3 INVESTIGATE ORDNANCE DEPOT

Young Orsborne, relocation advisor, Sam Seno and Teruji Endow left this morning for Sidney, Neb., to investigate the army ordnance depot there.

They will look over working and living conditions and contact various civic leaders in Sidney. They will return Oct. 7.

PHOTO STUDIO OPENS MONDAY

Residents can "look at the birdie" once more when a Photo Studio under the Co-op will open on Monday in 34-2-A.

Under the management of Hel Hattori, appointments will be taken. The hours are 8:30 to 11:30 a.m. and from 1:30 to 5 p.m.

FRANCOEL IN WELFARE AS ASST COUNSELOR

Edward Francoel from Minneapolis and St. Paul has joined the Welfare section. He will act as assistant counselor.

NISEI MAY RENOUNCE AMERICAN CITIZENSHIP

The Department of State has recently advised the Spanish Embassy, which is in charge of Japanese interests, that any Nisei may assert loyalty to the Emperor of Japan and renounce his American citizenship whether he is in Tule Lake, in a relocation center, or on the outside.

It was pointed out that the act was not restricted to American citizens of Japanese ancestry. Application for renunciation of citizenship must be made in writing and is not effective until approved by the Attorney General. Consequently, any Nisei who applies for cancellation does not become an alien and is not under the protection of the Spanish Embassy until his renunciation is approved.

Each case is considered separately, and reasons for the requested cancellation must be stated.

Further information is available from L. Forrest

MEMORIAL SERVICE

Rohwer Honors Her Soldier Dead

With the arrival of fourteen soldiers from Camp Shelby to compose the volley salute gun squad, plans for the special Memorial Service honoring Rohwer's soldier dead will materialize today at 2 p.m.

The Service will commemorate Sgt. Togo Sugiyama, Sgt. Akira Shimatsu, Pfc. Calvin Saito, Sgt. Zenichi Masuda, and T/Sgt. Ted T. Tanouye.

Participating in the ceremonies will be representatives of the Boy Scouts, Girl Scouts, Christian and Buddhist churches, administrative personnel, Community Council, Block managers, high school band, Military Police and visiting Nisei soldiers. Members of the USO have volunteered to act as ushers. Eddie Otori will be the chairman. The planning committee was headed by Dr. K. Onizuka.

If the weather is favorable the ceremony will be held outside the Auditorium. In case of rain it will take place inside.

During the Service life histories of the deceased will be read by S. Ito.

"IMON-BUKUROS" DESTINED FOR 200 NISEI SOLDIERS

Somewhere on the hills of Italy and the islands in the South Pacific, exactly 200 Nisei doughboys from Rohwer or those whose relatives are in this Center will have a "White Christ-

mas" in the forms of surprise gifts from the local YBA. Mailed last Thursday, 150 of the "imon-bukuros" were destined for the APO in New York and 50 others for San Francisco.

This Samaritan work was sponsored as a project for the Buddhist Bodhi-Day, celebrated annually on December 8th as the day when Shakyamuni attained enlightenment through long meditation and ascended to Buddha-hood. This day compares favorably with Christmas in the old custom of exchanging thoughts and gifts with friends.

The gifts were packed and sealed in one evening last Monday when Bussei volunteers met in PS halls 23 and 28 with 39 and 38 persons respectively. Items that were packed in each parcel were: facial soap, wash cloth, tooth powder, razor-blades, pocket-comb, hard-candies, gum, comic-books, and the YBA Bodhi-Day greeting cards.

The latter part of the busy but enjoyable evening was spent with souvenir picture-taking of the groups and their justifiably proud work.

Ordnance Depot Greets Evacuees

Preparing the way for friendly reception of evacuees in War Department ordnance work, the ordnance depot at Tooele, Utah, has asked all its personnel to "greet the new workers as fellow Americans engaged in an undertaking of great consequence."

Major Earl G. Linhart, depot adjutant, issued the following statement in Tooele's daily information summary:

"Some of the much-needed personnel is soon to arrive at T.O.D. These are the

MEMOS OF A TRAVELER:

Must buckle down and catch up on my correspondence. It's surprising how far behind you can get in a short time. What I need is a personal secretary.

Must write a letter to the California Chamber of Commerce and tell them that the Golden State weather is really tops. Before my travels, I used to think that the C. of C. people were over-playing the weather angle. Since then, I've learned what they've always contended. That there is no place like California, as far as climate goes.

There is a terrific cigar shortage in Cleveland. Dealers are almost completely out of the three top popular brands... In Chicago, it's a whiskey shortage. This is from a second-hand source, of course... New York has plenty of both cigars and whiskey. At least, they were abundantly displayed in windows and on counters.

