Delegates from the 3 unit kitchens were satisfied with the proceedings in the meeting held on November 29 which established

POPULATION INCREASE IN CENTER

Figures for November 29 indicate that there has been an increase of 463 in Poston's population since the October census was published, due to the return of those on seasonal leave. The housing division lists the present all-camp population as 13,605 on that date.

A breakdown into units gives Camp 1-7348; Camp 2-2817; and Camp 3-3440.

The October 31 figure was 13,142.

CHRISTMAS GIFT COMMITTEE NAMED

With Christmas holidays just around the corner, the Unit III Christian Church named a Christmas gift committee to distribute the presents, which will be received from the various outside churches and organizations according to the children and elderly bachelors or Unit III.

Representing the numerous departments are: H. Hanemoto, Buddhist Church; S. Yamashita, Catholic Church; Mrs. H. Furubayashi, P.T.A.; F. Cushman, Education; D. Okazaki, Block Managers; J. the quota of workers for each class of kitchens in this project, and they pledged 100% backing of the administration instructions.

Starting with the A kitchen, the maximum number of employees will be 32 persons, and will be one less in each of the following classes up to Class I.

BATTERY CABLES REMOVED FROM VEHICLES

The usefulness of a number of vehicles east of the garage have been destroyed with young lads removing the irreplaceable copper battery cables, according to Wim Watari, shop foreman.

Mr. Watari stated that these cables which are usable for the life of the vehicle are practically impossible to obtain due to wartime restrictions.

"These motors are not junks," said Mr. Watari, but are waiting for parts to arrive from the outside." It is believed these cables (cont. on page 2)

IDENTIFICATION NEEDED FOR ALL PETS

All pets, including dogs, cats and fowls, kept by residents of Unit II must have their pets registered at the Unit II Police Dept., stated Tom Kazaoka, police chief of Company B. at the weekly Blk. Mgrs'. Meeting.

Police Chief Kazaoka stressed that stray dogs without identification tags will be disposed of after two warnings and no claimants round.

TRANSLATION CLASSES STARTED BY ADULT ED.

Realizing the important role that bi-linguist will play in the post-war commercial work, the Adult Education Department announces the opening of an advanced Commercial Translation Class for Poston I residents.

Requirements for students to enroll in this class are: 18 years of age or over; sufficient knowledge of English; interest in language for occupational or vocational purposes, and better than average command of reading and writing in Japanese. Candidates will be selected by interviews with one representative of the Department and one of the Administration.

Classes will be held on Wednesday and Friday evenings, starting at 7:00 p.m. in Rec. Hall 4. Those interested should apply for an interview at the Adult Education office in Block 36 within this week.

TRANSLATORS SOUGHT

Edwin Ware Hullinger, assistant director and chief of operations for the foreign broadcast intelligence service was in the center last week from Tuesday to Friday interviewing applicants for positions as foreign translators with the Federal Communications Commission.

Enlargement of the Oriental coverage section in the foreign broadcast division has made more translators necessary, and the jobs are open to anyone, man or woman, issei or American citizen, with an excellent working knowledge of both Japanese and English.

Those accepted will probably be stationed in Portland and possibly in San Francisco, Mr. Hullinger said.

ESTHER OCHIAI LANDS JOB IN WASHINGTON

A wire received by Ed Nossoff, assistant relocation officer, said that Esther Ochiai, formerly a procurement office worker here, has been appointed as an economic geographer by the Tariff Commission in Washington, D.C., at a \$2,400 a year salary.

BASKETBALL DEADLINE DECEMBER 15

The PC2A wishes to announce that the basketball sign up deadline for Double Aye, Aye and Bee has been set for Dec. 15.

All teams wishing to enter any of the above mentioned leagues are requested to sign up at Rec. Hall 11.

OLD TIMERS TO BATTLE FOR JACKETS

The Old Timers who with creaking joints and aching muscles, have been battling each other for the past month or so in baseball will have a goal to shoot for commencing this Saturday and up to December 23 as the Community Activities has announced that the Community Enterprise has offered 12 jackets to the winning team.

The two teams that are to battle it out for the jackets on Jan. 2 will be chosen in the following way.

Commencing from this Saturday and up to Dec. 25 there will be five league games for each teams. The first two teams leading the league at that time will have honor of horrors de combat for the jackets. This means that the last two games of the first round and the first three games of the second round are the important games.

In a case of a tie for second place the team that was the victor in the regular league game will battle the top team.

Regardless of whether one or both teams are from Units I, II or III they will battle it out on some Unit I field. This is due to nothing going on in Unit I on Jan. 2.

After the battle for the jackets the teams will continue for two more weeks to finish out the second round.

Beginning with this Saturday all games will start at 2:30 P.M. instead of at 2 P.M. as before.

The game on Jan. 2 will begin at 10 A.M.
