ARMY CALLS MEN

Shortage of Workers Hits Center Employment

Because the rapid decrease in center population, due to relocation, nisei draft and seasonal work, has caused a severe shortage of evacuee workers, the employment office has asked the help of the Community Council in alleviating the situation, R. Onishi of the CC reports.

A special meeting was called on Tuesday, May 23, to discuss the problem and its possible solutions. Each unit sent one representative from each department, and a sub-labor committee was organized, which will report to the main labor committee on its findings.

The main labor committee consists of 11 men from the three units who will make the final decision as to what is the most feasible solution.

This morning department representatives will meet with personnel officer, P.J. Cassilly.

YWCA WORKER VISITS CENTER

Mrs. William Chambers, member of the National Board of the YWCA, and member in charge of the YWCA work with relocation projects, is on a visit here to promote "Y" planning and activity here.

She has been here all week, and will leave Monday morning.

Group to Leave Center Monday for Fort Douglas

Telegrams notifying 10 Postonians to report for active duty in the U.S. Army arrived last Wednesday afternoon, according to James D. Crawford, selective service representative.

The boys are expected to leave the project this Monday morning for Fort Douglas, Utah, where they will be processed and sent to an Army camp for their basic training.

Meanwhile, about 26 more men have been called for pre-induction exams and inductions when the Army Medical Team arrives from Phoenix, Sgt. R.

L. Porter of the Phoenix board reports.

The date of the next exam is as yet uncertain.

There is no foundation to the rumor that the third examination was the last one for this year, Mr. Crawford said. Since the pre-induction exams started, 1,000 have taken their physicals.

Those called are: George Matsubara, Takashi Ezaki, Hideo Shigekawa, Tom Aochi, Chester Okimoto, Jimmy Etsu Ogawa, George Miyada, Sumo Nishi, Norman S. Okamoto, and Roy Masaoki Ida.

TO THE RESIDENTS OF POSTON:

In recent months I have been called upon to bid goodspeed to many of my good friends who were leaving the center to relocate. Now it is time to say goodbye to those of you who remain, for tomorrow I am relocating. My "leave clearance" has been granted, my reservations made, and tomorrow I leave Poston for Chicago to re-enter the Indian Service. As all of you know, in 1942 the Indian Service loaned me to this project. They are now transferring me back.

We have spent two unforgettable years together at Poston, and here in the desert heat have been forged the bonds of strong friendships. But the dusty days of intake, the stoveless days of the first winter, and other pioneering ventures are but memories, and the gates of the center can swing outward for almost anyone who wants to relocate.

Mrs. Nelson and I want to voice our appreciation for the many kindnesses extended us by the residents of Poston. We shall not forget them.

And now, until we meet again some day "outside"---

Then she really sounds like a tornado.

SPECIAL SHOW IN CAMP I

"Bombay Clipper," a Universal feature picture starring Wm. Garagan and Irene Hervey, will be shown at Blk. 59 and central pool this Sat. and Sun. nights respectively, according to the C.A. Other special movies will be included.

The selection was determined by the following process:

The Senior Council was asked to recommend a basis for choice. It was recommended that scholarship be basic, with service, leadership, character, and speaking ability.

The faculty accepted the recommendation with the exception of public speaking ability which was not considered.

The six highest ranking senior students who were selected by a decimal system were given a 3-2-1 rating in leadership, service, and character by the faculty members who felt competent to grade. These ratings were added to their scholarship ratings and multiplied by 3.

308 YANKEES SUFFER FIRST DEFEAT FROM 322

Playing before the season's record crowd at Sportsman Park last Sunday evening, the underdog 322 softball team came from behind to hand the heretofore invincible 308 Yankees their first defeat in "AA" league competition.

The Yankees scored 2 runs in the second inning on two successive triples by N. Nakamura and Gordy Miyamoto. 322 came back with heads up offense and scored 4 runs in their half of the same inning on 2 free passes, 2 errors and 2 fielders choices. Four runs were scored against the strong 308 defense without a single hit being made.

In the third inning the Yankees added a run to their credit on a hit, walk and a sacrifice fly. Thereafter, neither team scored, with both pitchers working effectively and both defense playing errorless ball.

