

THOUSANDS WILL PARTICIPATE IN YOUTH CONFAB APRIL 27-MAY 4

Unit I Students Take on Send-off Responsibility

In keeping with the spirit of the Poston Youth Conference Week, the Unit I Student Council will sponsor the coming send-off, which is being held at 7:30 p.m. at the high school auditorium in honor of the 21 boys leaving for active duty May 1st.

The chairman of the student council, Jack Nakahara, will act as chairman.

There will be a special speaker from the Community Council, and a program of unusual entertainment is being arranged by Harry Minami.

Families of four men have recently received word that they were slightly wounded.

They are: Pfc. Masao Tsuda, 219-7-B; Pvt. Sam S. Morimoto, 322-9-A; Pvt. Bill M. Morikawa, 327-7-B, and Pfc. Junichi Imagawa, 31-8-C.

Pfc. Masao Tsuda, formerly of Watsonville, Calif., the son of Mr. (cont. on Unit I page)

Pvt. Shin G. Shimaji, 316-5-B, who has received his orders effective May 1, in addition to twenty others, will leave.

Speakers to Address Various Organizations

Special high school assemblies in Units I and III yesterday and the big kick-off meeting in Unit I last evening brought thousands of Postonians to the first day's session of the Poston Youth Conference. With "Better Youth For A Better Community" as the slogan, the conference moves ahead as already over one hundred sessions are scheduled in all three units.

Unexpected but very welcome guests are Mrs. Myrtle Tietsort, Girl Scout executive of Whittier, and A. J. Roberts, Boy Scout executive of San Bernardino. Jean Farwell, recreation specialist for the State of West Virginia, will conduct an unusual demonstration of textile painting, Sunday, 2 p.m. in the USO.

Many distinguished guests have already arrived and the grand total of 35 is expected before the week-end is over. Several teen-agers from Phoenix and 5 Indian students are included. Subjects for discussion include, "Etiquette," "Understanding Your Parents," "Vocational Opportunities," "You Can Be Better Than You Are," "Building Self Confidence," "Parents Look at Their Children," "Boy Meets Girl," "Club vs. Gang" and many others. Any organization which has not yet arranged for a session may call Michio Abe, program chairman, or the C.A. office, 113R2, and a speaker will be assigned if one is available.

WASHINGTON COMMENTS ON EVACUEE RECOMMENDATIONS

WRA Washington has commented on the recommendations of the all-center conference held in Salt Lake City last February. Two of the recommendations and comments thereto have been published in the April 21 issue of the Chronicle. The second comment was not published in full.

The remainder of the second comment, on the recommendation that the present relocation grant be increased, and given to every relocatee; with the penalty clause on the present form being deleted; and further, that federal aid be granted according to every individual's particular needs until such time as he is reestablished, was:

"In cases where the relocation grant provided by the WRA is not sufficient to cover an individual's needs until such time as he re-

establishes himself, supplementary assistance should be sought under the Resettlement Assistance Program from the appropriate local welfare agency. In view of the increased tempo of relocation, Congress has been asked to increase the amount which may be transferred to the Social Security Board for the Resettlement Assistance Program between now and June 30, 1945, and is being asked to appropriate additional funds for this program to cover the period through June 30, 1946."

The next 4 follow.

"Recommendation No. 3: That long term loans at a low rate of interest be made available, without security, to aid the residents in reestablishing themselves as near as possible to their former status in private enterprises, (cont. on city page)

WASHINGTON COMMENTS ON RECOMMENDATIONS TOLD (continued from front page)

such as business, agriculture, fisheries, etc."

"Comment: WRA is now exploring every potential source of loans--both governmental, and private--for relocating evacuees. Because of the current inflation of values, we believe that evacuees would be ill advised to secure long-term loans for land purchases at this particular time. Comparatively short-term loans for the restocking of business enterprises, the purchase of agricultural equipment and supplies, or other similar purposes, however, are definitely needed by many evacuee businessmen and farmers. WRA will bend every effort to see that such loans are made available from some source to those wishing to reestablish themselves in their pre-evacuation line of endeavor. Evacuees at the centers will be advised as further progress is made in locating potential credit sources."

"Recommendation No. 4: That the WRA use their good offices so that consideration may be given on priority by OPA. Because of evacuation, residents were forced to dispose of their equipment, trucks, cars and etc., many of which at present require the approval of an OPA board. These equipments are essential to many residents in order to reestablish themselves in former enterprises."

"Comment: WRA will render every possible assistance through the field relocation offices to evacuees who need help in obtaining agricultural equipment. Since priorities are no longer necessary to obtain such equipment (except for crawler-type tractors), the field offices will be concerned primarily

with locating dealers or individuals who have equipment and who will sell to evacuee operators. Evacuees, however, should not expect preferential treatment or the granting of priorities which are not available to other persons."