Sgt. Chris Ishii, former Disney animator, whom I last mentioned as being in India, is now in Chungking, according to his brother-in-law, Frank Teroka... Ex-Rohwerian Ben Kitagawa writes from "somewhere in Italy" to tell me that Lt. Norman Kobayashi is not with the 442nd there, but with a hospital in England.

Pfc. Ernie Uno V-mails from Italy: "You folks back there in the states can never know the real meaning of horror... It takes a strong man to recount the hell everyone tries to forget"... Writes Sgt. Hit Okimura from the South Pacific: "There are some W/Gs here, but they are a pretty sad lot."

Must remember to read Betty Smith's "A Tree Grows In Brooklyn." I'm currently occupied with another best-seller, also by a Smith, Lillian by name. You should read "Strange Fruit," by all means... Mrs.

"Good Fellows" starring Cecil Kellaway, Helen Walker.

"The Sky's the Limit" starring Fred Astaire, Joan Leslie, Robert Benchley. Fred Astaire dances his way through a whirlwind story of a Flying Tiger on leave, in play-boy clothes, crowding into one busy, merry ten-day furlough, a lifetime of fun and thrills. MATSUI LEAVES FOR MINNESOTA

George Matsui who acted as football commissioner under CA will relocate Wednesday to Minneapolis.

Formerly of Sacramento he did behind the plate duties for the Bronx helping the team to the first round Independent League championship.

He was on the second rung "A" League batting averages ladder.

The offensive eleven shifts into a snappy T; the ball is snapped and flashy players skim across the field; the reverse clicks and the play is good! Thousands leap to their feet and cheer themselves hoarse as they follow gle-eyed the change of colorful players... stop! that's the limit of imagination.....

No, Ignoramus, the marching hordes you see on the high school field are not zombies; just Vic Matsui's school boys preparing for a bright future...!!!

Then there's the one about a player who, finally regaining partial consciousness after a particularly bone-crushing play, exclaimed, "Now, Gertie, me love, wha'ja throw at me this time.....?"

Wonder why a lot of old boys hang around during football practice? One of them told me as a farmer he judged melons by noise when it was thumped, and colliding "atamas" kept him in practice for the next season. He said this year's crop of "mes" sounded particularly hard and green.....

DIGSKIN PARADE

FIRST GAME
The first football game of the season is scheduled to be played on Saturday, Oct. 7, at 2:30 p.m. on the high school field. Two unlimited teams, the Blue Devils and the newly-formed G. I.s will probably be matched.

ROSTER & WEIGHTS
Both limited and unlimited football teams must hand in official rosters to the Physical Ed dept. at Blk. 27 by Tuesday, Oct. 2, the CA reported. Official weighing in of the players began this morning on the Sr. Hi field.

PARENT'S CONSENT
Boys 18 and under are required to get an O. K. from their parents, the CA said yesterday. These slips will be issued soon so the CA can assume no responsibility for injuries.

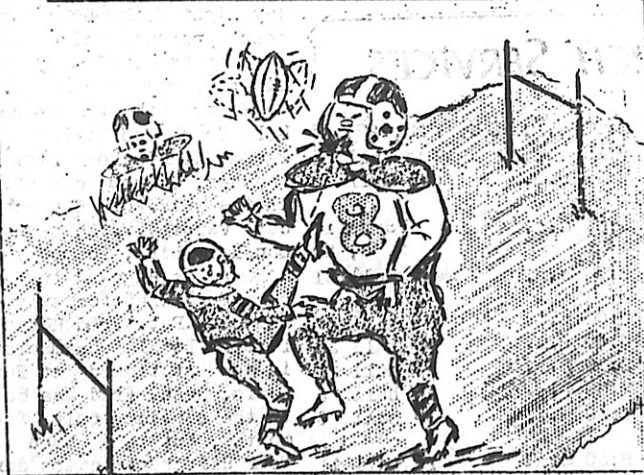

FOOTBALL COMMISSIONER
Further details were not released and another meeting among managers will be held before any decisive action is taken. A permanent football commissioner will probably be elected at the meet also.

A playoff between the two Pee Wee league champs, the Shamrocks for the first half, and the Bronx Jrs. have the second half will be held next week. The Shamrocks won 6 and lost 1 for the first half-championship, while the Bronx Jrs. won 5 and lost 0 for the 2nd half pennant.

THE BLOCK OFF?

ADJT'S MESSAGE

(Continued from page 1)
people who will relieve a situation which had become extremely serious.

"Although their physical heritage is Japanese, they have proved themselves loyal American citizens. They, like ourselves, have husbands, brothers, and sons fighting for the allied cause. They, like ourselves, are eager to support the efforts of their fighting men, to do jobs which will help to end the whole ghastly business of war. They did not choose their predecessors but they have chosen the side on which they will fight.
