COMMUNIQUE No.41 Official Bulletin of Jerome Relocation Center, Denson, Arkansas

Signup Reaches WORK, MEAL TIME HOURS Halfway Mark TO BE CHANGED MARCH
Registration of evacuous Changes in working and meal time hours and dis

17 and older went over the half way mark Wednesday when 435 residents filled out questionnaires.

3332 As of yesterday, evacuees out of an eligible list of 5800 had registered.

The central registration office has been moved to Recreation Hall 35 from the dining hall in the same block.

On request, blooks which signed up 100 er more evacuees during the block-byblock registration, may have special teams sent in. However, blocks which make this request must assure cooperation.

No teams will be sent to blocks which did not register 100 persons on their appointed day.

Eligible blocks are 2, 3, 5, 7, 9, 28, 32, 35,39, 45 and 46.

Lieut. Eugene Siler, head of the Army team, will be in 36-8-A to interview citizens who wish to volunteer for the combat teams

John Sayre To Speak on Peace

At a special Sunday evening service, Jehn Wevin Sayre will speak on "Foundations of Peace" in Dining Hall 33. The Rev. George Aki will be chairman for the meeting which will begin at 7 p.m.

Chairman of the International Fellowship of Reconsiliation, FOR cosecretary in this country and editor of the magazine Fellowship, Sayre was president of the National Peace conference from 1935 to 1938.

Changes in working and meal time hours and discontinuance of hus service for employees will go into effect March 1, Project Director Paul A. Taylor announced yesterday.

Undor the new schedule, working hours will be 8 to 11:45 a.m. and 1:15 to 5:30 p.m. Honday through Friday and 8 to 11:45 a.m. on Saturdays.

Meat hours will be: breakfast, 7 to 7:30 a.m.;

lunch, 12:15 to 12:45 p.m.; and dinner, 6 to 6:30 p.m. Taylor said bus service will be discontinued because

of the shortage of transportation trucks,

From March 1, cash advances will be on an hourly rate with accurate time kept on all employees. Employees who arrive for work late, leave before quitting time or who are absent without reason will have their cash advances decreased in accordance with time

"We are at war and every person must contribute his utmost towards its successful completion at the earliest possible date," Taylor declared. "The cooperation of every resident of this Center in conscientiously carrying out the above regulations will demonstrate their willingness to cooperate with the war effort," he concluded.

FARMING PROGRAM UNDERWAY

To prepare 100 acres of land for the food raising

program, 75 mule drivers are needed immediately.

Those interested should contact Agriculture Director

William H. Dallard.

Three-hundred additional serve are also being cleared for cultivation.

Agriculture Aid Tom Shimasaki asked for an immediate response to the call for acriers since the spring crops must be planted without delay.

The importance of getting this project underway was

pointed out by Shirasaki. A shortage of certain foods will develop this year since present plans call for the shipment of 50 per cent of the nation's crops overseas under the Lend-Lease program, he said.

Residents will benefit from the agricultural program since vegetables which the evacuous have not been The fire occurred during getting on their dining the absence of the Niimi tables will be planted, family. Ers. Miimi and These include sweet corn Chinese cabbage, rutabagas,

OPTOMETRY CLINIC

Swamped With Appointments

"Our appointment book is filled up to the end of March," . reports the optometry clinic in telling of a greater number of patients since the enlargement of the department. After moving from priginal quarters; in 14-8-B the first of the year, they are now permanently located on the south Half of Ward 14 at the Center Hospital.

Residents baking advantage of this free have swamped the optometrists. Some 850 patients have passed through this clinic in the short period from Feb. 1 to date. On the suspect day, Feb. 4, a total of 80 patients were treated.

D ring the regular schedule of 9 to 11:45 a.m. and 1 to 4 p.m., refractions, repairs, adjustment and dulication of lens are the services performed.

Remodeling took place last week resulting in three partitioned exceptantion rooms, a laboratory and a re- ception room. The examination rooms are ready for complete eye examinations, but modern optometric equipment soon will be installed for superior service.

At progent, to make up for the lack of WRA equip-it, the optometrists are generously donating their ment, the personal optometric tools so that this valuable service may not be hampered. They explained that since the tools are difficult to relace, loss of them will mean inconvenience to the nationts and may necessitate the ending of this service.

A school survey will soon be conducted as an additional service to resident students. The purpose of this screening test is to determine visual defects of the school children.

who has had 21 years of expe-Dr. Ernest Kuwahara, who has had 21 years of experience in Hawaii, heads the staffor five optometrists. Ho is a graducto of the North Illinois College of Optometry.

The rest of the staff all received their degrees at the University of California School of Optometry. Drs. Coorgo Mishit, George Miyake and Saburo Okamura were engaged in private practice prior to evacuation. Re-cent UC graduates, Drs. Yuri Linakami and Robert Yabuno complete the staff.

As isting the doctors are Yoshiko Hanato, Fumiye Satoda, imie Kuwahera and Ikuko Morita.

