

## TRAVELING EXPENSE GRANTED SOLDIER'S FAMILY

Wives and children of soldiers in the United States Army leaving Poston may receive cash grants to meet early living and transportation expenses, it was learned today. Grants are available if indefinite leave has been issued the family, regardless of whether any member is planning to work outside the center.

The maximum grant made by WRA covers coach fare, plus \$50 for the head of the group going out, and a maximum of \$50 for two or more dependents.

To be eligible for a cash grant, an evacuee must be in need of financial assistance in order to reach his destination and to cover initial living expenses. Applications are received at the project leave office and should be accompanied by a statement showing cash on hand and income for the last six months.

To receive this aid, it is not necessary for the whole family to leave the project together, but only one person in the same family may receive the \$50 allowance for living expenses. The other members, up to two, may receive a maximum of \$25 apiece.

The policy of extending cash grant allowances to soldiers' dependents regardless of whether they are leaving to accept employment is in line with the commitment made during the registration period that WRA would make all families of soldiers special cases of interest, including

## CHRISTMAS IN JULY

A.R.C. Water Safety Instructors and Senior Life Guards consisted of ex-Oregon State diving champion, ex-Bakersfield free-style champion, ex-San Diego breast-stroke star, etc. must have hearts of a Santa Claus. One glance at the 21 pool will suffice in conviction on this point.

The whole thing is a crystalization of their winter months ambition to build a safe bathing place for the Poston residents this coming summer while the volunteer workers are busy at adobe school project.

At present they are hiking down to the River to cut down enough willow-logs for an early completion of a large canopy shade.

Captain Tetsuo Sakamoto, seided by Teru Shimada, former director and builder of the Drama Guild, in coordinating ideas with no budget but meager materials into the actual construction, which is beyond the scope of Life Guard duty, certainly deserves credit together with Jim Sakuma, Ken Shiosaki, Chester Sugimoto, Masaru Doi, Vincent Uyeda, Morizo Tanouye, Toshiya Akahori, and Jim Suzui for this rare and admirable contribution to our community.

To alleviate the acute manpower shortage now existing in several vital departments namely the Medical, Fire Dept., and Subsistence warehouse, the TCC met Thursday afternoon in an emergency meeting to receive reports from councilmen upon results of meeting held in their respective blocks on the previous night.

As the result of the council's efforts however, 8 men for the warehouse and 6 for the fire department were recruited, but this was far from the quota needed for the two departments.

In the fire department alone, it was revealed, twenty five men are required to replace those who have volunteered or are leaving for outside employment.

The serious shortage of medical men caused by the recent army edict calling for doctors in the Nisei combat teams was pointed out as being a peril to the security of the community and every effort is being made to retain others from leaving the centers for outside employment.

CARDS DOWN 22 1/2

ZEROS 24-19

Unit I Cardinal, runner up of the Midget League, downed the Unit II 228 Zeros Wednesday night on court 22 in an exciting rough and tumble game with a score of 24-19.

The Cards took a decided lead during the first quarter, with 2 shots made by Carl Hanaoka and 2 gratis throw by Yuk Kitsuse, with the only come back by the Zeros was a shot by Yagi and a free toss by Sonoda, ending the quarter 6-3.

Second quarter was just a rough, sloppy tossing of the ball around, the only digit being made by Sonoda of Zeros to bring score up 6-3 with the Cards nervously ahead.

Third quarter brought the boys back quite cool, the Zeros settled down to make three run away set up shots by Yagi, Imoto, and Yoshimoto, with only "Soup" Onoda and Carl Hanaoka sinking shots for the Cards, putting the Zero ahead with 2 points.

Boys came back in the last session with another rough spree. Players were sliding around on the court, taking spills, slugging and blocking, plus the bad ball handling and dribbling made the game exciting but sloppy.

Soup Onoda got hot by making a side line shot and a free toss, then Tak Kikuchi running through twice to make two set up shots, and a long shot by Kinjo brought the Cards well ahead. Zeros fought back desperately, Sonoda and Yagi making one apiece; but Saito of Cards receive and making two free shots and ended the game, 24-19.

