DIRECTOR MILLS PRESENTED LABOR RECOMMENDATIONS

More Names For Induction Disclosed

Five more Postonians were called to report for induction on Sunday, at the hospital, while four more are to be given their pre-induction physical examinations.

Those called for induction are: Toshimitsu Matsumoto, 44-3-B; Iwao James Nakayama, 318-14-C; Dick Yonezo Oyama, 323-12-C; Satoru Takemoto, 53-14-D; Joe Yoshioka, 330-13-C. The four called for their physicals are: Tetsuo Arao, 16-13-A; Haruo Fujitsubo, 221-12-A; Yasuo Hashimoto, 305-9-C; and Frank Koga, 3-6-D.

Dick Yonezo Oyama and Frank Koga are at present outside of the Project.

PROJECT HIRES

VETERINARIAN

Dr. J.W. Caldwell, veterinarian of Riverside, has been contracted by the local Ag. Dept. for the remainder of the fiscal year to vaccinate the project hogs against small-pox and cholera, it was announced.

Dr. Caldwell made his first trip to the project from Riverside last Thursday. He is scheduled to make two trips a month to the project to inspect the livestock.

Nine Departments Put on Priority List

At an all-day session on Monday, the inter-unit Labor Commission singled out nine departments for priority listing, and the recommendation was made to the Project Director Duncan Mills that the employment division be asked to encourage full employment in these departments.

Agreed upon as essential were transportation, warehousing, police and fire, main-

his personal transportation ticket entitles him, before the WRA will undertake to transport household and personal effects by freight. James D. Crawford, relocation program officer, announces.

For each full-fare ticket, 150 lbs. of baggage are allowed; for each half-fare (5-12 yrs.) ticket, 74 lbs.

Unless such baggage privilege is utilized, even those who wish their freight sent after they have relocated, will not be entitled to take advantage of the new "unlimited freight" clause, Mr. Crawford said.

tenance, hospital, application garage and subsistence. Essential office workers were also included in the priority list, which was adopted as a guide for the employment office in determining whether to approve transfers of workers from essential jobs.

The present practice of the mess halls in drafting workers from other departments was the most immediate problem discussed. Under the new system, every transfer of a worker from an office to a mess hall must be approved by the releasing employer, by C.E. Snelson, chief project steward, and by the employment division before the worker can be paid.

This will also apply to other departments. If the worker is not satisfied with the decision, he may take his problem directly to his unit labor commission which will arbitrate.

Meanwhile, the Commission is to make a detailed study of quotas and priorities on workers.

HAYANO ON SIX-WEEK TOUR

A six weeks trip is being made by Mieki Hayano, chairman of the P.T.A., who left last Tuesday night.

His trip will take him to various cities of the country. Mr. Hayano is authorized to investigate relocation possibilities in these cities.

So long.

JOT AND DASH

...is the system we are using this morning, and for perhaps the last time here in the ol' press office we'd learned to love and loathe. Mostly love, tho'.

GEE,

...so this is relocation. It's a great big lump in your throat. That's relocation.

WE'RE

...gonna miss everything...especially the little things. Like scurrying around trying to put the last of the covers on the Chronicle going to bed...the business of giving up a big story to the front page...trying to beat deadlines, and getting late...sometimes...trying to make some articles timely and writing up an incident before it ever happened...all those things, and many more.

IN WITH

...the new, and out with the old. Yes, the staff is new from now on. There is Mayo, just out of high school, and she's the young but very capable boss. Esther, another grad, writes the juicy sports stories. Betty is another all-arounder. In this realm of Fourth Estateors, the girls reign supreme. It is a woman's world, isn't it?

WE THOUGHT

...we'd be here to write the Armistice, but the time has come, and it seems that we are writing our obituary. Only not that bad, we hope.

THANK FOR

...everything, and Via calls it "SO" for now.

FUKU YOKOYAMA, CITY EDITOR, LEAVES FOR PHILADELPHIA

The Boston Chronicle lost one of its most charming and efficient members of the Unit II news bureau when Fuku Yokoyama left last Tuesday evening for Philadelphia, Pennsylvania, where she will receive her nurse's training.

PANTHERS TOPS MUSTANGS 16-7

As Toots Hirakawa stepped in the pitcher's box in, the first inning, only one run was made by the Mustangs.

For Panthers' first up, P. Kiyabara broke a bat to slug a pretty hit over third base. G. Yamada walked and J. Wamba slashed a screaming liner between center and right field which brought in the first run.

Mustangs were playing hard, but playing only 5 innings, the Panthers kept the lead all through the game with the final score 16 to 7.

