

J.C. BAKER: REPORTS CHIEF LIKES ROHWER

Favorably impressed by the overall conditions of the project, John C. Baker, Reports office chief from Washington, D. C., stated, "The way the residents have taken advantage of the rich soil to plant victory gardens is an outstanding point of this project."

Mr. Baker arrived in Rohwer on Monday and will have his survey of the activities of the Reports section here completed before his scheduled departure today.

INTERVIEW OF GROUP TWO NOW FINISHED

Segregation interviews for those who answered question 28 in the negative have been completed and the records of the hearings will be sent to the Washington D. C. office, it was reported by Project Director Ray D. Johnston today.

The immediate members of the family of these people will be interviewed by the social welfare department in a short time and family members may take the alternative of staying or transferring.

All persons who gave negative answers to 28 and changed the answers before July 15 and those who qualified the loyalty question will be given leave clearance interviews here. The results of the interviews will be sent to Washington for approval. If clearance is denied, these residents will be sent to Tule Lake ultimately.

It was further revealed that all segregationees will have the right to appeal their segregation at Tule Lake.

WISDOM TO BE SOCIAL ANALYST

Charles Wisdom, formerly with the United States Census Bureau, arrived here Sunday from Bisbee, Arizona to become Rohwer's first community analyst. His chief duty will be to analyze local social conditions in this center.

After attending the University of Chicago, he worked with the United States Indian Service for two years at which time he visited Central America to study the Indian life there.

At present he is temporarily located at administration building 2.

formed in 17 weeks, mentally and physically, into a soldier, qualified in the infantry weapons and trained to march and live as a soldier must and prepared to take place in any combat organization.

WRA Booklet

A WRA pamphlet, setting forth the reasons for segregation, will be distributed to every apartment in the near future.

Printed in both English and Japanese, the pamphlets will state the reasons and give some of the details of the move.

EMPLOYMENT QUESTION ANSWERED

Additional details on segregation are again made public for the benefit of those who are interested in the data.

Q. When will the repatriates be terminated from employment?

A. The termination shall be at the close of business at the end of the day, not less than 24 hours before the segregationees are scheduled to leave the center.

Q. Can compensatory time for work in this center be transferred to Tule

Lake:

A. Yes. The time will be recorded in the books at Tule Lake.

Q. How will the segregationees be paid their earned wages and accrued clothing allowances?

A. The checks will be mailed out to them from the Finance division to their destination.

Q. Will there be diner service en route?

A. No. Kitchen cars will be available. The food will be furnished and prepared by the Army. The

Army may ask for voluntary helpers and assistants to aid in the preparation and serving of food.

Q. Will the baggage be inspected for contraband upon arrival at Tule Lake?

A. Yes. The hand luggage will be inspected immediately after arrival by the Military Police. Check baggage and freight will be inspected at the warehouse.

Q. Will those who are sent to Tule Lake have a right to appeal their segregation? (Continued on page 2)

A. Yes. They may have their cases reconsidered.

Q. What is the status of the person who changed his negative answers on Question 23 to an affirmative?

A. If he changed the answer before July 15, he will be given a leave clearance hearing here. If clearance is denied by the director in Washington, he will be sent to Tule Lake.

If he changed the answer after July 15, or did not change at all, he has already been given a segregation hearing in this center. On the basis of his replies, the project director will decide whether he will be sent out.

YOUNG WEST COAST CHINESE ASK FAIR PLAY FOR LOYAL NISEI

A group of young California Chinese Americans, meeting in conference last week at Lake Tahoe, went on record asking fair play for loyal Americans of Japanese ancestry stated the August 7th issue of the Pacific Citizen.

The 1943 Lake Tahoe Chinese Christian Youth Conference unanimously passed a resolution at its plenary session on July 25 opposing expressions of racial hatred and discrimination affecting loyal Japanese Americans.

The resolution declared:

"Whereas the war with Japan has promulgated well organized propaganda of racial hatred and discrimination affecting loyal American citizens of Japanese ancestry, and

"Whereas such propaganda as 'No Japs in California' which is gaining prevalence in the State is against all principles of fair play and harmful to a true democracy;

"Therefore, be it resolved that we, the Chinese youth of Lake Tahoe Christian Conference, in consonance with the sentiment of Mme. Chiang Kai-shek as expressed in her speech 'No Hatred Toward the Japanese People,' condemn such activities to be un-American, un-democratic and un-Christian,"

POLICE SUGGESTS TAGGING OF DOGS

Orders from the police department emphasized that dog owners should put collars and tags on their vaccinated pets.

This is necessary to distinguish the rabies-free dogs from the unvaccinated strays.

