# EDITORIAL

Again the time has come for the office girls to average the grades for this semester. Those who made 4.8 will be eligible for the Honor Society, provided they possess such qualities as leadership, character, and service. Although I have said it in one of my previous editorials I would like to repeat it. No other high honor can be bestowed upon you in this school than to become a member of the NJHS. To your students who have been working towards this goal, loads of luck!!!!

# SONG OF WEEK (Chit Chat)

...ac-cent-ten-ato Tho Positive  
 You've got to "ac-cent-ten-ato the positivo, clin-my-nato the negativo"  
 Latch on to the affirmative, don't mess with the Mistor In-between  
 You've got to spread joy up to the maximum, Bring gloom down to the minimum,  
 Hyeo faith or pandemonium li'ble to walk on the scene To illustrate my last remark Jonah in the whale, Noah in the ark  
 What did they do just when ev'rything looked so dark? "Man," they said, "We better ac-cent-ten-ato the positivo,  
 Clin-my-nate the negativo, latch on to the affirmative, Don't mess with Mistor In-between."  
 NO! Don't mess with Mistor In-between.

Arlono F., what's this we hear about you and G.H.? Come on, now, let us in on this.

Why is Nasu so down hearted these days? Is it because M.M. is so far away in Socbrook?

Gosh, Kenny S., why not give the other guys a chance with Betty S.

Why does Suni I. get so rod in third period study-hall? Is it because ? sits next to her?

What's this we hear about Suniko E. and Mas M.? Could it be love???

We also hear that a certain couple by the name of Mits K. and Alice H., got along nicely together.

Jimmy H. has been looking at Yoshiyo M. during homeroom period. We wonder if that could mean anything.

S.W., who is that certain guy in 9A4?

Who's that guy in block 20 that Betty H. is always dreaming about?

Neguni A., too bad you're not in 4th period studyhall so you can gaze at a certain you know who.

We wonder why Grace Li. is so quiet these days? Is it because she's lonely for a certain fellow named Peter who is so far away?

What's this about Grace O. and Willio O.?

Kazuto H. seems to be falling for May I.

Who's this cute couple we see on the campus??

What's that sad look on Mitsuyo T.'s face for?

Seems like Willio Y. is interested in Takayo T.
