as a check and a source for freight information.

Tomorrow morning, the segregates must have their freight out by the mess halls by 8 a.m. where the trucks will come for it.

Form 156 will be given to the head of the family at that time. On Monday morning at 8 a.m., the segregates' baggage will be picked up.

All Tule-bound persons must be in front of their messes before 7 a.m., Tuesday. The trucks will call for them and take them to the cars. The car monitor and his assistant will be responsible for seeing that the evacuees in his car list are transferred from the blocks to the train. He will also see that they are properly seated on the train and that the baggage and freight are transferred on the cars.

LETTER TO THE EDITOR

Dear Editor:

We who are leaving for the Tule Lake center feel that as segregees, we are demonstrating our loyalty in a difficult if not painful manner. Basically, none of us wish to be mistreated. Beneath our physical exterior, we have a firm belief that we too are upholding those edicts of the American Constitution by protesting their misinterpretations by the government agencies.

We do not wish to see the failure of an American ideal but evacuation brought just that. It involved our homes, our fortunes and the lives that we live as has been shown since the onset of the forced migration.

Our fault is that we have chosen the hard way without understanding the immediate consequences in our own lives, because we had a deep feeling of injustice without being factually analytical of the

situation on hand.

No, we do not believe that any segregee complains of those who have answered otherwise. There is rather a sense of kinship in our instincts of what is justice and what is not justice.

An ideal has been distorted, but the segregees and all of us are upholding it with uncomplaining patience.

P.E. HEAD LEAVES CENTER FOR WAR RELIEF WORK

Versatile Ira Holland, Rohwer schools' Health and Physical Education advisor, left yesterday for Chicago where he will go into foreign war relief training.

After a year's study on war relief and rehabilitation under the supervision of the OWR&H, he expects to be assigned to China.

"I believe that evacuation has not been wholesome for many of the residents but we have passed the crisis. Thanks to the cooperative attitude of the people and the understanding of the administration, the emotional upset of the residents have been overcome but there is still much to be done—through relocation and

through general education of war-time and post-war problems," stated Holland.

"I would also like to express my appreciation to both the evacuee and appointed personnel for their sincerity and attitude that they have shown to me," he added.

'B' ALL-STAR'S INVADE JEROME

September 11, 1943 Page 5

Rohwer and Denson Rated Even;
Ben Mikawa to Hurl for Locals

The Rohwer class "B" All-Stars will take to the road this Sunday when they trek to Jerome to cross bat with the strong Denson Class "B" All-Stars in an afternoon game.

The contest will probably be a toss up for both Rohwer and Denson who have yet to face a defeat.

As far as the strength of the two team is concerned, they both faced the Japanese-American soldiers baseball team from Camp Robinson. The Denson All-Stars nosed out the Camp Robinson twice by one-run, 10-9 and 5-4, while the local nine also won by one-run, 6-5, in their only meeting with the lads in khakis.

Starting on the hill top for the local all-stars will most likely be Lefty Ben Mikawa with Tom Kiriu and Peter Shimada ready for relief chores. Catching their slants will be Nobie Tanimoto.

Stationed in the infield will be Haruo Sumimoto on first, Otto Okazaki and Pancho Kosaka forming the keystone combination and on the far corner will find Geki Yamashita.

Roaming the outfield are Tets Matsumoto, Mauch Yamashita and Kiyo Senuki.

Accompanying the team are all-stars' two coaches, namely Harry Usui and Frank Kamibayashi.

The Denson All-Stars, will field a heavy hitting team, led by Tak Abo, who at the present time is leading the Jerome Class "B" batting race with a healthy average of .404. Abo, not only a slugger is also one of the best "B" pitcher in Jerome and has been credited with twelve victory.

T. HORITA NEW SOFTBALL HEAD

Tak Horita has been named the new temporary commissioner of the State and Class "D" league, taking the place of Bill Tokunaga, who is Tule Lake-bound. Tokunaga wishes to thank all of the State and Class "D" softball players for the splendid cooperation they have extended to him.

STOCKTON REBELS WIN SOFTBALL CROWN

Rohwering 20's Held To One Hit

The Stockton Rebels were crowned the Rohwer Center Softball champs when they defeated the "B" titleholders, the Rohwering 20's, 10-2 last Thursday night.

For the first time since their series of championship games the Rebels didn't have to come from behind to win. From the first two innings when they scored six runs, the Rebels were never threatened.

With the score 6-0 against them the Rohwering 20's put over their first tally, when starting chuck-or Akira Kume hit a wild streak and walked the first three batters to face him in the second inning. At this point, Mike Takeuchi came in from centerfield to do relief duty and he retired the side with only one run scoring.

The "B" champs crossed the home plate for the last time in the third frame, when they put over a run on a walk and two errors.

The Rebels pushed over another run in the fifth on Mkie Takeuchi's single which went for a homer on an error by the outfield.

The new Center champions put the game on the ice in the next frame when they knocked in three more markers on two hits.

The Rohwering 20's were held to a lone hit by the underhand hurling of tall Akira Kume and small Mike Takeuchi. Hiroshi Ige pitched all the way for the loser and gave up twelve hits.

