INDUSTRY UNITS PLAN TO MAKE

ICE CREAM At their recent meeting held on Nov. 10, it was disclosed by the Tndustry Dept. . that manufacturing of ice cream is to commence in a short time; that this is to be done through "the coordination of three units."

After conferring with Mr. Marshall, rep. of the Harold Brokerage co., the Industry Staff from Camps 1, 2, and 3 planned out their final points for production. The equipment, to be installed at unit 2, will be on contract basis with the H. Brokerage firm on royalty compensation.

An estimated speed of production is 50 gals. of ice cream per hour and done through the "dry mixture" process, it was declared.

The project will replace the present buying-method transacted by the Community Enterprise with the outside dairy and will cut ·down the cost of acthe item at quiring least 50%.

Suggestion has been brought before Joseph petta, chief steward, to serve ice cream to each mess hall. Further details concerning the menu will be presented to the Procurement Dept. for approval.

POSTON ARTS FIELD DISCUSSED

Isamu Noguchi, sculptor, who has been here since the first days of the Community's growth, left Thurs. night enroute to New York City on a month's "furlough".

Said Mr. Noguchi to the Press. "I have every expectation of coming back here in a month, unless some unforeseen development keeps me out. Until then, I wish to say 'Sayonara for a while' to all my friends in Poston.

"We begin to see that in spite of the drawbacks in lack of equip ment and material there are possibilities here, in certain fields at least, gre ter than that which is now possible on the cutside, such for example in study and art," Mr. Noguchi continued. "The very limitations here have driven the people to seek materials in the distant hills for iron wood, petrified wood, mesquite, and so forth. The recent exhibitions of the Fairs at 1 and 3 have opened the eyes of many people that we alreedy have been here in Poston the basis of handicraft and a folk art.

"There is already talk of a-rranging for exhibitions of our productions on the outside. The next phase of development will probably be the use of clay, of which ther is an unlimited quan tity in the surrounding foothills. this spicy vegetable in the Rec. I would urge all interested to ap area opposite the General Hospital ply themselves to this with the idea that as soon as the ceramic and chinaware devolopment which supply our kit hens with more attractive dinnerware, and eventually be a source of income and from the outside," Mr. Noguchi concluded.

OPPORTUNITIES MANY IN PUBLIC SCHOOLS SAYS MOLAREN IN TALK BEFORE DIVISION LEADERS THURSDAY

School Principal Announces Various Program to Be Inducted In Poston Two

"There are still opportunities in the public schools for interested and qualified instructors," said Dallas McLaren, principal of Poston Two Schools, in his talk before the division head leaders Thursday morning in the personnel mess hall.

Apprentice teachers for assistance in each grade who can qualify for substitution in case of emergency is desired. The Employment Bureau has been asked check applicants who hold college degrees and may be interested in

teaching.

Physical examination for school children will begin by November 24, it was announced. An inception of school hygenics and a health officer to watch health program of the students were among the plans being education The physical program is behind schedule, but department is making plans and the idea has not been entirely given up, McLaren stated.

"Sanitation of school is not up to standards which is certainnot conducive to cleanliness, neatness and order in the schoolrooms, offices, libraries and on the school campus," the principal The campus is the largest block in the unit and most thick-

ly populated.

Opposition through misunderstanding has made it necessary to withdraw plans for primary children's lunch program, but the idea is not entirely hopeless, Mr. Mc-Laren said. A trial was started home economics class with by the the cooperation of the 210 kitchen staff which proved successful. Nutrition of younger school children is important and children's supervised lunch hour may be launched soon.
