

WAR FUND DRIVE UNIT I BLOCK MANAGERS REJECT
 PASSES QUOTA COUNCIL'S RECOMMENDATION

A total of \$2,187.80 was contributed by the Unit I residents in the Red Cross War Fund drive which ended on March 31, surpassing the quota of \$1,927 by \$260.80, the Unit I Red Cross chapter reported.

Although the drive was not completed among the appointed personnel members 1,895 persons became members of the Red Cross by donating one dollar or more out of (Cont. on page 2)

The Block Managers Unit I endorsed the principle of having Block Managers election, a recommendation submitted by the Community Council after reviewing the details. However, the recommendation of the council concerning some changes were rejected at the conference room last Thursday.

The managers believe that the recent enactment of change in the Block Managers system as an infringement of

their rights and even though the Council may not have intended it as such, this is the first step toward the managers losing their independent status.

At the meeting it was proposed that a Block Managers' election be held on the third Monday of January with the term to be for one year.

A recommendation by the Council to elect managers every six months was termed "inadvisable" by the Managers as the strength of the Managers system would weaken by constant changes.

As many of the managers were re-elected in the last week of March, they felt that there was no imperative need to hold an election at such early date as April 24. It was believed that this enactment was the result of managerial difficulties in one block in camp.

POSTON RESIDENTS ENTITLED TO
 VACATION LEAVE WITH PAY

Another step toward fulfilling the policy of WRA to maintain evacuee employment standards and conditions comparable with Civil Service employment has been taken with the announcement of employment leave benefits.

Philip J. Cassilly, Personnel Officer, announced today that all regularly assigned full and part time workers will be entitled to one day of vacation leave for each calendar month of work, and fifteen days of sick leave for each work year.

Workers may accumulate vacation leave not to exceed twelve days. Any earned leave in excess of twelve days must be forfeited.

Plans are being made to make revisions to timekeeping methods and procedures that will be necessary to assure the maintenance of accurate records.

The new benefits will be available to Poston workers at an early date, which is dependent upon receipt of forms from the Washington Office of WRA and establishment of the local files.

dent upon receipt of forms from the Washington Office of WRA and establishment of the local files.

WADE HEAD
 VISITED CENTER
 LAST WEEK

"I just got homesick for Poston and came back to see everybody." So said W. Wade Head, former project director of Poston and now general superintendent of the Papago Indian Reservation at Sells, Arizona, on his visit here last week.

"The results of the work that the people of Poston have done are becoming very noticeable," Mr. Head added. "The homes are more and more attractive, and I'm sure the improvement will continue."

Community Council officials, including Messrs. Okamoto, Kawasaki and Yahiro of Unit I, Sakamoto of II and Nakaji of III, invited Mr. Head at a luncheon on Friday at Mess 32.

TRANSPORTATION
 OF PROPERTY
 MADE EASIER

Evacuees who relocate may have their household goods transported from a project to the point of relocation at government expense, under the new regulations on property transportation. The new plan provides for the transportation of all household goods, regardless of weight.

The procedure for transportation of equipment is primarily intended to aid in family relocation and will therefore be limited to equipment needed to erect a family size relocation plan.

HUNDREDS OF BOSTON CHILDREN IMMUNIZED

Parents of school children have done very well in securing the immunization of their children, and hundreds of children have been issued the certificates of immunity from the Boston Public Health Department, according to Miss Emma Rood, assistant medical social worker.

Parents who have relocated in other parts of the country reports that Boston Immunity certificates have made it possible for their children to enter outside schools without delay and that the certificates are accepted immediately by the school authorities.

Boston still has considerable number of children especially in the teen age group who have not yet completed their immunity treatments. A survey of the immunity status of every school child is now being made and this will be placed in the hands of the Education Department and will be given to each classroom teacher as a guide in her educational program.

Certificates of immunity will be provided as rapidly as each child completes all treatments required.

Miss Rood states that if Boston could send every child away with complete protection against the three major diseases—diphtheria, smallpox and typhoid—it would be a fine start for the child in a new school.

TWO PAROLEES ARRIVE HERE

Released on parole from Santa Fe, Karoku Akutagawa, 4-3-B and Torazo Tanamachi 37-1-B C, joined their families here last Wednesday night, the Family Welfare section reports

MIS ACCEPTING CANDIDATES

Commandant Rasmussen of the Military Intelligence School at Camp Savage, Minn. has sent a wire to Project Director Mills announcing that "This headquarters is selecting physically and linguistically qualified Americans of Japanese ancestry for additional classes."

All possible candidates at the Colorado River Relocation Center are requested to write immediately to Captain Paul Rusch, director of personnel, Camp Savage, Minn.

