"Being Christian In The Block" evoked such discussion that it will have to be continued tonight. "You'd better get in on it!" says Midori Arimura, chairman for the meeting.

The High School students are going to have a "great revival". Come and join us in singing, laughter-packed games and stunts. The jolly-rollicking hour will begin when Ida Arimura takes over at 7:30 p.m. (Don't forget your neighbors).

Attention! The University of Chicago took for its Round Table discussion the vital subject "HOW CHRISTIAN SHOULD THINK ABOUT THE PEACE". Let's get together and think this matter through ourselves. If the churches deal in any way with the problems of peace and war, are they or are they not invading the function of the state? There'll be vital questions.

Informed members will share their convictions. We will agree to disagree. Better put priority on this meeting tonite. Don't miss it. Peppy singing will precede at 7:30 p.m.

G R E A T D E C I S I O N

What a thrill we had last Sunday, as many came forward after the challenging evangelistic message delivered by Dr. Sherwood Eddy! We know that many of you have been thinking and praying. God bless you. May you make the decision to follow Christ. It takes courage. You will be forever glad. Please feel free to speak to the ministers.

We are looking forward to a great Easter Sunday. Let us join together in celebrating victory of Christ in our own lives as we face resettlement.

All of tent mates send their thanks....To the members of the Junior girls' Sunday School class; I thank you for the lovely greetings." Sgt. Sadao Kobayashi, XY Sec.
