

ALL-COLOR FILMS SHOWN TONIGHT

The all-color program of "This Amazing America" and "14 Ways to Citizenship" will be shown for the last time at 7:30 p.m. today in Hall 41.

Shown twice before the films are the fourth in the "This Is America" series.

WAC Recruits Sought Tomorrow

Applications for the Women's Army Corps will be taken tomorrow when two recruiting officers visit the Center.

Women interested in the WAC are urged to attend a general meeting at 1 p.m. tomorrow in the Internal Security assembly room. After the meeting WAC Lieut. Ann Lee Farris and Mrs. Stacey Toole of McGehee, president of the Tenth district, Legion Auxiliary, will be available for individual interviews.

To be eligible for the WAC, applicants must be between 20 and 49 years of age, at least 57 inches in height, at least 95 pounds in weight and have no dependents or children under 14. A birth certificate and three letters of recommendation should be taken.

After applicants have taken the mental aptitude test and after investigation, those accepted will be sent to Little Rock for physical examination.

RELOCATION MEN DISCUSS OPPORTUNITIES

WOMEN URGED TO DISCUSS PROBLEMS

Girls and women interested in relocating in the St. Louis, Kansas City, Des Moines and Omaha areas are invited to talk with relocation officers who are anxious to discuss each individual's problems at the Employment office between 2 and 3:30 p.m. tomorrow.

These relocation officers will also help find specific jobs in these areas.

Because of requests from girls wanting to relocate in the Middle West in different types of work, a meeting for girls and mothers will be held in the assembly room of the Internal Security office at 3:30 p.m. today.

Relocation officers from the Omaha, Des Moines, Kansas City and St. Louis areas will be available to discuss various phases of relocation.

ARTICLE BOOSTS RELOCATION

An article by Mrs. Franklin D. Roosevelt boosting relocation is in the current issue of Collier's.

Published along with the article was a picture of the Toyama family which met

MCCORMICK TO JOIN CLEVELAND WRA OFFICE

"There'll always be a warm spot in my heart for Denson people," said John L. McCormick, head of the Employment division, who will leave tomorrow to join the WRA office in Cleveland.

McCormick who has completed more than a year in this Center commented, "I've enjoyed the work here very much and I'll miss my friends."

William C. Love, Placement officer, will succeed McCormick as Employment head while Robert A. Allison, Occupational Coding head, will replace John C. Tucker who left recently as Leaves officer.

Jobs Available in Cincinnati Described

To obtain suitable jobs around Cincinnati, residents are asked to write to G. Raymond Booth, relocation officer.

The WRA office there states that relocation in Cincinnati is more effective and permanent when jobs are secured after interviews there.

Jobs are open in the Cincinnati area for secretaries, nurses, greenhouses workers, textile

workers, stock feed mill workers, poultrymen, pressers, glassworkers, foundry workers, restaurant cooks, garagemen and farmers.

DOGS TO BE TIED THREE WEEKS

For the next three weeks all dogs on the Project are required to be tied, announced J.B. Cook, Internal Security chief.

Any dog seen running at large during the next three weeks is to be reported at once to the Internal Security section, he said.

REQUEST CHANNEL ANNOUNCED

Requests to visit persons at the internment camp at Santa Fe, N.M., because of

TRI-COUNTY FARM FILMS TO BE SHOWN

For those who are interested in relocating in agriculture, two rolls of films on the "Tri-County Irrigated Farming Area in Nebraska" will be shown tonight starting at 7 at Dining Hall 23.

This movie will illustrate the irrigation system, topography of land, crops raised, farm buildings available for occupancy and churches and schools in Nebraska. Having rich soil, this area raises vegetables and fruits.

The Ball Brothers Glass Jar company is making an attractive offer for seasonal work which will take workers to the Tri-County area making it possible to pay expenses both ways while checking the possibilities for farm relocation.

They guarantee two cents a bale on piece work. Baling crews are making from \$55 to \$60 per week with food costing \$5 to \$8 and rooms \$2 to \$4 a week.

serious illness and other reasons must be forwarded through the Project Director.

