NO. 16

BLK. MGRS. URGED TO PROMOTE PLANTING OF VEGETABLES NOW

"Whether the shortage of fresh vegetables in Poston could occur this winter or not, we must be prepared to meet any form of emergency, if it should ever come."

With this somber thought in mind, the Blk. gardeners, in their recent meeting expressed their belief that Postonians should "get down to business" now and grow as much as possible between the barracks, to insure ample produce at all times.

Following information has been released by the Agr. Dept., Poston 1 in regard to Blk. gardening, who will aid in the program.

Following requests have been released by the Agr. Dept. in regard to Blk. Gardening (1) to make a report to the Dept. when plot has been completed for planting; (2) give notice to obtain tractor for working the Blk. areas; and (3) inform the Dept. of pest and rodent controls.

It was understood that hoes and fertilizers would be issued later to the gardeners and residents who are now planting.

CHOW MEIN MAY BE SERVED SOON

CARPENTERS RETURN

After a one-day lay-off the carpenters of Unit 2 returned to their work Saturday.

The shortage of equipment and lumber resulted in a misunderstanding between the carpentry crew and the construction office of Carl Puterbaugh.

Thirty-five men are now working with unusable government tools under the assumption that the requisitioned tools and material will arrive shortly from Poston 1 according to Bob Kitaji, supervisor of the Division of Operations' construction department.

CHAIRS FOR SCHOOLS TO BE HOME BUILT

Chairs and desks for students at Poston will not be available for some time, it was announced by high school principal, Chester A. Potts, Friday at the regular Block Managers meeting.

Instead of waiting until the government order for the needed furniture was filled; however, it was suggested that home built equipment be used temporarily when school starts in October.

50# TO KITCHEN PER WEEK

A Noodle Factory which will manufacture approximately 1200 to 1500 pounds of noodles daily will begin production Monday, Sept. 14 with more than sixty employees on the staff. For the present, the site located at Blk. 38 will make noodles by hand, namely, Japanese plain, egg and chow mein, and according to figures, it will provide about 50 lbs. per week to each kitchen, or one serving per person a week, to cover Poston 1, 2, and 3.

Jimmy Yahiro, Assistant Chief Steward, also disclosed that necessary equipment and supplies have already arrived at the ward houses.

MATSUMOTO LEAVES FOR ST. LOUIS

Administrator Burge drove into Parker the second Nisei student to depart from Poston III for college in the east, George Matsumoto, who will continue his studies at Washington University in St. Louis, Missouri. Matsumoto's parents and sister also went to the station to bid him farewell.

DRAMA GROUP HOLDS INITIAL DISCUSSION

Plans for having a joint Nisei and Issei drama organization for Poston III and a discussion on the number of qualified people to be placed on the payroll were the main points brought up at the initial drama group meeting last Friday night.

It was suggested that a more active club would be formed if membership was left open to both the older and second generation, but in order to avoid friction the two groups would have their respective directors. The need for a recreational hall for the drama club was pointed out.

Suggestions made Friday night will be brought up for a vote at a general meeting on "policies" to be held by the Nisei this Tuesday evening, from 8:30 o'clock, at the Press Bulletin office, 317-8-A. A check up on talents available will be made at this time. Nisei interested in acting, playwrighting or directing were urged to attend this meeting.

The realization of success of Poston as a modern type of a city is dependent entirely upon the efficiency of Nisei leaders. We have not a slightest doubt as to the adoptability and efficiency of our Nisei in all the branches of business and industrial field. But the fact remains that they, as a whole, never have had any experience or proper training so far in running any form of a self government. While they were living elsewhere before the evacuation as the citizens of this country, no opportunity whatsoever has been given them to participate in functioning any governmental machinery either of a municipality or state. Overnight, they were made politic-minded.

An independent city run by Nisei of Japanese ancestry is a brand new trial and it is a vast undertaking with all the complications imaginable. But the planning is one thing; the functioning is another. Theory and practice may not go together.

There is one thing the writer here would like to stress upon, for the benefit of our Nisei leaders. And it may not be amiss to add that neglect, whether intentionally or unintentionally, to pay attention on this point alone, may result in an utter failure of making the city of Poston prosperous. It is the collaboration of Issei and Nisei in all matters. You might just as well say success depends entirely upon how you go about it. The Issei under any consideration, should collaborate with their younger generation. The Nisei leaders should keep in their mind of the fact that Issei is still the main producing factor both in business and agricultural enterprises. That there are a certain number of older people here who are quite dissatisfied with their newly acquired mode of life to which they were now being subjected, must also be remembered. These people must be convinced and be made reconciled to their new environment and have them willingly cooperate with you. This is the most important feature of the whole project now facing us. Without the co-operation of these people, no enterprise here will be of much of consequence.

Your problem of how to lead Issei must be solved by all means. It requires every ounce of tact you may have at your command, and with sympathy and kindness, you may be able to accomplish very much, not only to your own direct benefit but the society in which you are going to live in peace and prosperity.

K.T.