The big guns for the Rebels were Sambo Kamibayashi with three hits and he was followed by Mike Takeuchi and Sam Ichiba who were credited with two apiece.

Getting the lone hit for the loser was Kats Nishikawa. Score by innings: R H E R. 20's...001 000 0 2 1 5 REBELS...420 001 x 10 12 3 Batt:Igo and Tani; Kume, Takeuchi and Matsueda.

'A' SOFTBALLERS BATTLE DENSON IN SECOND TILT

The Rohwer Class "A" Softball All-Stars will journey to Jerome this Sunday to tangle with the Denson Class "A" All-Stars.

Rohwer's boys will attempt to make it two straight over the neighboring nine. In their first meeting, the local All-League team blanked them by the count of 10-0 behind the brilliant one-hit hurling of Sam Iida.

The Denson All-Stars, eager for a sweet revenge will probably field the same ten men that faced the local lads a month ago except for minor changes.

The following Rohwer All-Stars will make the trip; pitcher, Sam Iida, Kuma Shinamoto, Akira Kume, catcher, Harry Iseri, infielders, Sammie Ichiba, Sat Oune, Frank and Sam Kamibayashi, outfielders, Hiro Kayasuga, George Isuri, Kanji Onokawa, and Mike Takeuchi, utility; Parry Miyake and Buok Sakurai.

Coach and manager of the All-Stars is Shiro Mizufuka.

EDITORIAL

FAREWELL SEGREGEEES

Since the fate-determining day in December, 1941 and the temporary halt of the inevitable assimilation of the Japanese minority into the American society because of the evacuation in April-May of 1942, we have marked 16 months of wasted time in the relocation centers. There have been some compensating factors but what little we have gained has not offset the tremendous loss that accompanied the transplantation of a hundred thousand people of a minority group from the fertility of a vital economic and social life to the sterile existence of WRA projects.

Of late, the stabilizing force of resettlement into outside communities have begun to make itself felt. From this center as well as others, we have bid farewell each day to a steady flow of Japanese-Americans streaming out to once again assert their claim to the American heritage that have been theirs. News reports from scattered places indicate that they have largely succeeded. For these people, the evacuation was a temporary tragedy.

However, on Tuesday, the first of the 920 repatriates and expatriates will begin their journey to Tule Lake where they will stay for the duration of the war. These people have often been termed as 'disloyals' and 'pro-Japs' but it is to be questioned whether such indiscriminate use of the terms is justified or not. Before evacuation a vast majority of the Tule-bound would have entrusted the future to their lives to the United States, but now for nearly a thousand individuals the test of evacuation was too great a blow to bear.

Tuesday, the train will carry away from Rohwer many of our neighbors and friends who after three decades of toil have decided that their place is not in America. It will also carry Japanese-Americans who wish to be with their parents; it will carry others who are expatriating to protest the unfairness that caused only the Japanese to be evacuated from the coast.

If anything can be termed a tragedy, if anything can be called a mistake; it may be said that the repatriation and expatriation of these people is a tragedy that was brought about by the mistake of evacuation.

JOHNSTON'S LETTER

TO THE RESIDENTS:

It is realized both by this office and the entire WRA organization that the segregation movements such as to be made by the group which is leaving this Center on Tuesday, September 14, is causing considerable inconvenience and many human problems for those who are being segregated. I should like to emphasize the fact that no one in the WRA organization looks upon Tule Lake as a place for criminals or a place of punishment. It is the sincere belief however that the segregation program will be of benefit to the Japanese Americans as a whole.

I wish to take this means of expressing my farewell to those people going on the first train. I want to express also my appreciation for their cooperation during the time they have been in this Center. All the appointed personnel will want to join me in thanking the segregation committee, the council members, the block managers and others in handling the details of the segregation movement.

Sincerely yours,

Ray D. Johnston
Project Director

The last issue was the final one for our highly talented Sports Editor Kango Kunitaigu who also served as our artist in the face of acute manpower shortage in the OUTPOST office.

For esoteric reasons, youthful but sports-intellectual Kango (Congo, meaning very dark in complexion) resigned from his posts in order that he may do something more 'constructive.' He is now a member of the construction crew.

Like his predecessor, Fred Oshima of Lodi, Kunitaigu was well versed in the sports jargon and history well before the evacuation brought him here to Rohwer. Despite his 19 years, he may be said to know more about American sports than any other person in the center. We believe that as a sports editor, he has not only kept in pace with other center sports sections out has easily surpassed many with his illuminating stories.

At the age of fifteen, when Kango was still a student at Polytechnic high, he was resourcefully editing a weekly magazine known to former Los Angeles residents as the "Benchmark". His mimeographed periodical even scooped the Sporting News on one occasion by carrying the 1940 baseball All-Stars before a consensus was tabulated. His magazine circulation extended as far East as New York.

The OUTPOST will lose an irreplaceable staff member, the sports fan will miss his column, the "Benchmark" and this writer will lose a friendly rival.

ANOTHER LOSS

Next week Iris Kobayashi, a staff reporter on the center newspaper will leave with her parents for Brighton, Colorado. A keen reporting sense coupled with a sparkling personality enabled her to endure the hectic atmosphere of the press room.