'REAL AMERICANS

Are Made, Not Born'

Why is it that many Center residents look on soldier-Center girl friendship in such a cynical way? Our servicemen do not come here just to look over the "feminine drop," so to say, and spend all their Center time dancing. However, dancing and meeting nisei girls is probably a popular reason for their coming here in cases where they have no friends or relatives. After all, they would like to forget Army life for a brief while and make acquaintances with nisei girls for a change.

However, the boys are not only engrossed in girls. They can speak on almost any topic of universal interest whereas many of us have limited our knowledge to Center and nisei problems. They are interested in what the residents do, and what they think and talk about.

They are concerned over the educational program for children and inquire about recreational facilities for young people. They look forward to eating "cha-zu-ke" and "tsu-ke-mono" and feel at home when the issei speak to them in their mother tongue. They are tickled to see children smiling and happy and are grateful when they sense friendliness from strangers.

A soldier who recently visited this Center wrote back the following message. (He spent most

of his time in Blocks 38, 39, 18, 7 and 20.)

"Gee, Jerome surely is the closest place to home I've ever been. Somehow it changes you the very moment you enter the gates. It makes you feel good knowing that you're among your kind. Everybody is so nice. They all want to take you to their respective mess halls. Imagine people fighting over me. It really made me fool small.

"How can anyone, after struggling, planning, dreaming and hoping for so many years, suddenly lose everything they built; their homes, assets, friendships and everything that they hold so dear and close to them and with the memory of what they faced and went through still vivid in their weary and torn minds, have the guts and courage to be proud Americans and carry on. Well, when I say all that, it dawned upon me for the first time that my case was a mere trifle compared to you folks. Real Americans aren't born. They're made!"

It is servicemen like him that we cannot let down.

How true, "Real Americans are not born. They are made!"

And soldiers like him come into our camp every day.

--Mary Nakahara

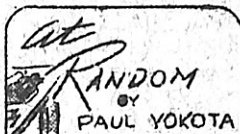

COOPERATION

In Woodcutting

Although plans are not definite as to the future woodcutting program, the present emergency system appears to be working satisfactorily, according to Harold Ouchida, Wood committee head.

The cooperation of all able-bodied residents of the Center in supporting this woodcutting program has been an important factor in obtaining some headway into the fuel situation.

With the continued backing of the residents during the fair weather, last year's suffering will not have to be experienced again.

WEATHER AFFECTED?

Last year when the evacuees from California were transferred to this Center, native Arkansans remarked on the length of fair weather which lasted through November. Some claimed that we had brought a liberal amount of sunshine from California.

Even on Christmas day we had warm sunshine.

This year we seem to have acquired another portion of California climate, the northern variety, with the arrival of the Tule Lake group.

Maybe, we can blame the ex-Tuleans for the recent chilly weather here.

DEPARTERS

Falling in line with their own program of getting as many Center residents to go outside as possible, John C. Tucker, Leaves Officer, left to join the Seabees while John L. McCormick, Employment division head, will go tomorrow to join the Cleveland WRA office.

Densonians will long remember both officials who did so much to aid the evacuees in their capacities.

The large number of resettlers from this Center can be credited to the efforts of these two persons.

A CHALLENGE

In one of the more justifiable reports on evacuation, S. Burton Heath, who visited this Center sometime ago, writes a stimulating nine-page article titled "What About Hugh Kiino?" in the October issue of Harper's magazine.

Heath presents an over-all picture of evacuation, describes briefly the WRA setup and points to the public the current problem of resettlement.

In a challenge to the American people to open their eyes to the Japanese problem, Heath expresses regret over what has been allowed to happen as he writes, "We cannot continue indefinitely paying lip tribute to the Bill of Rights while we deprive a minority of their constitutional prerogatives and prevent them from becoming assimilated."

A VOLUNTEER VISITS

Frankie Seto, among the very first volunteers to leave for Camp Shelby from this Center, visited here over the weekend locking mighty nifty in his uniform but still minus his front teeth.

Freshly back from a job in Alabama guarding the Nazi prisoners, his anti-tank company had quite a novel experience, related Frankie.

BIT OF KINDNESS

While staying at the Hospital for the past two weeks nursing our mater back to health (and not knowing if we'll ever be back to work), we've noticed that a lot more lonely bed-ridden patients would be happy indeed if people would drop in for an occasional visit, with or without flowers.

it, who make application for it never receive it. Is this a sample of bureaucratic government efficiency? We waited all summer for the EDC but in vain!