IMMUNIZATION TREATMENT SCHEDULES

Immunization treatment schedules for diphtheria, typhoid fever and whooping cough for the children of Boston has been released as follows by Miss Emma Rood, assistant medical social worker:

Diphtheria—Mondays, 1:30 p.m.; typhoid—Thursdays, 1:30 p.m.; and whooping cough—Tuesdays, 1:30 p.m. Immunizations will be given by appointments only.

WAR FUND DRIVE

(Cont. From Page 1)
2,147 donors. 252 contributed less than one dollar.

A COLUMN

DENNY
 This is a cute little fella who lives in the barrack next to ours. Denny has been talking for quite sometime now, say, about a year. One day he said something which he was not supposed to say. So his mother reprimanded him. So Denny thought it over and hesitated about staying another recurrence. But one day a joe named Henry was bull-sessioning with fellow el toros, and he said the word. "Cee," said Denny to his mother, "Henry said it!"

SIMULTANEOUSLY
 With the 7 a.m. breakfast gong every morning, our radio tunes up for station identification and immediately comes a voice which we think should belong to Dick Tracy's flatton. The voice originates from some minister whose every other word is hallelujah. One of those mornings when we can't get Flatbush Shuffle or Caribbean Clipper we shall listen to just what he is hallelujah-ing about.

TRIP
 used to be our reporter-sports editor before Cabbage came along. Now Isam is a research man for Community Analysis or something up in Tulove are told. He will guest-column for us one of these days.

TRIP
 Tripe was a kick you oughta read it. In Leuzner's Free Press there's Saburo Tourney writes the Fifth Column but the Tripe had such personalities as Sho Jansai, Cuyie Hazemeshi and Tan' Tebomono, Sen Koh, and Gasa Bunc.

BRING YOUR SQUAD TO THE HANA MATSURI BALL

AIRPLANE STAMP #2 AVAILABLE MAY 1ST

The ration board was informed that "air plane shoe stamp" #2 will be issued starting May 1st.

The application deadline date for the "air plane shoe stamp" #1 is April 25. The airplane stamps #1 and 2 are valid indefinitely.

The residents are reminded that the expiration date for book 1, stamp #18 is April 30.

TWENTY-SEVEN AND ONE QUARTER INCH NINE POUND WOPPER CAUGHT NEAR HERE

Carrying something carefully in his arms in a wet gunny sack, Mr. Ikuzo Nakamura, 211 1/2 excitedly called the block secretary. Just another fish she thought, our mistake, her error!

Probably the fishermen won't believe this but the beautiful carp measured 27 and 1/4 inches. But being only a male fish it's

A. OKADA COPE INITIAL POSTON II GOLF TOURNEY

Iiyote Sakae, who began his golfing career in Poston redeemed himself as a most natural golfer when he placed first in the initial Unit II Fairway Golf Club medal championship tourney. Sakae scored 155 in the 36 holes low gross division. He edged out the veteran John Orabe, pre favorite, who scored 156. The third place winner was Mitoshi Kimura with a score of 160.

Result of the 36 holes low net division were as follows: Jiro Sugidono, 14 handicapped, scored 4 under; Max Iozeni, 27 handicapped, 5 under; Sus Hayashi, 12 handicapped, 1 under.

The respective first, second and third place

ALICE KUBOTA BECOMES BRIDE OF GEORGE NAGANO

At simple rites performed in Detroit on March 25th, Alice Kubota exchanged marriage vows with George Nagano, it was learned here today.

George Nagano was block manager supervisor prior to relocation while Miss Kubota was staff member of the leave office.

Both are formerly of Salinas California.

weight was only 7 lbs. Here's where chronic fish mongers groan, but the pisces was caught, not at the river, not at the lake, not at the slough, not in the swimming pool, but a stone's throw away from the bridge near the chicken house in one of the shallowest places along the stream.

Exhibit A is on at 211-2 1/2 Ave. road.

TC AND FRC

Currently in Poston II are wife and Mrs. Charles Chikuma (nee Betsy Mashida) of Camp Wolters, Texas; 2/5 Masao Nakamura, Fort Warren, Wyoming; 2/5 Jack Nakamura, Camp Savage, Minnesota; Tosh Nakamura, Logandale, Nevada; Teruo sisters, Chicago; Ill. George Madonaga, Jerome, Arkansas.

On short term to El Paso, Texas Saturday went Aiko Tsuda, 219.

Chicago bound Tuesday evening is Ray Mori, 229.

winner were awarded gold, bronze and silver miniature golf balls.

