DATES SET FOR NEXT PHYSICALS AND INDUCTION

About 25 boys will report for their pre-induction physical examinations next Monday, September 11, at Phoenix, according to Herbert W. Carter, who is now in charge of selective service matters. Induction calls are slated for Monday, September 18.

The names of those scheduled to report on the two dates will be published as soon as they are available.

USO CHAIRMAN TO BE CHOSEN

Selection of a Unit I USO chairman will be made when advisory board members meet with block representatives in the near future, it was decided at last week's meeting with Unit I parents of boys in the service.

TAMPERING WITH POLLUTION WARNINGS IS PROTESTED

SIGNS FOR COMMUNITY BENEFIT, PRESSMAN REMINDS
Signs which were posted at all swimming pools of Units 1 and 2, August 21, warning of the pollution of the canal water, have already been removed, just as similar signs which were posted for protection of Poston residents have been removed each time they have been posted by the health department, according to Dr. A. Pressman, principal medical officer here. All signs posted hereafter should be allowed to remain in place until removed by the health department.

Since the canal flows through the entire Parker Valley and near

COMBINING ADJACENT MESS HALLS CONSIDERED AT MANPOWER MEETING

At its regular Friday meeting on September 1, the manpower Commission considered a request from the Project Director that a recommendation be submitted with reference to the combining of adjacent mess halls where the total meals served were equal to or less than the capacity of one mess hall.

FOUR CHARGED WITH ASSAULT

At a preliminary hearing held last Saturday morning, charges and complaints were filed against four evacuee residents of Poston by the WRA.

Charged with assault and battery and with acts inimical to the operation of the WRA project, the four defendants, Frank Koga, Yoneo Nakashima, Jun-ichi Yamasaki and Victor Tanaka, pleaded not guilty before Project Director Duncan Mills.

The trial is to be held this morning.

In his memo to the Commission, Mr. Duncan Mills pointed out the critical shortage of manpower in essential activities and the need for conservation of workers in order to prevent a breakdown in project operation. Two sample combinations were cited which would result in savings of 17 to 20 workers, respectively. The proposal is to be presented to the residents of the local units for approval or alternate suggestions.

In addition, the following recommendations were made to the Project Director: (1) that the manpower shortage existing in the slaughter house be met by reassignment of workers within the division.

(2) that unit administrators and block manager supervisors be requested to recruit workers for the subsistence and Parker warehouse crews.

Finally, a report was requested to determine why the fish culture project had not been discontinued in accordance with recommendation of the Commission.

REMINDER

Tampering with the fire telephones is reported by the fire department of Unit 1. As these phones culminate with the fire station, it is futile to try to speak to other offices through these phones, residents are reminded.

PARKER VALLEY HIGH SCHOOL AUD. DEDICATED WITH AN IMPRESSIVE CEREMONY

A short and impressive dedication ceremony for the new Parker Valley High was held Wednesday night, August 30.

For many people it was the first time the inside of the auditorium was viewed, and a beautiful sight it was too.

The program, being conceded by Gerald Wumino, was opened by the flag salute and the playing of the Star-Spangled-Banner recorded by the Parker valley High School orchestra. It was led by the Girls Scouts under the leadership of Lorraine Kuwada.

A vocal solo by Mrs. John Griler was followed by the introduction of C.A. Popkins who thanked all those who worked on the auditorium. Immediately following, he presented the keys to Frances Cushman principal, who told in short about the people who made the building possible.

Word of appreciation from the student body was given by Richard Karasawa who thanked all the workers and vowed that appreciation will be shown in the form of good program for all.

The dedicatory address was given by project director Duncan Mills, who emphasized the meaning of this building and the work behind it.

Closing the dedication was a piano solo by Elaine Hibi.

FALL PLANTING UNDERWAY

The Agriculture Department of Unit III, headed by Kandy Mimura has the fall planting of vegetables well underway.

In accordance with the W.R.A. planting schedule for 1944-45 fiscal period, four acres each of stringless beans and cucumbers and 15 acres of tomatoe have been planted in Section II.

Five and one-half acres of daikon are being planted.

Also three acres of egg plant have been planted in the camp area.

308 DEFEATS 322 IN JR. LEAGUE

In a nip and tuck game, 308 defeated 322 in a Junior League game 11-10 Thursday evening.

Playing on the 309 field 322 nearly took the ball game when in the 7th and 9th inning they scored six runs in a spree which put them in a 10-9 lead.

In the last of the seventh, 308 came back to score two runs both on a three-bagger by M. Araki, thereby taking the ball game for 308.

**JAPANESE SHOULD BE PERMITTED
RETURN TO WEST COAST SAYS
SANTA ANA REGISTER EDITORIAL**

**YSA GRATEFUL
FOR OBOU SUCCESS**

Attorney-General Biddle says it is up to the Army whether the American Japanese are permitted to return to the West Coast. It seems stretching the case a good ways to give the Army this authority. Especially is this true since we are driving the Japanese Navy to cover.