Instead of wasting so much of their time issuing clearances to people who don't want it and wasting the time of those who earnestly want it by delay, why doesn't the Board use practical sense? Give clearances first to those who make application for it.

I suppose I should be patient and wait or else go to Chicago, but when you see so many unwanted EDCs being issued, it just gets a fellow down.

LETTERS TO THE EDITOR

To the Editor:

Our boys are showing America -- at last -- all the pent-up feelings of loyalty and determination to be the best Americans and are proving to be the finest soldiers in Uncle Sam's Army.

With the background and heritage that is ours ready we nisei have a great deal to contribute. Already we are proud to read nisei girls are volunteering into the WAC and they are being accepted. In spite of our experience and because of it, our faith and our trust and our loyalty will have more meaning.

This is an opportunity for all of us to do our share. It will mean our boys will have a better chance to come home a day sooner. The girls will be trained with other Americans.

What an opportunity it is to cement understanding and comradeship to serve side by side with girls of other races who are bound together in the spirit of American Democracy. I have faith in the ability and courage of the nisei girls;

they will do a great deal toward insuring life, hope, and security to our people in this country.

We don't know the process by which the Eastern Defense Clearances are issued but we would like to know why it is that people who don't want it, who don't even make application for it receive the EDC while people who want

CO-OP INFO

Plans are being formulated to organize a co-op for the students in the Denson high school. This student co-op would handle school supplies and will be run by the students. As with our regular co-op, members will be entitled to patronage refunds as outlined in the student co-op by-laws. Through this organization students will be able to learn by doing the following responsibilities: 1. operate their own student co-op; 2. learn the cooperative practices and aims; 3. apply business theory learned at school; 4. save money; and 5. learn democracy in business.

Successful student co-ops have been formed in several relocation centers. Progressive schools on the outside also have student co-ops. Students have demonstrated their ability to be competent in handling their own student body affairs; a student co-op here would demonstrate the ability to handle a responsible business competently. The Jerome Co-operative Enterprises, Inc. will assist in the formation of the Denson high school student co-op.

SPECIAL VOCATIONAL TRAINING OFFERED

The night school offers courses for young adults who desire special training in vocational fields.

Since these Occupational Studios for Young Adults (OSYA) courses provide training which is recognized anywhere in the United States,

those who are interested should make applications at 23-1-A so that a class roll may be submitted.

Elementary electricity classes are held Monday through Friday three hours a night and 10 weeks are required to complete the course. Farm machinery repair, a general course in dealing with all types of machines used on a modern farm, is taught on the same basis as elementary electricity.

Poultry production course operates for 10 weeks with one two-hour class per week. Pork production has the same class hours as poultry production but it will meet on different nights during the week making it possible for students to take both courses.

'Salvation In Present'

With "Attain Salvation in Present Time Through Buddha's Teachings" as the theme for the Bussei Sunday School in Dining Hall 23, Fusako Matsui was chairman while Kimi Kunitake and Bill Hirohata offered inoense.

The Rev. Gyodo Kono elaborated on the theme by advising the Bussei to practice Buddha's teachings in everyday life, stressing that Buddhism is not only for the future but also for the present.

At the Bussei Sunday School held in Dining Hall 41, the Rev. Tadao Kouchi greeted Bussei from Tule Lake while Roy Kawamoto talked on "Cross the Stream of Life Through Faith in Amida."

Charles Nishi was chairman with Kaye Teramoto and Harry Tokumura as "oshoko" representatives.

The Rev. Kono related a story at the children's Sunday School held in Dining Hall 23 with Kazumi Okimoto as chairman while the Rev. Kouchi told a story in Dining Hall 41.

Yayo Machigashira served as chairman in the latter hall which was featured with a "kami shibai," "Zabo and Bumbo."

'One Man Bond Drive'

Under the head "One-Man Bond Drive" the Gila News-Courier ran a story of an issei who invested \$10,000 in War Bonds.

According to the News-Courier, Eikichi Toshima, 61-year old farmer, purchased \$6000 in war bonds at the Gila post office, while he was in Arroyo Grande, Calif. he had invested \$4000 in bonds.