SENIOR GIRLS BASKETBALL ALL-STARS

Three top teams, Phylesians, Reedley, and 306-330 team placed their players on the first and second team all-stars.

Unanimous for the choice was Aki Kodama and Midori Koba.

DUST N' DESERT

The menacing crickets are again making their appearance around the apartments. Since woolens and rayons are their favorite food, it may be a good time to pack away your winter clothes and check on others.

Flies and bugs are also an increasing menace. Sanitation Department has lots on its hands to counteract these germ carrying enemies without ample supplies of sprays, etc.

After a long period of not funny comedies, we will be treated to better ones again for a while. On schedule are "Winter Time" with Sonja Henie, "Proudly We Hail" with Claudette Colbert, Veronica Lake and Paulette Goddard, "Five Graves to Cairo", etc.

Unit III will also enjoy better special movies from now on, as three hundred dollars were allocated for this purpose.

Many of us are craving to see non-militaristic Japanese movies which are in custody but which would provide good entertainment for the Issei.

Weddings are getting scarce here and in its place the shadow of death is creeping in. Already in Unit III, there have been three deaths this month. We have to prepare ourselves for these tragedies as many Issei are passing the age of 80.

Sadness pierces our hearts to think that some of our parents will have to pass into eternity in a desert like this instead of their home in California which they built with sweat and tears. Let's go to church!

FIRST TEAM

- Aki Kodama.....forward.....Phylesians
- Peggie Katada.....forward.....Phylesians
- Teruko Shimizu.....forward.....Reedley
- Midori Koba.....guard.....Phylesians
- Shiz Matsuka.....guard.....306-330

FIVE FAMILIES LEFT FOR CRYSTAL CITY

KYO NAKA PASSES AWAY

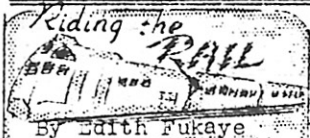

Five families from Unit II left Poston Friday noon to join their husbands and fathers at Crystal City in the third group to leave here. They were Kane, Mary, Stanley Tsunoda 330; Saburo, Kirie, Hisae, Kikuo Uyeji 322; Fuyu, Fusu Tsumagari, Akira, Tom, Ryu, Toshiharu Yonekura 323; Namiye and Hideko Tsuida 322.

Funeral services for Kyo Naka, Block 326, who passed away on Tuesday morning, April 11 was held at 316 Buddhist Church, Monday morning.

The deceased is survived by one son, Hajime of 326.

Formerly of Reedley California, and of Lagoshima Ken, he passed away after a prolonged illness.

LOST: 25 feet of microphone cable with chromium plated plugs on each end between Blk. 318 and Poston So. Garden. Finder, please return to Community Activities Office, 309 Rec. Hall.

Hello, everybody!
 The name of this column was suggested by Kenny Hirose, last week, and now heads this column, which will be devoted to the topic of resettlement of evacuees.

Relocation, which was declared a WRA policy 'way back in '42, has been in existence as the main WRA policy over a year now. Before fall, 1942, resettlement was possible, but only after a great deal of red tape had been gone through, and if the individual had a job awaiting him.

In Aug., 1942, Philip Glick, Chief Counsel, WRA, in an address here, said WRA centers are only stopping places on the way to relocation. In Nov., Dillon Myer, in an address here, said clearance procedure would be expedited in the future, and indicated that relocation would from then on be the major WRA policy.

In spring, '43, after the Feb. and March registration, a procedure instruction from Wash. was received, with which clearance could be expedited. Outside field offices, set up because need for expansion from field investigation of harvest time, '42, was realized, were set up in Chicago, Kansas City, Cleveland, New York, as area offices having other district offices in their conjunction. In May, '43, 128 left on indefinite leave, the highest rate ever to be attained here.

The relocation program has undergone many developments since its beginning.

EVACUEES FIND LITTLE DISCRIMINATION IN CLEVELAND

In a recent poll of evacuees who have relocated in Cleveland, nearly 75 per cent reported that they had experienced no racial discrimination since coming to the city, and 84 per cent said that discrimination was much less in the Cleveland area than it had been in California. These percentages are based on a representative sampling of both Issei and Nisei living in the city and on a tabulation of replies contained in 75 questionnaires.

Asked whether they had experienced any racial discrimination in finding employment, 75 per cent replied in the negative, and 53.2% also said that they had encountered no difficulty or racial prejudice in finding places to live.

Forty-five per cent of those replying to the questionnaire felt that their jobs were permanent and offered post-war security.

To find out how evacuees in Cleveland were entering into the life of the community and to what extent they were becoming acquainted outside their own group, they were asked to indicate how many friends they had made with other racial groups since coming to the city.

