Speaks in Chicago On Memorial Day

Prudence Ross of Chicago WRA sent General Mark Clark a telegram expressing appreciation for the tributes he had accorded Japanese American soldiers in Italy in a recent Memorial Day celebration in Chicago and this is General Clark's reply from Washington dated June 2:

"Our message received in Chicago. I and the officers and men who accompanied me from I~ taly were deeply impressed by the tremenpaid us in dous honor Chicago on May 30. I realize that the honor intended for the fire Americans who have won this war in Europe. It has always been a privilege for me to hare under command the Japanese Americans the 100th Bn. and 442nd Combat Team. They have always fought magnificently, so selflessly and successfully. They have made a great con-tribution to the final victory we had in Ita-ly. Thank you for the fine things you have

said about me."
GeneralClark visited Chicago for ceremonies at which 13 men in his command including T. Sgt. Goro Tsuchida Chicago received honorable discharges.

Excerpts from June 1 Chicago Sun stated, "We know how stated, "We know how General Clark's fellowship with the ranks helped knit into unity a fighting force of Nisei and Negro troops in Italy. Altogether his command was made of 12 nationalities."