As a matter of fact we should never have moved away the Japanese from their homes and their work. It was un-American, unconstitutional and un-Christian. Real Democracy, Christianity and Americanism means that people must live a dangerous life. They must have faith in other people and be willing to take risks. We should have been willing to take the risk that possibly a few Japanese might have caused a disturbance.

But since we have made a serious mistake, the sooner we correct it the better. There is no excuse whatever now for keeping the Japanese in detention camps. They are entitled to the same protection by the government as every other citizen no matter what color or race.

Editorial, Santa Ana Register, Aug. 22

Thanks are extended by the Unit I YSA to all persons and organizations who aided in the Obou Festival held August 27.

About 600 persons attended the devotional services held in the morning at the school auditorium, it is reported. Incessant offerings were made by persons representing those deceased since the last Obou, and a sermon was delivered by Rev. Yoshio Inagaki of Unit II.

The bon odori took place in the evening, with about 300 dancers, both boys and girls, who were clad in colorful kimonos.

**NEW CHILDREN'S
BOOKS OBTAINED**

Fifty-two books have been received recently by the libraries of Unit I, according to Miss Haruko Meyerura, head librarian.

Six adult non-fiction books and 36 children's books ranging from nursery school age to the fifth grade were received August 24 by the Block 21 library, and 10 copies of Japanese books were recently donated to the Japanese Library at Block 36 by Block 30.

The six adult non-fiction books added to the shelves of the library are: "Fundamentals of Photography," by Paul E. Boucher, Ph. D.; "Motor Vehicles and Engines," by Fraser and Jones; "Physics," by Hausman and Slack; "The Carpentry Book," by Charles F. Hayward; "Mechanical Drawing," by C. C. Leeds and "Diesel Engines," by B. J. Von Songart.

**LOTS OF ONIONS
FOR THIS WEEK**

From the agriculture department comes the weekly harvest report, giving an estimate on the onion output for the week Sept. 4-9, as follows: Sept. 4--3,500 lbs; Sept. 5--6,500 lbs, and Sept. 7--3,500 lbs.

**MORE PAROLEES
FROM SANTA FE**

Arriving last Thursday night from Santa Fe, N.M., to join their families here were the following parolees: Hashimoto, Rozuichi, 45-11-B; Hayase, Ryuzo, 17-9-B; Nakamura, Hiroichi, 14-9-A; and Tawa, Sukegoro, 30-6-A.

EDUCATION NEWS

From the Education Dept. comes the report that Miss Martha Jaquette, the Home Economics head of the three camps, is back after attending the State Home Economics Conference held at Prescott last week.

**PRIVATEES ARE ON
FIRST FURLOUGH
FROM SNELLING**

In the center of their first furlough are Privates Takao Ito, Shoichi Matsubara, Chester Okimoto, Hideo Chikawa and George Miyeda of Ft. Snelling, Minn., who were among the first to be called for active duty from Boston.

First assigned to Camp Shelby, Miss., the boys were recently transferred to the Military Intelligence school.

RECRUITER JOE

In order to recruit workers for south central Idaho districts, the War Food Administration in Burley, Ida., will send a representative to Boston as soon as possible, according to a wire dated September 1.

ICE

...is one thing which has no flavor and yet it tastes good and refreshing.....everyone eats ice and never gets tired of it. It's good to have a chunk of ice in your mouth when you're hot and perspiring. There really isn't anything like it, especially on these hot afternoons we have here in Boston.

COULD YOU LIVE...

to be awakened at 1:30 in the morning by a false alarm? That's just what happened to our firemen. Anyway, we're glad to know that they were on the alert! After all, practice isn't bad at all, is it, firemen? IT'S GREAT

...relief to some of us to know that school isn't going to start until next Monday, yet to some of us it's a heartbreak because for the past week, we've had our hearts set on going back to school to show off our new clothes...yes, that's what attracts the girls' attention, as well as the boys, the first couple of days of school. The big windows are a big help, aren't they, boys?

ENGAGEMENT ANNOUNCED

Last Monday evening, the engagement of Takako Yoshizaki of 222 to Pfc. Tadashi Kanemoto, who is stationed at Camp Barkley, Texas, was revealed by her mother, Mrs. Yuki Yoshizaki.

26 BOSTON RELOCATED AT WAYNE UNIVERSITY PRINCE IN LETTER

A letter has been received by Dalia G. McLaren from John R. Loseley, Admissions Counselor of Wayne University in Detroit, Mich., which reads in part, "Wayne University has enrolled a number of students from the Boston High School, and without citing specific cases, may say that it has been well pleased with the work which they have accomplished. At some future time, I should like to send you a summary of the work accomplished by the Japanese American students here at Wayne."

BETROTHAL REVEALED

Mr. and Mrs. Taisuke Yasukouchi announced the engagement of their daughter, Michiko, to Masanobu Miyasaki last Tuesday evening at the bride-elect's home.

Miss Yasukouchi, a former resident of San Diego, is currently of block 37. Mr. Miyasaki, formerly of Salinas, resides in block 213.