CO-OP OFFICE UNDERGOES ALTERATION

For the convenience of the residents, the Co-op office has undergone a slight alteration with the addition of a counter.

People are asked to use the 36-1-D door to enter the Co-op office, announced Ryuichi Murakami.

ELDERLY MAN DIES IN WOODS

Koijiro Horino, 68, suddenly died Friday morning of heart attack while working with the wood crew in the woods. He has no relatives in this Center.

Buddhist funeral services for Horino were held in Hall 1 yesterday afternoon.

TULE LAKE ARTICLES

Persons from Tule Lake having freight articles delivered to them which do not belong to them should report such articles with name and family number to the Internal Security office.

Those missing packages will be immediately delivered to the rightful owners, it was said.

'Eternal Life Gift of God'

"The gift of God is eternal life through Jesus Christ," quoted Chaplain Chapman of the 442nd Infantry in his sermon on the "Wages of Sin" at the Protestant English service Sunday.

Formerly assigned to the 100th Infantry and now with the 442nd at Camp Shelby, Chaplain Chapman also related his experiences with the 100th Infantry at a public meeting at the outdoor theater in the afternoon.

Seven persons were baptized at the morning service with the Revs. George Aki and Shinpachi Kanow in charge.

The Rev. Isamu Nakamura spoke on the Tule Lake center at the youth fellowship meeting with Teruko Yeya as chairman.

Mary Nomura talked at the junior church service on "The Flooded Ship That Did Not Sink."

Bible study meeting will be held at 7:30 p.m. tomorrow in Hall 20.

New G. E. oscillating electric fans can be bought at the shop for \$19.60 plus tax. They are the same type used by the Army.

Phonograph needles are also sold, it was said.

Local B All-Stars Lose To Rohwer Pickup Nine NEIGHBORING CENTER RIVALS CAPTURE FINAL GAME, 5-1

TRIBUNE SPORTS

AWARDS PRESENTED

October 12, 1943 Page 5

DENSON TEN FINALLY WINS

Denson's All-Star softies over 25 finally emerged victorious over a same Rohwer All-Star ten, 7-2, Saturday at Rohwer.

George Otsuji who chucked three and two thirds innings and Johnny Kobayashi who finished the contest gave up but two hits to the cross center rivals. One of the hits was a round tripper by Kiichi Hiramoto and a single by Ike.

Fujito, Chuck Miyasaki and George Na-

Florin, first half champions of the A baseball league, were awarded sterling silver baseballs by Herbert Kurima, Center baseball head, yesterday.

Gold plated baseballs were accepted by Hank Mishioka, captain of the Fresno Ba, first half pennant winners, at the same time.

Members of each of the championship teams were awarded miniature baseballs.

Kashima hurled seven-hit ball with Ronny Yonemoto catching.

George Yamagata collected two singles for the victors.

Battered and bruised, the Denson B All Star nine sadly staggered home after being clubbed, 5-1, by the Rohwer pickup squad Saturday in the final diamond classic between the Center rivals at Rohwer.

Tak Abo's hinky-dinky deliveries which baffled the visiting Rohwer squad a month ago for a no-hit run contest failed to

fool the neighboring nine again. It was Abo's third defeat for the season against 13 wins. He was credited with eight strike outs.

The victors' big southpaw George Kagawa had the situation well in hand throughout the tilt limiting the locals who couldn't do anything exciting all afternoon to four hits and whiffing seven Densonites.

Rohwer picked up two runs in the first stanza aided by Kaz Ito's triple and Shiro Mizufuka's double. They managed to get an unearned run in the third stanza and garnered their final two markers in the fourth.

Denson's lonely came in the fifth canto. Second baseman Yosh Tachino opened the inning with a double and Abo drove him in with a single.

Bill Hattori and Mizufuka bagged four of the winners' seven blows, with two

Elbees Tie Madera, 13-13

Denson's baseball season came to an end Saturday when a surprisingly sturdy Long Beach nine fought the Madera team to a 13-13 deadlock featuring errors galore.

The Elbees blew a 7-0 lead after crossing the platter twice in the first canto and five times in the third.

