GIRL CANNERY WORKERS SOUGHT MAD DOG FOUND IN UNIT I STRAYS WILL BE DESTROYED

About 110 girls are wanted immediately for seasonal work by three canning companies of northern Utah, according to Corlies Carter, assistant relocation program officer.

Fifty contracts are open with the Eddington Canning Company in Springville, Utah, while the Utah Canning and Varney Canning companies are each asking for 30 girls.

Eddington offers a 55¢ per hour minimum wage and piece work, and promises housing at the plant for 50¢ a week per person, board for \$1.25 a day. Girls on this contract are scheduled to leave sometime this week with the company furnishing transportation.

Utah Canning's wages are 55¢ per hour; or for piece work, 12¢ for a 16 quart pan, while peeling and coring tomato for juice is 4¢ a pan. Girls will live at the Roy Labor Camp which charges \$1.10 per day for meals, and 25¢ a week for housing.

Because one dog in Unit I was found to have rabies yesterday, it was destroyed, and Project Director Duncan Mills immediately issued a notice asking dog owners to report ownership to their block managers and to keep their pets checked on leash or indoors. All strays are to be destroyed.

A check at the hospital disclosed that although members of the family owning the

dog were receiving treatment for rabies as a precautionary measure, no one had been reported bitten.

It has been arranged for J. A. Caldwell, veterinarian, to bring the necessary serum and equipment to immunize all dogs against rabies on his next regular trip here.

All cats should be watched closely, it was added, since they, as well as dogs, may transmit hydrophobia.

or at Varney Canning will be from September 5 to October 15 at a cannery located five miles from Ogden. Piece work pays 11¢ for a 16 quart pan, and 12¢ for an 15 quart pan. The hourly wage is 47¢ per hour. Orders may work as long hours as they desire, but the minimum day is eight hours. Food will be from 90¢ to \$1.10 a day, and room charge will be 25¢ a week.

Girls who are interested are asked to apply immediately at the unit employment offices.

CARTER HANDLE DRAFT PROBLEMS

To give more aid to persons concerned with selective service problems, the Selective Service division recently opened a new office in the Unit I administration building at room 27.

Headed by Herbert Carter, this office hopes to give specialized attention to the problems, which were previously handled by James D. Crawford, relocation program officer.

ARMSTRONG OF MISSOURI WRITES

In answer to a letter to C.E. Armstrong of the Missouri House of Representatives for his defence of Dr. Fred Y. Fujikawa who might have otherwise been barred from practice in the Missouri State Institutions because of his Japanese ancestry, the Women's Club of Poston received a reply, dated July 31, which read in various parts:

"I have been overwhelmed at the interest it has created all over the country. I

am glad it has given some encouragement to those...who believe in inter-racial cooperation.

"From the beginning I have felt that there should be a better way to deal with loyal citizens of Japanese ancestry.

"The United States Relocation Service has been kind enough to make favorable comments upon my speech, and I only hope that sometime soon...I may visit some of the relocation centers..."

JOHN DILLINGER RIDES AGAIN?

Leaving a note signed "John Dillinger," thieves stole \$9.08 from the Block 36 library on the night of Aug. 29, Head Librarian Haruko Mayemura reported yesterday.

The culprits, thought to be juveniles who probably entered via the adjoining Y C. office, spilled glue over the tables and caused other general damage.

Investigation of the case by police is still pending.

POLLUTED COLORADO WATER IS BELIEVED CAUSE OF INFECTION

A greater concentration of pollution in the Colorado River during the recent hot weather is the probable cause for the very serious sinus and eye infections among the school children, which are causing concern in the education department and worry on the part of the parents. This is the opinion of Miss Elma Rood of the public health department.

It is possible in swimming to contract infections of eyes, ears, throat and nose. In some cases, children will be absent from school for long periods, unless every precaution is taken to prevent these infections.

Parents are warned so that they may act wisely in guiding the recreation of their children, Miss Rood said.

