NO. 5

FAIR PRACTICE REPRESENTATIVES MEET TODAY AT UNIT I

Some 60 Fair Practice Rep. recently elected at the F.P. Committee meetings, will hold their initial gathering called by the Works Projects Comm. of Unit I Council, today in the Conference Room, Ad.3, beginning at 1:30 p.m.

Now in its final stage of organization, the F.P. will select seven members, and one chairman to represent the group before all future meetings.

"It is highly important that all chosen representatives attend this meeting," A. Sugimoto, spokesman for the Works Project Comm said.

ATTENTION: RED CROSS GRADUATES!

Certificates for Life Guard, Water Safety Instructors' courses have been received by the local Red Cross Chapter, and all who took their examinations and passed it; are requested to report to Rec.30, for their diploma.

"ENORMOUS POSSIBILITIES FOR NISEI POLICE," SAYS MILLER

"It is to be hoped that the Poston Police Training Academy will be opened on Monday, Nov. 30th," stated Ernest L. Miller, Chief of Internal Security, yesterday. "The opening will depend entirely on whether Carl Puterbaugh of the Unit II construction department completes the Academy building by that time."

"REPORT YOUR CHANGE OF ADDRESS IMMEDIATELY," POST OFFICE REQUEST

Former evacuees of Santa Anita Assembly Center are requested immediately to notify their publishers and correspondents of their change in address.

Due to the tremendous amount of mail handled at S.A. Post Office, most of the second class matter will "take time" to be forwarded to the addressee immediately.

Poston policemen will be offered a comprehensive course for four weeks in every phase of police work. According to Chief Miller the training is designed to give the trainees an opportunity to learn every possible phase of policing along professional standards, so that Poston police will be equipped to go into professional law and order work after this war."

MANZANAR EVACUEE DIES

Dr. T.G. Ishimaru, Council chairman, received a telegram yesterday from Manzanar, which disclosed "Mrs. Shiino of that Center passed away on Nov. 12," "The announcement is here by made."

Asked as to the possibilities of American citizens of Japanese extraction gaining such employment in the post-war period, Chief Miller answered, "There's enormous possibilities! There is a great lack of trained policemen even today. After the war, there will be even a greater demand for trained officers because of the feeling instigated by the war. To maintain law and order, thousands of trained police will be required in every country to maintain that peace."

C.E. "EXPLAINS CLOTHING FUND

To clarify section A and when WRA issues in the recent Profit & Loss Statement distributed to the Blk. councils, issued by the Community Enterprise, Roy Yoshida, public relations man, this morning declared that the present fund set aside for clothing allowance is only temporary (a contingent liability),

and when WRA issues the compensation, it will be place into the Surplus fund. "In other words, "Yoshida asserted, "we are setting this amount aside just "in case," the Project is unable to claim clothing allowance from the Government entitled to people in Poston.

NOVEMBER THIRTEENTH

"All permanent passes will be cancelled and new passes will be issued, from Monday, announced W.Wade Head, Proj. Dir. yesterday morning.

## "LET'S NOT BE THAT WAY!"

The Truck Crop div., after a "fruitless" request to the public for their cooperation in not obtaining any vegetable grown on the fields located in the Fire Break areas between the Blks. today find themselves in a very difficult position in getting enough produce to meet the quota for each and all mess halls.

"We have asked the people to keep out of the vegetable patches, but it appears futile now since our request has been wholly ignored by some persons who insist on stealing them," related Harvey Suzuki, head of the Dept.

"It may be necessary to change our location, though at the present time the large site in the outskirt of the Center will not be ready for planting for a considerable time as yet.

"This leaves us no alternative but to produce vegetables where they are now found. But equal distribution from now on, to each mess hall, will largely depend on the attitude of the Community to cooperate.

"Let's be fair with everybody--since the loss of crop means the shortage in the kitchen," Mr. Suzuki concluded.

In the recent picking of cucumbers it was discovered, only 200 lug boxes were filled, whereas the Div. expected at least a 1000 boxes from the patch.