PEOPLE FAVOR; HEAD APPROVES COOPERATIVE

COMMUNITY ENTERPRISE TO BE MADE INTO FULL-FLEDGED COOPERATIVE
ELECTION CALLED OCT. 15TH

Petitions for a consumers cooperative that have recently been circulating show that a decided majority of residents 18 years old and over in the Poston Communities favor that form of enterprise, it was announced today by W. Wade Head, Project Director of the Colorado River Relocation Center. In Poston 1, 3836 out of an estimated total of 5,800 have signed the petition, in Poston 2, 2033 out of about 2600 have signed it, and in Poston 3, 1305 out of about 2500.

"The circulation of this petition was an entirely voluntary undertaking," Mr. Head stated, "initiated by residents of this community without any suggestion whatever by the Administration or outside agencies. It was originally set in motion by the Adult Study Group on Cooperatives, but much of the actual circulation was done by block managers, council members, and others not formally associated with the cooperative movement. It is an important and thoroughly democratic achievement which in itself is a clear proof that Poston is well on the road to self-government.

"I regard this petition," Mr. Head continued, "as a clear mandate from the people. I am glad to accept it as such, the more so as the organization of the proposed cooperative is now fully authorized by formal instructions from the War Relocation Authority, looking to the transformation of the existing community enterprises into full-fledged cooperatives. The community enterprises were set up in the various relocation centers by the Government in cooperation with the residents to meet a very urgent need that could not otherwise be met. They were temporary expedients. The people of Poston as well as the other centers, rose magnificently to the occasion and took over the main burden of work and responsibility in a very rapidly expanding business. With this spirit and this experience, I anticipate no serious difficulty in transforming the present community enterprise into a cooperative responsive to the will of the people. In fact, it is fair to say that, besides skilfully performing a great public service, the Community Enterprise has laid

the groundwork and trained the personnel that guarantee success for a cooperative."

Prior to this change, however, the Director announced that he proposes to invite the residents of the Poston communities to organize an intensive discussion campaign with the help of the administrative staff, and the staff of the Community Enterprises and other residents who have studied and had experience in the cooperative movement, in order that everyone may become acquainted with the principles and advantages of a cooperative enterprise and may take part in formulating a charter and by-laws that will meet the needs of this community. The Director expressed the hope that the systematic discussion groups will be organized, and mass meetings held. Instructional courses in cooperative management and operation will also be undertaken for the existing staff of Community Enterprises.

The Administration has received inquiries as to why the existing Community Enterprise cannot be continued in view of its admitted great success. The answer, according to Mr. Head, is that the community enterprise was a purely temporary expedient adopted to help the community get on its feet and recover its breath. "A fundamental policy of the War Relocation Authority everywhere and of the Office of Indian Affairs

COOPERATIVES (Continued)

on this Project in particular," he added, "is to give the Relocation Communities the maximum of self-government. A consumer's cooperative providing requisite goods and services to the community, operated by and responsible to the people themselves through an elected board of directors and experienced business managers, is bed-rock democracy. No less a person than Vice President Wallace predicts an enormous expansion of cooperatives in this country after the war. Intensive experience in cooperation by the entire evacuated population will be an invaluable experience for post war rehabilitation."

Mr. Head announced that after the preliminary discussion period an election will be held about October 15th to select a board of directors for each of the three communities. In this election both Issei and Nisei will have the right to vote and hold office. From that time on, the board of directors will assume the leadership in formulating the charter and by-laws in consultation with the residents. Although each community will have a separate cooperative, it will be possible to have a central purchasing and auditing staff responsible to the three boards.

"Membership in the cooperative will be voluntary," Mr. Head added "but all residents, whether members or not, will be entitled to its services. The people are amply able to run this enterprise with a maximum of satisfaction. However, the Government will cooperate in matters of space, equipment, and transportation to the extent that war shortages permit, and will be glad to give advisory help on request."

NEW POST OFFICE TO OPEN IN POSTON 3

Art Takemoto, Postmaster for Poston 3, announced yesterday that a new office will be open in the

ADDITIONAL NEWS FROM THREE UNITS

BOND SALES HERE FOR AUG. REVEALED; P.O. SUGGESTIONS

Bond sales for Aug. totalled \$1,400, but the stamp sales in the same period were rather discouraging, reported Erlon Gardner, superintendent of the Poston branch of the Phoenix Post Office. Money orders issued were the largest in Aug. than at any other time in the past four months. Outgoing mails to army camps showed a variety of addresses, with Camp Savage being toss-ups with Camps Wolters, Barkley and Sam Houston in Texas in close pursuit.

"A decided decrease in the mis-addressed mails is speeding up delivery," Mr. Gardner said, who asks that all Postonians be sure to put their Blk. number first, then the Bldg., and last the Apt. number, as the P.O. clerks file the letters by the first number only.

LEVELING WORK TO START FOR POSTON III

A crew of scrapers with tractors will begin leveling work at Poston III this Monday, starting with the area due West of the Administration buildings, it was announced yesterday.

Before the leveling job begins at the barracks, a committee of Block Managers will hold a thorough discussion of all problems involved in the work.

