

# WATER SITUATION IS SERIOUS; CONSERVATION DEMANDED

Civil Affairs  
Training School  
needs 20 Nisei

The Civil Affairs Training School at Stanford University is in need of twenty Nisei to serve as conversationalist and drill-leaders of small groups of officers in the Japanese language.

The Civil Affairs Training School is preparing Army and Navy officers for the responsibilities of military government in enemy territory in the period immediately following the cessation of hostilities. An important phase of this training is to develop considerable proficiency in speaking and understanding the spoken language.

Employment for this work will begin immediately and will last until July 1, 1945, and possibly until October 1, 1945.

THE USE OF WATER HAS REACHED THE DANGER POINT. Entirely too much water has been used lately by residents. Unless drastic steps are taken to care for the acute shortage of water, Poston will face a great catastrophe.

In the last few days the amount of water used on the project has jumped to alarming proportions, according to a memorandum issued by

## MISSING COOK

## STILL UNFOUND

Joe Yoshiteru, Fujiwara, a 56½ year-old kitchen helper, is still missing from his apartment, 26-14-A, since July 11, according to Charles Harper, Chief of Internal Security.

The missing was last seen July 11 at 9 p.m. on the west bank of the canal west of block 26. He is of medium built, has chapped skin, and wears a mustache, reports Rahachiro Yoshioka, block 26 manager. Anyone seeing the missing man please notify the Police Department.

Duncan Mills, project director. Much of this water has been wasted. In Unit I the amount of water used on July 19 was over three million gallons; this being the same as 450 gallons per person for 24 hours.

"For the protection of the residents, we will have to take drastic steps to remedy this danger. I know that if the residents fully understand the danger, they will cooperate in conserving water. Two million gallons is the maximum amount within the safe limits of our plant in Unit I. When the use exceeds this amount, in order to protect the community, it will be necessary to cut off the water supply," states Duncan Mills.

If the amount of water used lately continues the pumps will soon be useless in a short time, equipment will be worn out, and the wells will be filled with sand, because it is more than can be pumped out of the wells.

In order to avoid cut-off of water, it will be necessary for the residents to cut their use of water by one-third.

## RECRUITER HERE FOR SEABROOK FARMS

E. Stanley Parcells, Employment manager of the Seabrook Farms, arrived Wednesday to recruit 300-350 workers for the farm in New Jersey and left Sunday morning for Gila. He is scheduled to return tonight and will remain on the project until Friday.

On the farm there is almost any kind of employment available with a minimum wage of 50 cents per hour. Operations on the farm are so large that individuals can put in as many hours as they desire, according to Thomas Masuda and George Nishita, who visited the farm.

There are 240 apartments and dormitories for families ranging from one to three bedrooms for \$30 a month and under depending on the size, and dormitories for single men and women at \$8 a week with room and board.

A mass meeting for all those interested will be held tomorrow evening at rec. 27 at 7:30.

# C.A.T. IN NEED OF 20 NISEI COMMITTEE OF 6 TO SUBMIT NAMES FOR ADMINISTRATOR

(con't from Page 1)

It is not necessary that the Nisei have skill or previous experience as language teacher, although this would be valuable. They must be capable of conducting conversational practice in Japanese among a small group of officers of ages from 35-55. Wherever possible it is preferred that the Tokyo dialect be used.

The War Department has indicated that a salary of about \$180 per month should be the standard remuneration for this service.

Dormitory accommodations on the Campus at reasonable rates will be available for single men and single women. Family accommodations are not available.

Anyone accepted for this position will be allowed to return to California.

## SCHOOL NEWS

Mr. and Mrs. Ray Franchi left Sunday night for Richmond, Calif., where they have accepted teaching positions.

Mr. Franchi was a junior core teacher last semester and Mrs. Franchi was an elementary school teacher.

Miss Estelle Hinson, core supervisor, returned to the project Sunday from her home in Fletcher, Okla.

Miss Mary Jesse will leave in the near future on a lecturing tour in the East. She will lecture in West Virginia and Indiana during the month of August under the auspices of the Northern Baptist Church.

English grammar class will start again under the instruction of Miss Mary Wiseman Thursday in Adobe 21 at 7 p.m.

At a meeting of the committee was elected to select candidates for the position of unit administrator. The men elected for the committee are Minoru Okamoto, chairman, Dr. M. Suzuki, vice chairman; and M. Nagai. Three more men will also be selected at the block manager's meeting to be held today to serve on the committee. These men will nominate two or three men and submit them to Duncan Mills, project director, who will appoint the administrator.

## USO DANCE SPONSORED

A USO dance, the first of its kind in Poston, was held Thursday in honor of all inductees and visiting servicemen in Poston at the personnel mess hall.

The dance was sponsored by the YWCA clubs, Hi-Lites, Luanans, and Tri-B's, with the aid of the Community Activities and USO, and was attended by approximately 300 people.

Also at the meeting the representatives from the boy and girl scouts spoke on their activities and reason for requesting financial aid. The local council allocated \$110 to the boy scouts and \$85 to the girl scouts, which will be used for the benefit of the whole scout troops.