"Recommendation No. 5: That the WRA make every effort to obtain a return of properties, for evacuees, who, due to evacuation and consequent inability to maintain installment payments, have lost the same; further, in order to prevent loss of property, to obtain some definite arrangement for the granting of governmental aid, as may be necessary, to evacuees unable, as a result of evacuation, to maintain installment payments."

"Comment: There are undoubtedly a considerable number of evacuees who have lost their properties or who are on the verge of losing them because of inability to maintain installment payments. Although WRA is not in a position to take any direct action in such cases, it will assist evacuees, through its field offices, in trying to secure necessary refinancing from public or private institutions."

"Recommendation No. 6: That the WRA give financial aid to residents with definite plans, for the purposes of defraying the expenses of investigating specific relocation possibilities."

"Comment: Assistance of this type is now available to evacuee representatives designated by the Relocation Planning Commission for the exploration of group relocation opportunities anywhere outside the West Coast area. This gives evacuees at the centers

an opportunity to acquire first-hand information from their own representatives about sections of the country with which they are not familiar and provides a factual basis for evaluating relocation prospects.

"On the West Coast, however, there is not the same need for exploratory trips of this type that there is in other sections of the country. The evacuees, after all, have a first-hand knowledge of the coastal region--its agriculture, climate, and economic opportunities. We believe that any investigative trips center residents may wish to make in that region should be at their own expense."

ENGAGEMENT REVEALED

The engagement of Emma Okasaki to Mas Kawashima, former supervisor of block managers and chairman of the executive board, was announced to relatives and close friends by Kuraso Okasaki, the father, at an informal reception at the Okasaki home in Block 3 Monday evening April 23.

AMERICAN LEGION POST COMMANDER AGREES WITH OKA

Following resignation of Harley M. Oka, from Hollywood Post No. 591, American Legion, William F. Schneider, commander of the Post, announced his own resignation from the post Thursday, April 20, according to the Los Angeles Times.

Oka is the son of Mr. and Mrs. Isojiro Oka, 37-9-C.

Schneider's letter of resignation set forth

that the admission of Oka had brought "severe censure by the World War I veteran (P. A. Horton) who happens to be the 24th district commander."

"Perschally," Schneider wrote, "I see no other course than to resign as commander and member of this post and to seek to continue my comradeship with enlightened veterans in some organization whose leadership is less hostile to the principles we have been fighting for."

Contrary to reports in Poston that Oka had been "forced" out of the Hollywood Legion Post, friends here have been advised that he resigned of his own free will and after mature deliberation. After the executive committee of the American Legion of California had approved the action of the District Commander, Horton, Oka, feeling that he was unwanted by the state and district organizations of the Legion although happy in his associations in the Hollywood post, resigned his membership.

Mary Naganuma, formerly of Postbn (Unit II) and Lindsay, Calif., received honorable mention as a forward on the City All-Star team of the Girls' Double AA League, according to a release received from Milwaukee, Wisc.

The 442nds, a Nisei girls' basketball team for which she played, climaxed a successful season by defeating the Vagabonds, champions of the league, 26-12, in a post season game.

Another former Unit II resident to make news in the sports world was Takako Yagi who was recently named to the board of the Women's Athletic Association for 1945-46 on the Muskingum College campus in Ohio.

She is a sophomore majoring in chemistry. She is also Girl's Sports Editor on the college paper and is a member of the Kona Social Club.

Yep, the gals are still at it, tossing the ol' casaba around. Anyway, the Girl Reserves sextet outshot the Delano femmes, 19-13, in the Girl's "A" league first round playoff at court 38 last Tuesday evening.

Sparking the low-scoring victory was Aiko Deguchi with 10 counters, while Mitzie Oki shone on offense and defense for Delano, scoring six points, also, turning in very creditable performances were G.R. guards, Setsuda, Nagata, Mori and Miyada.

CENTER STAYING OPEN RUMOR COMPLETELY FALSE

That there has been no change in the announced policy of closing the centers no later than January 2, 1946, was reiterated by Malcolm E. Pitts, acting WRA director.

He stated the rumor that centers will stay open until June, 1946, which is understood to be based on a budget story published recently in the Colorado Times, is completely

without foundation. Budgeting funds requested for use in the 1946 calendar year are for operation of the relocation field offices until March 1, maintenance of warehouses until April 1 and the additional necessary reconciliation and winding up of records and activities.

encounter at field 30 Wednesday. Nishida, twirling on the mound for the Bombers, hurled a two-hitter, while his mates touched Shamrock's Tanimoto for eight and relief-hurler Shibata for two safeties.

