## SEATTLE HOSTEL FOR RETURNEES OPENED BY CHURCHES COUNCIL

A hostel for returnees has been opened in Seattle under the sponsorship of the Council of Churches the Rev. Harold V. Jensen, Council President announced recently.

A Nisei couple has been employed as managers, and the American Friends Service Committee took a crew of volunteer "house cleaners" out to the hostel last week and cleaned it from top to bottom as well as moved furniture. There are six bedrooms in the hostel which is located in the former Japanese Baptist Church parsonage at East Spruce and Broadway and there are several other rooms which can take care of any overflow of unexpected guests, according to the committee in charge.

Plans are being completed by the Council of Churches to open another hostel in Seattle on or about the first of June. The second hostel will house approximately 50 guests.

**DOGS MUST BE TAKEN  
TO THE VET. OR THEY  
MAY BE ELIMINATED**

All center residents, evacuees and appointed personnel, are instructed to bring their dogs for vaccination against rabies at the times already appointed for each unit: Unit II, May 23, police station in Blk. 219, at 1 p.m.; Unit III, May 23, police station in Blk. 310, at 3 p.m.; Unit I, May 24, elementary school hall at 1 p.m.

This service will be rendered free. Dr. J. W.

## Method to Determine Discharge Eligibility Utilizes Point System

The Army last week released its point system for the discharge of enlisted personnel following Allied victory in Europe.

With the minimum temporarily set at 85 points as a requisite for such discharges, the points are to be figured on the basis of service credit overseas duty, participation in combat and parenthood.

The points for each of the four factors for discharge are as follows:

Service Credit--One point for each month of Army service since Sept 16 1940.

Overseas Credit--One point for each month served overseas since Sept 16 1940.

Combat Credit--Five points for each award of combat decoration since Sept 16 1940.

Parenthood Credit--Twelve points for each child under 18 years up to a limit of three children.

Those who attain the required total will be released unless military necessity dictates their retention until replacements can be obtained.

Caldwell, veterinarian, will visit the center. Regulations provide all dogs should be registered with Internal Security Section and tagged, for which there is no charge. Dogs not vaccinated, registered, and tagged, will when found, be impounded and disposed of.

It is believed this will be the last visit of Dr. Caldwell here.

## FIRST NISEI SOLDIER DISCHARGED ON POINT SYSTEM VISITOR HERE

Believed to be the first American soldier of Japanese ancestry to return to civilian life from the Army since the minimum 85 service point system plan came into effect, S/Sgt. Masaru Masukane, who has been in the South Pacific theatre of war for the last 25 months arrived here last Tuesday night to visit his parents, Mr. and Mrs. S. Masukane of Blk. 59 13 F.

S/Sgt. Masukane, who has seen action in Australia, New Guinea and the Philippines, and a wearer of three Asiatic Pacific theatre campaign medals and three battle stars, received his discharge on May 4 at the Fort Bliss Texas separation center.

He did not know of his discharge until he arrived in the United States early this month from the battle area on a 45 day leave, he said upon his arrival here he was told that since he had 87 service points he was eligible for a discharge under the new ruling.

Inducted at El Centro, Calif. on Nov. 4 1941, he took his training at the LE school at Camp Savage, Minn., prior to his overseas duty.

As to his future plans he is still undecided, stated S/Sgt. Masukane, after donning his civilian clothes for the first time in forty-two months.

Next week's picture is "I Love A Soldier," with Gaddard Tufts, at 4, 44 11 and 111.

## RECOMMENDATIONS, COMMENTS, SERIES WOUND UP HERE ANOTHER POSTON WAG

Final installment of series of evacuee recommendations and WRA replies thereto, follows. Others were in April 21, May 5, and 16 issues.

"Recommendation No. 19: That the WRA arrange for adequate government compensation against losses to evacuee property by fire, theft, etc. while in government or private storage or while in transit.

"Comment: WRA has not been given authority by Congress to pay claims of this sort. In one type of case where property has been lost, destroyed, or damaged as a result of the negligence of government employees--claims can be filed against the government, up to \$1,000 under the Small Claims Act of 1922. Through well established channels WRA may submit such claims to the Congress for consideration. The Evacuee Property Officers and the Project Attorneys at the relocation centers can give evacuees complete information with respect to the filing of claims under this law.

Where property has been damaged while in transit, claims can and should be filed in every case against the transportation company. The accountability of railroads and other carriers for property which they transport is very strict and most claims involving damage to evacuee property while in transit would likely be paid by the carriers involved.

We realize, of course, that these two remedies cover only part of the problem. In the case of acts of vandalism against evacuee property in private storage it has not been possible in most cases to identify the vandals, despite WRA investigation.

it must be pointed out, however, that all evacuees were given the option of storing their properties with the government free of charge where it would be appropriately guarded. Since the evacuees had this option Congress might well regard any loss to be a ~~fact~~ that the evacuees knowingly assumed. There may also be other types of cases in which loss has been sustained through no fault of the evacuee which may not be recoverable either as a legal or practical matter. WRA is now issuing instructions requiring all field offices to make full investigations and reports on cases involving damage or loss to evacuee property so that the facts will be of record in government files.