Twenty-nine per cent claimed they had made better than 50 friends; 42 per cent said they had made between 10 and 50 new acquaintances among other racial groups; 17 per cent claimed less than 10 new friends and 12 per cent said they had made no friends.

Asked how they had made such friends, the evacuees answered as follows in order of frequency of answer: (1) Church, school, YMCA and YWCA; (2) Co-workers at place of employment; (3) Business contacts; (4) Clubs. Suggestions as to how to increase friendships fell into three categories: more inter-racial social affairs and clubs; more Church, club and YM and YW activities; more athletic programs.

Most frequently given answer as to why more persons had not left or were not leaving Relocation Centers was fear of not being able to support their families. Other reasons included housing worries; fear of community non-acceptance; fear that the draft would take the wage earners and concern over language handicaps.

NISEI GETS TWO ENEMY TANKS; DECORATED HIM

Two tanks painted on tanks. After he dispatched the first tank with a well-aimed shot, he became slightly excited and forgot to pull the pins from two projectiles he fired at the second target. But he quickly steadied himself and shot off the third rocket properly, getting his second. Comrades in the Japanese American Battalion painted the tanks on the helmet of the "one-man tank destroyer outfit" in celebration of the dead.

The Japanese American, taking with him one of the famous bazooka rocket launchers, departed towards the enemy lines on a solo infiltration task in the Cassino area, and was able to crawl within effective range of two German

POSTON SPORTS CHRONICLE

Page 6

APRIL 18, 1944

GIRLS SPORTS

**BLK. 32, DBLE 4ettes
CLASH IN TITLE GO
TOMORROW NIGHT**

In what is termed a natural the Blk. 32 sextette engages the Dble 4ettes for the W.A.U. championship tomorrow night on Crt. 38 from 7:00 p.m.

With two games left on the schedule a win for the 32 girls will practically sew up the championship for them as their two remaining opponents should cause them little worry. On the other hand, however a win for the 4ettes means the championship for them as it is their last game on the schedule.

Opening line-ups will probably find the powerful forward wall of Yodama, Oyama and Watari and the back court trio of Nagareda sisters, Amy and Taz and Okita for Blk. 32. For the Dble 4ettes the line-up is tentative yet due to the loss through relocation.

**BLK. 32 CAGERETTES SET
NEW SCORING HIGH
FOR SEASON**

Dumping the game out badly outplayed Red Cap sextette, Blk. 32 kept in the running for the title and made next week's game against the Dble 4ettes for the title a natural.

With the forward line of Yodama, Watari and Oyama clicking in precise fashion, the Red Caps were never in the game as the 32 sextette set a new scoring mark for the season with 52 digits.

However the new scoring mark was over-sha-

MAS SETO COPS GOLF TOURNEY

NAKABAYASHI POST BEST GROSS WITH 77

With about 15 members of the Unit I Golf Club participating, Mas Seto of Blk. 14 blasted out a net score of 66 over the par 69 eighteen hole course Sun. morning to cop the second monthly tournament.

Although coming in with a gross of 90, Seto had a handicap of 24 thus enabling him to edge out Dr. Yoshimura with a net of 67 and Ishii with a net of 69.

Mr. Nakabayashi of Blk. 5 had the best gross score of 77. D. Yoshimura was second with 87.

Name	G	HC	Net
Nakabayashi	77	6	71
Yoshimura	87	12	75
Nishioka	88	10	78
Ishii	89	20	69
Kubo	90	20	70
Fukuhara	90	14	76
Seto	90	24	66
Dr. Yoshimura	92	25	67
Masuda	93	15	78
Kakita	94	23	71
Bunya	95	19	76
Nagase	96	19	77

dowed by another record set by the brilliant playing of T. Kodama who kept the iron oval sizzling hot by scoring 25 out of her teams 27 markers.

Runner-up honors for scoring went to Watari, Oyama and Kodama of

**SHAMROCKS TOP
MARAUDER 32-15**

Sparked by M. Kobuta, T. Shibata and Y. Uyeda who scored 8, 7 and 6 points respectively, the Shamrocks easily topped the Marauders from Blk. 30. T. Hoshino was high man for the losers with 6.

**BLACK LEGION BOW TO
RED DEVILS**

In a fast moving game the Red Devils led by the push shot artist Moose Kunimura outsped the Black Legion 47-32 in a Slams League game.

Perking up after a 23-15 first half the Red Devils poured it on in the last half to triumph easily.

Hoshino of the losers and Kunimura led the scoring parade with 15 and 9 markers each and the winners with 20 and 10 points respectively.