TOLEDO READS ABOUT POSTON

Poston's recent send-off for 75 boys answering active duty call was mentioned in the Toledo (Ohio) Blade by Chub de Wolfe in his column "Among the Folks" on Aug. 28.

The occasion rated mention because of the emceeing of Scott Rowley, project attorney, who was formerly with the law firm of Rowley and Rowley in Toledo.

SPECIAL MOVIES

Special movies will be presented to Unit I residents, Saturday, September 2, at the central swimming pool. The program will be composed of six recreational and educational motion pictures: "More Life In Living," "Before the Alarm," "Life Begins Again," "Historic Death Valley," "Botany Clothes the Nation," and a cartoon.

A total of nine reels will be shown, in this show, which is sponsored by the entertainment division of the community activities section.

EPITAPH...

Here, richly, with ridiculous display.

The Politician's corpse was laid away.

While all of his acquaintance sneered and slanged.

I wept: for I had longed to see him hanged.

...". Belloc

Perhaps the author has expressed an universal sentiment on the subject of Politicians. Don't you think it's a direct, honest, and a refreshing bit of poetry? And a fitting "tribute" to some of the game's worst!

REQUISITION...

Camp I Council, in a written statement, requested purchase of horses and wagons for the evacuees' recreational purposes. Estimated cost--\$3000! This proposal has received an endorsement of everyone--can you picture yourself leisurely "maneuvering" a couple of plow horses down to the Colorado River? Makes us mutter: "nappy days are gone again."

ICGIC...

We cornered a lady angler the other day and demanded an answer rather belligerently. "Do you mean to stand there and glibly tell us that you grab a live minnow and stick a hook thru him to catch another fish? Do you ever go to church?"

The lady smiled, and said: "The bass is a treacherous species of fishes family. We sacrifice only one fish to eliminate the threat and secure safety for the hundreds of other small fish. Can you see light now?" unquote!

We didn't see anything but the poor little fish with a hook in its back, but

SCHOOL TO COMMENCE SEPT. 11, REGISTRATION DATES SLATED

Regular classes in Poston Two school will begin Monday, September 11, instead of Monday, September 4, as previously announced. The latter opening date has been decided upon in order that everything

SUEHIRO-ISONOTO TRUTH REVEALED

The engagement of Satoko Suehiro of 226 to Isamu Isonoto of 227 was revealed last Monday evening by her parents, Mr. and Mrs. Chosuke Suehiro, at the bride-elect's home.

Miss Suehiro is formerly of Woodlake, Calif., and Mr. Isonoto is formerly of Hawthorne, Calif.

Baisakunins are Mr. and Mrs. Asaburo Aurokawa and Mr. and Mrs. Yasuichi Kanagawa.

will be more nearly complete and ready for use. The new administration building for Poston Two school is expected to be ready for occupancy on Sept. 15. The school offices will be moved from Block 210 to the new quarters on that date. It is expected that the school library will be ready within a few days after the opening of school.

Final registration for the new school year will be conducted on the following dates:

- Seniors--Sept. 4
- Juniors Tues., Sept. 5
- Sophomores Wed Sept. 6
- Freshmen Thurs. Sept. 7
- Seventh & Eighth Grades--Friday, Sept. 8

(also new nursery and kindergarten children)

Students and parents are asked to report on the days indicated between the hours of 9 a.m. and 12 noon. Nursery and kindergarten children should be registered in the afternoon. Nursery school enters in the quads. All elementary school children of grades one through four report on the first day of school, Monday, Sept. 11. They will not need to register in advance.

MEDICAL CLINIC HOURS CHANGED

At its regular weekly meeting, the Local Council reported on the clinic hours as was decided at the Medical Staff meeting held August 12. The Camp II Medical Clinic hours will be on Mondays, Wednesdays, Fridays, and Saturdays from 9 a.m. to 11:30 a.m.

