

2,542 LEFT POSTON SINCE FEBRUARY

Frank Sugiura, head of the Population Bureau, reported today that the number of people in Poston, as of July 1, was 15,672, still the highest of any project, but a reduction of 2,542 since February 1.

More than half of the evacuees who left during the five months period have gone out on indefinite leave. At the first of this month, indefinite leaves totaled 1334, group leaves 1103; and short term leaves, 105.

In relation to other projects, Poston was second to Minidoka in the number of residents who have relocated, according to latest statistics available. However, in percentage, Poston was about fifth.

SERVICE FLAG TO BE DISPLAYED

Following the footsteps of many of the outside cities, Poston has begun a survey to determine the number of Niseis that are in the armed forces of this country for a service flag which will be displayed in the Administration building, according to a memorandum sent to the Unit I Council from City Manager K. Kuroiwa, last Wednesday.

The block managers of the 36 blocks in Unit I will canvass their respective blocks for the number of men in the armed forces. In case the Blk. Mgr. has not contacted the family who has a son or brother in service, the family is asked to contact the Blk. Mgr.

SONODA REPLACES MIZUSAWA AS AG. HEAD

With the resignation of Frank Mizusawa, dept. head, on July 6, Thomas Sonoda, formerly of Imperial Valley, was selected to fill the vacancy was announced at yesterday's meeting held at Rec. 37.

Frank Otsuka and M. Yano were selected by the dept. and approved by the project director as members of the executive board, who will assist Thomas Sonoda.

TWO CREWS ON INSECT CONTROL

The continued influx of mosquitoes during the past week became noticeable to the extent where more adequate steps are required to exterminate the insects as soon as possible, stated the Public Health Dept., today.

The crew for spraying the pools through out the center has been increased, with two separate crews working daily. The dept. urgently requested that residents refrain from repairing spray equipment and the spray tanks which are located at the sewerage disposal plant. The equipment are very difficult to replace, therefore in order to control the mosquitoes, this request must be carried by the residents, in view of the fact that malaria carrying species mosquitoes are existing here.

It was disclosed that every possible means of utilizing workers for the essential construction work in order to provide sufficient water to cultivate the subjugated area was discussed.

Frank Mizusawa, who has held the position as Supervisor of Agriculture of Unit 1, for the past fourteen months is contemplating for outside employment in the near future, it was disclosed by the dept. He is at the present time convalescing at the Poston General Hospital. Frank Mizusawa, formerly of Venice, where he attended Venice High, later attending the University of California, where he received his B.A. and B.S. degrees.

It was stated by Homer Mathiesen, Agr. Administrator, that Frank Mizusawa wishes to thank all the dept. heads for their untiring cooperation during his position in the office and request their continued cooperation to the new dept. head.
