Discussions and Exhibits Held During Period

Youth Conference moves ahead, with about 80 sessions already held, and with many more slated to be held, until the final conference day, May 4.

Opening the conference was an assembly at the Unit I high school, and the kick-off meeting.

During Saturday, Sunday, Monday, and Tuesday, various sessions were held, numbering about 80 in the three Units. These included discussion groups, exhibit, games and other things.

For the rest of the program of the Poston Youth Conference, all are requested to consult the bulletin boards of their respective blocks.

A sayonara banquet and dance on Friday, May 4, will wind up eight action-packed days of Youth Conference. The banquet which will take place at the elementary school "MC'ed" by Mas Honda, chairman of the conference, with singing and entertainment provided by the guest team members.

The Girl Reserves will serve and arrangements are being handled by Helen Hirata and Mary Wiseman.

CANNING COMPANY SEEKS WORKERS IN JUNE, AUGUST

A recent letter from the Kaysville Canning Corporation in Kaysville, Utah, stated that they would like to have about 30 Japanese men to report about June 1; also 45 women to report about August 20. The corporation will furnish them living quarters near the company's Syracuse plant and if there are not enough accommodations, the balance will be housed at the Roy Labor Camp.

The Salt Lake office of the War Manpower Commission and also the Cannery Association are interceding with the WRA at the Washington level trying to have them change the regulation compelling the evacuee to take his final relocation transportation money at the time he leaves for employment outside.

The Corporation will be willing to pay to each individual the amount of money that is necessary for the transportation and meals to and from Poston for all who stay with the cannery during its campaign. From previous experience this would cost about \$60 person.

DOCTOR'S LEAVE SHORT

Contrary to the rumor that Dr. Masakazu Murase, 30-5-B, medical officer with the Poston General Hospital since April, 1944, may relocate in the near future, he will only take a two-week vacation to Denver, starting on Friday, April 27. This was disclosed in a visit to Dr. Murase's home by the chairman of the Community Council, the three unit local council chairmen, unit administrators, and block managers' supervisors.

After this rest, it was added, he will resume his work here.

DOI ASSAILANTS FREED OF CHARGES OF ARSON

In connection with the recent attempted firing and dynamiting of a fruit shed on the ranch of Sumio Doi in Auburn, Calif., two soldier brothers, Alvin and Elmer Johnson, and James E. Watson, bartender, were freed of charges of arson by a jury after six days of trial, according to a teletype received from San Francisco, April 25.

The soldiers were taken into custody by the army authorities on charges of absence without leave, while District Attorney Tindall, who prosecuted the case, stated that he would bring charges against James Watson for contributing to delinquency of minors.

Claude P. Watson, James' brother, is scheduled to appear for separate trial in connection with the attempted dynamiting of the Doi property.

YWCA ISSUES STATEMENT FOR "BENGAL LANCERS"

Financial statement on returns of the YWCA-sponsored movie, for the benefit of all Poston Girl Reserves, in Unit I, was made recently by Sarah Kido, assistant G. A. supervisor with the Poston YWCA. The picture, "The Lives of a Bengal Lancer," was shown April 6 and 7.

Statement follows: gross receipts, \$244.67; expenditures: film rental, \$33.58, 1000-watt projector lamp, C.A., \$7.65, telegram, \$1.19, film postage, \$.83, and refreshments for operators, \$4.30, total, \$47.55; net proceeds, \$197.12.

Mrs. Kido stated that she wished, personally as well as a representative of the organization, to thank everyone for his cooperation in making it the success it was.

BIRTH

To Mr. and Mrs. Saigoshi Taguchi, 326-12-A, a girl, April 24.

POOLS WILL OPEN MAY 1

Swimming pools in all units will open May 1, according to the Red Cross. Life guards will be on duty.

The Red Cross is asking for more lifeguards.

Although last year reports were issued that the water in the pools was polluted, the Red Cross has stated that as an indication that this year the water will be all right, Dr. John W. Powell, assistant project director, in a memorandum dated Monday, April 23, to Ruth Green, community activities supervisor, said the water tests made Saturday, April 14, showed all samples were safe.