On Thursdays, there will be no clinic hours, so if patients need to be cared for, they may go to Camp III for their medical attention. Definite care for these patients will be announced by Ruth Crawford, Public Health Supervisor. The reason for this schedule is so that the Camp II doctor may assist in the surgery on Thursday mornings.

NEW BEAUTICIAN

Mrs. George Ninomiya of 211 has received her beauty operator's license, and is now head beautician of the Unit II Beauty Shoppe.

who are we to argue with a woman anyway?

TO AND FROM

Left on last Wednesday for short term to Salt Lake City was Tom Hayward.

Last Thursday's short term leaves to Hollywood Calif. were Gingo Okawauchi and Kosaku Ueno. To Payette Idaho, Tadeo Hirabayashi.

Last Thursday's indefinite leaves to St. Louis, Mo. were Kinto and Emiko Onitsuka and Sabumi Ishida.

AMACHE WINS THREE STRAIGHT

Winning their third straight game, Amache clipped the 308-B Yankees, 4 to 3, Tuesday evening at Yankee Stadium.

Getting a break in the first inning, Amache pulled across two runs on a bing to second by 1. Uno which the second baseman missed, going deep into center scoring Nishijima, who got on a hit into left before all and Uno scored not far behind.

Yankees got their chance again in the fourth with men on second and third and H. Nakamura hit a short one into left on which Nishijima came trading after making a "sne string catch" to end the inning and the fastest.

Amache then came back in the fifth to score two runs when one came in on a hit into center and the other came in when Watanabe was caught between first and second thereby giving Hozhizu the chance to score.

The Yankees finally came through in the sixth when A. Fujimoto hit a hot one to second, who tumbled it, letting E. Yamaguchi score from second.

The ninth inning saw the Yankees trying to bring in their needed runs and barely missing their goal by scoring only two runs.

With one out, and one on, T. Sakata hit a beautiful three bagger deep into left, scoring A. Fujimoto to start what looked like a rally. Then T. Sakata came on a fielder's choice to score the second run, but Amache pulled themselves out to make three outs to end the ball game in their favor.

REV. NAGANO VISITING HERE

Rev. Paul Nagano, former beloved pastor of Unit III, is here from Minneapolis, Minn.

He made this unexpected visit with his wife here because of the serious illness of his father-in-law.

He gave an inspiring sermon before the Christian group Wednesday evening. Also featured that evening was a musical number by the popular trio—Rev. Paul Nagano, John Miyabe, and Lloyd Lake.

Rev. Nagano is expected to leave for Minneapolis next Tuesday where he will resume his church work.

Also scheduled to leave that date is Christian leader, John Miyabe who has been vacationing and teaching here the past month. He will go to Ashbury College to continue his studies.

TATSUKO MUKAI TO WED

Tatsuko Mukai, 318 left Tuesday evening, for Fort Custard, Mich. where she will wed Pvt. Larry Katayama.

The bride-elect was employed at 318 mess while the groom-to-be has been training at Camp Savage.

They were engaged July 31 at Rev. and Mrs. N. Tsunoda's home. Marshakunin for the couple are Mr. and Mrs. K. Yamakoshi.

FOR SALE: Two fan type and one blower type coolers. Interested party, please contact Council Office, 310-8-D.

Batteries for Amache were: Smoky Kimura p., Tom Toka, c. Yankees; T. Lorikawap., c. Miyamoto c. Both switching positions in the 6th.

NO BOTTLES.. NO SODAS....

All kinds of bottles taken out of canteen seem to lose their way back and are missing by hundreds from Unit 3 canteens. This is the reason for the small amount of soda, Canada Dry, Ginger Ale, etc. now being sold at our stores.

It is emphatically stressed, that unless these bottles are returned, there will be no more carbonated drinks as the company will not sell any without the return of the bottles.

Look around your apartment and please bring every empty bottle to the canteen.

