A COLUMN

How strange it seems
With so much gone
Of life and love,
To still live on.

--Whittier

The above lines from the famous "Snowbound" brings to mind the Hawaiian friend of ours who lately lost her favorite brother on a European battlefield. He was her "life and love". She told us recently it's strange to think that in spite of it all, she still lives. That thought is universal.

MY NICKNAME-

My nature department was swamped the other day. A "Mme. Chiang-kai-shek", they told us, roams our Poston premises. She looks, acts, does, de- tests, and tastes (her taste in clothes, hey) like her namesake. We knew of another Missma. Only they called her "Shina-no-yoru" later on. The local High School is going stark mad over the MOTH who turned into a HIPPOPOTAMUS. The MOTH herself, nimsel, or it- self, whatever the case may be, is un- aware of the MOTH'S real identity. In the event that the Moth should stage another turnabout, we suggest it relocate to some state such as NEW YORK and start a lipstick shop or a moth-proof collar factory.

SHIZ YAMADA

...better known as "Sportlights" by Gab- bage, our ex-sports editor tells us he is so busy in that big windy city that he has no time to write us a column or play golf. We miss his sharp gab- bage column which 'til recently was devoted to the "divoteds."

UNIT III GIRLS ALL-STARS COP BOTH GAMES

Unit III girls again proved their superiority over Unit I in basketball as the 1st and 2nd team All-Stars handed the Unit I All-Stars a double lacing by the scores of 37-23 and 33-19 on Crt. 38 Friday night.

For about 14 minutes of the first half the smooth clicking trio of Oyama, Waturi, and S. Kodama of Unit I had the highly touted Unit III girls hanging by the ropes as they matched them basket for basket.

After a 8-5 first quarter in favor of the Unit III, Unit I with about 2 1/2 minutes to go in the half pulled up 12-12 on some beautiful shooting by Oyama and Kodama. That was the closest they got the rest of the evening as 3 points by T. Shimizu and 4 by A. Kodama ended the half at 21-14.

In the second half the Unit III All Stars really brought their vounted scoring punch into play as they rolled up 16 points to Unit I's 7.

Unit III's sharp shooting forwards of A. Kodama, M. Hatada and T. Shimizu swept all scoring honors as they looped in 14, 12 and 11 points respectively. H. Oyama and S. Kodama stood out for the losers with 9 and 8 points each.

M. Koba played her usual bang up game at guard for the victors while M. Nagata and T. Kodama turned in a very creditable back court game for the losers.

I girls in every department the Unit III 2nd string All-Stars easily trounced the Unit I 2nd team All-Stars 33 to 19.

From the opening quarter when the invaders held a 7-1 lead they gradually built up the lead to win handily.

Diminutive N. Fujiohala led the scorers with 14 digits followed by Kawakoto, Sasaki and Ozaki with 12, 11 and 10 points respectively.

BOYS DAY TRACKFEST HUGE SUCCESS

Bringing together the cinderpath stars of Poston I, the Boys Day Festival was concluded with a gala trackfest held on the Blackbird's Oval.

With many of the former high school stars displaying old winning form in both the track and field events, many of the times and distances were good. H.

Kodama led the point makers with a double victory in the 50 & 100 yd. dashes, and anchor on the relay. In the fast times of 5:6, 10:2 and 49: for the relay.
