Charles McGowan, former assistant procurement officer, will be acting procurement officer, replacing J. C. Moody who left Nov. 25 to enter private business.

Filling his past position in the Center since January 1943, McGowan had been previously with the N. O. Nelson Company in Jackson, Miss., for seven years as assistant purchasing agent.

ROHWER CASUALTIES

Center's Casualty List Mounts

Added to the lengthening list of Rohwer casualties, which total 45 according to telegrams received by next of kin still resident in the Center, were three servicemen reported killed and four wounded in action on the battlefields of France.

Of the 45 announced casualties, sixteen have been reported killed in action. Three soldiers

are described as "missing in action". Of the 26 who comprise the list of wounded, sixteen were seriously hurt and ten were only slightly wounded. This accounting does not include the notifications to former residents of Rohwer who have relocated.

A tersely worded War Department telegram informed Hikokichi Yasuda of 17-6-F of the death of his son Pfc. Shigeru Yasuda on Nov. 1. Pfc. Yasuda's wife, Mrs. Shizue V. Yasuda, is a Chicago relocatee. Yasuda was formerly of Los Angeles.

ONCE OVERS BY BEAN TAKEDA

A friend tells me he's in a rut and doesn't know how to get out. That seems to be a common disease around here. Webster defines rut as "a routine method of action or procedure from which one is not easily stirred."

But it is easy to stir yourself out of a rut, if you know how. It's simple. There's nothing to it. I feel that I'm qualified to speak on the subject, because I'm the champion rut-getter-into in these parts.

Because of my humanitarian interests and my natural desire to be of service to my fellow men, I'll let you in on my little secret. The procedure is ridiculously simple.

First, you sit down and analyze the situation. Find out what caused you to get into the rut. Was it caused by worry over something? Was it caused by doing the same thing over and over again such as daily household chores or routine office work?

This analyzing is important, because being in a rut is purely a mental state. If you think you're in a rut, you are. If you don't think you're in a rut, you're not. And if you think you are, knowing what caused it is half the battle.

We are all creatures of habit. We like to do things in the same way day after day, mainly because we are too lazy to change those habits. We are reluctant to change them, even when we find ourselves falling into a rut. That brings us down to the second step in the process.

Having discovered what caused your state of mind, you proceed to outline a set of plans to pull yourself out of it. The whole idea behind this step is to plan to do everything differently. Plan to live two or three days, even a week, in a radically different manner from your u-

sual life.

If you work, whether in a kitchen or office, you can't do much about changing your routine before and after working hours. For instance, if you ride to work every morning, plan to walk to work for three or four mornings.

If you are one of these hardy souls who walk to work, you probably take the same route each morning. Then plan to take a different route to work for a few mornings. Plan to do the same thing when going home from work.

Then, in the evenings, plan to do something different. If you generally stay home nights, plan to visit a friend or two. If you haven't done much visiting lately, you'll be surprised what a lift it will give you.

LUMBERJACKING DISTRICT PLAN

The voluntary lumberjacking schedule recently published in the OUTPOST is now in effect.

In case of rain on days scheduled for a district, the men are to return to their regular jobs. If the rain continues, districts should wait until further notice.

Ed Bethune and Charles Sullenger of the personnel management section left for St. Louis, Mo., yesterday to take a weeks course at the Supervisory Improvement Institute in the 9th Region Civil Service office.

The Civil Service Commission is conducting job improvement programs in order to qualify agency trainers. Following this session in St. Louis, Sullenger and Bethune will conduct a personnel training program for the purpose of improving the skill of supervisors in this program.

V-MAIL TO YBA

V-Mailed from somewhere in France to Rohwer Young Buddhists Nov. 10 is the following letter from Pfc. Joe Nishimoto, who was reported killed in action Nov. 14. His parents, Mr. and Mrs. G. Nishimoto are in 28-12-E. Dear YBA Members--

Here I am in an old French house cradling a home-made stove, made from an old bucket, trying to keep warm. This is the first time I've been half way warm in over a month. I just came off the lines for a short breather and was ever so happy to receive the swell package that you were so thoughtful to send me. I'm really enjoying everything with the follo soldiers in my platoon, thanks a million. We had our first snow of the season a few days ago and the countryside is really beautiful, but definitely cold. The going is really tough now, with the cold winter setting in and a very determined enemy.

Yesterday I had my first shower and clothing exchange in over a month and I really feel clean. Also I got part of my winter clothing so I should be a little warmer the next time I hit the lines, which I hope isn't too soon. It rained nearly every day that we were on the lines and life was really miserable. You can't begin to imagine what the boys are going thru out here. Outside the mobilo Red Cross is playing sweet Hawaiian music and I hear that we'll have hot domuts and coffee in a few minutes. Yes it's these little things that help us forget the days of hardships we had to endure. And with all of you back home rooting for us we've really got something to fight for. You're all doing a fine piece of work by keeping the Bussei movement alive, keep up the good work. Thanks again for the swell package, until we meet again, take care. The boys all say thanks,

With Gassho

Happiness Hour Program Slated

Tonight's Happiness Hour group will meet in two sections. All young people will gather at the Church office, 20-6-F, for sing-spiration, fellowship and Bible study with Dr. W. Mazfield Garrott as leader.

