HOW TO SEND CHRISTMAS CARDS AND PACKAGES OVERSEAS TOLD

Although it is still four months before Christmas, Clarence Johnson, project postmaster, reminds residents of the fact that all Christmas cards or parcels for soldiers overseas should be sent during September and October 15.

All Christmas greeting cards for soldiers overseas must be sent in sealed envelopes prepaid at first class mail. All packages should be sent parcel post. No requests are necessary from a soldier to send a parcel during this period.

Christmas packages shall not exceed 5 pounds in weight, 15 inches in length, or 6 inches in length and girth combined. Due to the great distance this mail must be transported, and the handling and storage it must undergo, it is absolutely necessary that all articles be packed in boxes of metal, wood, solid fiber board, or strong double-faced corrugated wood, reinforced with strong gum tape or tied with strong twine. These boxes should also be wrapped in heavy paper. Then combination

packages are made up such as miscellaneous toilet articles, hard candies, soap, etc., the contents should be tightly packed in order that the articles may not be loosened or damaged during transit.

The public is urged not to send food or clothing. Perishable goods will not be accepted. The sending of fragile articles is also discouraged.

Not more than one package will be accepted in the same week from the same person to the same addressee. Parcels should show, in addition to the name of the addressee and sender, the name, rank, army serial number, branch of service, organization, APO number of addressee and post office.

One should not guess at the postage rate as all matter must be fully paid for. No written message should be enclosed within the package except Christmas greetings of some sort.

No mail matter shall be accepted as insured mail. If money is desired, money orders should be sent instead of cash.

SWIMFEST TO BE HELD TODAY

The camp-wide swimfest being sponsored by the Poston Red Cross, will be held today at Pool 21 beginning at 1, not 2 p.m., as has previously been stated in the Chronicle.

Swimming events, contests, diving exhibition, and other entertainment will make up the program for the day, and a talent show will be held in the evening, at Pool 21.

Unit 1, Unit 2, and Unit 3 are welcome. Shaved ice and cold drinks will be sold during the rest to the public.

LIFE-SAVING--PENICILLIN NOW AVAILABLE AT HOSPITAL

YESTERDAY:

Little Johnny Sugita, age 12, once a care-free, fun-loving boy filled with mischief, as is typical of boys everywhere lay critically ill, his life a mere shadow of what it was formerly, as a result of a ruptured appendicitis with the setting in of blood poisoning. As a pendulum sways, so was his life swaying between life and death.

But, in the distance was hope -- penicillin, the miracle drug! But perhaps that distance was too far to reach, for penicillin is reserved for the armed forces and is not on the market for civilian use. Through the painstaking efforts of Dr. A. Pressman, penicillin was promised to save little Johnny's life, by the Regional Army Hospital on Davis Mt. in Tucson, Ariz., after first contacting the Denver Medical Depot, where Poston's medical supplies are obtained.

TODAY:

Within 24 hours, the penicillin arrived, but it was not used for little Johnny. As the saying goes "Where there's a will, there's a way," and Johnny's will to live had won out. In the face of death, Johnny had made one last stand and had won out, on "old man" death. Defeated, death had faded out of the picture and in his stead stood "lady" hope with all her banners waving.

TOMORROW:

Although Johnny did not need the penicillin in his fight with death, that penicillin Johnny did not use will remain here in Poston to bring hope to the patients whose lives will hang as though on a swaying branch between life and death. Penicillin the hope of mankind--the drug to bring life back to the gallant men and women, who are fighting, struggling, and dying to make the world a place of love and happiness -- the drug of hope so that little boys and girls like little Johnny need not die, for they are the leaders of the world of tomorrow, where peace will be had and perhaps that dream of Utopia will come true. Truly, penicillin is the life-restoring drug-- a dream come true! By Tsurue Taniguchi

Red Cross to Put Out Second Yearbook

The second Annual Red Cross Book is being edited, of which about 4500 copies will be distributed sometime in October to the Red Cross members of Poston, according to the Poston Red Cross office.

The book will include over 50 pages of photographs, articles, and brief write-ups, both in English and in Japanese, concerning the work of the Red Cross Society in Camp.

NEW MANAGERS CHOSEN

Yasuko Horino and Mitsugi Hane have been chosen block managers of Blocks 46 and 16, respectively. About a week ago, Miss Horino replaced Takashi Moriooka, who has relocated to Chicago, and Mr. Hane replaced Tsumao Sumida, who has assumed the position of unit administrator.

CONSERVATION OF WATER ASKED

COUNCIL CHOOSES COMMITTEE

At the local council meeting held last Wednesday afternoon, a committee for preparation of a memorial service for Pfc. Johnny Yamamoto and Pvt. Joe Shiomichi, who were killed in action in Italy was appointed. On the committee are Tsuneo Sumida, unit administrator; Richard Nishimoto, block managers' supervisor; M. Nagai, member of the executive board; Dr. James Suzuki, vice-chairman of the local council; Sekizo Yoshikawa, community activities; Minoru Okamoto, chairman of the local council; Ryuzo Kitagawa, Howard Kaku-do, and K. Horita.

Also at that time Dr. James Suzuki was elected as representative from block 47, which includes the area around the hospital.

A new committee was also elected with T. Tanaka was general manager for the trading post. The trading post is scheduled to open in September and will be opened on the second and fourth Sundays of each month.

