750 Pinedale Center Evacuees Arrived Yesterday

* * * * *

Approximately 750 evacuees from the Pinedale Assembly Center in Central Calif. arrived at Camp 2, early yesterday morning July 22, three hours ahead of schedule according to Norris James, Intake Officer of Poston.

The first contingent of evacuees arrived at Parker at approximately 6 a.m., yesterday morning, three hours ahead of schedule, after being attached to the L.A.--Phoenix train at Cadiz Junction. The second train arrived at Parker about 10 a.m.

Nearly all of the trucks of Poston were mobilized early yesterday morning to transport the evacuees from Parker to Camp 2 due to the absence of the buses.

"Despite the fact that the transportation men and the Intake and Housing crew were taken to work before breakfast, they did a wonderful job in handling the evacuees," stated Mr. James.

FACTORY SITE APPROVED

The Industry Depts. much needed factory site, the site for the various factories that are planned for the city of Poston, was approved recently by Wade Head, Project Director, according to Harry Kumagai, chairman of the Factory and Industry Dept.

The site is to be located at the southeastern portion of Camp One on a triangular parcel of land bounded on the north by the City limits of Camp one, on the west by the main canal, and on the east by the highway.

As to the buildings, that are to be built on the site, the date of construction is not known at the present time, although it is understood to be in the near future.

Manufacture of foodstuffs for the three camps will start as soon as the buildings are completed on the site with textiles and other materials following.

BLOCK 26 CHILDREN WILL PLAY IN SHADE

The young children in Blk. 26 will be fortunate in their playtime, for the older folks there are pitching in to construct a shed under which they will be able to play.

Permission was obtained from Mr. Evans on the condition that the shed be built twenty-five feet away from all buildings.

The construction of the 50-50 foot shed is expected to end this week. Carpenters of Blk. 26 will supply the instruments of play such as tect-cr-toters and swings.

GOLDEN BEARS DEFEAT INDIANS

On the short end of a 5 to 4 score in the last half of the seventh inning, I. Hashimoto connected with a home run that gave the Golden Bears a close 6 to 5 win over the Indians, July 21, on Fld. 30.

After tying up the game in the sixth at 4-4, the Indians scored another run in the first half of the last inning to take the lead. Then with two outs in their last half of the seventh and two strikes against him, Hashimoto broke up the ball game with a homer deep into left field, chasing across M. Kodani, who had tripled. This win cinched the Bears in the Shaunessy play-off with one more game to be played with Valley.

Batteries for Golden Bears--G. Kawasaki and Mochizuki.

Batteries for Indians--K. Ueda and S. Sugi.

Game to be played on Friday July 24.

Golden Bears vs Valley, Fld. 30.
