volume, housing conditions are probably a bit tighter here and in Detroit than they are elsewhere.

BIG SMALL CITY...

With all its population and feverish war activities, Cleveland seems to me like a small city. As one of my friends so aptly put it, it is a big city with a small city flavor. As a metropolis, it doesn't bo-

THUMBNAIL SKETCH
 The city itself is laid out very nicely. As one wag once expressed it, I don't know how long it has been dead, but it is laid

out very nicely. They roll up the sidewalks here at 11:00 p.m., and by midnight there isn't a respectable place open where you can quaff a coke or a cup of coffee. I said a respectable place. There are plenty of dives and honky-tonks.

CHURCHES NEEDED...
 In fact, my very first impression of Cleveland was that I had never before seen a city with so many churches and beer parlors. When I commented on it to an oldtime Clevelander, he remarked that they needed all the churches to save all the people who were throwing away their lives in the beer joints.

The War Department has announced that Santa Anita, onetime America's swankiest horse track has been declared "surplus" and returned to its original owners. Santa Anita is a familiar title to many Rohwerians and someday they can narrate to their grandchildren that "I was there".

A nisei, Sakaye Kojima is spark-plugging the Fort Sheridan, Ill. baseball team this season.... Probably the best known nisei ball players among them who have been starring for various army outfits in the past are Los Angeles' all around athlete, Jake Kakuchi and Shot Iwamura of Lodi. Kakuchi was a standout on the keystone sack for the powerful Camp Grant, Ill. team which has for its opponent, among other major league clubs, while Iwamura played the outfield for the pre-war Fort Bliss, New Mexico.....

Fighting in the jungles of Burma with the US Army's First Air Commando Group is Tom Taketa. Taketa is better known in the nisei sport's world as one-half of the basketball's famed "Peach Bowl" twin who with Haruo Yamamoto the other half played under the colors of Marysville Crimson Tide and Yuba JC quintet.

Seiji "Skunk" Ishimoto, popular Royal Dukos athletic leader and one time Pasadena JC gridder is taking his basic training at Camp Blanding, Florida.... Jimmie Hayashi, one of Rohwer's top basketball player went under a major operation recently at Chillicothe, Mo. where he is attending school. The former Lodi Avalanche's ace, who with A-Jays' Hiro Kayasuga and Bojangles' Jackson Nakamoto rates as Rohwer caspa-dom's most valuable cager had to go under the knife twice, the first one missing the hoop. Fred, now in St. Louis, was the OUTPOST'S first sports editor.

AMERICAN LEAGUE OPENER TONIGHT DAY CAMPING FOR CHILDREN

A mid-summer's day dream will come true for many boys and girls this Wednesday when the first day-camping trip will take place under the supervision of the Education and CA divisions.

At 8 o'clock, Wednesday morning, thirty Junior high school students will go out with lunoches, fishing poles, and various games, and enjoy themselves until 2 p.m. Another group of thirty, comprised of elementary school children, will leave at the same time on Friday. Children from 9-14 years are welcome in this day-camping activity. Adults leaders will go out with each group. It is expected that three groups will go out each week throughout the summer.

All children wishing to take part in the program should sign up with their block managers, who will give further instructions.

In the opening softball game of the newly formed American League, the potent Lucky Sevensers will tangle bats with Block Nine tonight at the Junior high school diamond. The Lucky Sevensers, including Yasu Ghono, Hy Ikeda, George Toyama, and pitcher Norman Ishimoto on its roster, rule as favorites.

Other teams playing in the American League are the co-holder of the Independent League title, the Bronx, managed by Frank Kamibayashi; Marbo Sugli's Southerners, a Bomber-Unknown combine; Julio Nishimoto's Warehouse-Commandos; and the Question Marks; a Block 9-34 combination under Hank Nagao.

The National League is scheduled to open Monday evening with the Bombardiers meeting the Lucky Strikers. On Wednesday evening, the Gombas tussle with Block 8.

At the same time, Athletic Director Tak Horita stated that teams playing against the Gombas, who have a ton-man team, will use ten men in that game. Each team in both leagues will provide one umpire for its games, while no spikes, except soft rubber cleats, will be allowed.