Cold Preventives Outlined

Got a sniffle? You better watch cut-dyou reging. to catch a catarrh! other words you're going to become a victim of that dreaded most prevalent disease, a cold;

So warns the outpatient department which reports three-fourths of the that

patients that treatment are that come for are suffering from colds. Many have developed into conjunctiviti -- pink-eyes

colds can develop into serious cases, so-why not even be suspected?

Proper slothing adjusted

to sudden changes in weather and healthy body condition are probably the best preventive measures.

The dry atmosphere which results from heating the room also is bad. A pan of water placed on the space heater will keep humidity normal,

Children especially should be kept indoors during bad weather. A good number of the children now confined to the children's ward in the Hospital are suffering from bronchial. n bronchial

Persons easily suscepti-ble to colds should stay away from crowds, and per-sons afflicted with colds also should keep tway from crowda to prevent spread of the disease. --TO

Bussei to Hold Gatha Practice

Fourteen Residents Leave On Student Relocation

Students with aspirations for higher learning have not had to despair as the National Student Relecation council, organized at the request of the WRA with the approval of the War department, came to their aid soen after evacuation of the West Coast war zones to assist those who wished to continue their study in colleges and universities.

Progress of this council in relocating students was revealed by Howard R. Boale, representative of the MERC, onhis visit here the first of this month. (COM-

HUNIQUE No. 34)

At that time, he told of the plan of the council to centralize its operation in moving the West Coast office located in San Francisco, Calif. to Philadelphia, where a new office is scheduled to open March 1. Letest reports from the council show as of Jan. 20, 390 colleges had been cleared by the Army and Navy departments in a total of 43 states. Illinois leads with 48 colleges on the list. Hew York follows with 34 colleges cleared.

According to the Leaves and Transfer office, 14 residents left the Center on student leave to 12 colleges in 10 states in a period of four months. Students who have applications completed and awaiting approval to-

tal 22.

First to leave was Earian Asake Keyama who is now studying at the Radoliffe College, Cambridge, Mass. Fellowing her were homoya Koga, Grodwohl School of Laboratory and X-ray Technique, St. Leuis, Mo., Yuzuru Alvin Sato, Colorado State College A & M. Fort Cellins, Colo.; Grace Hano, Huron College, Huron, S. D.

Rose Sumiko Utsunemiya, University of Idaho, Pocatello, Ida.; Yorko Abiko, Keigo Hase and Tomohide Das kuzaku, Nebraska Fesleyan University, Lincoln, Neb.;

Bebbie Takatsuka, Billdale College, Miche

Jack Sera, Washington University, St. Louis, Me.; Ayako Elaine Abe, Ashbury Rospital Hamlin University, St. Paul, Minn.; Derothy Ichinaga, Scottsbluff Junier College, Gering, Nabo, Harry Kitahata, American University, Washington, D: C.; Rayko Mane, Baker University, Baldwin City, Kan.

On urging students to keep contact with the council for up-to-date information, the MSRC states, "You are ambassadors paving the way for others, and we hope

you will take the responsibility seriously.

Two Carpenters Injured Here

About halfan hour apart, two accidents cocurred in construction section of the Public Works division Tuesday afternoon reported Aulsy W. Mille, construction auperintendent.

The first accident occurred around 4 pame in Block 24 where the homes for the administrators are being constructed. Frank Yamaguchi, 25, of 45-10-F, was injured while putting

> 31, Takashi Hirasuna,

of 43-10-F, employed in the oabinet shep was the second victim of the afternoon. According to Fore-man Bill Yamameto, he was operating the shaping machine when he crushed the middle finger of his left hand, in a freak accident.

WELFARE OFFICER VISITS PROJECT

. Wilma van Dusseldorp from the WRA community management department in Washington, D. C., here since Sunday has been disoussing welfare problems with the various welfare groups in the Center.

She will leave tomerrow to tour the Western re-

location centers.

DENSON POST OFFICE HANDLES BIG DOB

Last week the Denson Jost Office employees u pretentiously moved into the limelight when they posed for a picture which will appear in the National Postmasters! Gazette, a deserving honor for a quiet hardward. staff.

Since its inception on Oct. 16, 1942, the huge amount of mail handled here daily has made the Center Post Office not only one of the largest, but also one of the busiest mail centers in south eastern Arkansas. Regional postal inspectors have commented favorably on the efficient handling of mail which is credited to genial Fred R. Paris, office superintendent, and personable Mas Hoshi, postal foreman, and their assistants. From early morning till late in the afternoon, the

:24 amployees cooperate in the steady grind--a pro-cedure calling for systematic, accurate and thorough work.

Mail is brought in every morning on the WRA mail truck from Dermott, junction point for six outlining towns. All incoming first class matter, newspapers, magazines and circulars are sorted promptly into their respective Center priming cases. Seen feeding mail fast and furiously into the pigeon holes every morning are Foreman Hoshi, Minoru Ogata, headup and directory supervisor, and George Kurasawa, assistant.

From here the 12 carriers pick up the letters for further break up into units in their respective garrier cases, each carrier handling small for three blocks. The boys leave for their morning round at 10. a.m., carrying an average of 40 ounds of mail. On magazine days the carrier's lead increases to 80 prunds.

"Being a carrier isn't half bad," said, jovial Frank Center Fire
