## GUEST SPEAKER TONIGHT

You'll want to hear Miss Ann Graybill who arrived in the center yesterday. Coming from Champaign, Ill., she is the general secretary of the Y.W.C.A. at the University of Illinois. In the near future, she will assume her new post as director of the National Student Relocation Council.

Both youth groups will meet together at P.S.H. 6 from 7:30 p.m. Enjoyable songfest will be ably directed by smiling Grace Shiraishi. Hideri will handle the program. Now, don't forget--put your pals into a happy corral and bring them to P.S.H. 6 after supper!

## ENLARGED STAFF

Beginning tomorrow morning at 8:30, we are entering the third and final week of the Daily Vacation Bible School. This year, thanks to talented help from the outside, our attendance has greatly increased.

Alvin Hatton, student at Southwestern Theological Seminary of Fort Worth, Texas is doing a grand job with the Intermediate boys and girls, assisting Miss Williams.

A pleasant personality from Hot Springs, Catherine Jordan, who has been a teacher there, is helping in the Junior D.V.B.S.

Full of bright ideas to teach children are Vera Marie Standiford and her sister Emma Lee, a recent graduate of Central College, Arkansas, who are enjoying this relocation center life.

We appreciate the cooperation of the Arkansas Baptist State Convention in making it possible to have these friends with us.

## INVITATION

Our members and friends are cordially invited to the wedding of Miss Sophie Shizume and the Rev. K. Harper Sakauo on Thursday, the twenty-first day of Juno, 1945 at 7:45 P.M.

## VISITS TILLAR

The C.Y.F. members from here joined with neighboring church youth group at Tillar, Ark., for the regular Christian Youth Fellowship Sub-district meeting last Thursday evening.

## OUR PRAYERS

We join with their many friends in prayer that God may comfort and encourage Mrs. Kiyoko Ijuin and family in the loss of their beloved husband and father who recently passed away in New Orleans.

The funeral service was held in our church last Wednesday morning. Dr. S. K. Hata and Adj. T. Hirahara were in charge.

## Acknowledgment

Walter Saito, 914 Lincoln St., Ann Arbor, Michigan, monthly pledge.

With offering, Sachii Kashiwagi posed this note: "We are leaving for Los Angeles on June 18. We have not some of the special trains which have come through. It certainly was good to see some familiar people again." 5106 Cherry, Kansas City 4, Missouri.
