We acknowledge with gratitude, the generous contribution from Mr. and Mrs. Henry Shizumo of Chicago.

Our appreciation to Mr. Byron Robert Sprague for his fine cooperation as a summer field worker.

## PERSONALS

Paul Shimada was flown into Little Rock on June 27, and was accompanied by Dr. Paul Kennedy to the center for a hurried visit to his mother. He was flown back to Chicago immediately to enter U.S. Army on June 28. Paul was in Decatur, Michigan and worked diligently as a Recruiter. We pray God's richest blessing upon him.

Our popular members, Bill Ikenoto and Henry Yoshida are visiting us before reporting for the U.S. Army. Those two have helped as ushers before relocation. We are indeed happy to welcome them back.

Dear Members and Friends:

We are happily enjoying our visit here in the most interesting city. We arrived here on Saturday morning.

Our hearts are full of joy for the occasion that has brought us here. We want to thank each one of you who helped in our wedding plans. We are deeply grateful for the beautiful reception that was rendered us by our church. For the surprise ride on the firetruck on that wedding night, we say a jolly "Thank You!" We appreciated the way the crew of C.Y.F workers fixed up our room. Everything was so wonderful!

Right now, we are leisurely strolling the streets of old historic New Orleans. We saw the French settlement by day and night. Sitting on the ledge at Pontchartrain Beach, we watched the surging waves hurling while foaming on the beach. In it, we saw a parable of life. Jesus is the Pilot of Life's Tempestuous Sea! Let us place our trust in him always.