TO AND FROM

Leaving Tuesday on indefinite for Philadelphia were Dorothy Tanaka, Fuku Yokoyama, Goro Takeshita, Akira and Jack Fujiki; Detroit, Mich.; Kotischi Tanaka, Roy Hayashi, Dan Inouye, and Sakai Ogawa; Chicago, Ill.; Ben Taone, Grand Rapids, Mich.; Edward Inouye and Keenesburg, Colo.; Tommy Matsumoto.

Wednesday's departure on indefinite for Caldwell, Idaho, was Kimiko Saito and on Seasonal were Edwin and George Honma for Perry, Utah.

LIBRARY NEWS

"Dragonwyck" by Anya Seton and "Leave Her to Heaven" by Ben Ames Williams are two new books added to the Via library book shelves.

Fuku, who is known for her Via a column and editor of the Unit II page of the Boston Chronicle, has been a member of the staff ever since the Press Bulletin days.

Prior to evacuation she was a resident of Salinas, California, and a graduate of '42.

Besides her extra-curricular activities as a Sunday school teacher, editor of the recent "Bussei Life", Brownie Scout leader, and being an active member of the YBA, her loss will be greatly felt by the Buddhist Association as well as the Chronicle and the community.

For the splendid work and the services she has given us, we give her due credit and wish her the best of luck and future success.

SUMMER SESSION REGISTRATION

All those who have not yet registered for summer classes in typing and shorthand may do so at 3 o'clock today at the block manager's office.

Instructors for the courses will be Bettie Hamamoto and Sachiko Gyotoku; it was announced by the Adult Education.

Dust and Desert

"They may come and they may go, but baseball goes on forever". As the Major Leagues have surprised the sports world by the relatively high caliber of baseball being offered in spite of the shortage of players, so has Poston III surprised the local fans by giving team an exceptionally good brand of league softball games. The team seem to always come up with splendid replacements for players who relocate, and the brand of softball being played recently compares very favorably with those of the preceding years.

--Ben Inouye and the 307 team ~~of members~~ considered as the surprise team of the year. Given only a small chance, they have turned out to be one of the toughest teams in the League. They are also the "hard luck teams", having lost several games by mere one-run margins. --J. Inouye, the scrappy catcher of 307 appears to the writer to be the most improved player of the league.

--Akira Takeshita of 322 has been doing some mighty fine pitching as expected, but more than that recently, he has been doing more than his share by slamming hits to put 322 right in the thick of the "AA" league standings.

--the 308 double play combination of "Roku to Tommy to Masa" is beautiful to watch when clicking just right. It reminds some of Coast League infielders of pre-evacuation days.

--the coming 308-322 tussle this week should be placed as a MUST SEE on the sche-

PRINCIPAL LEAVES..

Frances Cushman, principal of United schools, left Monday noon for Chicago where she will attend the University of Chicago summer session. Accompanying her was her active student, Emily Kuwada to Moberly, Missouri. Miss Cushman is expected to return here sometime in August.

Among the teachers already gone for their vacation points areyllis Teener who took with her her talented pianist student, Elaine Hoi to Parkville, Missouri; Myrtle Baxley, Mr. Olson, and Miss Standing.

The main lead staff is still remaining here to get the summer school which began this Monday, well under its way.

CAMP IV BEATS 308-5 12-6

In a crucial girls softball game, the powerful Camp IV team easily trounced the highly touted 308-5 girls, 12 to 6 last Sunday evening at diamond 328.

Roku III girls were never threatened throughout the game and they outhit the 308-5 girls 8 to 2. Misao Hazama and Mrs. Joe Yoshioka made the round-the-circuit hit for the highlight off the game.

dule of every softball fan. It is the crucial game for both teams, since they must win this one to have a chance at the coveted 1944 Softball Championship.

GRADUATION EXERCISES HELD SATURDAY

A striking picture of eighty four boys and girls in navy blue and white caps and gowns receiving their diplomas from their principals. Miss Frances Cushman was displayed last Saturday night, June 10, at the new giga school auditorium. The motto of the first graduating class of Parker Valley High was "Past forever gone, future all our own". John Gindler, Union principal, was the commencement speaker. He stressed the importance of the "Second Mile" in life. Rev. K. J. Tsunoda, popular English speaking Buddhist minister, gave the religious rituals. The Parker Valley High School orchestra furnished the music for the evening.

Walter Fujimoto, president of the graduating class presented to the school a large Red White, and Blue Flag.

Immediately following the commencement exercises, faculty members of the Parker Valley High School fed the first graduating class with an enjoyable social at 308 Dining Hall. Games, refreshments and dancing were enjoyed by all who attended. Tel Trokey lead the games while Nideo Tsuchiyama served as emcee for the evening.
