CAMP 4 SMASHES BUCCS 16-1

Going on a rampage in the first inning, backed up by seven Buccaneer errors, which netted 14 runs clinched the game for Camp 4 in a league game played last Thursday night.

Although scored up on so strongly, the Buccaneers nevertheless clamped down to hold Camp 4 scoreless for the remaining four innings. Also, the Buccaneers scored their one and only tally in the fifth.

They threatened again in the last inning with two hits, but because of a beautiful gloved-hand catch made by T. Trokey, ended the game, 16-1.

Batteries: Camp 4--M. Hatada and T. Sakamoto; R. Takahashi. Buccaneers--A. Hashiguchi, A. Kaneyuki.

366 CONTINUES WINNING STREAK

Getting 13 hits off the two 316 hurlers, the Hollywood Stars in a junior league game defeated the 316 Midgets, 13-4 last Wednesday evening.

In the first, 316 started off leading, but soon lost their lead when in the 2nd, the Stars started a little jaunt, which included a home run by E. Koide which altogether netted five runs.

Only other score made by 316 was in the 5th, when A. Hikata hit a homer into deep center.

The winning pitcher was T. Minamide with T. Mayumi behind the plate.

Dust and Desert

In interviewing Jim Fujita, coach of the Poston III hardball "delegation" to Gila, we found out a few things about their venture.

First of all, he stated the stay here on the whole was satisfactory excepting for the weather, and the trip to and from there was uneventful.

According to him, the appearance of the camp, with the white buildings and all and the mess facilities and food topped Poston.but on the other hand, the weather there was hot and sultry....Poston can't be beat....

On the human side of their trip, he stated that although they were really and truly enthusiastic about going, after their arrival, all thoughts turned back to Poston.

Well, all this sums up to show that, even though Poston is what it is....it's still "Home Sweet Home"....

It's none of our business, and we have been constantly asked to and we, too, feel irritated when some people bring an extra high chair and squeeze in between the crowd to interfere the view of those sitting behind. The small spaces are usually opened so it will enable one to see without the blocking of heads and, if anyone has a common sense, they should know better than to go in those spaces...or else they should go earlier and get the deserved seat.?

BOMBARDIER BOMB
RUCKER U

The Bombardiers after being held scoreless for three innings, got their sight focused on hurler Hori to rap him for 4 runs on 3 hits which was more than enough to win.

The Bombardiers added 2 more in the 6th and one in the 7th while Rucker U was tallying one each in the 5th & 6th to make the final score 6-2.

DELANO EDGE DBLE 4'S
IN EXTRA INNING 15-14

The Dble 4's came within an eyelash of pulling the prize upset of the season as they battled the highly touted Delanoettes even for seven innings only to lose out in the extra frame on a walk and a error after two outs.

Home runs by Y. Nakata, H. Kobashi and T. Tanaka of the losers and S. Kodama of the winners highlighted the contest.

Before an estimated 2,000 baseball fans the visiting Kaseis of Unit one tangled with the 308 Yankees in a exhibition softball game. The tussle was held under favorable weather conditions on Saturday evening June 15th on the latter's Yankee Stadium.

Kasei's ace moundsman, Ken Yamaguchi repeated his usual shut out performance while his team mates presented their 2 winning tallies in their lucky 4th.

The 2 runs for the Kaseis came in when K. Sato reached 1st on an infield error while K. Sakamoto followed with a free pass. Then T. Yamaguchi met a timely double to score one tally. The second tally came in when K. Sakamoto slashed home plate on a put out at first. Speedball artist Ky Miyamoto of the Yankees kept the Kaseis in check otherwise.

308 Yankees threatened in the last of the 9th frame when T. Morikawa and F. Iwada both singled to be in scoring position with one away. The threat ended when T. Morikawa was cut off between third and home plate. M. Miyamoto popped out to end the ball game.

Winning chucker Yamaguchi sent 8 batters thru the strike out route and allowed 4 hits while Miyamoto struck out five and gave 3 hits.

G. Miyamoto for the Yankees collected 2 for 3.

O.C. finally broke the string of goose eggs in the 8th on walks to Morishita, Kodani and a single by Ezaki for one run.

O.C.'s final tally came in the 9th when Nakamura tripled and scored as the ball got away from third sacker Kokubun.

Ezaki and Nakamura collected all of the O.C.'s hits with two
