

SGT. MASUDA DIES IN ACTION

Notice of the death of Sgt. Zenichi Masuda in action on the Italian front was received by Mr. Hagio of this Center.

Residents from Aichi-ken, the native state of the sergeant's parents also deceased, held a memorial service in his honor last night.

Sgt. Masuda was born in Stockton.

TEEN-AGE CANTEEN

Social Recreational Meeting Place Planned For Students

The teen-ager's dream of a place to meet his friends after school and dance, play card games or ping pong, drink pop and even do homework in short, a place to "hang out"--all this will be fulfilled when the plans of a group of hard-working high school students materialize and

a teen-age canteen is actually opened.

At a meeting of 24 active students Tuesday, plans were formulated and planning committees were organized. Roy Oshima was elected executive chairman, with an executive committee of: Sumire Sahara, financial chairman; Ken Osaki, housing chairman; Ruth Hirose, rules and regulations; Misa Asakawa, program chairman; Nellie Utsumi, publicity; Yasuko Honda, membership. This canteen is to be open to members who have paid their membership fee, it was announced.

Margaret Cheek and Robert Blood are advisors of this organizing group, and Misa Izumi is the secretary.

BOYS, GIRLS ENJOY TRIP

The Summer Activities day camping trips materialized when Junior High boys and girls "roughed" it Wednesday followed by the grades 4-6 children on Friday.

The campers enjoyed active and quiet games, fishing, exploring and peaceful snoozes on a shady bank of a creek some four miles from the Center.

Groups of 30 children, 9-to 14 years old will be permitted to go to the camp site every Monday, Wednesday and Friday. Children must bring their own lunches. Water will be provided in sanitary cans. A adult counselors will be present. Campers will leave at 8 a.m. and return at 2 p.m.

Beach Party

A Senior high "Beach Party" will be held Tuesday from 8 p.m. in Mess hall 29 to the music of the Rohwer Srenaders.

Message From Dillon S. Myer

Dear Mr. Johnston:

Please convey to all the residents of the Rohwer Relocation Center my best wishes. I should like for each resident to know that I appreciate the fine spirit he displayed in activities incident to the recent closing of Jerome.

Particularly, those former residents of Jerome who now are establishing new homes in your center are to be congratulated -- for their part in planning the move from Jerome and the willingness with which they did their share of the many tasks involved; for the graciousness with which they understood and accepted the necessity for closing the center; for their cooperation in facing the crating and the dust and the inconveniences of moving; and for the good housekeeping they did before leaving their former relocation residence.

So, too, the earlier residents of Rohwer are to be congratulated--for their willingness to watch that center again become a crowded community; for their participation in the mechanical job of receiving the people from Jerome; and for the hospitality and welcome they extended to the weary newcomers.

Jerome was closed with so very little confusion that the entire operation was accomplished with small concern on the part of the National Director. The smoothness of the transfer operations and the efficiency of physical abandonment would have been impossible without full cooperation of the residents. This chapter of WRA's history is a credit to each of you.

Sincerely,
D. S. Myer
Director

BON ODORI PRACTICE HELD BY ROHWER BUDDHIST CHURCH

With several hundred spectators on hand each evening, the Bon Odori practice is being held three times a week on the high school field under the sponsorship of the Rohwer Buddhist church.

Led by the Sunday school teachers and volunteer instructors, approximately

600 boys and girls have learned about 14 different dances. These practices are held every Monday, Wednesday and Friday evening from 8 to 10 o'clock. Everyone is cordially invited to participate in the "Obon Festival" on Aug. 12 and 13 by coming out to learn the ondo dances.

ONCE OVERS by BEAN TAKEDA

CHARLESTON, W. VA.—This is the lesser known of the cities by the same name, the more famous Charleston being in North Carolina. This is the capital of West Virginia.

It is a sleepy little city of 70,000, of which one-tenth are Negroes. Being a southern town, the race problem is a very important one here. But unlike the situation in the deep south, it is not rooted in blind, warped contempt and prejudice.

HUMAN RELATIONS

Local leaders, both Negro and white, are fully aware of the nature of the situation. And with a full understanding of the obstacles confronting them, they are trying to work out a sensible, practical formula for improving inter-racial relations. There is little danger of a Detroit riot or a Mobile fiasco occurring here. Instead of turning their backs on the problem, they are grabbing it by the horns.

COMMITTEE

An interesting development here is the recent appointment by Governor Neeley of a Negro to a new Committee on Human Relations. The Negro, a young Methodist minister, has been instrumental in forming a Clinic of Human Relations. Blacks and the whites meet regularly in forums, discussions, and symposiums.

PLAIN PEOPLE

These people who gather in these meetings are not just the leaders in the community. The leaders gather too. But they are sensible enough to realize that nothing concrete can be accomplished in the field merely by having a few of the leaders meet. They know that their theories on bringing about race harmony must be put into practice among the common people, people like you and me.

And so each week a clinic

—Movie— Previews

"Flesh and Fantasy" starring Charles Boyer, Edward G. Robinson. "Flesh and Fantasy" is definitely a different film with its strong sense of irony and a touch of the macabre. The film is divided into three unrelated episodes, all devised to show that man is the master of his own destiny despite fortune-tellers and dreams.