Correction

In the August 17 issue of the Chronicle, it was erroneously stated Rev. Bunji Fujimura of Unit III gave the memorial address at the second memorial service, held Tuesday, for Pfc. Shiohizo Toyota and T/Sgt. Atsushi Sakamoto, killed in Italy July 13 and 17, respectively. In reality, Rev. Zeishi Kawasaki of Unit III gave the memorial address; Rev. Fujimura gave a Buddhist bible reading. Also, Rev. Naboru Tsunoda, stated as being from Unit II, is from Unit III.

BON ODORI PRACTICES WILL BE HELD TOMORROW NIGHT AT POOL 21 FROM 8 P.M.

MOVIE DEDICATION PROGRAM POSTPONED

The Y.B.A. movie and dedication program of the auditorium which were scheduled to come off next week as announced earlier in the Chronicle, were postponed because of confusions.

The confusion is that the coolers are being placed in, starting this week, and the place will still be conjectured.

However, the dedication program will be held on September 2 or 3.

NEW EQUIPMENTS AT SCHOOL

Getting ready for the new school year, the Parker Valley High has received many new and needed equipment to start the new year right.

Also through the efforts of Mrs. Peener, who went to Los Angeles to purchase them, many new musical instrument were acquired.

Furthering the quota of instruments will be those coming from the closed Jerome Center.

STARLIGHT SYMPHONY

Once again the beautiful strain of music filled the jungle-like atmosphere of the 318 Paradise Garden last Wednesday evening to begin the Starlight Symphony Hour for Summer of 1944.

The melodies are in three groups: Marches were enjoyed last Wednesday evening, Negro spirituals and Stephen Foster's lyrics will be featured next Tuesday evening. The last of the group will be popular selections.

Everyone is invited to attend.

DESERT

A fine example of the trustworthiness of the students and people of Unit III comes from a surprising fact.

The fact is, last semester when the Parker Valley High acquired thousand new auditorium chairs, they were kept un-numbered and unlabeled.

These chairs were kept that way through many months of use in many parts of the camp and on many occasions as commencements, dances, etc.

This summer when they were counted and numbered, out of the 1000 chairs only eight were missing.

This in any man's language is something for everybody to be proud of...and let's keep it that way.....

Trotting over to the teachers' quarters again, which is beginning to turn out to be our main source of news, this time we saw our go-getting Parker Valley High principal, Miss Frances Cushman.

Speaking to her we found out that she spent most of her summer attending a seminar at the University of Chicago.

Also she stated that she went to Lowe's while outside saw many former Unit III students going on their way of life, all doing well...

In her opinion, she thinks the coming school term will be very good.

The other party interviewed was Mildred Standing who, just visited her home in Redena, Calif.

his consultations are asked to see him by August 22 as it will be his final date at the clinic.

TODAY WE HAVE

... guest column by Robert J. Ellis, Poston II High School teacher who returned from Indiana recently and writes:

... "Returning to Poston after a trip across the continent is like riding a canoe thru a series of rapids and then silently paddling in a dreamy still pool. ... In most towns it's like this: You say to a guy-- "Quite a town you've got here." Yeah he'll answer, "This is okay but you ought to see so and so town." "But, isn't this your home town?" "Nope, I came here to work in the ordinance plant. A lot of us did."

... It's like this: You come into Oklahoma City at midnight. You can see its lights for miles up and down its streets. Brilliantly lit by neon signs, neon signs, neon signs. Women with high heels talk, laugh, prepare to go home, or are going to work on the graveyard shift. You see a guy, "Is it always like this at midnight?" and he says, "On Saturday nights it's worse, I'll sure be glad when the war's over and this city calms down again." Do you think all these people will leave here you know? "Some are now," he says. "But others are coming in you can't tell, everybody is moving around. ... That is true of Okla City is true of Decatur, Ill.; Wichita, Kan.; Amarillo, Tex.; and city upon city. ... There is a hum to American life these days; it is a 24 hour hum that will be along with it running out regardless of how long or short the war

UNIT III-14; UNIT I-8

In a fray studied with hits, runs, and errors, the Unit III All-stars clubbed the All-stars of Unit I, 14-8, on Fld 39, Wed. evening.

The Unit III fans wasted no time, in their victorious struggle, tallying four runs in the initial frame, behind two hits, a walk, and a pair of miscues. T. Kodama, Unit I hurler, eluded a circuit blow with two aboard, making the score 4-0, with Unit III still leading. The scoreboard registered a pair of runs for the Unit I girls in the next inning, one safely and two errors, to overtake the Unit III-ers, 5-4.

The lead proved to be only temporary, as the visitors amassed an error, two walks, and two hits, to collect four runs, raising the score to 8-5, in the top half of the third. Two runs in their part of the third canto, on a hit and two errors, brought Unit I within one run of the Unit III ten. In the fourth stanza, Unit III again crossed home plate on two passes and an error. The home team tallied its final marker in the fifth, when Y. Nagata blasted the ball into left field for a round tripper. The Camp III team clinched the fracas in the last inning by producing five runs, on a bobble, two walks and a trio of hits.

Trokey, Osawa, and Hatada led the Unit III attacked with two safeties apiece, while Unit I was paced by S. Nishioka with a 3 for 4 clip.