The resolution also supported the efforts of the Committee on American Principles and Fair Play, of which Robert Gordon Sproul of University of California is the honorary chairman and also urged that local committees be set up throughout the Pacific coast to "counteract this propaganda of racial prejudice and unconstitutional discrimination to the end that foundation for a just and durable peace may be laid."

PART-TIME: SUMMER WORK FOR BOYS OPEN

Any high school boys over the age of 16 who desire to work part-time are asked to sign up at the Block Manager's office in Ad 2 immediately. The senior P.T.A. is sponsoring the part time-work and all boys signing up must bring a written statement from their parents. The work will start Thursday and last until beginning of fall school term.

This part-time work in the center for the students is taking the place of the outside work because at the present time the outside work for high school boys has been cancelled

PLANS FOR USO INFORMATION

Establishment of an USO here will now be taking actual shape with the meeting Thursday of representatives from the YMCA, Junior Red Cross, Boy Scouts, RFCC and CA.

A second meeting will be held tomorrow at 8 p.m. in PS hall 32 to discuss procedures for putting the USO into effect. In addition to delegates attending the first meeting, there will be members from the community council, block managers, Red Cross, YWCA, Buddhist and Catholic churches at the second meeting.

Officially appointed recently by the YMCA of Dallas, Texas, Lincoln Shimidzu will be the YMCA coordinator here.

A Letter to the Editor

Dear Editor:

Thanks for the cooperation and help that you have given me in the past.

Through the "OUTPOST" also, please extend my deep gratitude to my friends and the people of the Rohwer center. They have been kind, helpful and cooperative. Even though I

have taken indefinite leave and have left the center, my interest will still be with them.

It is my sincere hope and wish that they keep up their fine and enviable record throughout the future.

PROGRESS MADE ON AUDITORIUM

On the high school field, remarkable progress is seen in the building of the school auditorium which is slowly but surely coming up. The floor has been completed and the pillars are now being put up.

This massive 120 by 160 foot construction will be the scene of many plays and shows when completed. The building is coming up according to schedule, stated Tom Makino, resident architect.

RED CROSS LETTERS

Through the efforts of the local Red Cross chapter, the International Red Cross has successfully completed a number of contacts with Japan.

19 messages arrived last week in reply to the ones which were sent by the residents to friends in the Orient.

Any of the following persons who has not yet obtained their Red Cross letters are requested to call at the Red Cross desk in ad building 2.

In order to create and to accomplish, all interested are urged to sign up with CA at PS hall 32.

LOCALS TRAMPLE MC GEHEE, 24-0

August 11, 1943 Page 5

GAME STOPPED AT SIX INNINGS; THREE HOMERS FEATURE TILT

Disappointing a huge turnout, the McGehee Town Team was smothered, 24-0, by the local all-star nine in a six-inning tilt, the game being stopped because

the fray was turning into a rout.

The Caucasian nine was a poor example of a baseball team, playing without suits, some players playing barefooted, smoking on the field of play and otherwise turning the game into a farce.

Big Archie Miyamoto hurled the first five innings and Will Kagawa toed the rubber in the sixth, both combining their efforts to kalsomine the McGehee nine.

The All-Stars scored in every frame, with a twelve-run barrage in the sixth stanza erasing whatever hope the McGehee nine had. Archie Miyamoto, George Miyake and Shiro Mizufuka walloped a four-ply blow each to lead the assault.

SANTA ANITA OLDTIMERS TO PLAY POOPOUTS

In their first meeting, the Santa Anita Oldtimers will meet the powerful Stockton Poopouts Saturday at 6:00 o'clock.

Both squads are studded with former baseball stars of years-gone-by. Members of both teams are at present playing in the red-hot Double "CC" League, which draws the largest crowd.

Hurling for the Santa Anita nine will be bespectacled Chuck Miyasaki, former Hollywood J.B.C. ace, with hard-hitting Ronnie Yonemoto receiving his slants.

The Poopouts will depend on the sturdy arm of George Nakashima with Nobu Matsumoto, Lodi Templars' former flash, doing the backstopping.

Majority of the players on both squads have at least ten or more years of experience on the diamond and though their arms and legs are not as they used to be, they can still field and hit.

Denson All-Stars To Play Sunday

The Denson All-stars will tangle with the local all-star nine this Sunday at the Junior High diamond. This game will decide the championship between the two centers. The series are now evened up at one-all.

UNDEFEATED ROYAL DUKES WIN FIFTH STRAIGHT, 15-1

Scoring their fifth consecutive win, the unbeaten Royal Dukes smothered the hapless Panthers, 15-1, Saturday.

