There has been an overall decrease of 578 persons in the population of Poston in the period between February 29 and April 1, according to housing division statistics.

On April 1, there were 7070 residents listed for Unit I; 3713 for Unit II; 3342 for Unit III, and 120 in the hospital, for a total of 13,125.

On February 29 there were 7322 people in I; 2865 in II; 3502 in III, and 134 in the hospital, totalling 13,689.

SEGREGATED UNITS:

WAR DEPT. CLARIFIES REASON FOR SEPARATE NISEI UNIT

The War Department's reasons for placing Japanese American soldiers in segregated units have been set forth in a letter written by Lt. Col. Harrison Gerhardt, executive to the assistant secretary of war, to all project directors.

"The use of Japanese in specific units is not based upon any discrimination policy. The assignment of personnel in the armed forces is based upon military considerations and not upon racial derivations."

It is not considered advisable to utilize Japanese Americans in the Pacific theatre because (1) enemy Japanese may be able to secure American uniforms from dead soldiers and mingle with the Japanese American unit; (2) if a Japanese American were captured in the Pacific, retaliation measures would probably be in the form of extreme torture.

If Japanese Americans were generally assigned to all units, it would be necessary to screen units employed in the Pacific theatre before such a unit could be shipped causing delay. It would also disrupt the efficient operation of the combat unit to remove personnel from the organization who are in an advanced state of training.

LEAVE CLEARANCE:

EXPATRIATES DOCKETS HELD-UP

Being deferred for the time being is the review of leave clearance dockets for persons who have been recommended for leave clearance denial, including persons who have requested repatriation and expatriation, a wife from Dillon, Myer informed the project this week.

The primary reason for the postponement is to expedite the review cases which have been recommended for leave

clearance in order to facilitate the resettlement plans of those who have been granted leave clearance and who wish to relocate.

DEFERMENT:

CHANCES FOR DEFERMENT SLIM

Sgt. R.L. Porter of the Phoenix Board reminds residents that a person may apply for deferment at any time prior to his induction and under any circumstances, regardless of age or occupation.

However, he emphasizes that unless certain very specific conditions are met, the individual's chances for deferment are very slim.

The State Board of Appeal in Phoenix has handled a dozen or more appeals from Jap-

anese Americans, but none have been deferred.

"As far as I know, all cases have been dependency, and the action of the board on these cases is not unusual, inasmuch as this board has never classified a registrant in III-D yet, whether white, colored, or oriental," Sgt. Porter adds.

HEARINGS BEING HELD AT TULE

Leave clearance hearings are being held at the Tule Lake Center for those who have not previously been denied leave clearance by the National Director of WRA and who now wish to establish their eligibility for relocation, according to a recent announcement made at the segregation center by Project Director, Ray R. Best.

CRAWFORD TO ATTEND CONFAB

FORMER POSTONIANS STAR
ON CAL-JAYS

Cleveland's first all-Nisei basketball team, the Cal-Jays, an abbreviation for California Japanese-Americans, gained their first victory in the spotlight Municipal "A" league by upsetting the Cleveland Buckeyes, 55-33. Their initial victory was over the all-Negro squad which has been considered one of the finest in local cage circles for many years and a past champ of the league.

Originally formed to show Cleveland sports fans a scrappy squad with good sportsmanship, the Cal-Jays dropped their first four games of the league season, mostly by a scant margin. The story was different, against the Buckeyes however, as they grabbed an early lead against their taller opponents and hung on to it though their opponents came within one point of forging ahead. Two former Los Angeles Golden Bear players, Joe Kadowaki and George Mizuno, led the team, the former with complete control of the defensive backboard, and the latter through his speed and team play. The squad is managed by Yo Kasai and coached by Joe Kadowaki.

George Mizuno and Joe Kadowaki are well remembered by the Poston residents as the two main cogs on the great Golden Bear team while George Tatsuno is equally well remembered as a regular on the championship Oiler team of last year. Min Nitta was a member of the Blk 21 Blackjacks while Kaz Furusho starred for the "B" Champs of Unit III, the 31 Rams.

BULLDOG AYE, BEE SCORE
SMASHING VICTORIES;

BEARS CAPTURE CEE CLASS

Packing punch in every event Coach Yoko Kohatsu's powerful Aye and Bee cinder-men repeated their performance of last week by again taking top honors in the Aye and Bee divisions. The Cec's were less fortunate, raking up only 6 points as compared to 45 2/3 of the Bears and 17 1/3 of the Wildcats.