The leveling crew will be under the supervision of the engineers.

building next to the Fire Dept. To foster convenience and a better service for the public, each Blk. mgr. was appointed to handle outgoing C.O.D., registered and insured mail. However, incoming or registered mail must still be received at the main office. Postage charge for the letters to Phoenix and to Gila, Arizona was set at 2¢.

TAKE CARE OF YOUR EYES--GERKIN

Miss Edna A. Gerkin, Supervisor of Health Ed., who is here from the Indian Service Bureau, has been doing extensive work in the field of Health and Adult Ed.

In keeping good health, Miss Gerkin, advocates that each one of us should be very careful with our precious eyes.

"In a room where there are two or more workers, those who must read or type all day should be given the preference in the arrangement of desks.

"A person, during his work, should not face the light, but rather have the light fall upon the work. In those times of stress we cannot allow ourselves the luxury of being laid off due to poor eyesight," Miss Gerkin concluded.

She will leave Poston sometime during the middle of October.

NURSERY HAS EDUCATIONAL TOUR

The kiddies from the Nursery, Blk. 17 took a short excursion to the Fire Dept., and the Adobe Works, under the supervision of Mrs. Takahashi and teaching staff.

The Fire Dept. exhibited the red engine truck, much to the thrill of the little tots. The operation of the siren was also demonstrated, though apparently, the small citizens were only interested in the noise it made.

Then they troked to the Adobe Plant where they witness grown-ups at work, making "mud pies".

The pre-school today has more than fifty members, which includes children from the Caucasian Ad. employees.

BLK. GARDENERS GET FLOWER SEEDS

Residents will soon be able to inhale the beautiful scent of flowers, when all the Blk. gardeners get their seeds planted, given by the Agr. Dept. at the recent meeting.

Distributed flower seeds were Calendula, Gaillardia, Koehia and Sweet Peas. They will bloom next spring.

LIBRARY RECEIVES ENCYCLOPEDIA

Mrs. Mabel Ota, Head Librarian of Poston 1, announced today that they have received a 12 volume set of the New Standard Encyclopedia, Compton's Pictured Encyclopedia, (1940 edition) 15 vols, and the Book of Knowledge, 20 vols.

The Library is now stocked with more than 5,000 books, with about 350 issued out daily. Persons holding cards amounted to 2,055.

Mrs. Ota also stated that residents of Unit 2 and 3 are welcome to apply for a membership here too.

CUCUMBERS GROW AT BLK. 19 PLOT

The cucumbers planted several weeks ago on the 3 1/2 acre plot located between Blks. 18 and 19, bordering the Firemen's Ball Park received their first operation of cultivation by the field crew, who thinned and hoed around the plants which were left three in each hill. The plants show sign of vigorous growth, though there is a slight indication of pest on few.

A DOBE TO BE MADE AT PLANT 1-A

Mud bricks will soon be made at the Adobe Plant 1-A, situated on the open space between Blks. 39 and 26, according to Joe Mori moto, foreman. One machine has been installed, and the arrival of one more Ferguson tractor is due "any moment."

Six to seven hundred adobe are expected to be made daily during the first output, with an increase depending on the number of men on the new crew.

There are in the world two powers -- the sword and the spirit. The spirit has always vanquished the sword. --Napoleon

**POST OFFICE MOVES TO
ADMINISTRATIVE BLOCK**

Saturday afternoon was a busy day for the post office staff as they arranged to move to their new location on the administrative block.

"Business as usual" on Monday at the new post office building at Block 217 was the cheerful announcement made by the postmaster, Mas Miyasaki.

APIARY PROJECT HERE

Two bee hives were received by the Unit 2 "ag" department. The hives will be exhibited in the coming Poston County Fair.

With the receipt of the hives, "Ag" supervisor, Charles Onoye, stated that plans for an apiary project will be stepped up. Charles Tanda and Jim Sakamoto are in charge of the project. The hives were sent here from the Parker Indian School.

CLUBROOM FOR WOMEN

To enable young women and mothers to meet and crochet, knit or sew, the girls' recreation department has arranged to open a clubroom at 221-1-A Monday.

Those interested in meeting together and have a good time while sewing, are urged to make use of the facilities. The clubroom is expected to install ten portable sewing machines soon.

**POSTON 2 COUNCIL TO
MEET MONDAY MORNING**

The members of the Poston 2 temporary Community Council will hold their second council meeting Monday morning at the Personnel Kitchen in Block 217 at 9:00 a.m.

**Y.B.A. SCHEDULED TO
MEET TUESDAY NIGHT**

The Y.B.A. meeting will be held Tuesday evening at 8:00 p.m. at the 214 Buddhist hall.

Entertainment and community singing will be led by Yoneo Gota. Leading the discussion will be Mas Miyasaki.

**BUDDHIST CHOIR
PRACTICE TO BEGIN**

Under the direction of Mrs. Chizu Iwanaga, the Buddhist choir rehearsals will begin next week, it was announced.

About forty young people have registered to participate.

