From a very observing friend who has relocated in the capitol city came a letter which in part read -

"I think the people here are nice, in fact, more nice than the people in Poston. It impressed me greatly because it seems that the camp life had made the people rude and impolite without knowing it."

This was not the first time that a relocatee had felt this way as many letters from outside friends indicate. While we are confined in this camp, we cannot realize our failing manners and rudeness which comes from "can't be helped because it's camp" attitude.

We are getting too used to our impoliteness on all occasions. For instance, the boys and girls no longer show good etiquette and older persons do not get the proper respect from the younger ones and vice versa. Especially in a large gathering, shoving and pushing has become habitual and none has any regard for small children, aged or women anymore.

For these who are relocating in the near future and for those who will remain in this center, won't it be a good idea if we look after our manners and conduct a little more? It may save embarrassing moments and will be better for everyone.

Emphasis will be placed on inter-camp games

HIGH JUMP AND DASHES
FEATURE CONFERENCE
MEET

The local track and field picture brightens this coming Saturday with the P. H. S. A. L. conference finals to be held at Unit III attracting all the outstanding high school cindermen in Poston.

A full program of events topped by the high jump in which Teru Morinishi of Unit I will attempt to clear 6 feet or better will be presented, to the Poston track enthusiast. Also expected to share the limelight with the high jump are the A, B and C dashes where many close races are expected.

Morinishi who cleared 5'11 7/8" in the Unit I trials last Saturday should easily better his official record of 5'9" provided the take off is in good condition and old man weather is in a jovial mood.

Heading the list of dash men is Bob Watanabe of Unit I who rightly deserves the moniker of "Hal Davis of Poston" with his speed. Watanabe is favored to cop both the B 50 and 100 yd. dashes.

Expected to press him to the tape are Kinjo, Naguro and Ogura of Unit I and Nishi of Unit III.

In the A century Yoshida and Nakamura, both of Unit I are expected to wage a nip and tuck race with the winner hitting the tape in a new record. In the furlong Hori of Unit I should hit the tape around 23.5 or better.

The closest race on schedule should be the C 50 where Aoki of Unit III, Imoto and Kiyohara of Unit II and Maeda of Unit I are all capable of breasting the tape around 1.7.

DELANO WINS PLAY-OFF;

URA, YANO HURL 14-4 VICTORY

THREE HOME RUNS FEATURE CONTEST

In the final game of the Old Timers Shaughnessy play-off Delano blasted two Giant pitchers for a total of 11 hits and a 14-4 victory to avenge the only defeat plastered on them during the regular season.

With G. Ura hurling airtight ball, Delano assumed a 5-0 lead in the first five frames before the Giants were able to dent home plate with a single tally.

Delano accumulated three runs in the fourth inning on three hits. First man up, Yoshino

poled a drive into right for a circuit blow. Ura skied out but Takaki singled, Igauye grounded out and then Takemoto followed with another circuit for three runs.

Furuta scored the Giants first tally on a weak dribbler through the right side of the diamond, followed by a walk and a fielder's choice.

Delano added another in the seventh on Ochiai's double and an error. The Giants rallied to make the score 6-4 in their half of the seventh on Shigemitsu's life on an error, a homer into center by Kakita, a fly out, a single by Oyama and a triple by Furuta. Furuta's drive appeared to be headed for a homer until it hit a car parked in right field.

Mas Yano hurled superb relief ball the last two innings, allowing a lone bingle by Hashimoto in the eighth.

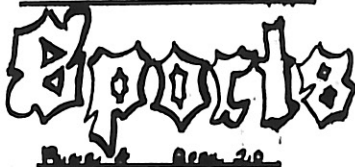

Delano kept at bay by Furuta, who relieved Shigemitsu in the sixth, broke loose in the last inning, 18 men going to the plate for four hits and eight runs.

T. Ochiai of the winners swept batting honors with a brace of singles and doubles in 6 trips. Kakita and Furuta paced the losers with 2 for 5.

MUDHENS RALLY TO STOP BREEZE

Coach Noby Injo's proteges, the Mudhens who possess what undoubtedly is the only girl to coach a boys team in camp, swept to their third straight league victory by a 29-22 score.

Morinishi from the center spot took scoring honors for the Mudhens with 12.

the fast breaking Breeze swamped the Marauders, 32-11. Getting off after a slow first quarter which ended 8-3 the Breeze held a comfortable lead at half time 16-3. Marauders failed to score during the 2nd and 3rd quarters but rang up 8 points in the last quarter only to have the Breeze match them as the final whistle blew.

M. Oda led the scoring column with 14 and H. Nagai topped the losers with 4.

INDIANS SCALP BLACK LEGIONS

The Indian quintet had another scalp under their hat as they set back the Black Legion 39-21 on the Indians court. Paced by H. Baba the Indians were never pressed and held a good lead all through the game.

H. Baba and J. Uyeda were high for the Indians with Naguro taking scoring honors for the Legion Five with 10 digits.
