

PRIZE FISH REGISTERED AT UNIT I

What a whopper!

Y. Onodera veteran fisherman of Blk. 15-5-D, cinched first and second places to date in the bass division of the Fishing Contest in Camp I when he registered his prize catch, a 3½ pounder last Monday morning. His catch measured 18 inches in length.

He also registered a 2½ pound 17 inch bass at the same time. His previous catch entered on record at the canteen weighed 3½ pounds measuring 18½ inches to place second in the race.

In the carp division Y. Takahashi of Blk. 21 12-B is leading the (Cont. on Page 2)

SCHOOLS SEEK ACCREDITATION

Since the WRA takes complete control of Poston from January 1st, 1944, the Poston Education Department will no longer be able to depend upon the Indian Service for accreditation of its schools, according to Dr. A.L. Harris, director of education. Negotiations are now under way for accreditations by the State of Arizona and by the North Central Association of Colleges.

One of the basis of accreditation is the adequacy of the school plant and equipment for

classes. The high schools in Poston II and III probably stand a better chance of accreditation by the North Central Association of Colleges than Poston I school since their new buildings will provide for installation of new equipment in science, home economics, and vocational shop work, etc.

Poston I senior high has a more favorable chance than last year, but the elementary school buildings do not provide for equipment space needed for many high school classes.

Therefore, it is to be hoped that construction on the new high school buildings will proceed as rapidly as possible.

AMBULANCE NEED IN 3 DISCLOSED

The attention of the Community Council have been called by T. Kishizue, Dispatcher of Unit III Clinic, to the fact that only an old Chevrolet ambulance is available to the clinic which is very unsatisfactory in transporting the patients, especially expectant mothers and appendicitis cases on a long haul to Camp I Base Hospital.

Also with doctors not being available for Unit III at all times in the case of emergency, life and health of patients may be impaired without at least two ambulances available for this unit.

FIRE DEPT. SAYS TOO MANY BONFIRES

"Too many bonfires," says the man at the Fire Dept. "You gotta cut it out, you all got stoves."

Anyway, it has been noted that there has been a lot of wood being carted into the blocks lately and that there have been many fires being burned in the early mornings and evenings.

The Fire Dept. respectfully but firmly requests the discontinuance of these fires. So the flames are pretty. So the fire's warm. So what...so you gotta cut it out.

This means you and your brother, and the Fire Dept. means business.

UNIT III LAW DEPT. HANDLES 1777 MATTERS

Ted. Haas, project attorney, reports that between Oct. 1, 1942 and Oct. 1, 1943, the law division in Unit III under the supervision of Kay Hanada, notary public, handled 1777 matters.

These matters included everything from alien rehearing, claims due and against evacuees, insurance, wills and frozen bank accounts to fish and game laws, income tax, stocks and bonds, divorce, priorities, changes and corrections in birth certificate names, notarizations and a ll sorts of other affidavits.

YMCA SPEAKER

Thomas Masuda, member of the Legal Dept. will speak at the YMCA meeting Wednesday evening at the Relocation Reading Room.

EDITORIAL:

WHAT ARE WE WAITING FOR?

Segregation is over. Those who felt they would be happier following the ways of Japan have made known their choice and are now at Tule Lake.

School has begun. Work of getting the youngsters ready for another term of study is finished.

Withdrawal of the Indian Service from the management of the project has been announced, and those ever-recurring rumors that the center is to be closed have been set at rest by the director's announcement that no such move is planned.

It looks like it might be a good time to sit back and relax, doesn't it?

No other course could be as dangerous!

To relax supinely within the center is to invite stagnation...a paralysis of our ability to think and act for ourselves. It is an invitation to an old age dependent upon someone else--either the largesse of government with its accompanying supervision of personal activity, or some kindly and more aggressive friend or family member.

It also is an admission that we haven't the intestinal fortitude it takes to go out and take our place in the world. In other words, we haven't got what it takes.

Sure we had a jolt when we had to give up our homes, our plans and our normal activities. No one denies that. But what about the ten million men and women in the armed services? They had to give up all their plans, their homes, their activities too, and their lives are far more restricted than ours. Then, too, their lives are in danger, always. Ours are protected.

Then let's "get off the dime" and get started on the road back to normal living?

The trail is blazed for us. The signposts are marked "Relocation Supervisor", and they point the way to jobs in the Midwest which has always been the actual stronghold of true democracy, or in other friendly areas.

Back on a job of our own, with our feet once more under our own table, life will take on a deeper, sweeter meaning than it can ever have in any center.

Then, WHAT are we waiting for? F.B.B.