LOST DEPARTMENT

One personal softball mitt with lettering "Shiro Kudo" on Field 207 during the National League game between 209 and 227. Finder is asked to return it to Press Bulletin office, 215-8-A.

One knitting needle No. 6 between blocks 219 and 221. Please return to Miss E. Ogata, 227-4-D.

**CHRISTIAN CHURCH CHOIR
TO MAKE ITS DEBUT AT
SUNDAY SERVICES**

The Poston 2 Christian Church choir under the direction of Mrs. Virginia Sakata will make its initial public performance on Sunday by singing, "Perfect Peace."

Membership in the choir is still open and all interested vocalists, both men and women are welcome. The goal at the present time is to have a 75-voice choir.

RECORD PARTY ENJOYED

Miss May Yoshida of 227 was hostess to 70 young people from blocks 213, 14, 19, 20 and 27 at a record session party held in the block mess hall.

Feature of the evening was the making of a record by the group. Home-made records of Poston 2 talents were also recorded back.

**HIGH SCHOOL AGE GIRLS
ORGANIZE CLUB**

High school age girls from quad 219, 20, 21 and 22 met Friday night to organize a club to promote athletic, social and interest group.

Temporary chairmen, Jean Iyama, and assistant, Natsuko Masuda, conducted the business meeting.

There was a large turnout and the girls enjoyed games prior to their business session.

KEEPING POSTED

Girls Junior Club

Junior Club will meet for the first time from 2 p.m. to 5 p.m. at Rec. 324 on Sunday, Sept. 20. Sara Tsuruoka assures everyone attending a hilarious time with new games and discussions. About 60 girls has signed up but those who didn't but are between 9 and 14 years of age are cordially invited to attend.

Police-Maintenance Picnic Postponed

The maintenance-police picnic, scheduled for Sunday evening, has been postponed till Tuesday, Sept. 15, at 6:30 p.m., due to the sudden death of policeman Don Kurihara's father.

"Go" Club Planned

Kiyoshi Enoki of 309-7-C is now taking members for Go and Shogi club which is now being organized. Those interested get in contact with above address or 309 mess hall.

Shibai Program

A "shibai" will be held Mon. Sept. 14, Bk 310, commencing at 8:30 p.m. The program was released as follows: Kabuki shibai, Shimpa, Girls Japanese Odori and Hakata Niwaka.

New Girls Council Member

Lillian Sogo, active in Santa Anita girls activities, has been added to Girls Council, replacing Mary Shimozono who resigned.

PRESS BULLETIN POSTON THREE Page 7 Sept. 13, 1942

SANTA ANITA PAYCHECKS ARRIVE

Paychecks for Aug. 16-Sept. 2 here from Santa Anita will be distributed from Mon., Sept. 14. For further information see your Block Manager.

MAINTENANCE DEPARTMENT OFFERS SERVICES

The maintenance department announce that no supplies, such as pipes and fittings, coolers, and faucets, may be sold by, or ordered through this office for private use. The function of this department is to provide labor to install various appliances only if the persons wishing their services have obtained the necessary materials.

DEATH TAKES KURIHARA

The passing of Kuma-ki Kurihara, 69, of Blk. 305 at 2 a.m. Sat. was a great shock to his many friends and relatives. Heart attack is reported to be the cause of his death.

Mr. Kurihara was formerly a pioneer rancher of Orasi. He is survived by his wife Tomi, Mrs. Henry Furubayashi, Sam who is now in the army, Don, Marie, John, Velma, Walter and Betty.

BUDDHIST SUNDAY SCHOOL TEACHERS MEET

With Hozuye Inouye, Sunday School Director presiding, a meeting of the Sunday School teachers was held Friday night at the Buddhist Church Office. The meeting was later turned over to her assistant, Yoshiko Kubo. The main discussion was on how to get children interested in Sunday School. It was suggested diagram systems be used for attendance records and ribbons issued for perfect attendances. The Y.B.A. Council was made responsible for getting more leaders interested.

A lecture was given by Rev. Kawasaki on "How to tell Stories."

RECORD CROWD AT SINGSPIRATION

Rec 305 was packed to the doors for Friday night's Singspiration when old favorites, novelty songs and ideas were enjoyed by a record crowd.

College songs will be featured next week and grads and undergrads are urged to wear sweaters, banners, emblems and etc. of their alma mater.

OUR APOLOGIES

To the kitchen personnel of Mess 310 for an erroneous remark appearing in Friday's Bulletin. Chief Steward Burdick and assistant Kitagawa both maintain that Mess 310 has one of the most efficient and smoothly functioning units in Poston III.

Magazine Section

THE MEANING OF UMBRELLA

Almost everyone calls them umbrellas--those things that girls carry around to keep the Boston sun from turning their alabaster or fashionable beige-colored skin into rich bronze, deep chocolate or crimson blush. But a few purists insist that since they are carried about for that purpose they ought to be called parasols or sunshades. There are others, like me, who have affected some sort of great compromise by calling them sun umbrellas.