The Junior section will assemble in PS hall 2 for an interesting discussion on Samuel, with the Rev. K. H. Sakauie in charge.

Both meetings start at 7 p.m. in order that students may resume their school studies, if necessary.

Everyone in the center is urged to take advantage of these study groups and heart-lifting sing-spiration

WARNING

Parents are asked to warn their children about tampering with equipment such as caterpillars and tractors in the lumberjacking areas, according to the Community Council.

Since all equipment is government property, persons caught handling them illegally will be severely punished.

CA notes

Spangels may now be obtained at the CA office in PS hall 32.

ONCE OVERS DR. S. HATA TO VISIT FRIENDS IN CHICAGO

(Continued from page 2) what you have been doing.

The third and final step in the process is to execute these plans you have made. You won't want to go thru with them, perhaps. You may prefer to stay in the rut. But go thru with them. Don't let anything prevent you.

You will get some pretty interesting results. In fact, sometimes amazing.

Dr. S. K. Hata, chairman of the local RFCC Ministers' Council left last Monday, to visit friends and relatives in Chicago. He will be gone for about a month.

The, too, it may not work at all.

As a last resort, of course, you can always try relocation.

EXHIBITION PIGSKIN MATCH MCGEEHEE TO SEE LOCAL GRIDSTERS

An exhibition football game will be played today at McGehee high school before the McGehee high student body, presenting Rohwer Hi gridsters, 45 in all, in the initial intracenter pigskin tussle on a neighboring gridiron.

With hopes to further public relations between the Caucasians and the Japanese Americans for coming sports years, the game will display the nucleus of the Joker Y's and the Blue Devils, showing local sportsmanship, tactics and skill. For the occasion, the Joker Y's will be called the White Spartans and the Blue Devils, the Red Spartans--Spartans being Rohwerhigh's new nickname. The losers of the game will throw a chow party for the winners.

The picked high school football players making the trek follow:

White Spartan squad-- Ken Nishikawa, Tomi Ishii, Shu Ozawa, George Morita, Yutaka Shiraiishi, Smokio Sugii, Walter Matsui, Mas Yo Shimura, Isao Otsuki, Kamoyoshi Hiram, Mas Shimatsu, Tosh Tomono, Mas Yamaoka, Tomio Miranaka, Hanke Nishikawa, Peter Furuya, Jack Kitahata, Jack Kimoto, Hiro Kikawa, Katsumi Yoshioka, James Tsukamoto, George Takahashi, Lindy Kusumoto, Coaches Vic Matsui and Ty Kajimoto,

Red Spartan Squad-- Junji Sasaki, Frank Sato, Tak Tahara, Henry Yoshida, Hiro Haraguchi, Teruo Nomura, Ken Osaki, Tots Hayashi, Sam Gotan, Kiyu Omachi, Eddie Iwamiya, Hiroshi Iwamiya, Yoshio Fujii, James Oye, Akira Tanouye, George Tomita, Shozo Watanabe, Kiyu Oshita, Manabu Minami, Ben Shimazu, Kenji Echiki, Sam Miraki, Coach George Furuoka.

ROYAL ACES EMERGE UNDEFEATED, UNTIED

Royal Aces still held their undefeated, untied record for the Lightweight league when they defeated the Clowns, Saturday afternoon to the tune of 7-0.

BLUE DEVILS BLANK DOTS

Sunday afternoon's game was played in chilly weather with the Blue Devil Jrs. victorious over the Polka Dot eleven, 7-0.

The Blue Devil Jrs. break came in the late first quarter when the Polka Dots made a bad punt deep in their own territory. From the 20 yard line, Ichiki, on an end around to the left, galloped to the ten yard line and made it 1st down and goal to go. On the next play, it was Ichiki again to the two yard line behind Maraki's beautiful blocking. Catching the Polka Dot line off guard, Eddie Yumikura hit pay dirt on a quarterback sneak. Ichiki, taking the ball through the center of the line, made the score 7-0.

For the remainder of the game the Polka Dots' small

The score came in the last quarter, when Clown's long drive was stopped on downs, on Royal Aces 25. Aces taking over the ball gave Gotan a big hole in the line for a long gain to Clowns' 30 yd. line. Then a pass from Gotan to Fujishima completed to 10. A line smash gained 5. On the next play, a touchdown pass from Gotan to Kimoto completed for the 6 points. For the conversion, the identical play gave the Aces the extra point.

After the kick-off Clowns making no gain punted to the Aces' 20. Kimoto, Omachi, Gotan and Minami taking turn in the ball were driving down the field for an another score when they were stopped by the gun which ended the game. Throughout the game the Royal Aces were on top.

linemen stopped the threats of the Blue Devil Jrs. with the score remaining 7-0, at the final whistle.
