## EDITORIAL

Students, I would like to congratulate you on the swell cooperation you have been showing since the beginning of the stamp drive. Many of you have sacrificed all that was possible just to buy your stamps, while others have merely been spectators. For those of you who have not yet started, it's not too late! Let's all strive and work to have our honor on tops! After all you will not only be rewarded with material goods but with a feeling of satisfaction. For as the saying goes: "A man's true wealth is the good he does in the world." Surely a cause such as this, helping to win everlasting peace, is doing good.

### FASHION SHOW

## LETTER TO THE EDITOR

Dear Editor:

We don't want to make you feel cheap but just wanted to make a few suggestions about the "ROAR." Why not omit the part about assemblies? We know what the programs are about since we see them. Instead let's have more gossip, fashions, and interviewing of the students. By interviewing we mean asking some students about their hobbies, ambitions, likes, etc. Or ask what they think about certain situations.

In the gossip column, we think there should be gossip about different people instead of the same ones all the time. All the gossips are old news.

We hope this hasn't hurt the feelings of anyone on the "ROAR" staff and hope you will take this into consideration.

Sincerely,

A Few students

Dear "Few Students":

The staff, as well as I, was very glad to receive this letter from you. It's good to know that at least some of the students are waking up to the fact that this is your paper and care enough to contribute suggestions. We are only too glad to have hints that can be of any value to us.

Please help us by contributing more new gossips and suggestions.

Sincerely,

Editor

# SONG OF THE WEEK

# CHIT CHAT

We are now making scrap books for pleasure. Scrap books are, on flowers, jokes, movie stars, plans of houses, beauty, babies, foods, etc. We are very busy getting pictures for the scrapbook, cutting out of Miss Moore's magazine.

The All American Variety Club had a scavenger hunt. William Yoshihara suggested it. The boys won. They also wrote a card to James Yoshitako who is sick in the hospital.

This club is also enjoying games, making two sentences of the story and continuing it on, and it has a variety of games or activities chosen by the members.

On March 23, the girls of the seventh grade Home Economic studied and cut out pictures of clothes suitable for school and holidays. On Thursday, March 29, the girls in the seventh grade Home Economics studied the colors that could be worn together.

On Saturday, March 24, the members of the G.A.A. went on a hike to the farm outside of the Center.

It was disappointing to see that the skies were getting cloudy, but lucky luck was with them all of the way, for much to everyone's surprise and pleasure, it didn't rain a drop.

After devouring their lunches and resting their weary bones, they finally started their homeward march.

I'M BEGINNING TO SEE THE LIGHT  
 I never cared much for moonlit skies  
 I never winked back at fireflies  
 But now that I see the stars in your eyes  
 I'm beginning to see the light.  
 I never went in for afterglow  
 Nor candlelight on the mist too  
 But now that you've turned the lamplight low  
 I'm beginning to see the light.  
 Used to ramble in the park  
 Shadow boxing in the dark  
 Then you came and lit the spark  
 There goes the four alarm fire now.  
 I never made love by candlelight  
 I never saw rainbow in my wine  
 But now that your lips are burning mine  
 I'm beginning to see the light.

What's this gossip we hear about Juno S. of 83 and E. O. of the same section. Now, Juno, we say you go to Blk. 40 to see him.

Say, Mits K., why do you get so red when the name of Alice Mitori is mentioned?

How many hearts has Sumiko M. broken with those great big beautiful eyes?

Why is Shirley K. so happy nowadays. It is because Harold W. is in 72?

Tomiko S. always goes to the fourth period study hall. Is it because maybe of Yukio F.?

Don F. seems to fall for Toshiko K. since she is called "movie star."

Why is Violet K. always smiling? Could it be because of S. I.?

Motoaki Ya suda suro changed all of a sudden, don't you think? It's okay, Motoaki, Itsuko's the "cool type." lots of luck to both of you.