Taking top honors in 9 out of the 10 events the Bulldog Ayes rolled up a total of 53 points to the Bears 24. In

the Bee division the Bulldogs topped the Bears by a 56 to 20 score.

Although the meet was run under very adverse conditions 14 records nevertheless fell by the wayside. Morinishi of Unit I turned in the outstanding event of the day by getting off a good 5'9 3/4" in the high jump to better his own record of a week ago by 1 3/4 inches. Other outstanding record shattering performances were turned in by Shigemura of Unit I in the Aye broad jump and hop, step.

Shigemura got off a leap of 20'0" in the broad to erase the old mark of 19'4 3/4" while in the triple jump he hit 40' even as compared to last week's 37'8 1/2" by Nakamura. Shinohara who captured the only first place for the bears in the Aye division shattered the shot put mark by getting off a heave of 59 ft. It bettered the old mark by 2 ft.

BLACKHAWKS ANNEX "B"
CASABA LAURELS

Block 59's Blackhawks, pre-tournament favorites, staged a rough and tumble second-half spurt after trailing from tap to outscore the Blue Jays 50-18 in the tourney finals. To the Blackhawks will go the coveted medals donated by the PC2A to the winning teams of respective leagues. The Blackhawks downed Bakersfield in the semi-finals 27-20, while the Blue Jays, fought nip and tuck all the way to the closing moments to nose out the breeze 26-25. Harry Kodama of the victors and Pete Izumi of the losers shared scoring honors with three field goals.

After a rather close first half the Oilers poured it on in the second half to turn the game into a rout.

RED CROSS

BY YASUO YOSHIDA, SENIOR

SEGREGATED UNITS

A beneficial organization molded for the purpose of serving and assisting the needy and suffering, is the Red Cross. Wherever duty calls--in a relocation center, in war-torn areas, or in ordinary life--the Red Cross reaches out its hand of mercy and comes to the rescue in its unselfish, reliable, and relentless task of helping humanity.

As Terence says, "I am a man and whatever concerns humanity is of interest to me," so the Red Cross makes whatever concerns humanity its own business and lends a very able hand. Let us review some of the various services of the Red Cross.

Life here in Poston seems dull, but actually there are numerous incidents which illuminate the days. We have witnessed four great fires which brought about damages which affected many of us. Epidemics of Infantile Paralysis and various other diseases have come into our camp, but through the aid of the Red Cross we have come through victorious.

An old German proverb states, "A war leaves a country with three armies: an army of cripples, an army of mourners and an army of thieves." In this day of dangerous weapons many are wounded and left to die out on the front. The Red Cross has aided vigorously in the last and present world war in saving the wounded soldiers. Moreover it has sent aid to refugees in different countries where famine and diseases have struck. This organization recognized by all the warring nations goes forth to give to the needy.

A few years ago, the longest river in the world, the Mississippi River, overflowed its banks and flooded the country for miles around. Many families were driven out of their beloved homes, houses were carried away by the rushing waters and many were left without anything that they could claim their own. Were they to be left thus to die like rats in a trap? No! The Red Cross again with its many branches throughout the United States gathered many necessary articles and contributions and brought them to the thousands who were left homeless and penniless.

One may ask, "Where does all the money and aid come from?"

An individual in contributing to the Red Cross may be helping people throughout the world, for the Red Cross is an international organization.

So let us all get on the bandwagon of contributors and do our share in keeping up the great movement which was brought about by Henri Dunant and whose tradition has been gallantly brought forth by persons like Florence Nightingale, carried on by Clara Barton; the spirit which shows no prejudice to race, creed, or color; the spirit which is one of America's finest; the spirit of serving others.

(Cont. from page 1)

It is further pointed out that a combat team, by including units of infantry, field artillery, engineers and medical personnel, offers a wide range of operation in which to employ various abilities and skills.

"Certain Japanese Americans have been employed as interpreters in the Pacific, but this use has been made with the full realization by the War Department of the risks involved to these individuals."

"The privilege of requesting assignment in a specific branch is a privilege and not an obligation upon the War Department to see that these requests are always granted. It is impossible to comply with every assignment request which a candidate makes upon induction. It is the War Department's policy to assign an individual to the branch of service which he chooses if that is consistent with military needs."

The letter concludes, "I feel that the Japanese American citizens who will now be inducted should accept their assignments, wherever they may be, with the spirit that they are fulfilling an obligation to their country and that largely upon their manners of performance will be judged the loyalty and sincerity of all American citizens of Japanese descent."