It was no fault of Madera's hurler Min Ohashi as only one of the seven markers were earned.

Jimmy Kawano took over the mound duties in the fifth in place of Ohashi while Tee Saisho went in for Mike Sasaki.

apiece.

Fred Taniguchi, George Toyama, Yosh Tachino and Abo collected the locals four hits.

Yosh Tanihara and Paul Noda caught Abo while Nobu Tanimoto worked behind the plate for the winning hurler.

Ex-Tuleans Top Pickups

A slap-happy ex-Tulean softball squad blasted out 10 hits, four of them in the big fifth which netted five runs, to trounce a Denson pickup outfit, 7-6, Saturday afternoon on the Block 10 field.

The winners went to bat eight times in the fifth inning five-run spurge. Sparked by catcher Norman Yasui's four-base clout, they tallied all their runs after two

were retired. Kaz Jofuku came into replace hard hit Harry Miya after the damage was over.

Yamaji and Kay Otsuji chucked seven-hit ball and fanned six with Yasui catching for the victors.

Yamaji, Hank Yamakura, Yasui and Otsuji spanked the apple for two blows apiece for the winners while Paul Omatsu also garnered two bingles for the losers.

APPRECIATION EXPRESSED

Now that the Center's successful baseball season has come to an end, I wish to take this opportunity to extend my sincerest appreciation to all the Managers, players, officials, and to all those who have cooperated in making baseball one of the greatest attractions and interests for the residents of this Center.

Herbert "Moon" Kurima
Baseball Head

HE TRIED--If Tak Abo is one of those superstitious guys, we know why the local B All-Star nine made a poor showing Saturday.

Before the disastrous tilt he had 13 wins and two defeats and it seems that the 13 stared him in the face more than the 14. He finished the season with 13 wins and three losses and averaged nine strikeouts per game.

THE REAL THING--We've heard of players stealing second by beating the throw from the catcher to the keystone sack but in Lancaster, Pa., at a night championship Interstate Baseball League game, the second base was gone after the lights went on during a trial black out. The tilt was held up for 20 minutes while the umpire looked for a new keystone sack to replace the stolen one.

UNSUNG HEROES--We want an umpire! You need another pair of glasses! Shoot the bum! Those were some of the remarks heard during the current baseball season to the unsung heroes, the umpires. In a diamond tilt it was two that were taking a "beating", the losing team and the arbiter. The two fellas who took most of those "beatings" were Fred Kumagai and Ichiro Miyagawa who generously gave up their time and did the job whenever requested.

DENSONIANS ARRIVE IN NEW ENGLAND AREA

Recent arrivals in Boston from this Center are Takashi Inouye and Midori Kasai, according to a report from the WRA office there.

"While wages here

are not as high as in some sections of the Middle West, the cost of living is not as high," commented Roger F. Clapp, Boston relocation officer.

MORE THAN \$9623

PAID OUT IN REFUNDS

Latest figures released on the patronage refunds paid out to the Tule-bound and local members of the Jerome Co-operative Enterprises, Inc., up to Friday amounted to \$9623.07.

Non-Co-op members who wish to get their patronage refunds for cash register receipts which they have turned in up to the end of the fiscal period are requested to come to the Co-op office, 36-1-D, to sign an application for membership, stated Kay Kuwada, membership accountant head.

After deducting \$5 for the membership share certificate, the excess patronage refund will be returned to the applicant.

The residents are further reminded to turn in this time only the white and pink cash register receipts by Oct. 20 to the Co-op office.

Elementary School Awarded A Rating

DANCE ENTERTAINS 70 NISEI SOLDIERS

With Edwin Funahashi as chairman for the evening, 70 nisei soldiers were entertained at Dining Hall 23 Saturday. Approximately 200 people were present.

Mr. and Mrs. Paul A. Taylor were guests of honor and Rev. and Mrs. George Aki, chaplains.

Hostesses were Vera

Saliba, Mrs. Chiyo Ikuta, Mrs. Natalie Saiki and Mrs. Mary Tsukamoto. Marian Kimura headed the refreshment committee while Terry Chono and Edwin Funahashi were in charge of the decorations.

DINING HALLS 3, 28 WIN FIRST PLACES

Dining Halls 3 and 28 won first place in the mess hall contest last week for the north and south sides, respectively.