COMMUNITY COUNCIL NOTES

Resignation of Minoru Okamoto from the office of city manager was accepted by the Community Council recently at a regular meeting. Sekizo Yoshikawa, whose transfer from the position of public relations coordinator to that of city clerk had been approved by the Council at this meeting, will take office temporarily until a new appointment is made.

As a result of the petitions requesting Dr. Tsuneco Murakami, well-known surgeon, who recently planned to relocate, to prolong his residence in the center, he has agreed to stay, but how much longer he would stay was not made definite.

Another resignation, that of Yukitaro Kawasaki from the position of public health coordinator of the Community Council, was accepted by the Council. No successor was named as yet.

AQUATIC EXHIBITION
PLANNED FOR THURSDAY

A total of \$2057.02 has been contributed by the evacuee residents alone toward the 1945 War Fund Drive of the American Red Cross, the local chapter reported recently.

Total donors numbered 2,637.

Unit I contributed \$1,388.15; Unit II contributed \$282.02, and Unit III contributed \$385.85.

The total collected is over four times the goal, which was, this year, \$500.

PERSONNEL CONTRIBUTE

With the total contributions totalling \$902, the personnel section drive of the Red Cross was completed April 27, marking the close of the War Fund campaign here.

The drive was headed by Dr. John W. Powell, chief of community management, and Ruth Green, supervisor of community activities, as co-chairman.

The total number of contributions and membership subscribers was 183. The full amount will be sent to the National Red Cross. Last year, the contributions in this section totalled \$654.01.

TEN GIRLS WANTED

The Woodcross Canning Co. of Clearfield, Utah is asking for 10 girls to begin canning asparagus May 15.

Anyone interested is asked to contact the Blk. 54 manager by Friday, May 4.

DONATION RECEIVED

Dorothy Stevick recently donated a record player and \$10 toward the purchase of records for Girl Reserve use. Any G.R. club may check this out, the Y.W.C.A. office states.

Nikki Sawada stated that she now quartered on the sixth floor of the YWCA Hotel temporarily where she can get a lovely view of San Francisco's jellied skyline in a letter received by friends here recently. She goes on to say that life in San Francisco is so far removed from that of Poston that they both seem unusual and dream-like.

She stated that no one had ever called her a Jap or even gazed at her hostilely, and that this surprised her very much. People are too busy in S.F. to go around hating each other. She had also been mistaken for Greek, Chinese, and Mexican.

FRED OKAMOTO WRITES

Fred Okamoto who is now in Watsonville wrote recently that it is nice to be back and everything seems all right to him so far, according to friends here. He didn't notice any changes in the city itself, but the people have changed (a lot of new people are in town.)

He states that he had walked a lot and met a lot of people, and so far they haven't encountered any disagreeable situation. They met some Japanese friends who, he said, were getting along fine. One had already started to farm and had hired 6 Filipinos to work for him. The restaurant service was very good.

Mr. Okamoto visited Mr. Yagi's garage and discovered that the place had been broken into, but he apparently did not know what was missing.

OBITUARY

Mrs. Mizuye Hashimoto, 74 years old, 17-1-A, April 27.

A highlight of the Youth Conference will be the water safety demonstration at Block 21 pool on Thursday May 3 at 6 p.m.

Swimming, diving, and life-saving techniques will be demonstrated by Jim Sakuma, Joji Nagashima, George Asachika; Tamotsu Nakao, Robert Yoshida, Tadao Matsuda.

The demonstration is being arranged by the Red Cross under the direction of Hijiyo Takahashi.

The information which should include full name, date of graduation or attendance at Marshall and some details concerning military record, citations etc., should be sent to the Los Angeles Area Office (Reports Officer).

POPPIES PLANNED
TO BE SOLD HERE

Tentatively planned is that Girl Scouts will sell poppies, made by Veterans of Foreign Wars ill in the hospital, throughout the Project, at mess halls and also at various meetings of the Youth Conference. Poppies are for sale at whatever will be paid for them, and proceeds will go to the V. F. W.

The Veterans of Foreign Wars have been consistently fair in their attitude toward Japanese American veterans. There are many Japanese American veterans of World War I, and one World War II veteran, Sgt. Karl Yoneda, now serving with the Army in the Burma theater, has been elected to membership by the Howard A. Sperry Post No. 3570, Veterans of Foreign Wars, according to A.P. To the knowledge of San Francisco V. F. W. officials, this is the first time since the outbreak of the present war that any person of Japanese extraction has been voted to membership in a V. F. W. post.