Aside from the two successive triples in the second inning, A. Takeshita pitched superbly, being especially effective in the clutches. Another feature of the game was that the Yankees lost despite the fact that they outhit the winners 6 hits to 2.

PANTHERS EDGE MUSTANGS 1-0

Roy Namba's superb two hit hurling combined with the air tight infielding, the Sacramento Panthers from block 229 defeated 220 Mustangs, 1-0 in the Single Aye twilight tilt last Tuesday.

The pre-dope indicating a slugfest, the contest turned out to be a pitchers duel between R. Namba and K. Taniguchi, the latter matching Namba's two hit performance by limiting the Panthers to five bingles.

The winning tally was scored in the lucky seventh after two down.

Lead-off man Kay Matsueda opened the inning with a pop-up to third. Mits Yamada followed by reaching first on Taniguchi's only pass of the game and advanced to second on a wild pitch but failed to reach third on Paul Kuwabara's grounder to third for the second out. Then came the timely blow by clean-up man Jim Namba. With the count 2 and 3, he slashed a screaming liner to center for a triple as Ben Shimizu dropped an attempted shoe-string catch, allowing Yamada to cross the plate with the lone winning tally. Taniguchi forced George Yamada to ground out to short for the third out but the damage was inflicted as the Mustangs failed to solve the change-of-pace offerings of Namba.

M. Yamada, J. Namba, R. Namba, P. Matsuo and H. Matsuo were credited with one safety each. Jit Hayashi and K. Taniguchi collected a hit for the loser.

INDIANS WIN ON NINTH INNING RALLY

A three run burst in the ninth, enabled the Blackhawks to a 8-5 victory over the Indians and the right to meet the winner of the Rambler-Red Devil game for the consolation championship to be played sometime next week.

Eichi Kuramoto held the Indians hitless for four and one third innings when T. Shibata broke the ice with a single through short. The Indians came back in the fatal sixth for four runs and on the same amount of errors on two hits to come within a single run with the Blackhawks leading 5-4. R. Uchi-miya relieved Kuramoto in the 6th with one down, yielding four scattered hits with the Indians scoring once in the final stanza. J. Kawasaki going the route for the Indians, was blasted for ten safeties with Nakajiri of the winners getting three for four.

YAMAGUCHI HALTS BIRDS, CLOWNS REACH FINALS, 7-6

Putting together two big innings to score all their runs, the Clowns on the strength of a spectacular 2-hit relief chore by K. Yamaguchi reached the finals by edging the Blackbirds 7-6.

After the Clowns had gone ahead 2-0 in the opening canto the birds came back to tally twice in their half and then drove Koga to cover with a 3 run attack before a man was out in the second.

Yamaguchi took over and after yielding a high texas league double to Morinishi that brought in the last tally, he settled down allowing only one hit the rest of the route.

FORMER POSTONION CARRIES NEW TRIER TITLE HOPES

Working his way through high school with a part-time domestic job doesn't prevent Henry Aihara, seventeen year old resettler from Poston, from starring in high school track events. The CHICAGO DAILY NEWS for May 12, 1944, devotes a column and a half to a picture and story of Henry's high jumping and broad jumping for New Trier High School in Winnetka, Illinois. The story carries the headline, "Ambition of Japanese boy gives New Trier Title Hope." Henry works as a school boy for Walter T. Fisher, Chicago attorney whose home is in Hubbard Woods, a section of Winnetka. In part, the newspaper account said:

"It was hard severing ties with his family, leaving them in the camp in Arizona, the kid admitted. It's hard now, working, keeping up with his studies and trying to find a little time for relaxation and exercise in track.

"It's been worth it," he said. "I'll finish in June."

"Anyway you figure it, Henry Aihara, the frail-looking quiet Japanese boy who moved with his family from his home in Garden Grove, Calif., to the camp in Arizona, and thence, alone, to Winnetka to pursue his education, is a major item in New Trier's title plans.

"He suddenly came in to his own in the Oak Park Relays, winning the event with a mark of 22 feet 1 inch. He followed up this success with victories in the Wheaton and Proviso Relays, and lately has been hitting near 23 feet in practice." chi sent back 14 of the 26 men to face him in the eight innings via the kayo route.
