INTERNED ALIENS MAY BE GRANTED REHEARING FOR RELEASE

According to information received by the Unit II Legal Department, interned aliens are now eligible for a rehearing. The application may be made either by the internee himself, a member of his family or an interested person.

An application may be filed where it is believed that an internee's background indicating his loyalty to this country was not fully presented at his hearing or new and substantial evidence is now available for consideration by the Alien Enemy Hearing Board.