## FUN FROLIC IS SUCCESS

The first Fun Frolic, "Caper Inn", sponsored by the Community Activities under the supervision of Misses Mary Wiseman and Donna Lapinkas, was held in the school assembly hall with approximately 600 people attending.

Various games indoors and games outdoors were featured for all those who attended. Some of the different games which were offered were: cards, checkers, Chinese checkers, anagrams, bingo, ping-pong, shuffle board, etc.

Next Friday more games will be added. Tonight the dance practice will be held in the assembly hall with the Blue Jays as hosts.

# Dust and Desert

Here I am sitting in front of a cooler, feeling sticky as ever with letters of my friends who have relocated to the east before me.

Everywhere the weather is sultry and "necha-necha", ... Poston is still better in weather so they say, but it is hot, isn't it????

Many of you still remember our former press girl, Masako, (Mrs. Ben Nishiyama), don't you?...She's in Minneapolis yet and is a proud mother of a baby boy--12 lbs. now she says....She's getting the big thrill watching him grow. Many families have settled there so Minneapolis looks to be a future prospect for many Japanese.....

.....Another of our press members who is also making Minneapolis her home writes--- "The city of Minneapolis is indeed an exquisite locality--very ideal for living a contrasted life".

...Minneapolis is just full of beautiful lakes ...really an enjoyable place to relax and especially on the canoe which can be rented cheaply....very ideal for couple late at night to row gently over the lake....she tells me.

One disadvantage is that the wages aren't exceptionally high, but it must be taken into consideration that the standard of living is lower, therefore, one cannot complain much....

So goes our friends, on the outside....Environmentally, I fold the letters and snooze--dreaming myself in an imaginary city somewhere far away where I hope some day to go...

Asahis Capsize Pirates,  
4-3

A hard-fighting Asahi nine overtook the Pirates in the seventh inning to walk off with a 4-3 victory on Field 3, last Thursday evening.

With the score standing at 3-2 in the latter part of the final stanza, the Asahis, who were on the short end, opened with the first batter whiffing. Then Omori, the Pirates chucker, walked Matsubara followed by two consecutive bingles by Hirata and Ushiyama, tallying a pair of birdies to spell defeat for the opponents.

Meanwhile Omori dropped 11 Asahi batsman via the strike-out, while being touched for 5 hits. Asahi hurler, Higashi, held the Pirate aggregation to 3 safeties.

## BLACKHAWKS UPSET LOS PEPES 6-4; KURAMOTO HURLS 8-HITTER

In the last game of the first round the Blackhawks pulled the biggest upset of the season by downing the Los Pepes 6-4 in a fast nine inning game.

The defeat dropped the Pepes into a tie for runner-up spot with Orange Co.

With E. Kuramoto in rare form, scattering 8 hits very effectively and striking out 4.

the blackhawks came back with late inning rallies to win the game.

Every member of the Blackhawks hit safely at least once with Shigemura and Yoshimura getting two each to total 11 blows in all off of Ikenaga who went the route.

The Pepes dented home twice in their initial appearance at the plate on a hit by Miyata, a fielder choice and a double into left by Okida.

The Blackhawks in their initial time at best rattled a trifle by Shigemura; single by Seriguchi, double by Hayashi and another single by Nakamura to go into a 3-2 lead.

A fielders choice, a single and a overthrow by Yoshimura followed by a fly ball gave the Pepes their last 2 runs in the second.

From the second frame the game settled down into a tight mound duel with both sides getting men on but failing to score till the 5th when the Blackhawks drew up even.

Kodama moved around for the tying marker on an error at the initial sack followed by a single off of the bat of Kuramoto and another error when Ed-dow threw low to second in an attempt to get Kuramoto.

The winning tally came in the next frame when Chino got life on a two base error by shortstop W. Obata and crossed home when Yoshimura dropped a single into left.

The Blackhawks clinched it in the 8th when they put together 3 consecutive singles by Chino, Yoshimura and Shigemura after 2 outs for another tally.

Fielding honors went to H. Kodama of the winners who turned in a spectacular game at the hot corner.

## 10-ettes Fumble 308-05, 11-0

The highly classed 308-05 team bowed before the 10-ettes 11-6, Wednesday evening on Field 39. Although the 308-05 threatened their opponents in the fifth inning they were unable to pull ahead.

Iron-man chucker, T. Kodama, after hurling a losing game to Roku 4 the forenight, held the opponents to 6 hits and 10 walks, while the losing southpaw chucker, I. Nagata, allowed 10 hits and 11-0.

The 10-ettes scored 2 runs apiece in the first and third when T. Kodama and Y. Nakamura hit for circuit blows with one aboard.

The 308-05 sent across lone runs in the second and fourth when H. Kodama scored both runs to make the count 4-2.

The 10-ettes once again brought their vaunted hitting power into play to tally 3 runs in the fifth frame on doubles by N. Nagata and H. Sugita, 308-05 came back with 3 counts in the 6th when

chucker Kodama walked 3 batters and allowed a single raising the score to 7-5.

In the sixth stanza the 308-05 tallied a lone run on a walk and a double by O. Ozawa, while the 10-ettes went ahead scoring 4 runs on three consecutive singles by Tsuji, Sugita and Kodama, ending the game 11-6.