Whatever you call them, they're an attractive sight that adds to the picturesqueness of our fair city. It would be pleasant if we could call them pretty and just let it go at that, but there are always some people who insist that everything has a meaning and that umbrellas are no exception. These are people like that Mercedian columnist who finds certain subtle things implied in the position girls wear their hair-ribbons, and like that person who contends that the angles at which young men wear their hats carry a deep significance.

So that if a girl twirls her sun umbrella over her left shoulder as she strolls along, it is an invitation to come up and walk with her sometime. I just took it to mean that she was left-handed and that she was something of a juggler.

If she carries her sunshade out forward, in front of her, it means that she wants no company, that she wants to be alone. And here I always wondered how she could see where she was going, and who was the someone coming from the other side she didn't want to say hello to.

If she keeps her parasol straight above her head, it means that she is undecided and that if you smile at her in a nice way she might take you up on it. I had always thought that the sun was beating too harshly down on her and that she wanted the hot glare out of her eyes.

But if you wanted to read meanings into the ways a girl carried her sun umbrella, I admit that it would make life more interesting for you. And I wouldn't want to keep life from being interesting to you, would I? I wouldn't. So carry on girls, carry those things. Use them. Flaunt them, point them, shake them, tilt them, twirl them, toss them, and oh, the best of luck.

OPEN AIR THEATRE

"Star light, star bright, the first star I see tonight, I wish I may, I wish I might, have the wish I wish tonight." That little verse may be recited by those who are seated on boxes, chairs, benches, etc. waiting for the film truck to arrive with the screen and the projector.

I admit movie going is different in many ways now that we are situated here in Boston, but looking at it with an optimistic eye, there are a few nice points to seeing a movie in the cool summer air. Air conditioned by the many hand fans!

Choose your partners, choose your friends and obtain for yourselves the choicest seating grounds available facing the kitchen oil tank. While you wait, you can observe the scenic surroundings and the beautiful sunset.

We can't compare our little movies to the ones we have been enjoying back home, but it's swell to see a show once a week and by the time the picture is over, it's possible for you to recite "Moon light, moon bright....."

**KNITTING AND CROCHET-
ING CLINIC**

The Knitting and Crocheting Clinic announces their new and corrected schedule, through Mrs. Vivienne Kurisaki, chairman of the classes.

There is a total of 650 patients registered at the Clinic, and the progress made by the patients is to be commended.

They are now planning to exhibit at the Fair works of the "patients" and "doctors" of the Clinic, on Oct. 3 & 4.

Following is the schedule:

MONDAY

MESS	TIME	FOR BLKS.
2	*a.m.	2;15,16
5	p.m.	5;6,11,12

TUESDAY

31	a.m.	17;18,31;32
60	p.m.	53,54,59,60

WEDNESDAY

42	a.m.	26,39,42
14	p.m.	3,4,13,14

Schedules for the latter days of the week due later. *a.m. 9-11; p.m.-1:30-4:30.

JUNIOR MATRONS CLUB

Great interest and need is shown for the formation of a junior matrons club. Most young married women feel too old for the debutante age girls and too young for the fujin-kai, therefore the need for a younger mothers' club is prevalent.

Formation of the group is expected to begin soon.

NOTICE

There will be a meeting for all girls interested in any kind of sports on Sept. 16, Rec. 6, at 7:30 p.m.

All interested clubs and organizations are asked to send in two representatives. Topics for discussion: Formation of a Women's Athletic Ass'n; second round of softball and inter-camp competition. Maki Ichiyasu will be in charge.

TALK ABOUT LEGS!!!

'Tis said in the Mercedian about the fellas always talking about the Japanese gals' legs and that they resemble that famous vegetable, radish, and the boys insist that the legs are like "daikon" and "tsukemono". Well, boys, you're in for a letdown, this girl knows her stuff..... She sez: Boys' legs are dirty and hairy and look like "gobo", so what have you got to say now, boys?????????

SOMETHING NEW

Tamaki Ishihara, a young Roosevelt graduate, had never even driven a car before, but in Poston, guided by a vague notion of taking her father's place and by a desire to learn something new that would be fun to do, she applied for a man's job--tractor driving--and succeeded at it. There's no reason--well, hardly any--- why some other girl

GIRL JUDOIST

Poston 1 has a girl judoist!

She is Miss Katsuko Yamaguchi, who hails from Upland, Calif., has taken judo for the past five years, being shodan (first rank in the black belt) now for two years.

She is about 5'1", well built, and easy on the eyes.

She is considered quite a judoist, and is willing to teach girls here if enough are interested.

Miss Yamaguchi learned the art at the San Gabriel Dojo, and now resides in Blk. 13.

PERSONALLY SPEAKING....

So, you gossip peop' here wanna hear about the ratio kunserning the men and wimmin here in Poston, huh???? Well, cornfidentially, the way I heard it, this is the way it goes--there am more issei wimmin than issei men at present.. and lissen wolvs, between the ages of 18-26, der seems to be a surplus of approximately 65 females--well, well, well.....

