--- PLANS TO ATTEND EASTERN SCHOOLS MADE ---  
\*\*\*\*\*

"Everything possible is being done for ambitious students wishing to continue education at Mid-western or Eastern colleges, or universities by the National School Relocation Council, which has been established at the request of W.R.A.", said David Henley, member of the Council, at the meeting of approximately 300 students, held at Blk. 32, recently.

First to be transferred will be a select group chosen for scholastic ability, personality, and need for the type of work. Questionnaires must be filled out by anyone planning to go to a college, or university. Two preferences in colleges must be written down because the names of school available are not revealed. The release from the camp will be simple as soon as the Council approves.
