An appointment of
LeRoy H. Bennett of
Berkeley, Calif., as Pro
Dir. of the Gila River

was disclosed in San
Francisco last week by
the Regional Dir., E.
R. Fryer.

"The 'Poston Distur-

ment, was the topic of
a speech delivered to
a High School group, by
Ted. Haas, Proj. Attor-
ney, yesterday.

Mr. Haas expressed
his views on how the
Press can effect the
public. He asserted,
"The newspapers do not
always give the true
picture to the people"
and added, "The L. A.
Times, Dec. 11 issue,
had an article concern-
ing the Manzanar riot,
has a good reason for
evacuating of Japanese
ancestry, from the Pa-
cific coast."

As a result of their
recent meeting with T.
Holland, Empl. Div.
of WRA, Mr. Haas re-
lated to the audience
that "outside" employ-
ment has somewhat be-
come difficult due to
such developments.

PENGUINS ANNIHILATE

219 RATTLERS 64-18

Throwing the Rattlers into an utter rout, the free wheeling Penguins from 211 unmercifully poured it on to win by a boxcar 64-18 score.

Displaying sloppy ball handling and inaccurate shooting, the Rattlers were no match for clever Penguins as their forward wall combine of Nakazaki, Inagi, Kadani raced through a weak Rattler defense to give the 219 basket no rest as they poured the points through.

With the first half ending 33-8 in 211 favor, the Penguins again took up the point chase in the second half to win by 46 points.

AN APPEAL IS MADE FOR STOVES

Winter has set in on Poston, and because of it, students are finding it more difficult everyday to study on these cold mornings. Instead of their minds being on their lessons the students' thoughts are on their cold feet and hands.

School has been disrupted many times this past week, because of the cold and lack of heat in the classrooms. At least one period of each day is spent standing around the fires.

We sincerely hope that a great effort is being made to have stoves in our classrooms soon.

F. F. A. TRIMS SENIOR GIRLS