I also hurd that up in Tule Lake there is something like a ratio of 3-1, gosh! but sorry fellas, you gotta be content with wut's here, heh'. heh! Absitively, posulutely!!!!

can't make a fine fire woman or a guayule-planter, inspired by Miss Ishihara's example is there?

roving reporter asks--
IS MARRIAGE DESIRABLE
IN CAMP?

BEAUTY ON THE DESERT
by M. Matsumoto

SHIRO SHIRAIISHI--

Yes-The cost of living isn't much here and we'll probably be here in camp a long time.

DR. TOGABAKI--

Yes-People marry sooner or later, so might as well now. The boys may change their minds after war.

GIICHI K. GEYAMA

Yes-In camp, two can live as cheaply as one. I think married life is keen.

KENNY MURASE

NO-Because these are abnormal conditions, people are apt to think and act abnormally and certainly someday we hope to return to a more normal situation--until then, definitely NO to marriage.

PHYLLIS KAMIYA

If young people are willing to make a go of it under these circumstances, this is a good time as any, especially in a financial way.

Desert Beauty? Yes, beauty within this wide open space is attainable with just a little care. Most of us are apt to neglect our skins here; whereas, twice the usual time should be taken to care for every abused face. Since we are not acclimated to this desert heat and sandstorms, pores will continue to become larger unless care is taken. To keep a normal clear skin a daily home treatment is vital.

Cleanse skin thoroughly with mild soap and water or cleansing cream. Remove the cleansing cream if it

were used and use an astringent which has a two fold purpose. It removes the cleansing cream and close the pores at the same time. Now apply a nourishing cream remembering to give yourself a good massage and leaving the cream on all night. The cleansing process should be repeated again in the morning before the make-up.

To make-up is to bring out to the surface your hidden beauty and not to acquire diamond from glass.

A great writer once said, "Frailty, thy name is Woman." Let us change Frailty to Beauty and shine through dust, storm and heat.

fashion

by Elizabeth Ataka

Madame Vogue Decrees that

"The perfect ensemble, that is right color combination from head to toe, usually catches the roving eyes of both sexes. Especially this year's clothes and looks should be considered

AKIRA YEBISU

Yes-If you are of age and if you have a good partner.

as important items for any woman to give that new sparkling appearance in this new camp life which we face.

Your original creative design on your dress or trinket gives the plain dress the necessary "it." As quoted from "Charm," Sept. 1942, definition for the perfect fashion is; "Each PERFECT fashion has some particular detail that makes it exclusively your fashion. clothes that you wear and wear, that give you an appearance and a feeling of being correctly dressed, are never an extravagance."

LIL' ABECHAN

By G. Yoshimine

POSTON III ALL STARS WHIP IROQUOIS, 9-1

The Poston III all-stars downed the Poston I Iroquois, 9-1, on Fld. 318 yesterday in the main softball tilt. Early in the first inning with 2 outs, Uchiyama, l.f. of Poston III, slugged a long drive deep into left to bring in Inouye and Shiozaki, who were perched on 2nd and 3rd, on the first home run to score 3 runs.

F. Hori, huge hurler for the Iroquois nine, knocked a long fly over the left fielder to tally the only point for the visitors.

Best batters of the battle were Mano and Inouye, both connecting with 2 hits for 3 times at bat. Later in the contest with bases loaded Roy Kurotsuchi 3rd sacker drove a double to add 2 more digits.

Shig Mitsuoka, tiny chucker struck out 6 Iroquois batters and allowed only 1 walk to help his teammates to a victory while F. Mori moundsmen for the opponents, struck out 5 but walked 2.

Batteries: All-Stars Mitsuoka and Shiba; Iroquois-Hori and Mukai.

306 upset the favored 326-27 Indians by a 6-3 score by scoring 5 runs early in the game played at Poston III.

214 SUFFERS DEFEATS FROM 222 TOSSERS

Never losing their hopes, the 214 boys' softball team finally lost to 222 by the score of 4 to zero which was tallied in the second and fifth innings.

They played on the 208 field Friday night.

With great chucking ability, C. Iwanaga of 222 block pitched a 3-hit game while T. Ikeda chucked a brilliant game of 4 hits.

GIRLS ALL STARS OF 2 and 3 TO VIE SUNDAY EVENING

All-star girls' softball team consisting of two players from each block of Poston 2 will play the 305 team of Unit 3 Sunday evening at 7:00 p.m.

The game is scheduled to be played at the 310 ball park.

Local contingent is coached by Lloyd Urabe

CARDS DEAL OUT: FLUIDRIVES, 10-1 SETBACK WITH 1 HIT

The Brawley Card "trumped" the Fluidrive 10-1 on Fld. 28, Sept. 11. Capt. Kikuchi of the Cardinals lead the pack with 3 hits for 4 times at bat. The lone tally for the Fluids came in the 5th when a man was walked in.

Hank Eddow, Cards new pitcher, chucked a 1 hit game. Torimaru gave 10 hits.

