

MANGHAM TO PRE-SCHOOL CONFAB JOIN ARMY

F. R. Mangham, assistant project director in charge of administrative management, left this morning for his Louisiana home prior to his induction into the armed forces on Sept. 7 at a Texas camp.

Mangham, who has been on the personnel staff since the opening of the Center, was first assigned as administrative officer and later assumed his present position.

He was accompanied by his wife and two daughter who will take up residence in Louisiana.

Daily Meetings Slated

"The Relationship of the School to the Community" will be the subject of a series of meetings to be held daily at the Junior High School Assembly Room beginning Monday and lasting through Saturday in Rohwer Relocation Center's third annual pre-school conference, with several prominent Arkansans slated to speak on different topics.

SEABROOK JOBS REACH QUOTA

Since the quota for workers on Seabrook Farms has nearly been filled by Rohwer and other centers, all Seabrook offers will be cancelled on Sept. 10.

Those interested should sign up before Sept. 6, advised George Fukumoto, recruiter for Seabrook.

Among the outside speakers who will address the groups will be Willie A. Lawson, executive secretary of the Arkansas Education association; Mennie Mae Ronney, instructor at the Pine Bluff High school; Mrs. Hazel Dabney, supervisor of Pine Bluff Elementary schools; Charles F. Allen, executive secretary, Arkansas Teacher Retirement System; M. H. Russell, Superintendent of Schools at Lake Village, Ark.; Delph Camp, state supervisor of Occupational Information and Guidance; J. C. Rupp, Desha County supervisor.

Also scheduled to discuss other relations of the school to the community are members of the Rohwer administrative personnel. Meetings will be open to the public.

LOYALTY OF JAPANESE AMERICANS CONFIRMED

Washington, July 29--- That portion of the nation's population which, because of foreign ancestry, became suspect when this country went to war, has given little trouble to its guardians.

F.B.I. Director J. Edgar Hoover says the "dollar patriots," "misery chiselers" and "horseplay pranksters," whose American ancestry should leave no question of their loyalty, have proven much more of a problem than Japanese or other Axis nationals.

American citizens of Japanese ancestry, uprooted wholesale from their homes on the Pacific coast, have hardly a black mark. The War Relocation Authority reports no sabotage and no espionage among them, and probably a much smaller number of minor crimes and misdemeanors than would be found in another group of 125,000 persons.

There are approximately 10,000 Japanese-Americans now in the army and probably several hundred have been killed. The 100th Infantry Battalion is composed entirely of Japanese, including many from Hawaii recruited before

Pearl Harbor. It was cited several times for its effective fighting in Italy.

The Japanese Americans now are combined in one organization, the 442nd Combat Team, and 5,000 of them recently saw action near Leghorn in Italy.

Bond purchases by the evacuees, says WRA, ranked about the same as those of other workers in the same wage class. The evacuees receive \$16 to \$19 a month for services in connection with camp operation. Some wealthy members of the colonies bought considerable blocks of bonds from their savings.

Vocation Leave For Part-Timers

All vocational guidance workers who have worked on regular full 8-hour jobs from May 19 to Aug. 31, or any unbroken period of a full month or more, are eligible for vacation leave.

Vacation leave for vocational guidance workers is granted only in the summer vacation period, as they are not classified as full-time workers during the school term.

PHILADELPHIA - Local nisei are doing pretty well in their program of integration and assimilation. There are two groups that are responsible for this. First, there is the Japanese American Social committee, composed of nisei and some of the leading Caucasians. Its function is mainly social, and it holds one big gathering a month, where evacuees and Caucasians can meet and mingle and become acquainted. So far, it has sponsored two big picnics, with a third coming up.

Then there is the local steering committee, composed of nisei and Caucasians, which is the real guiding body. It meets once a month, plans the activities for the following month and coordinated the program as a whole. Under it are various subcommittees, such as hospitality, social, reception, housing, and others.

An interesting situation occurred here recently. Many of the evacuees felt that the local WRA office was slow in opening up employment fields, that what jobs were offered were menial, and that too many nisei were being placed in a few plants. So a nisei employment committee was set up, and the complaints were investigated, studied, discussed, and presented in the form of eight points to Relocation Officer Henry Patterson.

Patterson was big enough to admit that many of the complaints were justified. He promised to study the matter, see what improvements could be made, and report back to the committee. So far, the Committee has not heard from him. But if any results are obtained, you can chalk it up to initiative and hustle on the part of the local nisei and cooperation from the local WRA, which is as it should be.

Some of the nisei who are active in the local

PS hall 15 - "Over My Dead Body"

PS hall 33 - "A Damsel in Distress"

"This Land is Mine" starring Charles Laughton, Maureen O'Hara, Walter Slezak, George Sanders. This is a moving drama of Nazi occupation of a French town. The argument for the democratic way of life is set forth by Schoolmaster Charles Laughton, a timid cowardly soul, who becomes a figure of heroic proportions when, fully awakened to the Nazi vilence, he finds himself doomed for his love of liberty.

"Over My Dead Body", starring Milton Berle, Mary Beth Hughes. A mystery-farce. Milton Berle after deliberately implicating himself, has to stand trial.

"A Damsel in Distress", starring Fred Astaire, Gracie Allen, George Burns. Jam-packed with crackling merriment and with romance. This film sparkles with the brilliant dancing of Fred Astaire, the goofy antics of Burns and Allens, heart-filling song-charged, romance, and snappy lines by Wodehouse.

The evacuees have many friends and supporters here. Two of them are Bob and Gerry Fort, who made a host of friends while directing the Friends hospital in Chicago. Bob is

relocation secretary for the American Friends Service committee, while wife Gerry is secretary to the manager of the local Wanamaker store. I was up to their apartment the other night and saw some furniture that looked like a surrealist's dream.

They hastened to explain, however, that the furniture was not theirs, but came with the furnished apartment. Which all goes to show what some of us poor civilians have to put up with these days. Another friend is Tom Bodine, who is field secretary for the Student Relocation Council, which has done great work for nisei college students. Since evacuation, it has placed over 3500 nisei in 539 colleges and universities in 46 different states.

Encouragement and support have come from Elba Farabogoli, director of the local International Institute. She has invited the evacuees to participate in the activities here and has

Southerners Take Goomba 7 to 1

American league fans were treated to another Southerner victory Tuesday when the winning nine from the South snuffed out Goombas hopes with a 7 to 1 score.

The victors collected 9 lucrative hits off Goomba hurler Toshiyuki and Ohashi, reliever, including a two-run homer by catcher Yamaoka and a double by first bagger Omokawa. Satisfied players were Omokawa who batted 3 for 3, Miyamoto with 2 for 2 and Yamaoka with 1 for 2.

The Goombas experienced disappointment, unable to contact more than 2 scattered hits off Southerner Katsuki, who was touched for just two. His rival, Toshiyuki, walked two. Strike-outs were missing entirely from the bout.

NAKAMA SWIMS TO AAU TITLE

Chicago, Ill. -- Sport pages of Chicago newspapers for the past three days headlined the triumphs of Kio Nakama, Hawaiian-born star of the National A.A.U. swimming and diving championship meet at Great Lakes near Chicago.

Nakama, by winning three middle distance events, the 400 meter free style, and the 1500 meter free style, was far out in the lead as the individual star of the meet. He represented his college, Ohio State University. In two of his events, the 1500 and 400 meter races, he set A.A.U. records, leading his nearest competitor in the 1500-meter event by 18 seconds at the finish line.
