

ALIEN MUST FILE REPORT OF TRADE-MARK

The office of the Alien Property Custodian on November 4, 1943 is sued General Order No. 16 requiring certain reports regarding interest of foreign nations in trade-marks and commercial prints and labels, under authority of the Trading with the Enemy Act, as amended, and Executive Order No. 9095, as amended, stated Project Attorney Theodore Haas.

Under this general order every person having or claiming any interest in any trade-mark whether or not registered in the United States Patent Office or in any commercial print or label subject to copyright under the laws of the United States must file a report on or before February 1, 1944 with (cont. on page 2)

INCOME TAX DEADLINE TOMMOROW

December 15 will be the last day on which to file "Declaration of Estimated Income and Victory Tax", stated Theodore H. Haas, Project Attorney.

Taxpayers who filed

in September need not file unless he underestimated in his September filing. The correct tax will be determined on the annual tax return which will be filed as usual on or before March 15, 1944.

Penalty will be imposed against any taxpayer whose estimated tax is below the allowable 20% margin of error unless he files a new declaration before Dec. 15.

Those who must file are: (1) farmers who have sufficient income to require filing, (2) persons who underestimated in their filing last September, and (3) persons who did not file in September because their estimated income at that time was insufficient to require filing.

Further information may be secured at the Law Dept. in the three Units.

NO TURKEY CHRISTMAS

There may be drumsticks in Christmas stockings at Poston this year, but there'll be no turkey drumsticks on Christmas tables here in the center.

Instructions received this week from the War Relocation Authority banish the turkey from the festive board, according to C.E. Snellson, chief steward.

But, said Mr. Snellson, "even though some of the traditional Yuletide viands may be missing from the menu, there will be plenty to eat, and Christmas joy will not be marred by the omission."

HEALTH MEASURES DISCUSSED AT BLOCK MANAGERS MEETING

No epidemic of flu or pneumonia was observed in Poston to date, stated Miss Alma Road of the Public Health Dept. at the regular block managers meeting.

Miss Road stated that at the nine meetings covering precautionary measures against communicable diseases, held at each quad, approximately 350 mothers attended.

Block managers of each block were asked to select a laundry tub for washing dishes and clothing of people with communicable diseases.

Garbage from the plate of sick persons should not be mixed with the general garbage

since it is given to the hogs at the pig farm. The contaminated garbage should be deposited in a separate can and will be picked up with the orange peelings, coffee grinds, etc.

The Sanitation Department requests that the garbage not be buried since past experience has shown that flies are bred in that way.

UNIT 3 FUND DISTRIBUTION SOON

The trust fund check for \$8810.31 was sent to Valley National Bank on December 7 to be deposited, according to K.J. Takashima, Unit III Council Chairman. Therefore, the

Editorial:

THE JAPANESE AMERICANS

Human nature seems about the same everywhere, but in war time there is danger of overlooking such facts. Thus many members of the Japanese race who are good Americans now have a rather tough time of it.

Insisting that Japanese Americans are really Americans, one of them makes this appeal to his transplanted fellow-countrymen. He says:

"People are afraid of the unknown. When they do not know us, they are afraid of us. We have found this to be a fact. So many people have commented, 'Why, you are no different from us?' The sooner we become an integral part of a community, the better it will be for all of us. It will I think to some extent alleviate one of the post-war problems--the race question."

Another Japanese American makes the sensible statement:

"Above all, we who are at liberty must remember that we are ambassadors for the scores who are still in camps. We of Japanese ancestry are on trial as never before. The thing now is to prove to the general public that it is not a matter of race, that people are the same regardless of their origin and that those of Japanese ancestry are not different."

This is a very old problem, always more difficult in war time. But it can be solved on both sides by honest men of good will.

Sports

Page 4 Tuesday, Dec. 16

The PC2A has announced that sign up deadline for "AA", "A" and "B" basketball leagues for the coming season will be Dec. 20 but so far only a few teams have signed up. After all the casaba season is just a few weeks away so you casaba enthusiasts who plan to have teams this season better hurry.

Although many of the stars from the various squads of last year have relocated it still would be a simple matter for the various clubs or blocks to organize a team. Until the coaches meeting on Dec. 18, it will not be known whether school pupils will be eligible to play on both school and outside teams. This maybe a handicap to some blocks or clubs but it still takes only five to ten players at the most to organize a team so let's sign up at the PC2A office right away.

With stars such as Eddie Nakamura, Tak Eno, George Tatsuno, Joe Kadowaki, Babe and George Mizuno, Kobe Shoji, Yogi and Tak Ezaki gone the teams this season won't figure up to the caliber of last season. However with stars such as Mac Okuma, Kaz Sato, Tok "Toiky Molder" Yamada, Chick Murakami, Bruiser Nagasaki, Aki Mochizuki, Robbie Chashi, Allen Kobata, the two terrys of Valley, Koike and Okida and the whole Delano team around the casaba fans have lots of basketball in store for them.

To get the season rolling the PC2A will have another city wide tourney beginning on the 26th of this month.

In order to make the basketball season a success each league will have to have from eight to ten teams so what do you say fellas, let's get organized and sign up at Dec. 11.

F. ISHIZAKI LEADS SKIPPERS TO 11-9 WIN

The up and coming Unit II Skippers of the current Unit Old Men's League moved into undisputed third place by virtue of a 11-9 victory over a degrading Ace nine of Unit III.

Paced by F. Ishizaki's four safeties the Unit II nine were never seriously threatened with the exception of the final stanza when hard hitting Kawano banged out an electrifying circuit blow with the bases loaded to come within two runs of overtaking their opponents.

T. Hatanaka twirled brilliantly for the Skippers besides collecting three safeties in five trips to the plate.

DELANO TAKES OVER FIRST PLACE

Led by Nob Takaki's brilliant hurling and first sacker Fukumoto's three for four and spectacular fielding the Delano Old Timers climbed into undisputed position of first place by defeating their strongest rival, the Unit III Jokers 5 to 1 on field 3 last Saturday.

Up till this game both teams had a record of four wins and no loss.