## RECORD SET IN COTTON PICKING

Setting a new high for a single day's cotton picking, harvesting crews from Blk. 39 and 42, Poston I, on Armistice Day gathered approximately 9,000lbs. in the fields adjacent to the Indian Trading Post. Checks for the day's yield totaled approximately \$250 and will be devoted to the particular Blk. Fund.

Meantime, there were no definite indications from Lt. Gen. J. L. DeWitt that his order rescinding picking of cotton in Military Zone No. 1 would be modified to permit further harvesting of the Parker cotton crop. Deadline for the effectiveness of the rescinding order was midnight Thurs.

LOST: brass sounding rod---seven feet long, near adobe plant I last Saturday. Return to Engineering Dept. (Old Hospital Annex)

## BIRTH NOTICE

To Mr. & Mrs. Satoru Nishimura, 35-10-A, a girl, Nov. 12.

## WHAT'S BUZZIN' FOR TODAY

Seventh Day Adventist meeting, Rec. 19, 9-10:30 a.m.  
Glee Club, Rec. 44, 7:30 p.m.  
Quad "B" Party, Mess 27, 8 p.m.  
Fair Practice Rep. Meet. 1:30 in Conference Room of Ad. 3.

## NEW CANTEEN OPENS MONDAY

Poston--once a barren desert--again makes another step in Community progress with an opening of the New Canteen, located on the East side of the old Store.

The new Canteen, while it may not have an appearance of Hollywood-Wilshire, will still be the most modern in Poston, with a "local Department" built on a smaller scale.

In the Store will include a Drug Store; a Shoe shop; a Dry Goods; and a Baby shop. Special "Customers Service" Dept. is also established.

Fred Ota, gen'l mgr. of the Community Enterprise declared today. "With a tremendous stock of almost \$18,000, this store symbolizes the splendid cooperation and support given us by the people of Poston in the recent months.

"We also appreciate the marvelous work and plans submitted by the following: Floor plans by Rice Stix of St. Louis, Mo.; Construction by Roy Anderson and his crew, with Mr. Sugita, foreman; and Electric wiring by Dick Bowman and his crew, with Mr. Uyechi, foreman."

## "BEAU GESTE" WILL HAVE TO WAIT

"Castle in the Desert", starring Irene Whelan and Sidney Toller and short subjects will be shown here, commencing Mon., Nov. 16, in place of "Beau Geste".

Following is the schedule for the week: Mon., Blk. 4 Stage; Tues., Blk. 59; Wed., Camp 2; Thurs., Blk. 18; Fri., Camp 3.

## COUNCILMAN TO LEAVE SOON

The resignation of Kay Nishimura of Blk. 26, who anticipates going out of this center, was accepted by the Council of Poston I at the meeting of Nov. 11, according to word received by the Press.

WORKERS RETURN TO HOME IN POSTON 2

Of the motley crew of 50 who left for Franklin County, Idaho last September 23rd, eleven returned to their homes in Poston II. Met at the Parker station, Nov. 10th by James D. Crawford, Unit II Administrator, and John Maeno were Joe Higashi, Ray Matsushita, Jim Ariki, Tom Yamamoto Takeo Toguchi, Minoru Onishi, Myji Onishi, Yasutada Hasegawa, Tadao Kimura, S. Katashima and Isaac Jo.

The remainder of the original group accepted positions in other points in Idaho and Myssa, Oregon.

WATER ..... AT LONG LAST

The most anticipated news expected was announced by the Pump Engineer of the Fairbanks Morse Company of Los Angeles yesterday.

Water shortage will be eliminated here through the installation of the gears and a new 15-foot shaft which replaces the sprung shaft, making the whole unit new.

The Engineer reported that since this is his third trip to inspect the repairs and to personally supervise the work the residents will be assured of ample water supply.

EIGHT MEN FOOTBALL ADOPTED

At the football managers' meeting Thursday night, 11-men football was scrapped in favor of 8-men teams. 8-men football was adopted to insure a speedier game and to allow more blocks to join the league.