"Recommendation No. 20: That the WRA arrange to provide students of Japanese ancestry with adequate protection in case of need, and opportunities equal to those enjoyed by Caucasian students.

"Comment: Since the school systems at all centers (except Tule Lake) are fully accredited in the States where the centers are located, we anticipate no difficulty concerning credits in connection with the transfer of evacuee students to the ordinary public schools outside the centers. In the West Coast area special efforts have been made to see that the transition of evacuee students back to the public schools is a smooth and satisfactory one. The Superintendents of Public Instruction in all three of the Pacific Coast States have assured us that they will do everything possible to assist in satisfactory adjustment of the

Rochester, N. Y.--Miss Yawamoto, 21, formerly of Poston, left here April 30 for basic training at Ft. Des Moines, Iowa, following induction into the WAC a few weeks ago.

She said, "I am very happy to be accepted into the WAC and to have the opportunity to take a more active part in the war effort."

Miss Yawamoto was a law department secretary while in Poston.

returning evacuee students. Information kits explaining fully the school program at relocation centers and the status of returning evacuees have been placed in the hands of all local school superintendents in California and will probably be distributed in the near future to similar officials in Washington and Oregon. Should any returning evacuee students experience undue difficulties, the WRA field offices will render every possible assistance in working out a satisfactory adjustment.

"Recommendation No. 21. That the WRA make effort to secure work opportunities for returnees and relocatees on equal basis with Caucasian citizens, particularly in reference to admittance into labor unions.

"Comment: We have already been working on this problem through the field offices and will intensify our efforts. Of course, the best argument we have in convincing employers or union officials that equal treatment should be accorded the evacuees is the general attitude and work record of the evacuees themselves. No preferential treatment should be expected, but equal treatment will be the goal of all our negotiations." END

# BOMBERS BLANK SAINTS, 2-0 TO COP TOURNAMENT

Behind Jack Nishida's masterful one-hit hurling, the Bombers, performing almost to perfection, trimmed the youthful Saint aggregation, 2-0, to cop the 1945 Softball Tournament title in a seven-inning thriller at field 3 Wednesday. Playing before the largest crowd to be

**SHAMROCKS WHIP BLK. 21 IN SEMI-FINAL, 16-5**

Banging out 12 hits, including two homers by George Fukuda, the slugger Shamrocks whipped the Block 21 nine, 16-5, in the consolation semi-final tilt Wednesday.

Twelve runs in the first two stanzas were just too much for the Block 21 boys who were limited to only five safeties, one a four-bagger by Tanaka in the third.

Fukuda's two home runs and single in five trips to the plate led the Shamrock's hit parade. Teammates Hashimoto and Kaiti, and 21's Tanaka each tapped out two hits.

The consolation final play-off was scheduled to have been played yesterday, the Ramblers versus Shamrocks, at Field 39.

**BATTERIES: Shamrocks-Tanaka, Kaiti.**

**Block 21-Yamashige, Hasegawa, Fujimoto.**

**HENRY AIHARA PLACES IN DRAKE RELAYS**

Henry Aihara, slim University of Illinois athlete, took fourth place in the broad jump at the Drake Relays recently. His distance was 21 feet, 9 3/8 inches, eight inches behind the winner. Aihara took part in the high jump but did not place.

Formerly of Block 21, Henry relocated to Illinois during his junior year in high school and is now a freshman at the University of Illinois.

attracted to softball this year, the Bombers went through each inning with but one error to mar the books.

With a maximum of four batters facing him per inning, Nishida allowed four walks, struck out two, and brilliant support proved invaluable.

The Bomber's first run came in the second canto, beginning with Matsui's single. Shima was walked, advancing Matsui to second. Yamamoto's timely hit to right field scored Matsui with the initial tally.

Again, in the sixth, Morinishi's single that skimmed over third, sent Matsui home for the second score.

Of the Bomber's four bingles, Matsui slammed out two in two turns at the plate, scored both the Bomber runs, in addition to playing a bang-up ball game in centerfield.

Rightfielder Hiroto's bunt in the first chapter was the Saints' lone hit.

Washington, D.C., AP release, May 12--- Interior Secretary Harold L. Ickes tonight denounced the "planned terrorism by the hoodlums" against persons of Japanese descent in rural California, declaring that 15 shooting attacks had brought no suspects to trial.

As evacuees return to their farms and homes, Ickes charged, the "hoodlums grow more desperate in their lawlessness."

"Some of them see that they will not be able to establish an economic beachhead on the property of the evacuees they vainly hoped would sell out or run out."

Besides the shooting attempts, Ickes reported one attempted dynamiting, three arson cases and five "threatening visits."

THE ONLY ARRESTS... The only instances of asserted terrorism in which arrests were made and a trial held, it was stated, was in the case listed by the War Relocation Authority as a dynamiting attempt resulting in acquittal by the jury of three defendants.