The high point man of the game was B. Yagi of Zero with 8 points, followed by Soup Onoda, Tak Kikuchi and Carl Hanaoka of Cards sharing runner up honor with 6 points apiece.

EAGLES CRUSH  
GLOBETROTTERS

Led by the forward wall of K. Nakagawa, N. Honda, and K. Uyeji, who scored 18, 16, 18 digits respectively, the 322 Eagles easily routed the 308 Globetrotters 52-26 in a "B" league tilt Wednesday night on the 308 court.

The first half was fairly even with the Eagles ahead by a scant 3 point 14-11 margin but in the second half, the Eagles just ran roughshod over the hapless "Trotters" to make the game into a rout. H. Uchida paced the losers with 10 points.

318 CASABA  
LEAGUE RESULTS

The Lopez quintet emerged on top in the first round of Basketball League of 318 with a perfect record of 3 wins and no defeats, followed by the Pachuke with 1 loss and 2 wins.

## GIRLS SOFTBALL

## SIGN UP

Girls are asked by the Athletic Department to sign up their team members at Rec. 309 by May 1st, Saturday. It does not necessary have to be a block team. Softball league is scheduled to start sometime in May.

## GIRLS' SPORTS

The Unit I Girls' "A" Team won for the first time against the Unit III teams at court 22 last Wed. night. With fast handling of the ball the Block 44 team won 17-15 against the Zephyrettes from Unit III. The Block 44 team placed 3rd in the league with 3 teams tied for 2nd before them. The Zephyrettes are near the bottom of their league.

D. Mori of the 44 team was high scorer with 12 points.

The Pantherettes took the Californians of Unit III 19-16 in a fairly rough game. The highest score was made by F. Sadamune of the Pantherettes with 9 points. She made her fourth foul just before the timer's whistle ended the game. Two others had been given warnings with 3 fouls against them. The Pantherettes and Californians are both tied for second place in their respective leagues.

The 2 previous games between "A" league teams of I and III had resulted in a victory for Unit III both times. The games were between Argoettes and Esdees, Hollywood Star and Manjiettes.

MIDGETS TOP  
GLOBETROTTERS

In a low scoring "B" league tilt, the Camy "4" Midgets defeated the 308 Globetrotter 17-12 Thursday night on the 308 court.

Midgets jumped into an early lead and led 8-5 at the half time period and more than doubled their first half score to win handsily.

## 米國徴兵制度改革

### 二世にも徴兵制度復歸か？

米國徴兵制度の実施に最近大改革が行はれ、日系市民にも徴兵義務の復歸されるのが遠くない機運を示すに至つたが、新方針に依ると十八歳より廿七歳までの健康な男子は次の三項の例外を除いて今年中に召集されるものと見做されてゐる。

子供のある者は独身者が召集されて了ふまでは残されるであらうが、半年来すでに軍隊を八十歳に増加するので七月迄には子供のある者も全部召集されるものと見られてゐる。

結局所内の徴兵関係の二世は個人の事情にも依るが次の頂の何れかを避けねばならぬであらう。

## GEORGE OBANA AND TAKAKO YAGI CHOSEN TO CO-EDIT YEARBOOK

At the Yearbook Committee Meeting held last Wednesday morning, popular George Obana, Junior and Takako Yagi, Senior, were elected to co-edit the first Yearbook to be published by Poston Two High School. Mae Tsukamoto, was chosen to fill the position of Business Manager with Mary Elizabeth Tada as her assistant; Satoko Suehiro, Art Editor and Gene Nakata in charge of Publicity.

These students were chosen from and by a group of students interested in the promotion of a school annual and were given full, authoritative power by the Student Body Council to select the Co-Editors and Business Manager and staff, since it would take too much time in holding a Student Body election and also since there is a deadline to be met on the work.

The size of the Annual will be 7 1/2" X 8" with 28 pages. The cost will be approximately 100 cents. It was announced that Seniors would have individual pictures in the annual. People who have had experience on Annuals or yearbooks or those who would like to be on the Staff are asked to come to the next meeting since the Art, Business, and Photography staffs are yet to be chosen, announced Mr. Kanai, Advisor to the Staff.