Important revision of rules included the "no cleats" edict and an 80-yd. and 40 yd. playing field.

For the B league, the age limit was raised from 16-18 to 16-19.

ALL STAR TEAMS TANGLE  
AMERICANS DEFEAT NATIONALS

In the old men's All-Star league team bowed to the American "B" Leaguers, 6-5, in a tight game.

The game was thrill-packed with neither team able to take a commanding lead. Both teams were tied at 4 all going into the last inning. The Americans scored twice while holding the Nationals to 1 run in their half of the last to take the ball game.

CATHOLIC MASS

7:00 a.m. Catholic Mass, Father Clements conducting at the Maryknoll Mission, 222-9-A.

Every third Sunday, the mass will be held at 7:00 a.m. and on other Sundays, the mass will take place at 11:00 a.m.

POSTON TWO STUDENTS HOLD  
SUCCESSFUL PEP RALLY THURSDAY  
AT COTTONWOOD BOWL

Starting off the school activities for the year with a bang was the Pep Rally sponsored by the class of '44. Starting off the fireworks were two movies shown by Mr. Nelson, Exec. Assistant. This was followed by the rhythms of Tom Masamori and the Harmony Hall Orchestra with vocals by Haruko Yamamoto and Sachi Endo. Master of Ceremonies George Obana tested the musical mentality of the classes in amuseical quiz, which the Juniors won with a perfect score. The Seniors and frosh tied for second place and the Sophs came last with no score. Leading the enthusiastic propsters in their songs and yells were Sachiye Mizuki and Esther W.amura, yell leaders for the class of '44.

Lending a solemn note to the riotous festivities were the excellent speeches delivered by John Maeno of the Legal Dept. and Itsumi Oita who represented the Student Body. The program was brought to an end with the closing theme of the Harmony Hall Orchestra.

# BOOKS, CHAIRS FOR SCHOOL ARRIVE

The second shipment of books for elementary classes arrived on Thursday, it was reported by principal Chester Potts of the Poston III schools. 240 chairs for high school chore classes were recently installed. The amount was unit 3's share of the 1,000 which came to Poston in the first shipment.

Six thousand more chairs have been ordered, it was stated.

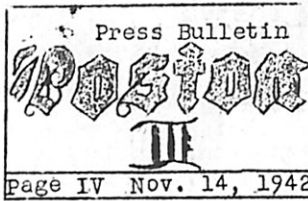

The 324 recreation hall will be used as the school study room next Monday, according to Mr. Potts. Also, Physical Education classes will probably open within a couple of weeks if basketball backboards and other necessary equipment can be obtained by that time.

Other plans called for the use of sand on the school site to keep down the dust on the playground.

Teachers are now visiting parents of the students in order to report progresses being made and to discuss problems faced at the school.

# WORLD KNOWN HEALTH CONSULTANT SPEAKS TO P.T.A.

Sally Lucas Jean, world-known consultant in Health Education spoke before a large crowd of interested parents and teachers at a P.T.A. meeting Thursday evening. In her inspiring speech Miss Jean told of her visit in Tokyo with Dr. Saiki, well-known scientist, who discovered the cause of Beri-beri. She commended the mothers and teachers here on their excellent work on the children's lunchroom and added that Poston I and II have still to follow Poston III's example.

# DEAR EDITOR:

Now that softball is over and winter is here, football seems to be the major sport here. Some of the blocks already have 9 man teams and have played some games already. We have heard rumors that P.C.3A. has said, "this 9 man football league is too rough the way it is being played and that six man football ought to be substituted for it." Well, to us it seems credit ought to go to these boys for having enough initiative to start playing on their own. What we would like to know is; What have you done? The football season is half over and yet there is no league sanctioned by the P.C.3A., and furthermore if these games being played now are too rough, why not send a few P.C.3A. officials out to the games? Then, maybe the games will run more smoothly.