First sacker Yamamoto, tapped out a perfect 3 for 3 and Nagase, Yoshimizu, and Shima each garnered two bingles for the Bombers.

Minus three regulars, the Bombers, nevertheless, held their own, keeping a 1-0 lead until the sixth frame when the Shamrocks tallied two runs on two walks and two errors.

Nishida's game winning four-bagger came in the final seventh with two away and one on. In the extra-inning, Ezaki was walked and Yoshimizu and Shima pounded out consecutive singles to send in the winning run.

BATTERIES: Bombers, Nishida, Shima; Shamrocks, Tanimoto, Shibata, Kaii.

Poston Pictorial Souvenir Album compiled by this unit YBA is being sold at \$2.00 to all, regardless of religious affiliations. May 12th has been set as deadline for all advance subscriptions.

This album will not be exclusively Buddhists, but will contain pictures of Poston scenes, blocks, various departments and its staff, organizations, large collection of people, etc. and will be one of the best souvenirs yet to be published in Poston. Camp I and II will also be represented.

The photography editor has been busy the last few weeks in taking pictures of various families in each block and department.

Those leaving Poston will get their copy through the mail provided they leave their forwarding address at the Church Office.

Teous, something you do not expect. The ride is hell, but what the heck, it's only for 3 days and you're in Chicago at the Dearborn station; Before pulling into the Dearborn, you're going to see some of the dirtiest dumps you've ever laid eyes on...that's Chicago for you, but don't worry...they have their good side too. Maybe you'll marvel at the elevated trains that go banging over your head, right smack on the Loop...the heart of Chicago...or the big buildings might get you, maybe it will be the stores. It would be a thousand other things. I don't know too much about, but you'll like it here, after you get over being lonely for your friends, family and the rest--which takes time, of course. (cont.)

Dr. Takashi Namiki, age, 50, of block 317, passed away at 7 p.m. Saturday, April 21 at Unit I hospital after an operation.

Dr. Namiki was one of the dentists in this unit and one time chairman of the Community Council.

A native of Yamaguchi ken and formerly of Visalia, he is survived by his wife in this center.

TO A BRIGHTER FUTURE

Terminal leaves this week were: Hiromu Oye 316, Chicago, Ill.; Kikumichi Oda 316, Detroit, Mich.; George Hamada 327, Logandale, Nev.; Kiyo Okihara 323, San Diego, Calif.; Haruye Sojuro, Nobuyuki, Hideyuki Nakamura 308, Reedley, Calif.; Kiyoshi, Kow, Kiyoko Enoki 306, Spokane, Wash.

Short termers were Paul Yamamoto, Robert Tamauchi, James Hodaka 322, Phoenix, Ariz.; Masao and Satomu Takasaki 317, Logandale, Nev.; Katsuni Takashima 322, Gezo Seki 329, Glendale, Ariz.

FORMER SENSHIN GAKUEN NOW USED AS HOSTEL

To provide temporary housing and to assist the employment services for Buddhists and non-Buddhists, the Senshin Gakuen, 1336 West 36 Pl., Los Angeles 7, is now serving as a hostel, according to the hostel.

Several rooms, each partitioned off to insure privacy, are the rooms for guests. Located in the Southwest area, near U. S. C., the hostel has accommodations for 30 to 35. It is easily reached by taking the "J" car from 7th and Broadway, and stopping at Jefferson and Normandie.

Meals are served twice daily except Sundays.

Bob Hiratsuka, our ex-editor, has written to one of our staff member an interesting letter in his unique informal way about what to expect in the new life of resettlement around Chicago area so we are taking some out to have you all take a look.

"...the thing that must be worrying you, as well as the thousands of others left in Relocation (so-called) Centers, must be that WRA announcement about closing shop by the end of the year. Whether they will or not, we have no way of knowing, of course, but if they did, that will make it plenty tough for a good many of the people--and I mean many! For a young fellow, or even a girl, I think it's a cinch for them to come out to Chicago and make a living. There seems to be more jobs than workers, and if you're the type that believe in giving a man a good days work in exchange for a good days pay, you'll never have to worry about jobs. Sure the cost of living is high! Probably will go higher by the time you decide to come out, but don't let that worry you... Millions of people are making a living... why not you? A place to live? They have apartments, not too plentiful and probably not too clean, but any port in a storm, you know... You must be getting lots of jobs offered you from this area--grab one, hop a train and come on out--what have you got to lose? Anything, anywhere must be a good deal better 'n that dump of dumps!

"You'll find the people on the train car -