GOLDEN BEARS "HUMBLE" BY ORANGE COUNTY NINE LOSE LEAD IN "AA" STAND

In a "AA" League game Min Nitta and his team mates all but chased the Golden Bears off the field by the lopsided score of 12-4, played on Firemen's Park Fri., Sept. 11.

O.C. Tallied across 5 runs on 5 hits in the initial stanza and 4 runs in the 3rd to get a lead that was never threatened, and scored in every inning except the 2nd.

Min Nitta allowed 3 scattered hits and struck out 8 while Lindy Koga dished out 11 hits.

227 VIGILANTES IN ANOTHER WIN GAME

For their sixth consecutive win Blk. 227 Vigilantes, National League champs, nosed out the underdogs from neighboring 226 block 8-7 in an abbreviated 5-inning game.

Tony Hirayama and regular chucker, T. Kiyohara shared pitching honors for 227. George Ishibashi and Soup Sakamoto pitched for 226.

307 defeated 318, 6-2 for their fifth win of the season. the 318 team had 2 on and no out in the last inning but Inouye, 307 chuckers retired the sides with little trouble.

335 DOM'S 305, 10-5 FOR SIXTH STRAIGHT VICTORY OF SEASON

Blk 325 trimmed 305, 10-5 for their sixth consecutive victory of the season without a defeat.

The game was deadlocked 4-4 going into the last of the fourth when 325 scored 6 runs on 3 walks, a single and a double to win the game.

By virtue of this victory and 309's 14-7 win over 316, these two teams are tied on top of the league with 1000 percentage.

BLOCK 222 SPANKS BLOCK 214

Behind the 3-hit twirling of Iwanaga, the 222 horsehiders hit out an impotent Block 214 4-0 in an American League game Friday night. Ikeda chucked for the losers.

OCEANSIDE DROWNS RATTLES 4-2

The Oceanside Ten from Unit 1 went home a proud victor after defeating the Poston 219 Rattlers in a nick and tuck 4-2 thriller.

T. Takeshita was the chucker for Oceanside ten, allowing 4 hits, to M. Saguchi's and T. Lunakami of the Rattlers 4 hits.

Yutaka Shimbo former Hollywood Huskies star chucker will be on the mound for Blk. 328 when they meet Blk. 330 Tues Sept. 15 on Eld. 328 Huskies were AA champs

Ri'side	0	2	.000

308 TRIMS 317, 5-4

Blk 308 nosed out 317, 5-4, for their 4th win of the season against one defeat. 308 scored all their runs in the first inning on an error, 2 walks, 2 doubles, and a triple.

VISTA-GOLDEN BEARS CLASH TONIGHT FOR CLASS "A" CROWN

The Class "A" Championship title will be at stake when the Vista Panthers and the Golden Bears clash tonight, climaxing the three week old playoff series between the two top nines.

The Golden Bears who finished second in the National League behind Vista, took two straight from Riverside, the American League champs; while Vista won the first and the third game of the playoffs from the runnerup of the American League the Orange County nine The Bears, and the Panthers have already met three times in this playoff finals, with the first tilt ending in a 7-7 deadlock. The second game went to

THREE DIVISION "A" LEAGUE OPENS MONDAY

Twenty-three teams will vie for "A" league honors starting next week with the league split into three divisions. Composing the American division will be the Block 4's, Hopcless 9's, Firemen 1, Blk. 2 Sabus, Flatfoots, Blockheads, Blk. 42's, and Maintenance.

The 7 clubs in the National are the Golden Bear Bees, Montcrey, Bay Zephyrs, Firemen #2, Oceanside, Bombers, #38's and Vaqueros. The new International division will include the Tokio Giants, Arizona Wildcats, Fluidrives, Top Pos, Bulldogs, Brawley Cards, Blk. 21's and Southern.