CO-OP IN RE-LOCATION CENTERS

For the past two years the cooperatives in relocation centers have been developing swiftly and efficiently in the face of most extraordinary conditions. Many questions have arisen in the minds of the members everywhere regarding certain aspects of the business enterprises. Today we have a licensed cooperative society owned and controlled by the 3000 members of Poston. The system of control is explained on charts hanging in your canteens. Questions are a healthy indication of membership interest in the cooperative and is prepared to give you honest answers.

In the beginning of the relocation centers WRA was faced with the problem of setting up stores and services for evacuees in one of three ways. (1) Private Business. This meant that one man would be given the right to open business for the residents and sell them goods at a profit. The fact that residents could not get out to shop would have given the individual a virtual monopoly. The private dealer would have been taking a few cents profit from the residents on every dollar they spent at his stores. (2) Government operated stores. Has this plan been adopted, the Government would have charged profits like any good business and such profits would have gone back to the U.S. Treasury. No revolving fund could be built and none of the profits could be used for new equipment or expansion. (3) Cooperative basis. This system offered a means by which people would get goods at cost by the simple process of

DELEGATES TO CO-OP FEDERATION MEET AT AMACHE

Cooperative delegates and representatives of Business Enterprises from all R location Co-ops met in Amache, Colorado, April 5, 4, and 5 to adopt by-laws of the Cooperative Federation of Center Business Enterprises. Representing Poston Co-op will be S. G. Sakamoto, Vice President; S. Akano, Director; and Ben Yabuno, Asst. General Manager.

The agenda included: (1) Possibility of obtaining exemption from Federal and State Unemployment Taxation. (2) Discussion of compensation for periods of unemployment of Co-op workers caused by sickness or accident. Directors feel this should be taken care of by WRA not by business enterprises organization. (3) Consolidation of all insurance carried by center co-ops under the federation. (4) Continuation of New York Office which was to be maintained on an experimental basis until April 30. The Poston Co-Op has found this office a very valuable source of supply and in January merchandise was purchased through the New York Office. In the amount \$6000, which places us second only to Tule Lake in the use of its facilities.

refunding the new profit to them in proportion to how much they had bought. Furthermore, it would be handled by elected representatives of the membership and would meet the tastes and desires of the people. It would be their own. The co-op idea was adopted and WRA set up certain regulations for the uniform development of cooperatives in all projects according to the best cooperative principles and efficient business policies. Early regulation contained in the WRA Manual section on business enterprises is in no way meant as a restriction but simply to insure that the business of the co-ops will be carried on in the best interest of the residents.

コロラド州アマチ転住所に於て

転住所内協同組合聯盟の大会は四月三四五日の三日間に亘りてコロラド州アマチ転住所に於て開催された。

は副組合長 S. G. 坂本氏、理事 S. 天野氏及び副総支配人 E. 森野氏の三氏を代表として送った。協議事項中には

全轉住所に於ける

協同組合運動

過去二、三年間各転住所に於ける協同組合は特殊事態に對立して能率的に急速の發達を遂げて来た。斯うした爲かビジネスエンタープライズの間の質量は會員の組合に對する熱心さの表徴であり組合理想普及部は皆さんに正直な回答をすべく準備を進めて居る。

転住所を開けた當時 W. R. A は次の三つの方法の何れで転住所の爲めにストアー及びサービスを設立するかといふ問題に直面した。一個の爲めに商賣を始め、權利を一人に與へて儲けさせて商品を買取、それは事實二個人に独占を與ふることになる。即ちその独占商人は利益取引について何仙かの利益を住民から取ることになる。(二) 政府経営の店、若し此の方法が採用さ

ホストン協同組合は此事務所は仕入の爲めに重要であることを認めた。仕入困難なる時の一月に於て紐着事務所を通じて六千弗の仕入を得た爲め、ワルレーキに次いで亦二番目の購買成績を挙げた。

剩餘金拂戻

ホストン協同組合は一九四四年三月七日の理事會の決議に由り一九四三年七月一日より九月三十日迄の期間に於ける純賣上合計廿五万五千七百五十一仙に對し一割二歩の割合を以て六万二千九百九十仙

何れで政府が儲けることとなる。而してその利益の全部が大藏省に返して運轉資金に充てられ、新しい道具や擴張にも利益を參酌して全転住所に協同組合を二様に發展させようとする規則を設けた。現在 W. R. A のビジネスエンタープライズに關する規則の何れの点も経営を兼轄しようとするものではない。只住民の最も利益となる様に協同組合のビジネス経営をせよとするものがある。(三) 之