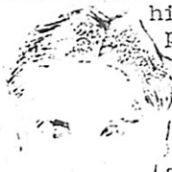

--BYSTANDER--

# BRING A FRIEND ON SUNDAY

## SHAMROCKS AND ORANGE COUNTY VIE FOR DOUBLE "A" HONORS TOMORROW

GRANDPAS IN LEAGUE'S  
 CLOSING MOMENTS; SEMI-  
 FINALS SUNDAY

The semi-finals for the "oyaji's" Championship unravel this Sun. morning, Nov. 15 when champs of the Southern League, Blk. 35 meets the Blk. 18 men of old' on Fld. 35.

Blk. 3, Northern League winner will play the Blk. 39's at Fld. 21 also for the coveted title.

### SOUTHERN LEAGUE (Final)

TEAM	W	L
Blk. 35	4	0
Blk. 39	3	1
Blk. 37	2	2
Blk. 54	1	3
Blk. 45	0	4

### NORTHERN LEAGUE (Final)

TEAM	W	L
Blk. 3	3	0
Blk. 18	2	1
Blk. 27	1	2
Blk. 23	0	3

### ESDEES WIN !

Kiwoko Kushino's Esdees trounced the Tosserettes by the score of 15-5, 15-2. Better teamwork gave the decisive victory to the Crickettes over Chickadees. In a close game, Buckaneers, lost to Bomberettes by score of 16-14, 15-10.

In the Junior League, Jr. Postonettes won over Jr. Diverettes while Gila Monster continued as a cellar team by losing their game to Jr. Bomberettes 4-15, 15-5, 16-14.

### GEORGE NISHIKAWA RIVALVS HITOSHI NITTA IN CLASSIC HURLING DUEL

A record crowd of softball enthusiasts is anticipated to be on hand tomorrow morning on Firemen's Ball Park to witness Poston's two top-ranking aggregation; the stalwart Shamrocks from Unit II and the potent Orange County nine contending in what should prove a "battle royal" for the title, "Champion of Champions."

### OCEANSIDE, FIREMEN I IN "A" CROWN TUSSLE

With king baseball practically dead, Oceanside and Firemen I will face each other this coming Sun. Morning for the single "A" crown in the first game of the twin bill on Firemen's Ball Park.

Oceanside, fresh from whipping the once undefeated Blk. 21 "Blackjacks" of the International, will get their supreme test when they tangle with the "Firebugs". The Firemen have yet to be beaten as they have swept the American League with 7 straight wins.

### LOWLY 325 "OJISANS" UPSET 317, 8 - 6

The surprising 325 "Ojisans" scored 9 runs on 4 hits in the first inning to eke out a close decision over the 317 Old Timers in a four inning tussle held at the 325 field Thurs. night.

Wk. Ichiyama, 3 2 5 chucker, pitched a good ball game as he held the hard hitting 317 team to 4 hits. Ichiyama won his own ball game when he hit a homer with the bags loaded in the big first inning. H. Ooka hit a homer and R. Hiratsuka hit a triple for 317.

After the Shamrock's striking 17 to 0 white washing dealt the Volunteers, Poston III's title holders, of a week ago, it would only be natural to grant our Orange County a fair premonition as to what to expect tomorrow. And Hitoshi Nitta, who has taken over mound chores for brother Min, will have to be at his very best to give the highly touted George Nishikawa, Mas Yamamoto, and N. Nishi & Co. any form of a "run for their money". Nishikawa went through the current season with an unblemished slate of 12 wins. In those twelve games he has a strike-out record totaling 113 K's. Last week he shutout the Volunteers, allowing but one hit and whiffing out 13 batters.

But to be equitable to the Shamrocks, Orange County has several "aces" up their sleeve which should be uncovered. Kaz Sato, Ray Furuta, and the Ezaki brothers comprise the classy infield combination which has been the bulwark and mainstay of the O.C. nine.

All in all this super spectacle surpasses all other softball battles in Poston, and winds up the current softball season. Game starts at 9:30 a.m.