Led by the mighty bat of George Miyake, who blas-

ted out two homers, a triple and a single, the Royal Dukes scored in every inning but the fifth.

Sam Iida and 'Scooter' Kayasuga combined their hurling efforts to limit the Panthers to two hits, and were seldom in trouble. Score by innings: R H E

SUMMER LEISURE TIME PROGRAM MADE ATHLETIC DEPARTMENT'S JOB

The general program coordinated by the Athletic Department of Community Activities for the Summer Leisure Time Program for the school children and junior people has been released by George 'Pop' Suzuki, Athletic Department supervisor.

The Junior softball league for the summer is being organized by Shiro Mizufuka, Softball commissioner. The league games will be played every morning (5) games per day for the ensuing three weeks.

Each staff members of the Athletic Department will be entrusted with the task of managing, coaching and supervision of the assigned team.

The Boys Junior Hardball League will be organized by the Hardball

Commissioner, Shago Murakami and will be played each morning at the Junior High diamond.

Ted Shironaka will be in charge of the Fishing Group and all information will be secured from him in regard to this program.

The Girls Camp group will be supervised by the members of the Girls Staff consisting of Yone Dobashi, Maisie Horikiri and Kimi Miyao.

To the Dance Group, the Athletic Dept., has assigned Barbara Inamasu, Monday through Friday for the duration of the Summer Program.

Minoru Okubo has been assigned part time in the Handicraft Department.

William Kagawa is in charge of the tumbling class.

Mikasa Faces State League All-Stars

The league-leading Mikasa nine will face the State League all-stars this Friday, August 13. The Mikasa team copped the first half with 8 wins and 2 reverses.

'B' Title To Be Decided Tonite

Tied with six wins and a loss apiece, the Magure All-Stars and the Mighty Nine tangle tonight at Diamond 4 for the "B" American League championship.

SIXTY-THREE JUDOISTS PROMOTED IN ROHWER

REBELS BLANK BLOCK 9, 11-0, FOR SIXTH STRAIGHT

AKIRA KUME LIMITS LOSERS TO 1 HIT

With Akira Kume checking the Block 9 team to a single hit, the powerful Rebel baseball machine took their sixth consecutive win by the overwhelming score of 11-0, Sunday.

The big noise of the Rebels' seventeenth-hit onslaught was Frank Kamibayashi, who socked two homers. Kaz Hiromoto also slugged out a round-tripper. Every member of the Rebel nine obtained a hit with Hiromoto and Sam Ichiba topping the list with three hits apiece. Score by innings:

NISEI SOFTBALL TEAM PROVES POPULAR

STOCKTON, ILL.--Playing under the colors of Bauch Gardens, nisei softball players are making quite a name for themselves in this small town.

The Bauch Garden nine have so far trimmed two caucasian teams. In their initial appearance at the Freeport Municipal softball diamond, the nisei nine whipped the Freeport High School squad, 2-1.

On August 1st, the Bauch Garden nine trounced Du-rand Farm, 9-1, before a huge throng. Frank Sakamoto limited the caucasian nine to one hit while teammates Yamasaki and Wagoni slammed out triples to aid the six-hit attack.

Flames Tounce Yehudi's, 13-2

The Lodi Flames trimmed the Yehudi's, 13-2, Friday, to send the winless nine deeper in the cellar.

Fourteen walks issued by two Yehudi chuckers played a prominent part in the Flame victory with the victors collecting eight hits. Limiting the losers to five bingles, Oscar Shozaki twirled another one of his brilliant tilts.

Important Baseball Meeting To Be Held Tonite

Any "A" or "B" league teams wishing to join the coming league are asked to attend a meeting to be held at PS Hall 27, Wednesday, August 11th, 8:30 o'clock. This meeting is important for it will determine whether to have a summer league or not, Shago Maraka, baseball commissioner, reported.

For the first time since this column was inaugurated, a pitcher failed to make it as some sensational hitting on the part of George Miyake overshadowed all the brilliant hurling efforts of the local softball mandamen.

Three home runs, two triples and two singles in two tilts is really slugging and cool George Miyake, Royal Dukes' hard-hitting centerfielder did just that last week.

In the first game against Block 9, Miyake slapped out a round-tripper and a three baser. George really smacked the sphere in his second fray against the Panthers when he hit four-for-four. He hit a measly single his first time at bat and socked a triple in his next try, but hit the jackpot in his final two trips, blasting out two consecutive homers.

Miyake's sensational slugging is one of the reasons why the Royal Dukes are on top of the "A" softball league. A former Venice High flash, he also is one of the three top shortstops in the "AA" baseball league, playing for the Three Stars.