"Bombardier" starring Pat O'Brien, Randolph Scott, Anne Shirley. A "blockbuster" picture that ties right in with historic events and current headlines. A four cornered romance is portrayed in this "inside story" of America's great secret weapon, the bombsight.

"This Gun for Hire", starring Alan Ladd, Veronica Lake, Robert Preston. Ruthless young psychopathic killer is betrayed to his death by sympathy for girl he holds as hostage.

tion. HEARTENING.

Such a picture is encouraging to me, because there is not denying that the future of Japanese Americans in this country is unmistakably linked with that of other minority groups. Any progress that is made in improving Negro-white relations is a contribution to the betterment of Japanese-Caucasian relations. For this country is composed of minorities, and anything that tends to help one minority group, tends to help the other minority groups. THEY TOO

Conversely, anything that hurts and retards any one minority group, is a damaging blow to all minority groups. The sooner we must recognize and realize this interdependence and are determined to fight for the rights of these others, as well as of ourselves, the sooner democracy will become an actuality in this democratic land of ours.

SPORT SHORTS
by Yuk Kimura

Sports editors come and sports editors go. The latest acquisition to the OUTPOST staff is no exception. He heads for everybody's stopping point, Chicago, Monday morning.

First there was lanky Fred Oshima, who was also sports editor on the Stockton El Joaquin. He capably handled the sports news in his colorful style until he relocated to St. Louis, where he occasionally sends in interesting bits about the doings of well-known athletes.

Following in Fred's footsteps was energetic Kango Kunitsugu, who at one time was editing the RFGC News. Kango kept the athletically-minded Centerites well informed on sports doings until his relocation to Chicago.

Then in rapid order, there were Harry Oshima, Fred's kid brother, Kaz Fukuya, Eugene Sakasegawa, and Tsukasa Matsueda, who are now scattered all over the country. Harry went his way to St. Louis where he toiled until his call to the Army and is now in Camp Blanding, Florida. Kaz left for Michigan; Eugene returned to his home in Hawaii; and Tsukasa is now in Tule Lake.

Which leads up to our friend, amiable Art Takei, who became sports ed. via the art department and ably covered the sports page, until three weeks ago. He left Thursday evening for Buffalo, N. Y., where he plans to attend the University of Buffalo, thereby crossing up a sports department prognostication which indicated that he was leaving for Chicago to wait for induction.

Interesting is the origin of the name, Lucky 7, chosen by the former Jerome All-Stars. Ich Miyagawa, who manages the team, lives in Block 7, Barrack 11. Or seven come eleven. Lucky 7.

The girl All-Stars clash with the Old-Timers tonight for the third time.

NAGATOS WIN, 4-1, TO CAPTURE TITLE

The Nagatos, Federal League champions, again proved themselves masters by coming from behind to decisively whip the CA-JIHOS, 4-1, for the second round title, in a playoff game Tuesday evening.

Both teams garnered 7 hits apiece, but the Nagatos effectively bunched four hits plus three walks in the sixth inning

to score four runs for the game. The losers scored their long tally in the first inning when pitcher Jack Fukuyama tripled and scored on a single by second baseman Kirgo Tasugi.

Pitching the Nagatos to their second title was Frank Tanaka.

SCORE BY INNINGS: R H E

CA-JIHO	1	0	0	0	0	0	0	0	0	0	0	0	0	0	0	0	0	0	0

SOFTBALL RESULTS

The power-laden Lucky Sevenors rolled to their second straight win, swamping the hapless Warehouse-Commandos by an overwhelming 26-5 count, Wednesday evening.

George Yamagata, subbing for Hy Ikeda on the mound, scattered six hits among the losers.

Capitalizing on little Hippo Ito's wildness in the early innings, the hard-hitting Bronx swept to an easy 12-5 win over the Question Marks.

The Bronx infield checked off two flashy double plays.

In the opening game of the National League, the Bombardiers edged out the Lucky Strikers, 13-10, in a froo-hitting contest played Wednesday evening.

The winners outthit the losers 11-10, with Bombardier P. Nogoro collecting 3 for 4.

The towering Southerners shoved across two runs in the last inning to nose out the Block Niners in a close 6-4 contest. Southerner Kojo Arihara pitched a 4-hit ball with Nube of the losers collecting two.

The Jerome Goombas meet Chuck Miyazaki's Old Timers tonight.

To Be Formed

A managers' meeting for the formation of a PeeWee League will be held Monday morning at 8 o'clock at PS hall 27. To be eligible for this league, players must be in the 8th grade or under.

Federal League Opens Next Week

The third round of the Federal League will begin next week with an all-Caucasian nino, the Ad. Personnel, joining the league. Others are Nagato, Yemafo, Kongo, and CA-JIHO. Teams drawing byes will play the Girl All-Stars, an independent team. Playing for the CA-JIHOs will be Josh Mori, Rosie Tsukamoto, and Amy Sasaki.

R. SUZUKI, OGAWA WIN BAT CROWN

Ray Suzuki of the CA-JIHO, and Ty Ogawa of the Nagatos tied for the Federal League batting crown with an even .500 pct. average.

HARDBALL: ROHWER, JEROME

The Rohwer All-Stars meet the Jerome All-Stars tomorrow at 2:30 p.m. at the Jr. high diamond, in a game rated as a toss-up. Curveballer Ted Kamibayashi will pitch for Rohwer, with 15 year old James Tsukamoto hurling for Jerome.