The fact that none of the evacuees has been hit or suffered physical injury in any of the incidents, the Secretary said, proves that "terror is the motive in these crimes."

"In the absence of vigorous local law enforcements, a pattern of planned terrorism by hoodlums has developed," he stated. STORM TROOPS TACTICS...

"It is a matter of National concern because this lawless minority, whose actions are condemned by the decent citizens who make up an overwhelming majority of West Coast residents, seems determined to employ its

Nazi-storm-troop tactics against loyal Japanese American and law-abiding Japanese aliens in spite of the state laws and constitutional safeguards designed to protect the lives and property of all the people of this country."

"...Many of the evacuees Nisei sons are fighting the Japanese enemy in the Philippines, at Okinawa and in other Pacific combat areas.

"They are far more in the American tradition than the race-baiters fighting a private war safely at home."

Shots have been fired into the homes of families with American service flag stars in the windows, Ickes said. BOYCOTTS MENTIONED...

Ickes statement was based on a report by the War Relocation Authority covering incidents of the last four months. The report covered only instances of violence, the Interior Secretary said, and did not include "economic boycotts and advertising campaigns conducted in Oregon, Washington and California against Japanese Americans or vandalism and theft of their property."

"Persons of Japanese ancestry eligible to go back to the Pacific States, who have homes, farms and other legitimate reasons to return, will continue to go on and must be protected," Ickes declared.

The report cited instances of terrorism in various cities including San Jose, Cressy and elsewhere, and said incidents had occurred in 10 Central and Southern California counties--Placer, San Joaquin, Santa Clara, Merced, Madera, Fresno, Tulare, Kern, Los Angeles, and Orange.

## 林中男二等兵 伊國戦線で戦死す

### 全ホストン館行で十六名戦死す

林中男二等兵は、前部落ニ三より入營、遺族の林カズ夫人は既に市俄古方面へ転住す。てゐるが、友人への通信に依ると林中男は四月廿三日伊太利戦線に於いて名譽の戦死を遂げられた由。

林中男二等兵はサリナス出身、一九四三年ホストンより最初の志願入隊組でセルビー兵營にて訓練を受け、ホ西三聯隊に所属し海外に出征、戦中、昨年十月軽傷を受けたこともあり、今回伊太利の激戦で遂に戦死された。

### 善良な日本人の排斥行為を傾め

イキス内務長官は少数民族に對する暴漢の不法行為を非難し、甚しきに至つては出征家族軍人章の有る加州政還

日系人家屋に無法な暴行を働いた者あり事を指摘され、且早急な措置で世界平和會議が開催されて人類平和の福利増進に努めて連日討議がなされる時に際し、その加州で政還日本人へ類を暴行を加へらうは米回

氏の恥辱を全け米回に睡らすことの大いに便するとはなり、日本人より善良な民族はなしと思ふが、斯様な不祥事を再考せざるを加州各地方官憲は充分彼等保護を與へ善處するやう、又金米人は少教民

族への排斥行為を即刻中止す可しと警告的考令され、尚、日本人の兩転住計畫は米回の方策であり、是に反對する有るは因法に違反する者なりと声明し、政府當局側の態度を宣明されたと報せらる。

### 布市で二回回の排日發砲事起る

坂本節吾代宅が暴漢より發砲された翌日、橋場ドラクラー所有の元日本人病院建物に投石し窓を破壊したと同建物管理人イディル夫人は警官へ訴へ出た。

家族へ心算を援助を共へられ度しと依頼捕縛した。米回赤十字社では再転住の軍人家族に充分な便宜をはかうてくわゆる其の地方の赤十字支部へ相談せられ、但し、館内では軍人家族補助金は三十七

### 加州政還日本人を愛護せよ

桑港名ニクル紙は先週社説にて、若し頻りに加州政還日本人を家宅への不法暴行を加州當局が嚴重に取締り得ず、是れを

の家庭を無賴漢の暴行より保護し得ざる無能警察力を全米に晒すも、たゞ、七猛烈に筆罵した。

は、これに就いて加州當局は殊に政還日本人の保護に當り、責任を果せと、紐育タイヒス氏は報じてゐる。

### 軍人家族への政府補助金

華府 W. R. A. は米回赤十字社に對して各支部を以て、再転住の日系軍人家族並に除隊兵

加する故「ワシントン」に書きかへてもらうことか出来る。之れは靴いての香細は出所せんとする軍人家族は当所赤十字支部で尋ねるが得策なり。

### 住民への頼み

着いて夏とはな、水の使用に就いて最大の注意として欲しいです。

### 紐育タイヒスの正論

太平洋沿岸三州に於て四月末日迄に政還日本人に對する不法行為が五十九件に達した。これでは桑港會議に人種差別に依る差別排斥最下策が上程されたらうには何の不思議

### 正金の坂清請求

桑港當局の正金銀行への預金返済請求手續を赤十字法務部でも取扱開始した。

### 出産

部落ニニ六の清原孝作氏夫人は先週三和男子を産み付けた。
