Issei Show Postponed to Monday Night

The Flag will be raised at 7:30, Saturday morning and the mass participation of the "Water Festival" will begin at 8:00, which will continue through Sunday and Monday. Mr. Wade Head will speak during the opening ceremony at which time the magnolia and mulberry trees will be planted.

"Friday night's Issei show was postponed to Monday because the stage could not be erected in time," explained Mr. Lawrence Sasano, director.

Thirteen costumes have been made by the sewing school and volunteer helpers. The material was made available through the courtesy of Miss Nell Finley.

"One of the highlights in Sunday's parade will be a float utilizing Mr. Noguchi's boat," said Mr. Sasano.

### Kamaainas Honor Dr. Cary

Beneath tropical atmosphere, lovely maidens, colorful leis and lilt- ing Hawaiian melodies, Rec. 32 was changed into a "Night in Hawaii" as a large crowd gathered to honor Dr. Cary, from Honolulu, on Thursday nite.

With a background of native tapa cloth and familiar Diamond Head, Dr. Sumida extended a "Royal Hawaiian" welcome to the guests: Miss Finley, sponsorer of the club, graciously introduced Dr. Cary, who gave a stirring address on the educational aspects.

With Toshi Yatsuhiro as Emcee, hulas by three kokes, wahines, solos, duets, kane quartettes, novelty hulas, and the ever-popular 10-piece string ensemble, provided entertainment galore for the entire evening. Refreshments of dainty sandwiches and mild "o-ko-le-hau" were served.