**TRACTOR DRIVERS
WANTED AT UNIT III**

Two heavy tractor drivers are urgently needed by the Unit III ag. Dept., disclosed Shig Uota. This is a full-time job and persons interested are asked to contact 310-4-A as soon as possible.

**TRANSLATION CLASS
SCHEDULES RELEASED**

Mrs. K. Kozeni, Adult Education Supervisor wishes to announce the following schedule for the Japanese Translation classes: Mon. 7:30-9 p.m. at 210 Mess Hall. Thurs. 7:30-9 p.m. in Quad 5.

**HALLOWEEN SOCIAL
TO BE SPONSORED**

Here it is, the big affair everyone has been waiting for--A HALLOWEEN SOCIAL!!!

This "come as you are" party which includes an evening of games, entertainments, social, and everything you should enjoy will be sponsored by the Boston III YBA on Saturday nite, October 30, 1943 starting at 8:00 P.M. sharp at the 310 mess hall.

All Busseis interested must contact their respective block directors or the 310 Buddhist Church Office to register and pay their 20¢ for entrance to this evening of fun before Friday, October 29th.

PRIZE CATCH

(Cont. From Page 1)
field with a 6 pounder. J. Shigemura, Blk. 12 resident is in second place with a 5.2 pound catch.

According to the contest officials, only four days remain open for the contest which closes Oct. 30.

**PICTURES OF RELOCATEES
ON DISPLAY AT UNIT II**

For the benefit of persons interested in relocating, 25 large 10" x 25" photographs of various relocatees who are working in the states of Illinois are posted in the Unit II Employ. Office. These photographs which will be on display for 10 days includes relocatees and various phases of living, such as working on the farm, defense factories and in public offices.

POSTON CHRONICLE

WEDNESDAY - OCTOBER 27, 1943

TRANSPORTATION RALLY TIE ONE RUN SHORT

In what appeared to be a run away game for the Dukes as they dented home plate six times in the first two innings, turned out to be a close game decided by a one run margin. The Transportation nine put on a desperate last inning rally to score five runs but fell short when chucker C. Nakamura grounded out to the mound with the tying and winning runs on third and second respectively.

Nob "Schoolboy" Itami, who was the winning hurler, opened on the hill for the Dukes and pitched beautiful ball, allowing one hit and facing only seven men during his three inning tenure on the hill. In the meantime the Dukes opened up their heavy artillery on G. Miyamoto, who was the losing hurler, to score one run on two hits in the opening inning and then tacked on five more in the second can to on four hits to go into a quick 6-0 lead. The Dukes added another digit in the sixth to make the score 7-0.

After being handed nothing but goose eggs by Itami and M.Y. no, who took over from the fourth, for six innings the visitors dented home plate in the seventh and eighth for a trio of markers by getting to T. Yabaguchi, who took over from the eighth to make the

TEH AHGES FEED BLACKBIRDS FOR TITLE 7-6 IN OVERTIME

Ending the regular season in a tie the Teh Ahges edged the Blackbirds 7-6 in a thrilling game as yours truly would care to see.

With Morinichi and Nakamura both pitching brilliant ball the Blackbirds appeared to have the game in the bag as they went into the sixth with a 3-0 lead as result of a run in the third and another in the fifth.

The run in the third resulted from a walk to Kawashima who came around on an error, a walk and on a play at first. In the fifth the score became 3-0 when first sacker Maruya poled a terrific drive into center for a hard run.

The Teh Ahges came roaring back in their half of the sixth to dent home five times to go ahead 5-2. Morinichi momentarily lost control to walk three batters with an error on a double play ball sandwiched in between score 7-3.

Scoring two more in their half of the eighth off of Miyamoto's successor C. Nakamura, the Dukes ran the score to 7-5. M. Y. no again took over the hurling chore in the ninth and the visitors jumped on him for five markers, falling one run short with men on third and second.

Cincinnati	2	10

*Won play off.

to force in a run. Getting into the groove again he struck out the next two batters only to have Yamashiro drive a hard single into center to score two more markers and come around himself on a hit by H. Minami. With a 5-2 lead going into the last inning the Teh Ahges looked good as in only to have the never-say-die Blackbirds come back with four runs to go ahead 6-5.

Kawarami opened the inning with a triple and came home when H. Minami missed the throw. Ishida singled to left, Maruya and Kohatsu followed with successive doubles to tie the score. Kohatsu came home when Minami let Morinichi's grounder go between his legs. It looked again like the Blackbirds had the game in the bag only to have the Teh Ahges come back with a run on an error and out and a single to tie it at six all.

In the eighth the Blackbirds went down in order but the Teh Ahges scored before an out was made when chucker Nakamura walked, Yamashiro doubled and Kawarami bobbled J. Minami's hot grounder allowing Nakamura to score with the deciding tally.