Bishanunins are Mr. and Mrs. Suematsu Murata of Camp I, Mr. and Mrs. Kingo Negishi, also of Camp I, Mr. and Mrs. Shikazo Harada and Mr. and Mrs. Tonai Matsuoka, both of Camp II.

CLASSES TO START

The Adult Education's Art and Craft Division under Roy Takahashi who will voluntarily instruct this course, will commence Friday Sept. 8, at Block 210-9-1.

Four courses in wood-carving to be given are:

1. Bird Carving
2. Inlay work
3. House Furniture
4. Miscellaneous Carving.

Bird carving course will be held in the morning, from 9 to 11, afternoon 2 to 4, and in the evenings from 7 to 9 on Fridays. The other three courses are to be held only in the evenings.

Registration was held on Tuesday, Aug. 29 and Wednesday, Aug. 30 at block offices. All those who registered are asked not to fail to come on Sept. 8 as this first class meeting is important.

Miss Yoshizaki is formerly of Sanger, Calif.

Unit 26 residents may recall that Ichichi Tanaka and Dan Inoye were admitted to Wayne University early in the summer and that Roy Hayashi and Alfred Torac have since made applications for admission there.

AMACHE BEATS UNIT I TWICE, LOSES TO III

The Amache nine twice defeated the so-called Delano All-stars, 4-1 and 5-4, on Friday and Sunday evenings, before an estimated crowd of 2,500 ardent ball fans, although outfit of both cases, 4-3 and 7-4. The All-stars were bolstered by a few Camp II players.

J. Hoshizu walked, then stole second. A sacrifice advanced him to third, and a squeeze play brought in the runner, for Amache's initial tally in the first stanza.

A single by Kawamura scored Kitagawa in the second, to make the score 2-0, in favor of Amache.

A fly by Ioka into left field was dropped to score G. Watanabe and M. Nishijima, for two more runs in the third frame for Amache.

The end of the ninth rolled around with no runs scored since the third, for either team. With two gone, it looked as though "Lefty" would be credited with a shut-out. The undaunted All-stars proved otherwise, however, when Tsuda climbed atop the initial bag, advancing to second on a fielder's choice. Then L. Nishijima connected solidly to plaster a sharp single between short and third, to tally Tsuda, marring a possible whitewashing. Noby Itami flew out to center for one and all other possible threats.

Outsider Noby Itami, twirling the distance, held Amache to three scattered bingles, but walks, sacrifices and errors in the first three innings proved his downfall. "Lefty" Nishijima, former resident of Poston, did equally well for the victors, being touched for only four bingles in nine innings.

The latter tilt brought Amache three tallies in the top of the first, when T. Ono tripled into the left-field garden, driving in two runs, and then scoring on a fly into deep center.

W. Wakayama singled with two mates aboard, driving one into home, making the score 3-1, at the end of the initial inning.

The All-stars knotted up the score in the fifth frame. Hirozawa stole second after being passed, and tallies on T. Tsuda's single into right, Tsuda rounding the bases to third on a miscue, and sliding safely home on K. Yamaguchi's slow-roller to first.

In the next inning Delano clasped the lead, when T. Hiroyama singled L. Nishijima into paydirts.

With the score standing at 4-3 in the eighth, the All-stars leading, Amache rallied to score twice, as Watanabe crossed home on Y. Ono's ground ball to the keystone sack, and Nishijima tallying when Shimazu grounded out to the catcher.

A last inning attempt to regain the lead went to naught, as S. Hayashi was thrown out when attempting to steal third, with two outs.

Batteries for the game were E. Shiro pitching and T. Ono catching for Amache, and W. Wakayama pitching and T. Hiroyama catching for the hosts.

Officiating the games were Danny Fukushima, calling balls and strikes, Ray Furuta at first, and Shig Eddow at third.

Playing Saturday afternoon at the Yankoo Stadium, the Camp III All-stars defeated Amache, in a saw-saw battle. The final score was 13-11.

First to score was B. Watanabe, who with one out hit a hot grounder on the third-base line for a double and an error by the left-fielder brought him all the way around. In the second, Amache scored again when they pulled three runs across the plate.

Camp III then became back in the second to also score three runs, two on errors.

Camp III now trailing 4-3 at the end of the second, came across with two runs, both on a three-bagger by F. Morikawa into deep center.

With Amache trailing by one run in the fifth inning, they scored two runs to pull them out into the lead once again.

Camp III then came back to pull a hit, when M. Miyamoto hit a looping home-run into deep center, and one more run scoring on a triple by E. Tanaka.

At the first of the ninth, with Amache on the short end of a 11-6 score, they broke loose to score five runs, to tie up the score.

B. Inouye broke up the game in the final frame, when he smashed a home run over deep center with one on, to win the ball game for Camp III.

Batteries:

Camp III-T. Morikawa, S. Hatakoda, B. Inouye
Amache-B. B. Umakubo, S. Kimura, T. Ono

Girls, don't forget the swimming classes. Sign up deadline is on Sept. 9th at the C.A. office at Rec. 32, or at the G.A.U. office, at 54-5-A. One week extension if the water is not clean.