GIRLS B FINALS Poston J

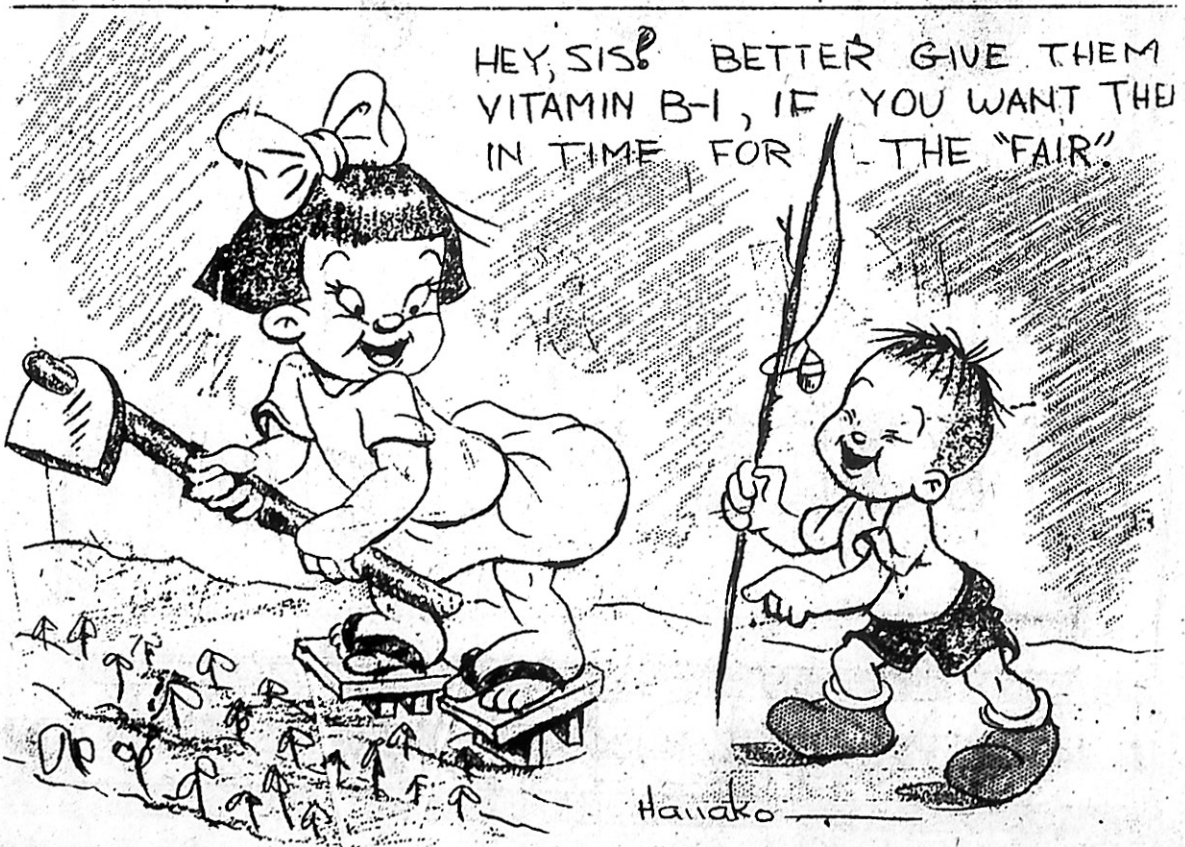

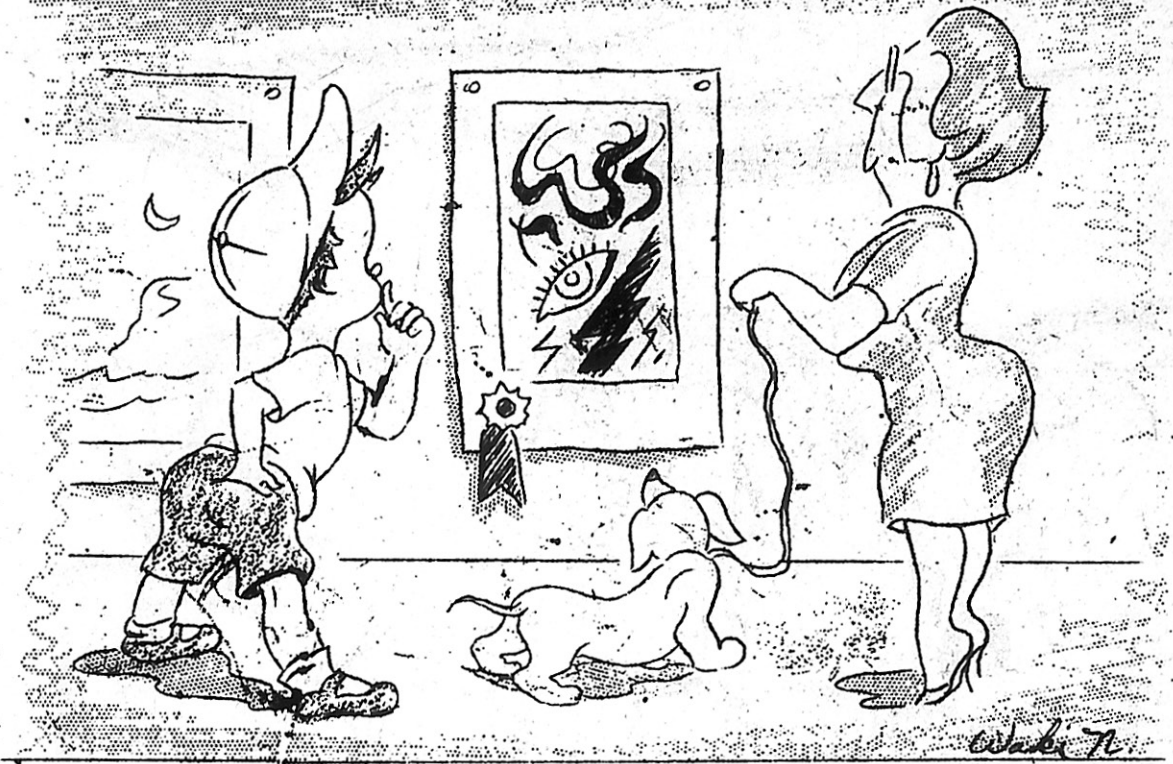

W	L	T	Pct