ZEBRAS OUTSLUG
BLOCK 21, 13-6

Dropping the Block 21 nine into the tournament consolation brackets, the Zebras took the lop-sided victory by a 13-6 score last Friday at Field 39.

Gathering five hits from Block 21 hurler Hasegawa, the Zebras scored eight runs in the first two stanzas to lead 8-4. Block 21 tallied their four runs as Sasaki, Zebra pitcher, walked five in the second inning.

The Zebras garnered five more in the last three cantos on three hits, including a triple by Sasaki in the sixth, while Block 21 could only tally once each in the fifth and sixth.

Both starting hurlers were relieved in the sixth, Oda for Sasaki and Sugita for Hasegawa.

Hurler Sasaki grabbed batting honors with three for four, while teammate Horiye, and Block 21's Higuchi both gathered two hits.

SELECTIVE SERVICE
4-C CLASSIFICATION

In clarification of the 4-C classification given to Japanese-American registrants not acceptable for military service, R. L. Porter of the State Headquarters of Selective Service, has this to say:

"Relocation would not change their classification. If any person so classified wanted it changed it would be necessary for him to file DSS Form 304A (statement for citizens of Japanese ancestry) with a letter stating the reason why he is filing this form. He should file it with the State Director of the State in which he is registered for Selective Service, and he should be sure to state specifically the

BLACKHAWKS BLANK
BEAVERS, 12-0

One hit, no runs, and no errors was the enviable record hung up by the Blackhawks as they shutout the Beavers, 12-0, in a tournament match at Field 39 last Thursday.

Southpaw Joe Uchimiya's brilliant hurling struck out nine and it was a no-hit, no-run affair until relieved in the fifth by Eiichi Kuramoto who was touched for the only bingle of the game, a single by Nakashima.

Losing chucker, Yamamoto, was slammed for 11 assorted blows, while five errors helped the Blackhawks in tallying their 12 runs.

Only two Beavers got on base, going no farther than second in the one-sided fray.

Batting at the head of the slugfest were Horibe and Yoshimura with three safeties, and Endo with two.

(continued from last

"So, you'll get settled in an apartment and you'll find lots and lots of Japanese people around you, probably lots of your own friends from Reedley and Poston and wherever you had friends. And maybe you might want to go out to Chinatown and get a shot of that China-meshi you've longed for--for over two years...or is it longer? The Chinatown here doesn't compare with the one we had in Frisco and I don't think their food is as good, but who's going to be fussy? Another tip, don't forget that the Chinese out here don't understand the familiar names we had on the West Coast for roast pork, etc. Order like you were a Caucasian, which you must be like from now on anyway...That over with, you'll want to go into the Loop and maybe just window shop. If you're a girl, what else?...Then a show in the Loop and then home.

"You'll have to get some groceries, of course. Eggs and bacon (try and find any)... Bread and butter (at 24 pts. a lb...who can afford butter?)...milk, sugar and a basketful of vegetables. I think you'll be in for a shock when you go shopping--unless you've been used to paying 20¢ for one cucumber...35¢ for a cauliflower, 15¢ for a head of lettuce. And here's the shock of 'em all...39¢ a lb. for Thompson Seedless grapes! (in season, of course). But after awhile you get used to those things...Take automobiles for example...A fellow I worked with here has a '41 Plymouth...New, they paid \$875 for it in 1941. Today, after 4 years of use,

Preparation is under-way for the school carnival which is tentatively slated for May 10, 11, and 12. It will be sponsored by the Associate Student Body of PVHS at the high school grounds.

Games, food concessions, movies, dancing, and etc. will highlight the carnival.

FIRE CHIEF ASKS FIRE
HAZARDS BE REMOVED

The empty boxes, wood and carton, lumber scraps, etc. which are lying around the barracks and under the barracks are definitely a fire hazard. With the hot weather approaching, it will be more so. Therefore, Fire Chief McClutheon requests that these fire hazards be removed immediately. Let's cooperate with the Fire Department and safeguard ourselves.