ROKU 3 vs. AMACHE

In the second, of the scheduled five games, the Amache All-stars K.O.'d the Roku 3 nine, 10-1.

Playing Monday, at the Yankee Stadium, the Amache team started their butchering in the first inning.

First to score was Hoshizu, who came in from third, on a hit by Nishijima.

Following closely behind was Watanabe, who crossed the plate on a bunt by Y. Ono, on which the throw to first was wild.

Two more crossed the plate, one on a hit into center, making four tallies for Amache All-stars.

Amache, holding Roku 3 scoreless, scored two more runs in the second.

Almost pulling across three runs in this inning, one was stopped at home plate, the other running before him tallying on the catcher's fumbling of the ball. In this mix-up at home plate the Roku 3 catcher, S. Sakamoto, was injured, with D. Inouye replacing.

Amache still threatened with loaded bases but the Roku 3 pitcher pulled himself out of the hole with two K.O.'s.

The third inning brought still more runs for Amache, two on a line-drive into left by Tad Ono.

Through the efforts of three Roku 3 pitchers, J. Sakamoto, J. Shimohara, and M. Miyamoto, Amache was held scoreless for the next five innings, with B. Umekubo of Amache doing the same against Roku 3.

In the ninth inning, Amache scored their last run when Kawamura, who reached first on walk, scored when Lefty Nishijima hit a sharp double into left field.

Dumping the Asahi nine 10-8, the league-leading Eagle aggregation remained undefeated and undisputed champions of the "B" league,aced by Endo, toeing the slab for the victors, the Eagles managed to eke out a narrow victory in the final game of the season.

Leading 10-8 in the final stanza, Endo stopped any scoring threat, by retiring the Asahi batters in order.

Miyoda, of the Eagles, and M. Koba, of the Asahi nine, each clouted a round-tripper for their team, the former with none on, and the latter with two aboard.

Higashi, going the full route for the losers, was hampered for 11 blows and K'd three while Endo allowed but four bingles and K'd eleven.

Abé, of the Eagles, led the hitters with 3 hits out of 5 trips to the plate, followed by Kitasaki and Miyoda with two apiece.

	R	H	E
Eagles	314	001	1---10 11 3
Asahis	110	051	0---8 4 5
Endo, Fujimura			
Higashi, Yoshimizu			

Roku 3, still not out of the ball game, came back in the ninth to break up Umekubo's shutout, when N. Nakamura knocked off a hit into center and scampored to third on a fielder's error. Then K. Fujimoto grounded to the shortstops, who fumbled it, bringing in Nakamura, for Roku 3's lone tally across the platter.

AMACHE IN INITIAL LOSE

Losing their first game since their arrival to Boston, Amache was defeated by the 325 Rookies, 5-4.

Amache again, as in previous tilts, started off the scoring, in the second inning, when Yo Ono and Shimizu crossed the plate both on a two-bagger by Omoto.

Then in the third, 325 pulled across one run, when Sakata scored from third, on a fielding error by the centerfielder.

The fifth winning brought one run apiece for both sides making the score at the end of the fifth, 3-2, in favor of Amache.

In the seventh, 325 tied up the ball game, when Sakata came into second on an error, and Hashimoto coming from first, also on an error, with Sakata striking paydirt.

The eighth inning brought another run for 325, putting them out in the lead.

Amache's try in the ninth to top the score failed, ending the ball game.

Batteries: Nob Sakai, Shig Hashimoto; Shiro, Umekubo, T. Ono.

SWIMMING CLASSES FOR GIRLS

Deadline for registration in the girls' swimming class is set for Sept. 9th, according to Mitsi Nimura, head of the G.A.U. All girls interested, limited to high school age and above, should enroll at the C.A. office, in the Rec. 32, or at the G.A.U. office at 54-5-A.

If the water is not clean by the deadline date, then classes will commence the following week, and if the water is still uncleaned by then, then swimmers may come at their own risk.