On the north side, Dining 15 was second while Dining 14 won honorable mention.

Dining 40 was second on the south side with Dining 35 and 42 honorable mention.

The plaque was taken away from Dining Hall 29 for failing to maintain standards.

OFFICIAL CARD RECEIVED HERE

A.G. Thompson, superintendent of schools, received the official card yesterday stating that Denson elementary school was awarded A rating for the 1942-43 term by W.F. Hall, state supervisor of elementary schools. The elementary school was given this rating last June although they did not receive the official card until yesterday.

The school was judged on the length of term, qualifications of teachers, lead of teachers, library, supplementary reading.

USO ROOM TO BE MOVED SATURDAY

The USO room will move to 20-12 Saturday. All volunteer hostesses are to report there sometime during the day.

Dry Cleaning, Film Service Receipts

Residents who patronized either Co-op dry cleaning service or film developing service up to Sept. 30 are requested to claim their cash sales receipts at the Co-op office, 36-1-D, and turn them in along with other cash register receipts by Oct. 20 if they wish to get credit for their patronage refund, announced Kay Kuwada, membership accountant head.

MARGE NAKAMURA PICKED TO LEAD CORONETS

Marge Nakamura was elected to lead the Royal Coronets Thursday.

Other officers are Mary Aoto, vice president; Michiko Ego, secretary; Shigeo Masuda, treasurer; Junko Aoto, historian-reporter; Miwa Hatahita, athletic manager, and Dorothy Adki, cheer leader.

'Welcome, Tuleans' Program Draws 4000

Approximately 4000 Center residents attended the "Welcome, Tuleans" talent program sponsored by the nisei department of the Community Ac-

tivities section Saturday at Block 22.

Project Director Paul A. Taylor gave a welcome address after being introduced by Sam Seno. With Totsuro Kinishi as master of ceremonies the program included dances, group singing, vocal solos and skits.

Two skits, "A Bucket of Water" and "Yasegaman," and some vocal numbers were presented by the Rohwer engei kai.

EVACUEE DEPARTURES

Elyoe Haruko Yamaji, 42-3-B, left Sunday for Little Rock.

Twenty residents left on seasonal leaves yesterday as potato pickers in Paw Paw, Mich. They included Roy Oto, 15-5-C, Jim Masaru and Fumio Takeuchi, 29-9-F, Tadashi Nagai, 41-9-B, Tsuyoshi Yamaguchi, 30-3-E, Ben Otsuji, 3-5-F, Tom Nakamura, 46-7-A, Eddie Hirasuna, 15-11-C, Shizuo Nakayama, 15-12-D, Frank Hirata, 14-9-B, Tom-

my Lukai, 15-5-D, Hatsuo Omaoh, 15-8-F, Harumatsu Masawa, 3-4-A, Yoshitomi Sakaguchi, 42-9-A, Tom Nakaji, 5-7-D, Eddie Matsui, 40-10-C, Miek Katsuki, 5-9-F, Toshiro Shiotsu, 3-5-D, Hiroshi Igarashi, 18-6-E, and Bill Nobuo Hirohata, 9-11-B.

Those leaving today are Hidemaru Watanabe, 3-4-F, for Detroit and Mr. and Mrs. Shizuma Tom Obara, 4-2-E, accompanied by son Jimmy for Gunnison, Utah.

南部の厚遇法とは①

特種な南部の厚遇法が、スビリリテを熟知しておなひ方の便宜の爲次の如き神話を紹介す。斯の如き事は厚々起る。即ち先週当センター人の一人がマギー行きバスは乗車した。途中一黒人が乗車した。その日系人は早速席を黒婦人に譲つた。此の礼儀正し、デンソンの態度に驚いた黒人は言はれるまゝに着席した。所が問題は其所より起つた。黒人の着席した場所がバスの前さだつたのでバス運転手は彼女を込めてある車内の後部へ行くと命じた。最近ツールレーキより来たそのデンソンの人は斯の如き事があるとは話では聞いてゐたが實際に眼の当りに見たのは之が最初であつた。彼は南部州の不都合な状態を見てもつと経緯のつんた人に左つた訳である。
